21 ficiary per month care management fees
22 for participating care teams that include
23 an addiction specialist who is either deliv-

12 “(g) MULTIPAYER STRATEGY.—In carrying out the
13 Program, the Secretary shall encourage other payers to
14 provide similar payments and to use similar quality stand-

17 understanding with other payers to align the methodology
18 for payment provided by such a payer related to opioid

20 payment under the Program.

21 “(h) EVALUATION.—

22 “(1) IN GENERAL.—The Comptroller General of
23 the United States shall conduct an intermediate and
24 final evaluation of the program. Each such evalua-
25 tion shall determine the extent to which each of the

1 purposes described in subsection (b) have been ac-
2 complished under the Program. Each evaluation
3 shall also determine the extent to which the struc-
4 ture and requirements of the Program facilitated or
5 impeded the participation of practitioners in the pro-
6 gram, the participation of beneficiaries with opioid
7 use disorder, and the delivery of high-quality opioid
8 use disorder treatment services.

10 the United States shall submit to the Secretary and

14 later than 3 years after the date of the imple-
15 mentation of the Program; and

16 “(B) a report with respect to the final
17 evaluation under paragraph (1) not later than
