15 238.410, to read as follows:

**32.070. 1. This act shall be known and may be cited as the "Streamlined Sales and
2 Use Tax Agreement Act".**

**3 2. Beginning on January first following the effective date of this act, all revenue
4 generated under the streamlined sales and use tax agreement act that exceeds the amount
5 of revenue that would have been collected if the streamlined sales and use tax agreement
6 act were not effective shall be deposited in the state road fund created under section
7 226.220 and appropriated solely for the approved purposes. The department of revenue
8 shall track and report the collections generated under this act.**

**9 3. The director of the department of revenue shall enter into the streamlined sales
10 and use tax agreement with one or more states to simplify and modernize sales and use tax
11 administration in order to substantially reduce the burden of tax compliance for all sellers
12 and for all types of commerce. In furtherance of the streamlined sales and use tax
13 agreement, the director of the department of revenue may act jointly with other states that
14 are members of the streamlined sales and use tax agreement to establish standards for
15 certification of a certified service provider and certified automated system and establish
16 performance standards for multistate sellers.**

**17 4. The director of the department of revenue may take other action reasonably
18 required to implement the provisions set forth in the streamlined sales and use tax
19 administration act including, but not limited to, the promulgation of rules and the joint
20 procurement, with other member states, of goods and services in furtherance of the
21 streamlined sales and use tax agreement.**

**22 5. For the purposes of representing the state as a member of the agreement and, if
23 necessary, amending the agreement, three delegates shall represent the state: one appointed
24 by the governor, one who is a member of the general assembly appointed by mutual
25 agreement of the president pro tempore of the senate and the speaker of the house of
26 representatives, and one who is the director of the department of revenue or the director's
27 designee. The delegates shall recommend to the committees responsible for reviewing
28 taxation issues in the senate and the house of representatives each year any amendment of
29 state statutes required to be substantially in compliance with the agreement. Such
30 delegates shall make a written report by the fifteenth day of January each year regarding
31 the status of the agreement.**

32 **6. The department of revenue shall promulgate rules necessary to implement the**
33 **provisions of the streamlined sales and use tax agreement. Any rule or portion of a rule,**
34 **as that term is defined in section 536.010, that is created under the authority delegated in**
35 **this section shall become effective only if it complies with and is subject to all of the**
36 **provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536**
37 **are nonseverable, and if any of the powers vested with the general assembly pursuant to**
38 **chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are**
39 **subsequently held unconstitutional, then the grant of rulemaking authority and any rule**
40 **proposed or adopted after August 28, 2017, shall be invalid and void.**

32.086. Notwithstanding any other provision of law, for all local sales and use taxes
2 **collected by the department of revenue and remitted to a political jurisdiction or taxing**
3 **district, the department shall remit one percent of the amount collected to the general**
4 **revenue fund to offset the cost of collection unless a greater amount is specified in the local**
5 **sales and use tax law. The department shall not commingle the remaining amounts**
6 **collected with general revenue and shall remit the remaining amounts collected to the**
7 **political jurisdiction or taxing district less any credits for erroneous payments,**
8 **overpayments, and dishonored checks.**

 32.087. 1. Within ten days after the adoption of any ordinance or order in favor of
2 adoption of any local sales tax authorized under the local sales tax law by the voters of a taxing
3 entity, the governing body or official of such taxing entity shall forward to the director of
4 revenue by United States registered mail or certified mail a certified copy of the ordinance or
5 order. The ordinance or order shall reflect the effective date thereof.

6 2. Any local sales tax so adopted shall become effective on the first day of the second
7 calendar quarter after the director of revenue receives notice of adoption of the local sales tax,
8 except as provided in subsection ~~[18]~~ 17 of this section, and shall be imposed on all transactions
9 on which the Missouri state sales tax is imposed.

10 3. Every retailer within the jurisdiction of one or more taxing entities which has imposed
11 one or more local sales taxes under the local sales tax law shall add all taxes so imposed along
12 with the tax imposed by the sales tax law of the state of Missouri to the sale price and, when
13 added, the combined tax shall constitute a part of the price, and shall be a debt of the purchaser
14 to the retailer until paid, and shall be recoverable at law in the same manner as the purchase
15 price. The combined rate of the state sales tax and all local sales taxes shall be the sum of the
16 rates, multiplying the combined rate times the amount of the sale.

17 4. ~~[The brackets required to be established by the director of revenue under the~~
18 ~~provisions of section 144.285 shall be based upon the sum of the combined rate of the state sales~~
19 ~~tax and all local sales taxes imposed under the provisions of the local sales tax law.~~

20 ———5-] (1) The ordinance or order imposing a local sales tax under the local sales tax law
21 shall impose a tax upon all transactions upon which the Missouri state sales tax is imposed to
22 the extent and in the manner provided in sections 144.010 to 144.525, and the rules and
23 regulations of the director of revenue issued pursuant thereto; except that the rate of the tax shall
24 be the sum of the combined rate of the state sales tax or state highway use tax and all local sales
25 taxes imposed under the provisions of the local sales tax law.

26 (2) Notwithstanding any other provision of law to the contrary, local taxing jurisdictions,
27 except those in which voters have **previously** approved a local use tax under section 144.757,
28 shall have placed on the ballot on or after the general election in November 2014, but no later
29 than the general election in November 2018, whether to repeal application of the local sales tax
30 to the titling of motor vehicles, trailers, boats, and outboard motors that are subject to state sales
31 tax under section 144.020 and purchased from a source other than a licensed Missouri dealer.
32 The ballot question presented to the local voters shall contain substantially the following
33 language:

34 Shall the (local jurisdiction's name) discontinue applying and collecting the
35 local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors that were
36 purchased from a source other than a licensed Missouri dealer?

37
38 Approval of this measure will result in a reduction of local revenue to provide for vital services
39 for (local jurisdiction's name) and it will place Missouri dealers of motor vehicles,
40 outboard motors, boats, and trailers at a competitive disadvantage to non-Missouri dealers of
41 motor vehicles, outboard motors, boats, and trailers.

42 ☐ YES ☐ NO

43

44 If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed
45 to the question, place an "X" in the box opposite "NO".

46 (3) If the ballot question set forth in subdivision (2) of this subsection receives a majority
47 of the votes cast in favor of the proposal, or if the local taxing jurisdiction fails to place the ballot
48 question before the voters on or before the general election in November 2018, the local taxing
49 jurisdiction shall cease applying the local sales tax to the titling of motor vehicles, trailers, boats,
50 and outboard motors that were purchased from a source other than a licensed Missouri dealer.

51 (4) In addition to the requirement that the ballot question set forth in subdivision (2) of
52 this subsection be placed before the voters, the governing body of any local taxing jurisdiction
53 that had previously imposed a local use tax on the use of motor vehicles, trailers, boats, and
54 outboard motors may, at any time, place a proposal on the ballot at any election to repeal
55 application of the local sales tax to the titling of motor vehicles, trailers, boats, and outboard

56 motors purchased from a source other than a licensed Missouri dealer. If a majority of the votes
57 cast by the registered voters voting thereon are in favor of the proposal to repeal application of
58 the local sales tax to such titling, then the local sales tax shall no longer be applied to the titling
59 of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a
60 licensed Missouri dealer. If a majority of the votes cast by the registered voters voting thereon
61 are opposed to the proposal to repeal application of the local sales tax to such titling, such
62 application shall remain in effect.

63 (5) In addition to the requirement that the ballot question set forth in subdivision (2) of
64 this subsection be placed before the voters on or after the general election in November 2014,
65 and on or before the general election in November 2018, whenever the governing body of any
66 local taxing jurisdiction imposing a local sales tax on the sale of motor vehicles, trailers, boats,
67 and outboard motors receives a petition, signed by fifteen percent of the registered voters of such
68 jurisdiction voting in the last gubernatorial election, and calling for a proposal to be placed on
69 the ballot at any election to repeal application of the local sales tax to the titling of motor
70 vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed
71 Missouri dealer, the governing body shall submit to the voters of such jurisdiction a proposal to
72 repeal application of the local sales tax to such titling. If a majority of the votes cast by the
73 registered voters voting thereon are in favor of the proposal to repeal application of the local
74 sales tax to such titling, then the local sales tax shall no longer be applied to the titling of motor
75 vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed
76 Missouri dealer. If a majority of the votes cast by the registered voters voting thereon are
77 opposed to the proposal to repeal application of the local sales tax to such titling, such
78 application shall remain in effect.

79 (6) Nothing in this subsection shall be construed to authorize the voters of any
80 jurisdiction to repeal application of any state sales or use tax.

81 (7) If any local sales tax on the titling of motor vehicles, trailers, boats, and outboard
82 motors purchased from a source other than a licensed Missouri dealer is repealed, such repeal
83 shall take effect on the first day of the second calendar quarter after the election. If any local sales
84 tax on the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source
85 other than a licensed Missouri dealer is required to cease to be applied or collected due to failure
86 of a local taxing jurisdiction to hold an election pursuant to subdivision (2) of this subsection,
87 such cessation shall take effect on March 1, 2019.

88 (8) Notwithstanding any provision of law to the contrary, if any local sales tax on the
89 titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than
90 a licensed Missouri dealer is repealed after the general election in November 2014, or if the
91 taxing jurisdiction failed to present the ballot to the voters at a general election on or before

92 November 2018, then the governing body of such taxing jurisdiction may, at any election
93 subsequent to the repeal or after the general election in November 2018, if the jurisdiction failed
94 to present the ballot to the voters, place before the voters the issue of imposing a sales tax on the
95 titling of motor vehicles, trailers, boats, and outboard motors that are subject to state sales tax
96 under section 144.020 that were purchased from a source other than a licensed Missouri dealer.
97 The ballot question presented to the local voters shall contain substantially the following
98 language:

99 Shall the (local jurisdiction's name) apply and collect the local sales tax on
100 the titling of motor vehicles, trailers, boats, and outboard motors that are subject to state sales
101 tax under section 144.020 and purchased from a source other than a licensed Missouri dealer?

