8           (b) GENERAL GUIDELINES FOR REPROGRAMMING.—

9           (1) A reprogramming should be made only  
10          when an unforeseen situation arises, and then only  
11          if postponement of the project or the activity until  
12          the next appropriation year would result in actual  
13          loss or damage.

14          (2) Any project or activity, which may be de-  
15          ferred through reprogramming, shall not later be ac-  
16          complished by means of further reprogramming, but  
17          instead, funds should again be sought for the de-  
18          ferred project or activity through the regular appro-  
19          priations process.

20          (3) Except under the most urgent situations,  
21          reprogramming should not be employed to initiate  
22          new programs or increase allocations specifically de-  
23          nied or limited by the Congress, or to decrease allo-  
24          cations specifically increased by the Congress.

1           (4) New programs requested in the budget

4           Committees on Appropriations of the House of Rep-  
5           resentatives and the Senate (hereinafter “the Com-  
6           mittees”). This restriction applies to all such actions  
7           regardless of whether a formal reprogramming of  
8           funds is required to begin the program.

9           (c) CRITERIA.—

10           (1) A reprogramming shall be submitted to the  
11           Committees in writing 30 days prior to implementa-  
12           tion if—

13                   (A) it exceeds \$1,000,000 individually or  
14                   cumulatively or results in a cumulative increase  
15                   or decrease of more than 10 percent of funds  
16                   annually in any affected program, project, or  
17                   activity;

18                   (B) it is a reorganization; or

19                   (C) it is an operating plan or any later  
20                   modification thereof as submitted under sub-  
21                   section (i) of this section: *Provided*, That such

23                   the other criteria under subsection (c)(1) of this  
24                   section.

1           (2) No funds shall be available for obligation or  
2           expenditure through a reprogramming until 30 days  
3           after the receipt by the Committees of a notice of  
4           proposed reprogramming.

5           (3) A reprogramming shall be considered ap-  
6           proved 30 days after receipt if the Committees have  
7           posed no objection. However, agencies shall not im-  
8           plement the reprogramming and shall extend the no-  
9           tification period if specifically requested by either  
10          Committee.

2 not the more detailed level as shown in the Com-  
3 mittee report. The National Park Service shall re-  
4 port on actual spending at the more detailed level no  
5 later than 60 days after the end of the fiscal year

9 year for the purpose of updating the Committee sup-  
10 port table.

21   valued between \$500,000 and \$1,000,000.

25 viso shall not apply to the mortgage insurance or guaranty

1 operations of these corporations, or where loans or mort-

22       SEC. 210. (a) Notwithstanding any other provision  
23 of law, subject to the conditions listed under this section,  
24 for fiscal years 2020 and 2021, the Secretary of Housing  
25 and Urban Development may authorize the transfer of

1 some or all project-based assistance, debt held or insured  
2 by the Secretary and statutorily required low-income and  
3 very low-income use restrictions if any, associated with one  
4 or more multifamily housing project or projects to another  
5 multifamily housing project or projects.

6 (b) PHASED TRANSFERS.—Transfers of project-  
7 based assistance under this section may be done in phases  
8 to accommodate the financing and other requirements re-  
9 lated to rehabilitating or constructing the project or  
10 projects to which the assistance is transferred, to ensure  
11 that such project or projects meet the standards under  
12 subsection (c).

13 (c) The transfer authorized in subsection (a) is sub-  
14 ject to the following conditions:

15 (1) NUMBER AND BEDROOM SIZE OF UNITS.—

16 (A) For occupied units in the transferring  
17 project: The number of low-income and very  
18 low-income units and the configuration (i.e.,  
19 bedroom size) provided by the transferring  
20 project shall be no less than when transferred  
21 to the receiving project or projects and the net  
22 dollar amount of Federal assistance provided to  
23 the transferring project shall remain the same  
24 in the receiving project or projects.

1           (B) For unoccupied units in the transfer-  
2           ring project: The Secretary may authorize a re-  
3           duction in the number of dwelling units in the  
4           receiving project or projects to allow for a re-  
5           configuration of bedroom sizes to meet current  
6           market demands, as determined by the Sec-  
7           retary and provided there is no increase in the  
8           project-based assistance budget authority.

9           (2) The transferring project shall, as deter-  
10          mined by the Secretary, be either physically obsolete  
11          or economically nonviable.

12          (3) The receiving project or projects shall meet  
13          or exceed applicable physical standards established  
14          by the Secretary.

