21 than the rate of such deaths for the county
22 that ranked at the 67th percentile of all
23 counties, as determined by the Secretary;

24 “(ii) a county that can demonstrate
25 that the number of drug overdose deaths

1 during the most recent 3-year period for
2 which such data are available was not less
3 than the number of such deaths for the
4 county that ranked at the 90th percentile
5 of all counties, as determined by the Sec-

15 data utilized for purposes of paragraph (1)(A) pro-
16 vides the most precise measure of local area need re-
17 lated to substance use and addiction prevalence and
18 whether additional data would provide more precise
19 measures of substance use and addiction prevalence
20 in local areas. Such study shall identify barriers to
21 collecting or analyzing such data, and make rec-
22 ommendations for revising the indicators used under
23 such paragraph to determine eligibility in order to

22 **“SEC. 3403. AMOUNT OF GRANT AND USE OF AMOUNTS.**

23 “(a) AMOUNT OF GRANT.—

12 tion 3406 for carrying out this subtitle for such
13 fiscal year through grants to eligible local areas
14 under section 3401, in accordance with sub-
15 paragraphs (C) and (D).

16 “(C) AMOUNT.—

17 “(i) IN GENERAL.—Subject to the ex-
18 tent of amounts made available in appro-
19 priations Acts, a grant made for purposes
20 of this subparagraph to an eligible local
21 area shall be made in an amount equal to
22 the product of—

23 “(I) an amount equal to the
24 amount available for distribution

1 under subparagraph (B) for the fiscal
2 year involved; and

3 “(II) the percentage constituted
4 by the ratio of the distribution factor
5 for the eligible local area to the sum
6 of the respective distribution factors
7 for all eligible local areas;

8 which product shall then, as applicable, be
9 increased under subparagraph (D).

10 “(ii) DISTRIBUTION FACTOR.—For
11 purposes of clause (i)(II), the term ‘dis-
12 tribution factor’ means—

13 “(I) an amount equal to—

14 “(aa) the estimated number
15 of drug overdose deaths in the el-
16 igible local area, as determined
17 under clause (iii); or

18 “(bb) the estimated number
19 of non-fatal drug overdoses in the
20 eligible local area, as determined
21 under clause (iv);

22 as determined by the Secretary based
23 on which distribution factor (item (aa)
24 or (bb)) will result in the eligible local

1 area receiving the greatest amount of
2 funds; or

3 “(II) in the case of an eligible
4 local area for which the data de-
5 scribed in subclause (I) is not avail-
6 able, an amount determined by the
7 Secretary—

8 “(aa) based on other data
9 the Secretary determines appro-
10 priate; and

11 “(bb) that is related to the
12 prevalence of non-fatal drug
13 overdoses, drug overdose deaths,
14 and the mortality rate from drug
15 overdoses and provides an equiv-
16 alent measure of need for fund-
17 ing.

18 “(iii) NUMBER OF DRUG OVERDOSE
19 DEATHS.—The number of drug overdose
20 deaths determined under this clause for an
21 eligible county for a fiscal year for pur-

25 able.

1 “(iv) NUMBER OF NON-FATAL DRUG
2 OVERDOSES.—The number of non-fatal
3 drug overdose deaths determined under
4 this clause for an eligible county for a fis-
5 cal year for purposes of clause (ii) may be
6 determined by using data including emer-
7 gency department syndromic data, visits,
8 or other emergency medical services for
9 drug-related causes during the most recent
10 3-year period for which such data are
11 available.

12 “(v) STUDY.—Not later than 3 years
13 after the date of enactment of this title,
14 the Comptroller General shall conduct a
15 study to determine whether the data uti-
16 lized for purposes of clause (ii) provide the
17 most precise measure of local area need re-
18 lated to substance use and addiction preva-
19 lence in local areas and whether additional
20 data would provide more precise measures
21 of substance use and addiction prevalence
22 in local areas. Such study shall identify
23 barriers to collecting or analyzing such
24 data, and make recommendations for revis-
25 ing the distribution factors used under

1 such clause to determine funding levels in
2 order to direct funds to the local areas in
3 most need of funding to provide substance
4 use disorder treatment services.

5 “(vi) REDUCTIONS IN AMOUNTS.—If a
6 local area that is an eligible local area for
7 a year loses such eligibility in a subsequent
8 year based on the failure to meet the re-
9 quirements of section 3401(b)(1)(A), such
10 area will remain eligible to receive—

11 “(I) for such subsequent year, an
12 amount equal to 80 percent of the
13 amount received under the grant in
14 the previous year; and

15 “(II) for the second such subse-
16 quent year, an amount equal to 50
17 percent of the amount received in the
18 such previous year.

19 “(2) SUPPLEMENTAL GRANTS.—

20 “(A) IN GENERAL.—The Secretary shall
21 disburse the remainder of amounts not dis-