102

103 Approval of this measure will result in an increase of local revenue to provide for vital services
104 for (local jurisdiction's name), and it will remove a competitive advantage that
105 non-Missouri dealers of motor vehicles, outboard motors, boats, and trailers have over Missouri
106 dealers of motor vehicles, outboard motors, boats, and trailers.

107 ☐ YES ☐ NO

108

109 If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed
110 to the question, place an "X" in the box opposite "NO".

111 (9) If any local sales tax on the titling of motor vehicles, trailers, boats, and outboard
112 motors purchased from a source other than a licensed Missouri dealer is adopted, such tax shall
113 take effect and be imposed on the first day of the second calendar quarter after the election.

114 ~~[6:]~~ 5. On and after the effective date of any local sales tax imposed under the provisions
115 of the local sales tax law, the director of revenue shall perform all functions incident to the
116 administration, collection, enforcement, and operation of the tax, and the director of revenue
117 shall collect in addition to the sales tax for the state of Missouri all additional local sales taxes
118 authorized under the authority of the local sales tax law. All local sales taxes imposed under the
119 local sales tax law together with all taxes imposed under the sales tax law of the state of Missouri
120 shall be collected together and reported upon such forms and under such administrative rules and
121 regulations as may be prescribed by the director of revenue.

122 [7:] 6. All applicable provisions contained in sections 144.010 to 144.525 governing the
123 state sales tax and section 32.057, the uniform confidentiality provision, shall apply to the
124 collection of any local sales tax imposed under the local sales tax law except as modified by the
125 local sales tax law.

126 [8:] 7. All exemptions granted to agencies of government, organizations, persons and
127 to the sale of certain articles and items of tangible personal property and taxable services under

128 the provisions of sections 144.010 to 144.525, as these sections now read and as they may
129 hereafter be amended, it being the intent of this general assembly to ensure that the same sales
130 tax exemptions granted from the state sales tax law also be granted under the local sales tax law,
131 are hereby made applicable to the imposition and collection of all local sales taxes imposed
132 under the local sales tax law.

133 [9-] 8. The same sales tax permit, exemption certificate and retail certificate required
134 by sections 144.010 to 144.525 for the administration and collection of the state sales tax shall
135 satisfy the requirements of the local sales tax law, and no additional permit or exemption
136 certificate or retail certificate shall be required; except that the director of revenue may prescribe
137 a form of exemption certificate for an exemption from any local sales tax imposed by the local
138 sales tax law.

139 [10-] 9. All discounts allowed the retailer under the provisions of the state sales tax law
140 for the collection of and for payment of taxes under the provisions of the state sales tax law are
141 hereby allowed and made applicable to any local sales tax collected under the provisions of the
142 local sales tax law.

143 [11-] 10. The penalties provided in section 32.057 and sections 144.010 to 144.525 for
144 a violation of the provisions of those sections are hereby made applicable to violations of the
145 provisions of the local sales tax law.

146 [12- (1)] 11. For the purposes of any local sales tax imposed by an ordinance or order
147 under the local sales tax law, all sales~~], except the sale of motor vehicles, trailers, boats, and~~
148 ~~outboard motors required to be titled under the laws of the state of Missouri, shall be deemed to~~
149 ~~be consummated at the place of business of the retailer unless the tangible personal property sold~~
150 ~~is delivered by the retailer or his agent to an out-of-state destination. In the event a retailer has~~
151 ~~more than one place of business in this state which participates in the sale, the sale shall be~~
152 ~~deemed to be consummated at the place of business of the retailer where the initial order for the~~
153 ~~tangible personal property is taken, even though the order must be forwarded elsewhere for~~
154 ~~acceptance, approval of credit, shipment or billing. A sale by a retailer's agent or employee shall~~
155 ~~be deemed to be consummated at the place of business from which he works.~~

156 ~~—— (2) For the purposes of any local sales tax imposed by an ordinance or order under the~~
157 ~~local sales tax law, the sales tax upon the titling of all motor vehicles, trailers, boats, and~~
158 ~~outboard motors shall be imposed at the rate in effect at the location of the residence of the~~
159 ~~purchaser, and remitted to that local taxing entity, and not at the place of business of the retailer,~~
160 ~~or the place of business from which the retailer's agent or employee works.~~

161 ~~—— (3) For the purposes of any local tax imposed by an ordinance or under the local sales~~
162 ~~tax law on charges for mobile telecommunications services, all taxes of mobile~~
163 ~~telecommunications service shall be imposed as provided in the Mobile Telecommunications~~

164 ~~Sourcing Act, 4 U.S.C. Sections 116 through 124, as amended]~~ **shall be sourced as provided**
165 **by section 144.043 and sections 144.111 to 144.113.**

166 [13.] **12.** Local sales taxes shall not be imposed on the seller of motor vehicles, trailers,
167 boats, and outboard motors required to be titled under the laws of the state of Missouri, but shall
168 be collected from the purchaser by the director of revenue at the time application is made for a
169 certificate of title, if the address of the applicant is within a taxing entity imposing a local sales
170 tax under the local sales tax law.

171 [14.] **13.** The director of revenue and any of his deputies, assistants and employees who
172 have any duties or responsibilities in connection with the collection, deposit, transfer, transmittal,
173 disbursement, safekeeping, accounting, or recording of funds which come into the hands of the
174 director of revenue under the provisions of the local sales tax law shall enter a surety bond or
175 bonds payable to any and all taxing entities in whose behalf such funds have been collected
176 under the local sales tax law in the amount of one hundred thousand dollars for each such tax;
177 but the director of revenue may enter into a blanket bond covering himself and all such deputies,
178 assistants and employees. The cost of any premium for such bonds shall be paid by the director
179 of revenue from the share of the collections under the sales tax law retained by the director of
180 revenue for the benefit of the state.

181 [15.] **14.** The director of revenue shall annually report on his management of each trust
182 fund which is created under the local sales tax law and administration of each local sales tax
183 imposed under the local sales tax law. He shall provide each taxing entity imposing one or more
184 local sales taxes authorized by the local sales tax law with a detailed accounting of the source
185 of all funds received by him for the taxing entity. Notwithstanding any other provisions of law,
186 the state auditor shall annually audit each trust fund. A copy of the director's report and annual
187 audit shall be forwarded to each taxing entity imposing one or more local sales taxes.

188 [16.] **15.** Within the boundaries of any taxing entity where one or more local sales taxes
189 have been imposed, if any person is delinquent in the payment of the amount required to be paid
190 by him under the local sales tax law or in the event a determination has been made against him
191 for taxes and penalty under the local sales tax law, the limitation for bringing suit for the
192 collection of the delinquent tax and penalty shall be the same as that provided in sections
193 144.010 to 144.525. Where the director of revenue has determined that suit must be filed against
194 any person for the collection of delinquent taxes due the state under the state sales tax law, and
195 where such person is also delinquent in payment of taxes under the local sales tax law, the
196 director of revenue shall notify the taxing entity in the event any person fails or refuses to pay
197 the amount of any local sales tax due so that appropriate action may be taken by the taxing entity.

198 [17.] **16.** Where property is seized by the director of revenue under the provisions of any
199 law authorizing seizure of the property of a taxpayer who is delinquent in payment of the tax

200 imposed by the state sales tax law, and where such taxpayer is also delinquent in payment of any
201 tax imposed by the local sales tax law, the director of revenue shall permit the taxing entity to
202 join in any sale of property to pay the delinquent taxes and penalties due the state and to the
203 taxing entity under the local sales tax law. The proceeds from such sale shall first be applied to
204 all sums due the state, and the remainder, if any, shall be applied to all sums due such taxing
205 entity.

206 [48:] 17. If a local sales tax has been in effect for at least one year under the provisions
207 of the local sales tax law and voters approve reimposition of the same local sales tax at the same
208 rate at an election as provided for in the local sales tax law prior to the date such tax is due to
209 expire, the tax so reimposed shall become effective the first day of the first calendar quarter after
210 the director receives a certified copy of the ordinance, order or resolution accompanied by a map
211 clearly showing the boundaries thereof and the results of such election, provided that such
212 ordinance, order or resolution and all necessary accompanying materials are received by the
213 director at least thirty days prior to the expiration of such tax. Any administrative cost or
214 expense incurred by the state as a result of the provisions of this subsection shall be paid by the
215 city or county reimposing such tax.

216 18. If the boundaries of a city in which a sales tax has been imposed shall thereafter
217 be changed or altered, the city clerk shall forward to the director of revenue by United
218 States registered mail or certified mail a certified copy of the ordinance adding or
219 detaching territory from the city within ten days of adoption of the ordinance. The
220 ordinance shall reflect the effective date of the ordinance and shall be accompanied by a
221 map of the city clearly showing the territory added or detached from the city boundaries.
222 Upon receipt of the ordinance and map, the tax imposed under the local sales tax law shall
223 be effective in the added territory or abolished in the detached territory on the first day of
224 a calendar quarter after one hundred twenty days' notice to sellers.

225 19. Any change to any local sales tax boundary or rate shall be effective on the first
226 day of a calendar quarter after one hundred twenty days' notice to sellers.