15          (4) The owner or mortgagor of the transferring  
16          project shall notify and consult with the tenants re-  
17          siding in the transferring project and provide a cer-  
18          tification of approval by all appropriate local govern-  
19          mental officials.

20          (5) The tenants of the transferring project who  
21          remain eligible for assistance to be provided by the  
22          receiving project or projects shall not be required to  
23          vacate their units in the transferring project or  
24          projects until new units in the receiving project are  
25          available for occupancy.

1           (6) The Secretary determines that this transfer  
2           is in the best interest of the tenants.

3           (7) If either the transferring project or the re-  
4           ceiving project or projects meets the condition speci-  
5           fied in subsection (d)(2)(A), any lien on the receiv-  
6           ing project resulting from additional financing ob-  
7           tained by the owner shall be subordinate to any  
8           FHA-insured mortgage lien transferred to, or placed  
9           on, such project by the Secretary, except that the  
10          Secretary may waive this requirement upon deter-  
11          mination that such a waiver is necessary to facilitate  
12          the financing of acquisition, construction, and/or re-  
13          habilitation of the receiving project or projects.

14          (8) If the transferring project meets the re-  
15          quirements of subsection (d)(2), the owner or mort-  
16          gagor of the receiving project or projects shall exe-  
17          cute and record either a continuation of the existing  
18          use agreement or a new use agreement for the  
19          project where, in either case, any use restrictions in  
20          such agreement are of no lesser duration than the  
21          existing use restrictions.

22          (9) The transfer does not increase the cost (as  
23          defined in section 502 of the Congressional Budget  
24          Act of 1974, as amended) of any FHA-insured  
25          mortgage, except to the extent that appropriations

15 assist relocation of tenants for imminent major threats to  
16 health and safety after written notice to and informed con-  
17 sent of the affected tenants and use of other available rem-  
18 edies, such as partial abatements or receivership. After  
19 disposition of any multifamily property described under

11 Secretary shall not impose any requirement or guideline  
12 relating to asset management that restricts or limits in  
13 any way the use of capital funds for central office costs

18 eligible under section 9(e) for assistance with amounts  
19 from the operating fund in excess of the amounts per-  
20 mitted under section 9(g)(1) or 9(g)(2).

21 SEC. 216. No official or employee of the Department  
22 of Housing and Urban Development shall be designated  
23 as an allotment holder unless the Office of the Chief Fi-  
24 nancial Officer has determined that such allotment holder  
25 has implemented an adequate system of funds control and

1 has received training in funds control procedures and di-  
2 rectives. The Chief Financial Officer shall ensure that  
3 there is a trained allotment holder for each HUD appro-  
4 priation under the accounts “Executive Offices” and “Ad-  
5 ministrative Support Offices”, as well as each paragraph  
6 receiving appropriations under the heading “Program Of-  
7 fice Salaries and Expenses”, “Government National Mort-  
8 gage Association—Guarantees of Mortgage-Backed Secu-  
9 rities Loan Guarantee Program Account”, and “Office of

13 ing and Urban Development shall, for fiscal year 2020,  
14 notify the public through the Federal Register and other  
15 means, as determined appropriate, of the issuance of a no-  
16 tice of the availability of assistance or notice of funding  
17 availability (NOFA) for any program or discretionary  
18 fund administered by the Secretary that is to be competi-  
19 tively awarded. Notwithstanding any other provision of  
20 law, for fiscal year 2020, the Secretary may make the  
21 NOFA available only on the Internet at the appropriate  
22 Government web site or through other electronic media,  
23 as determined by the Secretary.

24 SEC. 218. Payment of attorney fees in program-re-  
25 lated litigation shall be paid from the individual program

1 office and Office of General Counsel salaries and expenses  
2 appropriations. The annual budget submission for the pro-  
3 gram offices and the Office of General Counsel shall in-  
4 clude any such projected litigation costs for attorney fees  
5 as a separate line item request. No funds provided in this  
6 title may be used to pay any such litigation costs for attor-  
7 ney fees until the Department submits for review a spend-  
8 ing plan for such costs to the House and Senate Commit-  
9 tees on Appropriations.

