17 interest and potential conflicts of interest of the
18 covered contractor;

24 of any Coronavirus pandemic-related program,
25 project, or activity, through, for example, decision,

1 approval, disapproval, recommendation, or the ren-
2 dering of advice, has no personal or financial conflict
3 of interest (including a situation that would cause a
4 reasonable person with knowledge of the relevant
5 facts to question the objectivity, impartiality, or
6 judgment of the individual in such performance, or
7 the ability of the individual to represent the interests
8 of the Federal Government), unless mitigation meas-
9 ures have addressed the conflict to the satisfaction
10 of the Director or the designated agency ethics offi-

24 designated agency ethics official for the applica-
25 ble Federal agency.

1 (B) WAIVER.—The ethics and conflicts of