66.620. 1. All county sales taxes collected by the director of revenue under sections
2 66.600 to 66.630 on behalf of any county[~~, less one percent for cost of collection which shall be~~
3 ~~deposited in the state's general revenue fund after payment of premiums for surety bonds as~~
4 ~~provided in section 32.087,~~] shall be deposited in a special trust fund, which is hereby created,
5 to be known as the "County Sales Tax Trust Fund". [The moneys in the county sales tax trust
6 ~~fund shall not be deemed to be state funds and shall not be commingled with any funds of the~~
7 ~~state.~~] The director of revenue shall keep accurate records of the amount of money in the trust
8 fund which was collected in each county imposing a county sales tax, and the records shall be
9 open to the inspection of officers of the county and the public. Not later than the tenth day of

10 each month, the director of revenue shall distribute all moneys deposited in the trust fund during
11 the preceding month to the county which levied the tax; such funds shall be deposited with the
12 treasurer of the county and all expenditures of funds arising from the county sales tax trust fund
13 shall be by an appropriation act to be enacted by the legislative council of the county, and to the
14 cities, towns and villages located wholly or partly within the county which levied the tax in the
15 manner as set forth in sections 66.600 to 66.630.

16 2. In any county not adopting an additional sales tax and alternate distribution system
17 as provided in section 67.581, for the purposes of distributing the county sales tax, the county
18 shall be divided into two groups, "Group A" and "Group B". Group A shall consist of all cities,
19 towns and villages which are located wholly or partly within the county which levied the tax and
20 which had a city sales tax in effect under the provisions of sections 94.500 to 94.550 on the day
21 prior to the adoption of the county sales tax ordinance, except that beginning January 1, 1980,
22 group A shall consist of all cities, towns and villages which are located wholly or partly within
23 the county which levied the tax and which had a city sales tax approved by the voters of such city
24 under the provisions of sections 94.500 to 94.550 on the day prior to the effective date of the
25 county sales tax. For the purposes of determining the location of consummation of sales for
26 distribution of funds to cities, towns and villages in group A, the boundaries of any such city,
27 town or village shall be the boundary of that city, town or village as it existed on March 19,
28 1984. Group B shall consist of all cities, towns and villages which are located wholly or partly
29 within the county which levied the tax and which did not have a city sales tax in effect under the
30 provisions of sections 94.500 to 94.550 on the day prior to the adoption of the county sales tax
31 ordinance, and shall also include all unincorporated areas of the county which levied the tax;
32 except that, beginning January 1, 1980, group B shall consist of all cities, towns and villages
33 which are located wholly or partly within the county which levied the tax and which did not have
34 a city sales tax approved by the voters of such city under the provisions of sections 94.500 to
35 94.550 on the day prior to the effective date of the county sales tax and shall also include all
36 unincorporated areas of the county which levied the tax.

37 3. Until January 1, 1994, the director of revenue shall distribute to the cities, towns and
38 villages in group A the taxes based on the location in which the sales were deemed consummated
39 under section 66.630 and subsection 12 of section 32.087. Except for distribution governed by
40 section 66.630, after deducting the distribution to the cities, towns and villages in group A, the
41 director of revenue shall distribute the remaining funds in the county sales tax trust fund to the
42 cities, towns and villages and the county in group B as follows: to the county which levied the
43 tax, a percentage of the distributable revenue equal to the percentage ratio that the population of
44 the unincorporated areas of the county bears to the total population of group B; and to each city,
45 town or village in group B located wholly within the taxing county, a percentage of the

46 distributable revenue equal to the percentage ratio that the population of such city, town or
47 village bears to the total population of group B; and to each city, town or village located partly
48 within the taxing county, a percentage of the distributable revenue equal to the percentage ratio
49 that the population of that part of the city, town or village located within the taxing county bears
50 to the total population of group B.

51 4. From January 1, 1994, until December 31, 2016, the director of revenue shall
52 distribute to the cities, towns and villages in group A a portion of the taxes based on the location
53 in which the sales were deemed consummated under section 66.630 and subsection 12 of section
54 32.087 in accordance with the formula described in this subsection and in subsection 6. After
55 deducting the distribution to the cities, towns and villages in group A, the director of revenue
56 shall distribute funds in the county sales tax trust fund to the cities, towns and villages and the
57 county in group B as follows: to the county which levied the tax, ten percent multiplied by the
58 percentage of the population of unincorporated county which has been annexed or incorporated
59 since April 1, 1993, multiplied by the total of all sales tax revenues countywide, and a percentage
60 of the remaining distributable revenue equal to the percentage ratio that the population of
61 unincorporated areas of the county bears to the total population of group B; and to each city,
62 town or village in group B located wholly within the taxing county, a percentage of the
63 remaining distributable revenue equal to the percentage ratio that the population of such city,
64 town or village bears to the total population of group B; and to each city, town or village located
65 partly within the taxing county, a percentage of the remaining distributable revenue equal to the
66 percentage ratio that the population of that part of the city, town or village located within the
67 taxing county bears to the total population of group B.

68 5. (1) From and after January 1, 2017, in each year in which the total revenues from the
69 county sales tax collected under sections 66.600 to 66.630 in the previous calendar year are less
70 than or equal to the amount of such revenues which were collected in the calendar year 2014, the
71 director of revenue shall distribute to the cities, towns, and villages in group A and the cities,
72 towns, and villages, and the county in group B, the amounts required to be distributed under the
73 formula described in subsection 4 and in subsection 6 of this section. From and after January
74 1, 2017, in each year in which the total revenues from the county sales tax collected under
75 sections 66.600 to 66.630 in the previous calendar year is greater than the amount of such
76 revenues which were collected in the calendar year 2014, the director of revenue shall distribute
77 to the cities, towns, and villages in group A a portion of the taxes based on the location in which
78 the sales were deemed consummated under section 66.630 and subsection 12 of section 32.087,
79 in accordance with the formula described in this subsection and in subsection 6. After deducting
80 the distribution to the cities, towns, and villages in group A, the director of revenue shall, subject
81 to the limitation described in subdivision (2) of this subsection, distribute funds in the county

82 sales tax trust fund to the cities, towns, and villages, and the county in group B as follows: to
83 the county which levied the tax, ten percent multiplied by the percentage of the population of
84 unincorporated county which has been annexed or incorporated since April 1, 1993, multiplied
85 by the total of all sales tax revenues countywide, and a percentage of the remaining distributable
86 revenue equal to the percentage ratio that the population of unincorporated areas of the county
87 bears to the total population of group B as adjusted such that no city, town, or village in group
88 B shall receive a distribution that is less than fifty percent of the amount of taxes generated
89 within such city, town, or village based on the location in which the sales were deemed
90 consummated under section 66.630 and subsection 12 of section 32.087; and to each city, town,
91 or village in group B located wholly within the taxing county, a percentage of the remaining
92 distributable revenue equal to the percentage ratio that the population of such city, town, or
93 village bears to the total population of group B, as adjusted such that no city, town, or village in
94 group B shall receive a distribution that is less than fifty percent of the amount of taxes generated
95 within such city, town, or village based on the location in which the sales were deemed
96 consummated under section 66.630 and subsection 12 of section 32.087; and to each city, town,
97 or village located partly within the taxing county, a percentage of the remaining distributable
98 revenue equal to the percentage ratio that the population of that part of the city, town, or village
99 located within the taxing county bears to the total population of group B, as adjusted such that
100 no city, town, or village in group B shall receive a distribution that is less than fifty percent of
101 the amount of taxes generated within such city, town, or village based on the location in which
102 the sales were deemed consummated under section 66.630 and subsection 12 of section 32.087.

103 (2) For purposes of making any adjustment required by this subsection, the director of
104 revenue shall, prior to any distribution to the county or to each city, town, or village in group B
105 located wholly or partly within the taxing county, identify each city, town, or village in group
106 B located wholly or partly within the taxing county that would receive a distribution that is less
107 than fifty percent of the amount of taxes generated within such city, town, or village based on
108 the location in which the sales were deemed consummated under section 66.630 and subsection
109 12 of section 32.087 if no adjustments were made and calculate the difference between the
110 amount that the distribution to each such city, town, or village would have been without any
111 adjustment and the amount that equals fifty percent of the amount of taxes generated within such
112 city, town, or village based on the location in which the sales were deemed consummated under
113 section 66.630 and subsection 12 of section 32.087. Thereafter, the director of revenue shall
114 determine the amount of any adjustment under this subsection as follows:

115 (a) If the aggregate amount of the difference calculated in accordance with this
116 subsection is less than or equal to the aggregate increase in the remaining distributable revenue
117 for the applicable period in the current calendar year over the remaining distributable revenue

118 for the corresponding period in the calendar year 2014, the director of revenue shall deduct the
119 amount of such difference from the remaining distributable revenue and distribute an allocable
120 portion of the amount of such difference to each city, town, or village that would otherwise have
121 received a distribution that is less than fifty percent of the amount of taxes generated within such
122 city, town, or village based on the location in which the sales were deemed consummated under
123 section 66.630 and subsection 12 of section 32.087 if no adjustment were made, such that each
124 such city, town, or village receives a distribution that is equal to fifty percent of the amount of
125 taxes generated within such city, town, or village based on the location in which the sales were
126 deemed consummated under section 66.630 and subsection 12 of section 32.087;

127 (b) If, however, the aggregate amount of the difference calculated in accordance with this
128 subsection is greater than the aggregate increase in the remaining distributable revenue for the
129 applicable period in the current calendar year over the remaining distributable revenue for the
130 corresponding period in the calendar year 2014, the director of revenue shall deduct from the
131 remaining distributable revenue an amount equal to the difference between the remaining
132 distributable revenue for the applicable period in the current calendar year and the remaining
133 distributable revenue for the corresponding period in the calendar year 2014 and distribute an
134 allocable portion of the amount of such difference to each city, town, or village that would
135 otherwise have received a distribution that is less than fifty percent of the amount of taxes
136 generated within such city, town, or village based on the location in which the sales were deemed
137 consummated under section 66.630 and subsection 12 of section 32.087 if no adjustment were
138 made, such that each such city, town, or village receives a distribution that includes an
139 adjustment that is proportionate to the amount of the adjustment that would otherwise have been
140 made if such adjustment were calculated in accordance with paragraph (a) of this subdivision;

141 (c) After determining the amount of the adjustment and making the allocation in
142 accordance with paragraph (a) or (b) of this subdivision, as applicable, the director of revenue
143 shall thereafter distribute the remaining distributable revenue, as adjusted, to the county and to
144 each city, town, or village in group B located wholly or partly within the taxing county in the
145 manner provided in this subsection.