10 SEC. 219. The Secretary is authorized to transfer up  
11 to 10 percent or \$5,000,000, whichever is less, of funds  
12 appropriated for any office under the heading “Adminis-  
13 trative Support Offices” or for any paragraph under the  
14 heading “Program Office Salaries and Expenses” to any  
15 other such office or account: *Provided*, That no appropria-  
16 tion for any such office or account shall be increased or  
17 decreased by more than 10 percent or \$5,000,000, which-  
18 ever is less, without prior written approval of the House  
19 and Senate Committees on Appropriations: *Provided fur-*  
20 *ther*, That the Secretary shall provide notification to such  
21 Committees three business days in advance of any such  
22 transfers under this section up to 10 percent or  
23 \$5,000,000, whichever is less.

24 SEC. 220. (a) Any entity receiving housing assistance  
25 payments shall maintain decent, safe, and sanitary condi-

1 tions, as determined by the Secretary of Housing and  
2 Urban Development (in this section referred to as the  
3 “Secretary”), and comply with any standards under appli-  
4 cable State or local laws, rules, ordinances, or regulations  
5 relating to the physical condition of any property covered  
6 under a housing assistance payment contract.

7 (b) The Secretary shall take action under subsection  
8 (c) when a multifamily housing project with a section 8  
9 contract or contract for similar project-based assistance—

10 (1) receives a Uniform Physical Condition  
11 Standards (UPCS) score of 60 or less; or

12 (2) fails to certify in writing to the Secretary  
13 within 3 days that all Exigent Health and Safety de-  
14 ficiencies identified by the inspector at the project  
15 have been corrected.

16 Such requirements shall apply to insured and noninsured  
17 projects with assistance attached to the units under sec-  
18 tion 8 of the United States Housing Act of 1937 (42  
19 U.S.C. 1437f), but do not apply to such units assisted  
20 under section 8(o)(13) (42 U.S.C. 1437f(o)(13)) or to  
21 public housing units assisted with capital or operating  
22 funds under section 9 of the United States Housing Act  
23 of 1937 (42 U.S.C. 1437g).

24 (c)(1) Within 15 days of the issuance of the REAC  
25 inspection, the Secretary must provide the owner with a

1 Notice of Default with a specified timetable, determined  
2 by the Secretary, for correcting all deficiencies. The Sec-  
3 retary must also provide a copy of the Notice of Default  
4 to the tenants, the local government, any mortgagees, and  
5 any contract administrator. If the owner's appeal results  
6 in a UPCS score of 60 or above, the Secretary may with-  
7 draw the Notice of Default.

8 (2) At the end of the time period for correcting all  
9 deficiencies specified in the Notice of Default, if the owner  
10 fails to fully correct such deficiencies, the Secretary may—

11 (A) require immediate replacement of project  
12 management with a management agent approved by  
13 the Secretary;

14 (B) impose civil money penalties, which shall be  
15 used solely for the purpose of supporting safe and

5 (F) pursue exclusionary sanctions, including

8 manage the property and cure all project deficiencies  
9 or seek a judicial order of specific performance re-  
10 quiring the owner to cure all project deficiencies;

11 (H) work with the owner, lender, or other re-  
12 lated party to stabilize the property in an attempt  
13 to preserve the property through compliance, trans-  
14 fer of ownership, or an infusion of capital provided  
15 by a third-party that requires time to effectuate; or

16 (I) take any other regulatory or contractual  
17 remedies available as deemed necessary and appro-  
18 priate by the Secretary.

19 (d) The Secretary shall also take appropriate steps  
20 to ensure that project-based contracts remain in effect,  
21 subject to the exercise of contractual abatement remedies  
22 to assist relocation of tenants for major threats to health

24 the extent the Secretary determines, in consultation with  
25 the tenants and the local government, that the property

1 is not feasible for continued rental assistance payments  
2 under such section 8 or other programs, based on consid-  
3 eration of—

4 (1) the costs of rehabilitating and operating the  
5 property and all available Federal, State, and local  
6 resources, including rent adjustments under section  
7 524 of the Multifamily Assisted Housing Reform  
8 and Affordability Act of 1997 (“MAHRAA”); and

9 (2) environmental conditions that cannot be

14 ance.

15 (e) The Secretary shall report quarterly on all prop-  
16 erties covered by this section that are assessed through  
17 the Real Estate Assessment Center and have UPCS phys-

19 unsatisfactory management and occupancy review within  
20 the past 36 months. The report shall include—

21 (1) the enforcement actions being taken to ad-

25 tiple times;

1           (2) actions that the Department of Housing  
2           and Urban Development is taking to protect tenants  
3           of such identified properties; and

4           (3) any administrative or legislative rec-  
5           ommendations to further improve the living condi-  
6           tions at properties covered under a housing assist-  
7           ance payment contract.
