17 It is the intent of the legislature that the Department of Health & Social Services re-examine 18 service delivery models to ensure eligible senior and disabled populations receive appropriate 19 services irrespective of where they live in Alaska. The Department of Health and Social 20 Services shall submit a report to co-chairs of the Finance Committees and the Legislative 21 Finance Division on the status of the service no later than February 15, 2019.

It is the intent of the legislature that the State of Alaska proceed expeditiously to establish companion services under Section 1915(c) of the Social Security Act to complement and support the services provided through the Medicare/Medicaid waiver programs. The Department of Health and Social Services shall submit a report to co-chairs of the Finance Committees and the Legislative Finance Division on the status of the service no later than January 31, 2019.

It is the intent of the legislature that funding for day habilitation be sufficient to provide up to 624 hours annually per recipient. The request for additional day habilitation over the annual "soft cap" of 624 hours may be approved to avoid institutional care or for the safety of Medicaid recipients.