146 (3) For purposes of this subsection, if a city, town, or village is partly in group A and
147 partly in group B, the director of revenue shall calculate fifty percent of the amount of taxes
148 generated within such city, town, or village based on the location in which the sales were deemed
149 consummated under section 66.630 and subsection 12 of section 32.087 by multiplying fifty
150 percent by the amount of all county sales taxes collected by the director of revenue under
151 sections 66.600 to 66.630, less one percent for cost of collection, that are generated within such
152 city, town, or village based on the location in which the sales were deemed consummated under

153 section 66.630 and subsection 12 of section 32.087, regardless of whether such taxes are deemed
154 consummated in group A or group B.

155 6. (1) For purposes of administering the distribution formula of subsections 4 and 5 of
156 this section, the revenues arising each year from sales occurring within each group A city, town
157 or village shall be distributed as follows: until such revenues reach the adjusted county average,
158 as hereinafter defined, there shall be distributed to the city, town or village all of such revenues
159 reduced by the percentage which is equal to ten percent multiplied by the percentage of the
160 population of unincorporated county which has been annexed or incorporated after April 1, 1993;
161 and once revenues exceed the adjusted county average, total revenues shall be shared in
162 accordance with the redistribution formula as defined in this subsection.

163 (2) For purposes of this subsection, the "adjusted county average" is the per capita
164 countywide average of all sales tax distributions during the prior calendar year reduced by the
165 percentage which is equal to ten percent multiplied by the percentage of the population of
166 unincorporated county which has been annexed or incorporated after April 1, 1993; the
167 redistribution formula is as follows: during 1994, each group A city, town and village shall
168 receive that portion of the revenues arising from sales occurring within the municipality that
169 remains after deducting therefrom an amount equal to the cumulative sales tax revenues arising
170 from sales within the municipality multiplied by the percentage which is the sum of ten percent
171 multiplied by the percentage of the population of unincorporated county which has been annexed
172 or incorporated after April 1, 1993, and the percentage, if greater than zero, equal to the product
173 of 8.5 multiplied by the logarithm (to base 10) of the product of 0.035 multiplied by the total of
174 cumulative per capita sales taxes arising from sales within the municipality less the adjusted
175 county average. During 1995, each group A city, town and village shall receive that portion of
176 the revenues arising from sales occurring within the municipality that remains after deducting
177 therefrom an amount equal to the cumulative sales tax revenues arising from sales within the
178 municipality multiplied by the percentage which is the sum of ten percent multiplied by the
179 percentage of the population of unincorporated county which has been annexed or incorporated
180 after April 1, 1993, and the percentage, if greater than zero, equal to the product of seventeen
181 multiplied by the logarithm (to base 10) of the product of 0.035 multiplied by the total of
182 cumulative per capita sales taxes arising from sales within the municipality less the adjusted
183 county average. From January 1, 1996, until January 1, 2000, each group A city, town and
184 village shall receive that portion of the revenues arising from sales occurring within the
185 municipality that remains after deducting therefrom an amount equal to the cumulative sales tax
186 revenues arising from sales within the municipality multiplied by the percentage which is the
187 sum of ten percent multiplied by the percentage of the population of unincorporated county
188 which has been annexed or incorporated after April 1, 1993, and the percentage, if greater than

189 zero, equal to the product of 25.5 multiplied by the logarithm (to base 10) of the product of 0.035
190 multiplied by the total of cumulative per capita sales taxes arising from sales within the
191 municipality less the adjusted county average. From and after January 1, 2000, the distribution
192 formula covering the period from January 1, 1996, until January 1, 2000, shall continue to apply,
193 except that the percentage computed for sales arising within the municipalities shall be not less
194 than 7.5 percent for municipalities within which sales tax revenues exceed the adjusted county
195 average, nor less than 12.5 percent for municipalities within which sales tax revenues exceed the
196 adjusted county average by at least twenty-five percent.

197 (3) For purposes of applying the redistribution formula to a municipality which is partly
198 within the county levying the tax, the distribution shall be calculated alternately for the
199 municipality as a whole, except that the factor for annexed portion of the county shall not be
200 applied to the portion of the municipality which is not within the county levying the tax, and for
201 the portion of the municipality within the county levying the tax. Whichever calculation results
202 in the larger distribution to the municipality shall be used.

203 (4) Notwithstanding any other provision of this section, the fifty percent of additional
204 sales taxes as described in section 99.845 arising from economic activities within the area of a
205 redevelopment project established after July 12, 1990, pursuant to sections 99.800 to 99.865,
206 while tax increment financing remains in effect shall be deducted from all calculations of
207 countywide sales taxes, shall be distributed directly to the municipality involved, and shall be
208 disregarded in calculating the amounts distributed or distributable to the municipality. Further,
209 any agreement, contract or covenant entered into prior to July 12, 1990, between a municipality
210 and any other political subdivision which provides for an appropriation of incremental sales tax
211 revenues to the special allocation fund of a tax increment financing project while tax increment
212 financing remains in effect shall continue to be in full force and effect and the sales taxes so
213 appropriated shall be deducted from all calculations of countywide sales taxes, shall be
214 distributed directly to the municipality involved, and shall be disregarded in calculating the
215 amounts distributed or distributable to the municipality. In addition, and notwithstanding any
216 other provision of this chapter to the contrary, economic development funds shall be distributed
217 in full to the municipality in which the sales producing them were deemed consummated.
218 Additionally, economic development funds shall be deducted from all calculations of countywide
219 sales taxes and shall be disregarded in calculating the amounts distributed or distributable to the
220 municipality. As used in this subdivision, the term "economic development funds" means the
221 amount of sales tax revenue generated in any fiscal year by projects authorized pursuant to
222 chapter 99 or chapter 100 in connection with which such sales tax revenue was pledged as
223 security for, or was guaranteed by a developer to be sufficient to pay, outstanding obligations
224 under any agreement authorized by chapter 100, entered into or adopted prior to September 1,

225 1993, between a municipality and another public body. The cumulative amount of economic
226 development funds allowed under this provision shall not exceed the total amount necessary to
227 amortize the obligations involved.

228 7. If the qualified voters of any city, town or village vote to change or alter its boundaries
229 by annexing any unincorporated territory included in group B or if the qualified voters of one or
230 more city, town or village in group A and the qualified voters of one or more city, town or
231 village in group B vote to consolidate, the area annexed or the area consolidated which had been
232 a part of group B shall remain a part of group B after annexation or consolidation. After the
233 effective date of the annexation or consolidation, the annexing or consolidated city, town or
234 village shall receive a percentage of the group B distributable revenue equal to the percentage
235 ratio that the population of the annexed or consolidated area bears to the total population of
236 group B and such annexed area shall not be classified as unincorporated area for determination
237 of the percentage allocable to the county. If the qualified voters of any two or more cities, towns
238 or villages in group A each vote to consolidate such cities, towns or villages, then such
239 consolidated cities, towns or villages shall remain a part of group A. For the purpose of sections
240 66.600 to 66.630, population shall be as determined by the last federal decennial census or the
241 latest census that determines the total population of the county and all political subdivisions
242 therein. For the purpose of calculating the adjustment based on the percentage of unincorporated
243 county population which is annexed after April 1, 1993, the accumulated percentage immediately
244 before each census shall be used as the new percentage base after such census. After any
245 annexation, incorporation or other municipal boundary change affecting the unincorporated area
246 of the county, the chief elected official of the county shall certify the new population of the
247 unincorporated area of the county and the percentage of the population which has been annexed
248 or incorporated since April 1, 1993, to the director of revenue. After the adoption of the county
249 sales tax ordinance, any city, town or village in group A may by adoption of an ordinance by its
250 governing body cease to be a part of group A and become a part of group B. Within ten days
251 after the adoption of the ordinance transferring the city, town or village from one group to the
252 other, the clerk of the transferring city, town or village shall forward to the director of revenue,
253 by registered mail, a certified copy of the ordinance. Distribution to such city as a part of its
254 former group shall cease and as a part of its new group shall begin on the first day of January of
255 the year following notification to the director of revenue, provided such notification is received
256 by the director of revenue on or before the first day of July of the year in which the transferring
257 ordinance is adopted. If such notification is received by the director of revenue after the first day
258 of July of the year in which the transferring ordinance is adopted, then distribution to such city
259 as a part of its former group shall cease and as a part of its new group shall begin the first day

of July of the year following such notification to the director of revenue. Once a group A city, town or village becomes a part of group B, such city may not transfer back to group A.

