## AN ACT

To provide emergency relief for victims of genocide, crimes against humanity, and war crimes in Iraq and Syria, for accountability for perpetrators of these crimes, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Iraq and Syria Geno-  
5 cide Emergency Relief and Accountability Act of 2017”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

1           (1) Religious and ethnic minorities in Iraq and  
2           Syria are persecuted groups, and the Secretary of  
3           State of State declared on March 17, 2016, that  
4           Daesh, also known as the Islamic State of Iraq and  
5           Syria (ISIS), was responsible for genocide, crimes  
6           against humanity, and other atrocity crimes against  
7           several of these groups, including Christians and  
8           Yezidis.

9           (2) According to the Department of State's an-  
10          nual reports on international religious freedom, the  
11          number of Christians living in Iraq has dropped  
12          from an estimated 800,000 to 1.4 million in 2002 to  
13          fewer than 250,000 in 2015, and the number of  
14          Yezidis living in Iraq has dropped from 500,000 in  
15          2013 to 350,000 to 400,000 in 2015.

16          (3) The annual reports on international reli-  
17          gious freedom further suggest that Christian com-  
18          munities living in Syria, which had accounted for be-  
19          tween 8 and 10 percent of Syria's total population  
20          in 2010, are now "considerably" smaller as a result  
21          of the civil war, and that the population of approxi-  
22          mately 80,000 Yezidis in 2010 may now be larger  
23          because of refugees from Iraq.

24          (4) Local communities and entities have sought  
25          to mitigate the impact of violence directed against

1 religious and ethnic minorities in Iraq and Syria, in-  
2 cluding the Chaldean Catholic Archdiocese of Erbil  
3 (Kurdistan Region of Iraq), which has used private  
4 funds to provide assistance to internally displaced  
5 Christians, Yazidis, and Muslims throughout the  
6 greater Erbil region, while growing needs and dimin-  
7 ishing resources have made it increasingly difficult  
8 to continue these efforts.

3 (1) *Religious and ethnic minorities in Iraq and*  
4 *Syria are persecuted groups. The Secretary of State*  
5 *of State declared on March 17, 2016, and August 15,*

15          (Kurdistan Region of Iraq), which has used private  
16          funds to provide assistance to internally displaced  
17          Christians, Yezidis, and Muslims throughout the
