A BILL TO BE ENTITLED		
AN ACT TO EXPAND ELIGIBILITY FOR UTILITY ACCOUNT FUNDS.		
The General Assembly of North Carolina enacts:		
SECTION 1. G.S. 143B-437.01 reads as rewritten:		
"§ 143B-437.01. Industrial Development Fund Utility Account.		
(a) Creation and Purpose of Fund. – There is created in the Department of Commerce a		
special account to be known as the Industrial Development Fund Utility Account ("Utility		
Account") to provide funds to assist the local government units of the most economically		
distressed counties in the State in creating jobs. The Department of Commerce shall adopt rules		
providing for the administration of the program. Those rules shall include the following		
provisions, which shall apply to each grant from the account:		
(1)	The funds shall be used for construction of or improveme	_
	water, sewer, gas, telecommunications, high-speed by	
utility distribution lines or equipment, or transportation infrastructure for existing or new or proposed buildings. To be eligible for funding, the water		
gas, telecommunications, high-speed broadband, electrical utility lines or		
facilities, or transportation infrastructure shall be located on the site of		_
	building or, if not located on the site, shall be directly re	
	of the job creation activity. To be eligible for funding, the	*
	shall be located on the site of the building or, if not located on the site of the building or, if not located on the site of the building or, if not located on the site of the building or, if not located on the site of the building or, if not located on the site of the building or, if not located on the site of the building or, if not located on the site of the building or, if not located on the site of the building or, if not located on the site of the building or, if not located on the site of the building or, if not located on the site of the building or, if not located on the site of the building or, if not located on the site of the building or, if not located on the site of the building or, if not located on the site of the building or, if not located on the site of the building or, if not located on the site of the building or the site of the site of the building or the site of the site of the building or the site of the sit of the site of	
	be directly related to the operation of the job creation	
	sewer infrastructure is located in a county other than the	=
	building is located.	•
(1a)	The funds shall be used for projects located in eco	nomically distressed
	counties except that the Secretary of Commerce may us	
	thousand dollars (\$100,000) to provide emergency eco	
	assistance in any county that is documented to be e	xperiencing a major
	economic dislocation.	
(2)	The funds shall be used by the city and county government	
	are reasonably anticipated to result in the creation of new	•
(2)	no maximum funding amount per new job to be created	1 1 0
(3)	There shall be no local match requirement if the project	_
	that has one of the 25 highest rankings under G.S. 143B-	-4 <i>3</i> / .08.

- The funds shall not be used for any retail, entertainment, or sports projects. The funds shall not be used for any nonmanufacturing project that does not meet the wage standard for the development tier area or zone in which the project is located. There is no wage standard for a development tier one area. If an urban progress zone or an agrarian growth zone is not in a development tier one area, then the wage standard for that zone is an average weekly wage that is at least equal to ninety percent (90%) of the lesser of the average wage for all insured private employers in the State and the average wage for all insured private employers in the county in which the project is located. The wage standard for a development tier two area or a development tier three area is an average weekly wage that is at least equal to one hundred ten percent (110%) of the lesser of the average wage for all insured private employers in the State and ninety percent (90%) of the average wage for all insured private employers in the county in which the project is located.
- (7) Priority for the use of funds shall be given to eligible industries.
- (a1) Definitions. The following definitions apply in this section:

(4) Economically distressed county. – A county that is defined as a development tier one or two area under G.S. 143B-437.08. with total employment of less than 500,000. In measuring total employment, the Secretary shall use the latest available data published by the Quarterly Census of Employment and Wages program.

(7) Major economic dislocation. – The actual or imminent loss of 500 or more manufacturing jobs in the county or of a number of manufacturing jobs equal to at least ten percent (10%) of the existing manufacturing workforce in the county.

SECTION 2. This act is effective when it becomes law.
