

116TH CONGRESS
1ST SESSION

H. R. 2525

To establish the Steel Valley National Heritage Area in the States of
Pennsylvania and Ohio, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

MAY 3, 2019

Mr. RYAN (for himself and Mr. KELLY of Pennsylvania) introduced the
following bill; which was referred to the Committee on Natural Resources

A BILL

To establish the Steel Valley National Heritage Area in
the States of Pennsylvania and Ohio, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Steel Valley National
5 Heritage Area Act”.

6 **SEC. 2. FINDINGS.**

7 Congress finds as follows:

8 (1) Until the late 1970s, the Mahoning Valley
9 Steelmaking District was one of the five largest
10 steelmaking areas in the world, at times even larger

1 than Pittsburgh, and its mills produced the steel
2 that built America's cities, supported its infrastruc-
3 ture, and strengthened its war efforts.

4 (2) Jobs in the steel industry attracted immi-
5 grants from Europe, Latin America, and the Middle
6 East, as well as thousands of African Americans
7 moving North as part of the Great Migration. While
8 these groups have interacted, become neighbors, and
9 intermarried over the decades, ethnic identities re-
10 main strong in this area. This has produced both a
11 strong sense of community and divisions that reflect
12 national patterns of conflict over class, race, eth-
13 nicity, and religion.

14 (3) The cultural legacy of the steel industry re-
15 mains long after many of the local mills shut down
16 in the institutions created by both working people
17 and civic and business leaders, ranging from ethnic
18 churches to adult education programs aimed at help-
19 ing immigrants learn English and gain citizenship to
20 the Butler Institute of America Art, the Youngstown
21 Symphony, several museums focused on the history
22 of the region, and a large city park that offers pro-
23 gramming in the arts, history, and outdoor activi-
24 ties.

1 (4) The Mahoning Valley Steelmaking District
2 has a long history of labor and community activ-
3 ism—

4 (A) helping to create the United Steel-
5 workers of America, which enabled many work-
6 ers to achieve middle-class lives;

7 (B) organizing a significant community-
8 wide effort to keep the steel mills open after
9 shutdowns were announced in the late 1970s;
10 and

11 (C) developing a nationally and inter-
12 nationally recognized model for community-
13 based planning in response to the economic and
14 social challenges of deindustrialization, includ-
15 ing the Youngstown 2010 Plan and several on-
16 going grassroots neighborhood organizations
17 that have led important efforts to revitalize the
18 community.

19 (5) While many aspects of this community's
20 history reflect the unique mix of the people who
21 came here and the history of industries in this Val-
22 ley, the story of the Mahoning Valley Steelmaking
23 District also reflects national patterns of industrial
24 growth and change, migration and immigration, and
25 cultural, civic, and labor organizing.
