fiscal years 2018 and 2019 to identify and 6
provide grants to industry partnerships; to 7

workforce training opportunities for students; 9
to support economic development and 10
revitalization programs; and to make an 11
appropriation. 12

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. (A) As used in this section, "eligible 13
partnership" means a partnership consisting of any community 14
college, state community college, technical college, university 15
branch, or regional campus that offers associate degree programs 16
and industry-recognized credential programs, and at least one 17
business located in the same region as the partnering 18
institution of higher education. 19

(B) The Public-Private Partnership Grant Program is hereby
created for fiscal years 2018 and 2019 to provide grants to
eligible partnerships to develop, enhance, and promote associate
degree programs and industry-recognized credential programs that
align with in-demand jobs to address the region's workforce
needs.

(C) (1) Grants shall be awarded by a nine-member governing
board consisting of the Chancellor of Higher Education, or the
Chancellor's designee; the Director of the Governor's Office of
Workforce Transformation, or the Director's designee; three
members appointed by the Governor, two representing the
interests of labor and one representing the interests of
business; the chairperson and ranking minority leader of the
House of Representatives committee that primarily deals with
higher education and workforce development; and the chairperson
and ranking minority leader of the Senate committee that
primarily deals with education.

(2) The board shall select grant advisors with fiscal
expertise and higher education and workforce development
expertise. These advisors shall evaluate proposals from grant
applicants and advise the staff administering the program. No
advisor shall be compensated for this service.

(3) The board shall create a grant application and publish
on the Department of Higher Education's web site the application
and timeline for the submission, review, notification, and
awarding of grant proposals.

(D) Each grant applicant shall submit a proposal that
includes all of the following:

(1) The name of all businesses included in the

partnerships with institutions of higher education that 61
currently offer associate degree programs and industry- 62
recognized credential programs that align with in-demand jobs in 63
the region. 64

(2) Not later than seventy-five days after receipt of an 65
application under this section, the board shall issue a decision 66
of "yes," "no," "hold," or "edit" for the application. In making 67
its decision, the board shall consider whether the project has 68
the potential to align associate degree and credential programs 69
with in-demand jobs to address the region's workforce needs and 70
the capability of being replicated in other regions of the 71
state. If the board issues a "hold" or "edit" decision for an 72
application, it shall, upon returning the application to the 73
applicant, specify the process for reconsideration of the 74
application. 75

(F) Upon deciding to award a grant to an applicant, the 76

amended by mutual agreement between the board and the applicant.	90
(G) The Chancellor shall determine the amount for each	91
grant awarded under this section. When distributing the grant	92