8. If any city, town or village shall hereafter change or alter its boundaries, the city clerk of the municipality shall forward to the director of revenue, by registered mail, a certified copy of the ordinance adding or detaching territory from the municipality. The ordinance shall reflect the effective date thereof, and shall be accompanied by a map of the municipality clearly showing the territory added thereto or detached therefrom. Upon receipt of the ordinance and map, the tax imposed by sections 66.600 to 66.630 shall be redistributed and allocated in accordance with the provisions of this section on the effective date of the change of the municipal boundary so that the proper percentage of group B distributable revenue is allocated to the municipality in proportion to any annexed territory. If any area of the unincorporated county elects to incorporate subsequent to the effective date of the county sales tax as set forth in sections 66.600 to 66.630, the newly incorporated municipality shall remain a part of group B. The city clerk of such newly incorporated municipality shall forward to the director of revenue, by registered mail, a certified copy of the incorporation election returns and a map of the municipality clearly showing the boundaries thereof. The certified copy of the incorporation election returns shall reflect the effective date of the incorporation. Upon receipt of the incorporation election returns and map, the tax imposed by sections 66.600 to 66.630 shall be distributed and allocated in accordance with the provisions of this section on the effective date of the incorporation.

9. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any county for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such counties. If any county abolishes the tax, the county shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such county, the director of revenue shall remit the balance in the account to the county and close the account of that county. The director of revenue shall notify each county of each instance of any amount refunded or any check redeemed from receipts due the county.

10. Except as modified in sections 66.600 to 66.630, all provisions of sections 32.085 and 32.087 shall apply to the tax imposed under sections 66.600 to 66.630.

67.395. 1. All sales taxes collected by the director of revenue under sections 67.391 to 67.395 on behalf of any county[, less one percent for cost of collection which shall be deposited

3 ~~in the state's general revenue fund after payment of premiums for surety bonds as provided in~~
4 ~~section 32.087]~~ shall be deposited with the state treasurer in a special trust fund, which is hereby
5 created, to be known as the "County Anti-Drug Sales Tax Trust Fund". ~~[The moneys in the~~
6 ~~county anti-drug sales tax trust fund shall not be deemed to be state funds and shall not be~~
7 ~~commingled with any funds of the state.]~~ The director of revenue shall keep accurate records of
8 the amount of money in the trust fund which was collected in each county imposing a sales tax
9 under sections 67.391 to 67.395, and the records shall be open to the inspection of officers of the
10 county and the public. Not later than the tenth day of each month, the director of revenue shall
11 distribute all moneys deposited in the trust fund during the preceding month to the county which
12 levied the tax. Such funds shall be deposited with the county treasurer of each such county, and
13 all expenditures of funds arising from the county anti-drug sales tax trust fund shall be by an
14 appropriation act to be enacted by the governing body of each such county.

15 2. The director of revenue may authorize the state treasurer to make refunds from the
16 amounts in the trust fund and credited to any county for erroneous payments and overpayments
17 made, and may redeem dishonored checks and drafts deposited to the credit of such counties.
18 If any county abolishes the tax, the county shall notify the director of revenue of the action at
19 least ninety days prior to the effective date of the repeal and the director of revenue may order
20 retention in the trust fund, for a period of one year, of two percent of the amount collected after
21 receipt of such notice to cover possible refunds or overpayment of the tax and to redeem
22 dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed
23 after the effective date of abolition of the tax in such county, the director of revenue shall
24 authorize the state treasurer to remit the balance in the account to the county and close the
25 account of that county. The director of revenue shall notify each county of each instance of any
26 amount refunded or any check redeemed from receipts due the county.

27 3. Except as modified in sections 67.391 to 67.395, all provisions of sections 32.085
28 ~~[and]~~ to 32.087 shall apply to the tax imposed under sections 67.391 to 67.395.

67.525. 1. All county sales taxes collected by the director of revenue under sections
2 67.500 to 67.545 on behalf of any county~~[-less one percent for cost of collection, which shall~~
3 ~~be deposited in the state's general revenue fund after payment of premiums for surety bonds as~~
4 ~~provided in section 32.087;]~~ shall be deposited with the state treasurer in a county sales tax trust
5 fund, which fund shall be separate and apart from the county sales tax trust fund established by
6 section 66.620. ~~[The moneys in such county sales tax trust fund shall not be deemed to be state~~
7 ~~funds and shall not be commingled with any funds of the state.]~~ The director of revenue shall
8 keep accurate records of the amount of money in the trust fund which was collected in each
9 county imposing a county sales tax, and the records shall be open to the inspection of officers
10 of the county and to the public. Not later than the tenth day of each month the director of

18 If any county abolishes the tax, the county shall notify the director of revenue of the action at
19 least ninety days prior to the effective date of the repeal, and the director of revenue may order
20 retention in the trust fund, for a period of one year, of two percent of the amount collected after
21 receipt of such notice to cover possible refunds or overpayment of the tax and to redeem
22 dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed
23 after the effective date of abolition of the tax in such county, the director of revenue shall

16 ☐ YES

☐ NO

17 3. If a majority of the votes cast on the proposal by the qualified voters voting thereon
18 are in favor of the proposal, and the tax takes effect pursuant to this section, the museums and

19 festivals board appointed pursuant to subsection 5 of this section shall determine in what manner
20 the tax revenue moneys will be expended, and disbursements of these moneys shall be made
21 strictly in accordance with directions of the board which are consistent with the provisions of
22 sections 67.571 to 67.577. Expenditures of these tax moneys may be made for the employment
23 of personnel selected by the board to assist in carrying out the duties of the board, and the board
24 is expressly authorized to employ such personnel. Expenditures of these tax moneys may be
25 made directly to corporations pursuant to subsection 1 of this section. No such tax revenue
26 moneys shall be disbursed to or on behalf of any corporation, organization or entity that is not
27 duly registered with the Internal Revenue Service as a 501(C)(3) organization.

28 4. Any sales tax imposed pursuant to this section shall be imposed at a rate not to exceed
29 two-tenths of one percent on receipts from the sale of certain tangible personal property or
30 taxable services within the county pursuant to sections 67.571 to 67.577.

31 5. The governing body of any county which imposes a sales tax pursuant to this section
32 may establish a museums and festivals board for the purpose of expending funds collected from
33 any sales tax submitted and approved by the county's voters pursuant to this section. The board
34 shall be comprised of six members who are appointed by the governing body of the county from
35 a list of candidates supplied by the chair of each of the two major political parties of the county.

37 shall serve for three-year terms, but of the members first appointed, one shall be appointed for
38 a term of one year, two shall be appointed for a term of two years, and two shall be appointed
39 for a term of three years. Each member shall be a resident of the county from which he or she

43 6. In the area of each county in which a sales tax has been imposed in the manner
44 provided by sections 67.571 to 67.577, every retailer within such area shall add the tax imposed
45 by the provisions of sections 67.571 to 67.577 to his sale price, and this tax shall be a debt of the
46 purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the
47 purchase price.

48 7. In counties imposing a tax under the provisions of sections 67.571 to 67.577, in order
49 to permit sellers required to collect and report the sales tax to collect the amount required to be
50 reported and remitted, but not to change the requirements of reporting or remitting the tax, or to
51 serve as a levy of the tax, and in order to avoid fractions of pennies, the governing body may
52 authorize the use of a bracket system similar to that authorized by the provisions of section
53 144.285, and notwithstanding the provisions of that section, this new bracket system shall be
54 used where this tax is imposed and shall apply to all taxable transactions.

55 **8. Except as modified in this section, all provisions of sections 32.085 to 32.087 shall**
56 **apply to the tax imposed under this section.**

67.576. 1. The following provisions shall govern the collection of the tax imposed by
2 the provisions of sections 67.571 to 67.577:

3 (1) All applicable provisions contained in sections 144.010 to 144.510 governing the
4 state sales tax and section 32.057, the uniform confidentiality provision, shall apply to the
5 collection of the tax imposed by the provisions of sections 67.571 to 67.577;

6 (2) All exemptions granted to agencies of government, organizations, and persons under
7 the provisions of sections 144.010 to 144.510 are hereby made applicable to the imposition and
8 collection of the tax imposed by sections 67.571 to 67.577.

9 2. The same sales tax permit, exemption certificate and retail certificate required by
10 sections 144.010 to 144.510 for the administration and collection of the state sales tax shall
11 satisfy the requirements of sections 67.571 to 67.577, and no additional permit or exemption
12 certificate or retail certificate shall be required; except that, the director of revenue may prescribe
13 a form of exemption certificate for an exemption from the tax imposed by sections 67.571 to
14 67.577.

15 3. All discounts allowed the retailer pursuant to the provisions of the state sales tax law
16 for the collection of and for payment of taxes pursuant to that act are hereby allowed and made
17 applicable to any taxes collected pursuant to the provisions of sections 67.571 to 67.577.

18 4. The penalties provided in section 32.057 and sections 144.010 to 144.510 for a
19 violation of those acts are hereby made applicable to violations of the provisions of sections
20 67.571 to 67.577.

