- 1 Be it enacted by the Senate and House of Representa-
- 2 tives of the United States of America in Congress assembled,

3 SECTION 1. SHORT TITLE.

- 4 This Act may be cited as the "Commission to Study
- 5 and Develop Reparation Proposals for African-Americans
- 6 Act".

7 SEC. 2. FINDINGS AND PURPOSE.

- 8 (a) FINDINGS.—The Congress finds that—
- 9 (1) approximately 4,000,000 Africans and their
- descendants were enslaved in the United States and
- 11 colonies that became the United States from 1619 to
- 12 1865;
- 13 (2) the institution of slavery was constitu-
- tionally and statutorily sanctioned by the Govern-
- ment of the United States from 1789 through 1865;
- 16 (3) the slavery that flourished in the United
- 17 States constituted an immoral and inhumane depri-
- vation of Africans' life, liberty, African citizenship
- rights, and cultural heritage, and denied them the
- fruits of their own labor;
- 21 (4) a preponderance of scholarly, legal, commu-
- 22 nity evidentiary documentation and popular culture
- 23 markers constitute the basis for inquiry into the on-
- 24 going effects of the institution of slavery and its leg-

- acy of persistent systemic structures of discrimination on living African-Americans and society in the United States; and
 - (5) following the abolition of slavery the United States Government, at the Federal, State, and local level, continued to perpetuate, condone and often profit from practices that continued to brutalize and disadvantage African-Americans, including share cropping, convict leasing, Jim Crow, redlining, unequal education, and disproportionate treatment at the hands of the criminal justice system; and
 - (6) as a result of the historic and continued discrimination, African-Americans continue to suffer debilitating economic, educational, and health hardships including but not limited to; having nearly 1,000,000 Black people incarcerated; an unemployment rate more than twice the current White unemployment rate; and an average of less than ½16 of the wealth of White families, a disparity which has worsened, not improved over time.
- 21 (b) Purpose.—The purpose of this Act is to estab-22 lish a commission to study and develop Reparation pro-23 posals for African-Americans as a result of—
- 24 (1) the institution of slavery, including both the 25 Trans-Atlantic and the domestic "trade" which ex-

- isted from 1565 in colonial Florida and from 1619
 through 1865 within the other colonies that became
 the United States, and which included the Federal
 and State governments which constitutionally and
 statutorily supported the institution of slavery;
 - (2) the de jure and de facto discrimination against freed slaves and their descendants from the end of the Civil War to the present, including economic, political, educational, and social discrimination;
 - (3) the lingering negative effects of the institution of slavery and the discrimination described in paragraphs (1) and (2) on living African-Americans and on society in the United States;
 - (4) the manner in which textual and digital instructional resources and technologies are being used to deny the inhumanity of slavery and the crime against humanity of people of African descent in the United States;
 - (5) the role of Northern complicity in the Southern based institution of slavery;
 - (6) the direct benefits to societal institutions, public and private, including higher education, corporations, religious and associational;
