1 **SEC. 3. REVIEW AND ADJUSTMENT OF PAYMENTS UNDER**  
2 **THE MEDICARE OUTPATIENT PROSPECTIVE**  
3 **PAYMENT SYSTEM TO AVOID FINANCIAL IN-**

22 ternatives for pain management (including  
23 drugs and devices, nerve blocks, surgical  
24 injections, and neuromodulation) with a

2           non-opioid alternatives;

3           “(ii) may, as the Secretary determines  
4           appropriate, conduct subsequent reviews of  
5           such payments; and

6           “(iii) shall consider the extent to  
7           which revisions under this subsection to  
8           such payments (such as the creation of ad-  
9           ditional groups of covered OPD services to  
10          classify separately those procedures that  
11          utilize opioids and non-opioid alternatives  
12          for pain management) would reduce pay-

14          non-opioid alternatives for pain manage-  
15          ment.

16          “(B) PRIORITY.—In conducting the review

1 which generally involve treatment for pain man-  
2 agement.

3 “(C) REVISIONS.—If the Secretary identi-  
4 fies revisions to payments pursuant to subpara-  
5 graph (A)(iii), the Secretary shall, as deter-  
6 mined appropriate, begin making such revisions  
7 for services furnished on or after January 1,  
8 2020. Revisions under the previous sentence  
9 shall be treated as adjustments for purposes of  
10 application of paragraph (9)(B).

11 “(D) RULES OF CONSTRUCTION.—Nothing  
12 in this paragraph shall be construed to preclude  
13 the Secretary—

14 “(i) from conducting a demonstration  
15 before making the revisions described in  
16 subparagraph (C); or

17 “(ii) prior to implementation of this  
18 paragraph, from changing payments under  
19 this subsection for covered OPD services  
20 (or groups of services) which include  
21 opioids or non-opioid alternatives for pain  
22 management.”.