21 5. ~~[For the purposes of the sales tax imposed by an order pursuant to sections 67.571 to~~
22 ~~67.577, all retail sales shall be deemed to be consummated at the place of business of the retailer]~~
23 **Except as provided in sections 67.571 to 67.577, all provisions of sections 32.085 to 32.087**
24 **shall apply to the tax imposed under sections 67.571 to 67.577.**

67.578. 1. The governing authority of any county of the third classification without a
2 township form of government and with more than sixteen thousand four hundred but less than
3 sixteen thousand five hundred inhabitants may impose a sales tax in an amount not to exceed
4 one-fifth of one percent on all retail sales made in the county which are subject to taxation
5 pursuant to sections 144.010 to 144.525, to be used solely for the funding of museums. For
6 purposes of this section, the term "museums" means museums operating in the county, which
7 are registered with the United States Internal Revenue Service as a 501(c)(3) corporation and
8 which are considered by the board to be a tourism attraction. The tax authorized by this section
9 shall be in addition to any and all other sales taxes allowed by law, except that no sales tax shall
10 be imposed pursuant to this section unless the governing authority submits to the voters of the

11 county, at a county or state general, primary, or special election, a proposal to authorize the
12 governing authority to impose the tax.

13 2. The ballot of submission shall contain, but need not be limited to, the following

23 to the question, place an "X" in the box opposite "NO".

24

25 If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor
26 of the proposal, then the sales tax shall become effective on the first day of the second calendar
27 quarter after the director of revenue receives notice of the adoption of the tax. If the proposal
28 receives less than the required majority of votes, then the governing authority shall have no
29 power to impose the tax unless and until the governing authority has again submitted another
30 proposal to authorize the governing authority to impose the sales tax authorized by this section
31 and such proposal is approved by the required majority of the qualified voters voting thereon.

32 3. On or after the effective date of the tax, the director of revenue shall be responsible
33 for the administration, collection, enforcement, and operation of the tax, and sections 32.085
34 ~~and~~ to 32.087 shall apply. The director may retain an amount not to exceed one percent for
35 deposit in the general revenue fund to offset the costs of collection. In order to permit sellers
36 required to collect and report the sales tax to collect the amount required to be reported and
37 remitted, but not to change the requirements of reporting or remitting the tax, or to serve as a
38 levy of the tax, and in order to avoid fractions of pennies, the governing authority may authorize
39 the use of a bracket system similar to that authorized in section 144.285, and notwithstanding
40 the provisions of that section, this new bracket system shall be used where this tax is imposed
41 and shall apply to all taxable transactions. Beginning with the effective date of the tax, every
42 retailer in the county shall add the sales tax to the sale price, and this tax shall be a debt of the
43 purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the
44 purchase price. For purposes of this section, all retail sales shall be deemed to be consummated
45 at the place of business of the retailer.

47 and section 32.057, the uniform confidentiality provision, shall apply to the collection of the tax,

50 tax. The same sales tax permit, exemption certificate, and retail certificate required by sections
51 144.010 to 144.525 for the administration and collection of the state sales tax shall satisfy the
52 requirements of this section, and no additional permit or exemption certificate or retail certificate
53 shall be required; except that, the director of revenue may prescribe a form of exemption
54 certificate for an exemption from the tax. All discounts allowed the retailer pursuant to the state
55 sales tax law for the collection of and for payment of taxes are hereby allowed and made
56 applicable to the tax. The penalties for violations provided in section 32.057 and sections
57 144.010 to 144.525 are hereby made applicable to violations of this section. If any person is
58 delinquent in the payment of the amount required to be paid pursuant to this section, or in the
59 event a determination has been made against the person for taxes and penalty pursuant to this

61 be the same as that provided in sections 144.010 to 144.525.

62 5. The governing authority may authorize any museum board already existing in the
63 county, or may establish a museum board, to expend revenue collected pursuant to this section.
64 In the event that no museum board already exists, the board established pursuant to this section
65 shall consist of six members who are appointed by the governing authority from a list of
66 candidates supplied by the chair of each of the two major political parties of the county, with
67 three members from each of the two parties. Members shall serve for three-year terms, but of
68 the members first appointed, ~~one~~ **two** shall be appointed for a term of one year, two shall be
69 appointed for a term of two years, and two shall be appointed for a term of three years. Each
70 member shall be a resident of the county. The members shall not receive compensation for
71 service on the board, but shall be reimbursed from the revenues collected pursuant to this section
72 for any reasonable and necessary expenses incurred in service on the board. The board shall
73 determine in what manner the revenues will be expended, and disbursements of these moneys
74 shall be made strictly in accordance with this section. Expenditures may be made for the
75 employment of personnel selected by the board to assist in carrying out the duties of the board,
76 and the board is expressly authorized to employ such personnel.

77 6. The governing authority may submit the question of repeal of the tax to the voters at
78 any county or state general, primary, or special election. The ballot of submission shall contain,

2 of the first class having a charter form of government and having a population of nine hundred
3 thousand or more may impose an additional countywide sales tax upon approval by a vote of the
4 qualified voters of the county. The proposal may be submitted to the voters by the governing
5 body of the county and shall be submitted to the voters at the next general election upon petitions
6 signed by a number of qualified voters residing in the county equal to at least eight percent of
7 the votes cast in the county in the next preceding gubernatorial election filed with the governing
8 body of the county. The submission shall include the levying of a sales tax at a rate of not to
9 exceed two hundred seventy-five one-thousandths of one percent on the receipts from the sale
10 at retail of all tangible personal property or taxable services within the county which are also
11 taxable under the provisions of sections 66.600 to 66.630, and shall provide for the distribution
12 of the proceeds in the manner provided in either subsection 4 or subsection 5 of this section. If
13 either of the alternative distribution systems as provided in subsection 4 or subsection 5 of this
14 section is approved by the voters, then the alternative system of distribution may not be
15 submitted to the voters for at least three years from the date of such voter approval.

16 2. The ballot of submission shall contain, but is not limited to, the following language:

24 additional tax shall be distributed as provided in either subsection 4 or subsection 5 of this
25 section. If a majority of the votes cast by the qualified voters voting thereon are opposed to the
26 proposal, then the governing body of the county shall have no power to impose the additional
27 sales tax authorized by this section unless and until a proposal for the levy of such tax is
28 submitted to and approved by the voters of the county.

29

30 3. The provisions of sections 66.600 to 66.630 and sections 32.085 ~~[and]~~ to 32.087,
except to the extent otherwise provided in this section, shall govern the levy, collection,

31 distribution and other procedures related to an additional sales tax imposed pursuant to this
32 section.

33 4. In any county adopting an additional sales tax pursuant to the provisions of this
34 section, and selecting the method of distribution provided in this subsection, the proceeds from
35 the sales tax imposed pursuant to this section, less one percent collection cost, shall be
36 distributed first to those municipalities that did not receive during the preceding calendar year
37 ninety-five percent of the amount the municipality would have received by multiplying the
38 population of the municipality by the average per capita sales tax receipt for such county in an
39 amount which will bring each municipality receipt of sales tax moneys up to ninety-five percent
40 of the average per capita receipts from the proceeds of the sales tax imposed pursuant to sections
41 66.600 to 66.630. Any remainder of the money received from the sales tax imposed pursuant
42 to this section shall be distributed to all municipalities on the ratio that the population of each
43 municipality bears to the total population of the county. The average per capita sales tax
44 distribution shall be calculated by dividing the sum of the total sales tax revenue derived from
45 the tax imposed pursuant to sections 66.600 to 66.630 by the total population of the county.
46 Population of each municipality, of the unincorporated area of the county, and the total
47 population of the county shall be determined on the basis of the most recent federal decennial
48 census. For the purposes of this subsection, any city, town, village or the unincorporated area
49 of the county shall be considered a municipality.

50 5. In any county adopting an additional sales tax pursuant to the provisions of this
51 section and selecting the method of distribution provided in this subsection, the proceeds from
52 the sales tax imposed pursuant to this section, less one percent collection cost, shall be
53 distributed to all cities, towns and villages, and the unincorporated areas of the county in group
54 B and to such cities, towns and villages in group A as necessary so that no city, town, or village
55 in group A receives from the combined proceeds of both the sales tax imposed pursuant to this
56 section and the sales tax imposed pursuant to sections 66.600 to 66.630, less than the per capita
57 amount received by the cities, towns and villages and the unincorporated area of the county in
58 group B receives from the total proceeds from both sales taxes.

59 6. The governing body of any county which is imposing a sales tax under the provisions
60 of sections 66.600 to 66.630 may on its own motion and shall, upon petitions filed with the
61 governing body of the county signed by a number of qualified voters residing in the county equal

63 election, submit to the qualified voters of the county a proposal to change the method of
64 distribution of sales tax proceeds from the manner provided in subsection 2 of section 66.620
65 to the method provided in this subsection. The ballot of submission shall be in substantially the
66 following form:

67 Shall the proceeds from the county sales tax be distributed among the county of
68 and the various cities, towns and villages therein in the manner provided in
69 subdivisions (1) and (2) of subsection 6 of section 67.581, RSMo, in lieu of the present manner
70 of distribution?

71 ☐ YES

☐ NO

72

73 If a majority of the votes cast on the proposal by the qualified voters of the county voting thereon
74 are in favor of the proposal, the sales tax imposed by the county under the provisions of sections
75 66.600 to 66.630 shall be distributed in the manner provided in this subsection and not in the
76 manner provided in subsection 2 of section 66.620. If a majority of the votes cast by the
77 qualified voters of the county voting thereon are opposed to the proposal, then the governing
78 body of the county shall have no power to order the proceeds from the sales tax imposed
79 pursuant to the provisions of sections 66.600 to 66.630 in the manner provided in this subsection
80 in lieu of the method provided in subsection 2 of section 66.620, unless and until a proposal
81 authorizing such method of distribution is submitted to and approved by the voters of the county.
82 If the voters approve the change in the method of distribution of the sales tax proceeds in the
83 manner provided in this subsection, the county clerk of the county shall notify the director of
84 revenue of the change in the method of distribution within ten days after adoption of the proposal
85 and shall inform the director of the effective date of the change in the method of distribution,
86 which shall be on the first day of the third calendar quarter after the director of revenue receives
87 notice. After the effective date of the change in the manner of distribution, the director of
88 revenue shall distribute the proceeds of the sales tax imposed by such county under the
89 provisions of sections 66.600 to 66.630 in the manner provided in this subsection in lieu of the
90 manner of distribution provided in subsection 2 of section 66.620. The proceeds of the sales tax
91 imposed under the provisions of sections 66.600 to 66.630 in any county which elects to have
92 the proceeds distributed in the manner provided in this subsection shall be distributed in the
93 following manner:

94 (1) The proceeds from the sales taxes shall be distributed to the cities, towns and villages
95 in group A and to the cities, towns and villages, and the county in group B as defined in section
96 66.620 in the manner provided in subsection 2 of section 66.620, until an amount equal to the
97 total amount distributed under section 66.620 for the twelve-month period immediately
98 preceding the effective date of the tax levied pursuant to the provisions of this section has been
99 distributed;

100 (2) All moneys received in excess of the total amount distributed under section 66.620
101 for the twelve-month period immediately preceding the effective date of the tax levied pursuant
102 to the provisions of this section shall be distributed to all cities, towns and villages and to the

county on the basis that the population of each city, town or village, and in the case of the county the basis that the population of the unincorporated area of the county, bears to the total population of the county. The average per capita sales tax distribution shall be calculated by dividing the sum of the remaining amount of the total sales tax revenues by the total population of the county. Population of each city, town or village, of the unincorporated area of the county, and the total population of the county shall be determined on the basis of the most recent federal decennial census.

7. No municipality incorporated after the adoption of the tax authorized by this section shall be included as other than part of the unincorporated area of the county nor receive any share of either the proceeds from the tax levied pursuant to the provisions of this section or the tax levied pursuant to the provisions of sections 66.600 to 66.630 unless, at the time of incorporation, such municipality had a population of ten thousand or more.

8. The county sales tax imposed pursuant to this section on the purchase and sale of motor vehicles shall not be collected and remitted by the seller, but shall be collected by the director of revenue at the time application is made for a certificate of title, if the address of the applicant is within the county imposing the additional sales tax. ~~[The amounts so collected, less one percent collection cost, shall be deposited in the county sales tax trust fund to be distributed in accordance with section 66.620. The purchase or sale of motor vehicles shall be deemed to be consummated at the address of the applicant for a certificate of title.]~~

9. No tax shall be imposed pursuant to this section for the purpose of funding in whole or in part the construction, operation or maintenance of a sports stadium, field house, indoor or outdoor recreational facility, center, playing field, parking facility or anything incidental or necessary to a complex suitable for any type of professional sport, either upon, above or below the ground.

10. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any county for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such counties. If any county abolishes the tax, the county shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such county, the director of revenue shall remit the balance in the account to the county and close the account of that county. The director of revenue shall notify each county of each instance of any amount refunded or any check redeemed from receipts due the county.

67.582. 1. The governing body of any county, except a county of the first class with a charter form of government with a population of greater than four hundred thousand inhabitants, is hereby authorized to impose, by ordinance or order, a sales tax in the amount of up to one-half of one percent on all retail sales made in such county which are subject to taxation under the provisions of sections 144.010 to 144.525 for the purpose of providing law enforcement services for such county. The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law, except that no ordinance or order imposing a sales tax under the provisions of this section shall be effective unless the governing body of the county submits to the voters of the county, at a county or state general, primary or special election, a proposal to authorize the governing body of the county to impose a tax.

2. The ballot of submission shall contain, but need not be limited to, the following language:

73 14. Each director shall devote such time to the duties of the office as the faithful
74 discharge thereof may require and be reimbursed for his or her actual expenditures in the
75 performance of his or her duties on behalf of the district. Directors may be compensated, but
76 such compensation shall not exceed one hundred dollars per month.

77 15. In addition to all other powers granted by sections 67.2500 to 67.2530, the district
78 shall have the following general powers:

79 (1) To sue and be sued in its own name, and to receive service of process, which shall

95 operations of the district;

96 (8) To own or lease real or personal property for use in connection with the exercise of
97 powers pursuant to this subsection;

98 (9) To provide for the election or appointment of officers, including a chairman,

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

Such subsequent elections for the repeal of the sales tax shall be conducted in accordance with section 67.2520; provided, however, that the district board of directors may place the question of the repeal of the sales tax before the voters of the district, and the municipal clerk of the city, town, or village which originally conducted the incorporation of the district, or the circuit clerk of the court which originally conducted the incorporation of the district, shall conduct the subsequent election. In subsequent elections the election judges shall certify the election results to the district board of directors.

(3) If a majority of the votes cast on the proposal by the qualified voters of the district voting thereon are in favor of repeal, that repeal shall become effective December thirty-first of the calendar year in which such repeal was approved or after the repayment of the district's indebtedness, whichever occurs later. **If the district abolishes the tax, the district shall notify the director of revenue of the action at least one hundred twenty days prior to the effective date of the repeal.**

160 to the question, place an "X" in the box opposite "NO".

161 (2) The district board shall not propose the question to abolish the district while there
162 are outstanding claims or causes of action pending against the district, while the district liabilities
163 exceed its assets, while indebtedness of the district is outstanding, or while the district is
164 insolvent, in receivership or under the jurisdiction of the bankruptcy court. Prior to submitting
165 the question to abolish the district to a vote of the entire district, the state auditor shall audit the
166 district to determine the financial status of the district, and whether the district may be abolished
167 pursuant to law. The vote on the abolition of the district shall be conducted by the municipal
168 clerk of the city, town, or village in which the district is located. The procedure shall be the same
169 as in section 67.2520, except that the question shall be determined by the qualified voters of the

172 (3) While the district still exists, it shall continue to accrue all revenues to which it is
173 entitled at law.

174 (4) Upon receipt by the board of directors of the district of the certification by the city,
175 town, or village in which the district is located that the majority of those voting within the entire
176 district have voted to abolish the district, and if the state auditor has determined that the district's
177 financial condition is such that it may be abolished pursuant to law, then the board of directors
178 of the district shall:

179 (a) Sell any remaining district real or personal property it wishes, and then transfer the

9 city's center city. The governing body may issue bonds for the funding of such capital
10 improvements, which will be retired by the revenues received from the sales tax authorized by
11 this section. The order or ordinance shall not become effective unless the governing body of the
12 city submits to the voters residing within the city at a state or municipal general, primary, or
13 special election a proposal to authorize the governing body of the city to impose a tax under this
14 section. The tax authorized in this section shall be in addition to all other sales taxes imposed

27 the tax shall not become effective unless and until the question is resubmitted under this section
28 to the qualified voters and such question is approved by a majority of the qualified voters voting
29 on the question. In no case shall a tax be resubmitted to the qualified voters of the city sooner
30 than twelve months from the date of the proposal under this section.

35 for the designated purposes. Any funds in the special trust fund which are not needed for current
36 expenditures shall be invested in the same manner as other funds are invested. Any interest and
37 moneys earned on such investments shall be credited to the fund.

38 4. The director of revenue may authorize the state treasurer to make refunds from the
39 amounts in the trust fund and credited to any city for erroneous payments and overpayments

56 If a majority of the votes cast on the proposal are in favor of repeal, that repeal shall become
57 effective on December thirty-first of the calendar year in which such repeal was approved. If a
58 majority of the votes cast on the question by the qualified voters voting thereon are opposed to
59 the repeal, then the sales tax authorized in this section shall remain effective until the question
60 is resubmitted under this section to the qualified voters, and the repeal is approved by a majority
61 of the qualified voters voting on the question. **If the city or county abolishes the tax, the city
62 or county shall notify the director of revenue of the action at least one hundred twenty days
63 prior to the effective date of the repeal.**

24 or the recipient of the service to the extent possible under the provisions of section 144.285, but
25 the seller's inability to collect any part or all of the tax does not relieve the seller of the obligation

27 imposed by sections 144.010 to 144.525 on motor vehicles and trailers shall be made as provided

2 collection of taxes under the provisions of section 144.080 to procure a retail sales license at no
3 cost to the licensee which shall be prominently displayed at the licensee's place of business, and
4 the license is valid until revoked by the director or surrendered by the person to whom issued

16 the date of revocation in a manner as determined by the director.

17 2. The possession of a retail sales license and a statement from the department of revenue
18 that the licensee owes no tax due under sections 144.010 to 144.510 or sections 143.191 to
19 143.261 shall be a prerequisite to the issuance or renewal of any city or county occupation
20 license or any state license which is required for conducting any business where goods are sold
21 at retail. The date of issuance on the statement that the licensee owes no tax due shall be no

22 more than ninety days before the date of submission for application or renewal of the local
23 license. The revocation of a retailer's license by the director shall render the occupational license
24 or the state license null and void.

25 3. No person responsible for the collection of taxes under section 144.080 shall make
26 sales at retail unless such person is the holder of a valid retail sales license. After all appeals
27 have been exhausted, the director of revenue may notify the county or city law enforcement
28 agency representing the area in which the former licensee's business is located that the retail sales
29 license of such person has been revoked, and that any county or city occupation license of such
30 person is also revoked. The county or city may enforce the provisions of this section, and may
31 prohibit further sales at retail by such person.

32 4. In addition to the provisions of subsection 2 of this section, beginning January 1,
33 2009, the possession of a statement from the department of revenue stating no tax is due under
34 sections 143.191 to 143.265 or sections 144.010 to 144.510 shall also be a prerequisite to the
35 issuance or renewal of any city or county occupation license or any state license required for
36 conducting any business where goods are sold at retail. The statement of no tax due shall be
37 dated no longer than ninety days before the date of submission for application or renewal of the
38 city or county license.

(2) The total amount of gross sales of all tangible personal property and taxable services rendered by the retailer during the period for which the return is made;

(3) The total amount received during the period for which the return is made on charge and time sales of tangible personal property made and taxable services rendered prior to the period for which the return is made;

(4) Deductions allowed by law from such total amount of gross sales and from total amount received during the period for which the return is made on such charge and time sales;

(5) Receipts during the period for which the return is made from the total amount of sales of tangible personal property and taxable services rendered during such period in the course of such business, after deductions allowed by law have been made;

(6) Receipts during the period for which the return is made from charge and time sales of tangible personal property made and taxable services rendered prior to such period in the course of such business, after deductions allowed by law have been made;

(7) Gross receipts during the period for which the return is made from sales of tangible personal property and taxable services rendered in the course of such business upon the basis of which the tax is imposed; and

(8) Such other pertinent information as the director may require.

3. In making such return, the retailer shall determine the market value of any consideration, other than money, received in connection with the sale of any tangible personal property in the course of the business and shall include such value in the return. Such value shall be subject to review and revision by the director as hereinafter provided. Refunds made by a retailer during the period for which the return is made on account of tangible personal property returned to the retailer shall be allowed as a deduction under subdivision (4) of subsection 2 of this section in case the retailer has included the receipts from such sale in a return made by such retailer and paid taxes on such sale. The retailer

37 shall, at the time of making such return, pay to the director the amount of tax owed, except
38 as otherwise provided in this section. The director may extend the time for making returns
39 and paying the tax required by this section for any period not to exceed sixty days under
40 such rules and regulations as the director of revenue may prescribe.

41 **4. The director shall only require a single tax return for each taxing period, and**
42 **such return shall include only the taxing jurisdictions in which the seller makes sales**
43 **within the state.** With each return, the person shall remit to the director of revenue the full
44 amount of the tax due.

45 ~~[3:]~~ **5.** In case of charge and time sales the gross receipts thereof shall be included as
46 sales in the returns as and when payments are received by the person, without any deduction
47 therefrom whatsoever.

48 ~~[4:]~~ **6.** If an error or omission is discovered in a return or a change be necessary to show
49 the true facts, the error may be corrected, the omission supplied, or the change made in the return
50 next filed with the director for the filing period immediately following the filing period in which
51 the error was made or the omission occurred, as prescribed by law, except that no refund under
52 this chapter shall be allowed for any amount of tax paid by a seller which is based upon charges
53 incident to credit card discounts. Any other omission or error must be corrected by filing an
54 amended return for the erroneously reported period if the amount of tax is less than that
55 originally reported, or an additional return if the amount of tax is greater than that originally
56 reported. An additional return shall be deemed filed on the date the envelope in which it is
57 mailed is postmarked or the date it is received by the director, whichever is earlier. Any payment
58 of tax, interest, penalty or additions to tax shall be deemed filed on the date the envelope
59 containing the payment is postmarked or the date the payment is received by the director,
60 whichever is earlier. If a refund or credit results from the filing of an amended return, no refund
61 or credit shall be allowed unless an application for refund or credit is properly completed and
62 submitted to the director pursuant to section 144.190.

63 ~~[5:]~~ **7.** The amount of gross receipts from sales and the amount of tax due returned by
64 the person, as well as all matters contained in the return, is subject to review and revision in the
65 manner herein provided for the correction of the returns.

144.105. 1. A seller shall be allowed a deduction from taxable sales for bad debts
2 **attributable to taxable sales of such seller that have become uncollectable. Any deduction**
3 **taken that is attributed to bad debts shall not include interest.**

4 **2. The amount of the bad debt deduction shall be calculated pursuant to 26 U.S.C.**
5 **Section 166(b), except that such amount shall be adjusted to exclude financing charges or**
6 **interest, sales or use taxes charged on the purchase price, uncollectable amounts on**

7 property that remain in the possession of the seller until the full purchase price is paid, and
8 expenses incurred in attempting to collect any debt or repossessed property.

9 3. Bad debts may be deducted on the return for the period during which the bad
10 debt is written off as uncollectable in the seller's books and records and is eligible to be
11 deducted for federal income tax purposes. For purposes of this subsection, a seller who is
12 not required to file federal income tax returns may deduct a bad debt on a return filed for
13 the period in which the bad debt is written off as uncollectable in the seller's books and
14 records and would be eligible for a bad debt deduction for federal income tax purposes if
15 the seller were required to file a federal income tax return.

16 4. If a deduction is taken for a bad debt and the debt is subsequently collected in
17 whole or in part, the tax on the amount so collected shall be paid and reported on the
18 return filed for the period in which the collection is made.

19 5. If the amount of bad debt exceeds the amount of taxable sales for the period
20 during which the bad debt is written off, a refund claim may be filed by the seller within
21 the applicable statute of limitations for refund claim; however, the statute of limitations
22 shall be measured from the due date of the return on which the bad debt could first be
23 claimed.

24 6. If filing responsibilities have been assumed by a certified service provider, such
25 service provider may claim, on behalf of the seller, any bad debt allowance provided by
26 this section. The certified service provider shall credit or refund the full amount of any
27 bad debt allowance or refund received to the seller.

28 7. For the purposes of reporting a payment received on a previously claimed bad
29 debt, any payments made on a debt or account shall first be applied proportionally to the
30 taxable price of the property or service and the sales tax thereon and secondly to interest,
31 service charges, and any other charges.

32 8. In situations where the books and records of the seller or certified service
33 provider on behalf of the seller claiming the bad debt allowance support an allocation of
34 the bad debts among the member states, such an allocation shall be permitted.

144.111. 1. (1) All retail sales in Missouri, excluding leases and rentals, of tangible
2 personal property or digital goods shall be sourced to the location where the order is
3 received by the seller.

4 (2) This subsection shall apply only if:

5 (a) The location where receipt of the product by the purchaser occurs is determined
6 in accordance with subsection 2 of this section; and

7 (b) At the time the order is received, the record keeping system of the seller used
8 to calculate the proper amount of sales or use tax to be imposed captures the location
9 where the order is received.

10 (3) If the sale is sourced under this section to the location where the order is
11 received by the seller, only the sales tax for the location where the order is received by the
12 seller may be levied. No additional sales or use tax based on the location where the product
13 is delivered to the purchaser may be levied on that sale. The purchaser shall not be entitled
14 to any refund if the combined state and local rate or rates at the location where the product
15 is received by the purchaser is lower than the rate where the order is received by the seller.

16 (4) A purchaser shall have no additional liability to the state for tax, penalty, or
17 interest on a sale for which the purchaser remits tax to the seller in the amount invoiced
18 by the seller if such invoice amount is calculated at either the rate applicable to the location
19 where receipt by the purchaser occurs or at the rate applicable to the location where the
20 order is received by the seller. A purchaser may rely on a written representation by the
21 seller as to the location where the order for such sale was received by the seller. If the
22 purchaser does not have a written representation by the seller as to the location where the
23 order for such sale was received by the seller, the purchaser may use a location indicated
24 by a business address for the seller that is available from the business records of the
25 purchaser that are maintained in the ordinary course of the purchaser's business to
26 determine the rate applicable to the location where the order was received.

27 (5) The location where the order is received by or on behalf of the seller means the
28 physical location of a seller or third party such as an established outlet, office location, or
29 automated order receipt system operated by or on behalf of the seller where an order is
30 initially received by or on behalf of the seller and not where the order may be subsequently
31 accepted, completed, or fulfilled. An order is received when all of the information from the
32 purchaser necessary to the determination whether the order can be accepted has been
33 received by or on behalf of the seller. The location from which a product is shipped shall
34 not be used in determining the location where the order is received by the seller.

35 (6) If taxable services are sold with tangible personal property or digital products
36 pursuant to a single contract or in the same transaction or are billed on the same billing
37 statement or statements and, because of the application of this section, would be sourced
38 to different jurisdictions, this subsection shall apply to determine the source for tax.

39 2. Except as provided in section 144.112, if the location where the order is received
40 by the seller and the location where the receipt of the product by the purchaser or the
41 purchaser's donee, as designated by the purchaser, occurs are in different states, then the
42 retail sale, excluding lease or rental, of a product shall be sourced as follows:

43 (1) If the product is received by the purchaser at a business location of the seller,
44 the sale shall be sourced to such business location;

45 (2) If the product is not received by the purchaser at a business location of the
46 seller, the sale shall be sourced to the location where receipt by the purchaser or the
47 purchaser's donee, as designated by the purchaser, occurs, including the location indicated
48 by instructions for delivery to the purchaser or donee, known to the seller;

49 (3) If subdivisions (1) and (2) of this subsection do not apply, the sale shall be
50 sourced to the location indicated by an address for the purchaser that is available from the
51 business records of the seller that are maintained in the ordinary course of the seller's
52 business if use of this address shall not constitute bad faith;

53 (4) If subdivisions (1), (2), and (3) of this subsection do not apply, the sale shall be
54 sourced to the location indicated by an address for the purchaser obtained during the
55 consummation of the sale, including the address of a purchaser's payment instrument, if
56 no other address is available and if use of this address shall not constitute bad faith; and

57 (5) If the previous rules of subdivisions (1), (2), (3), and (4) of this subsection do not
58 apply, including the circumstances in which the seller is without sufficient information to
59 apply the previous rules, then the location will be determined by the address from which
60 tangible personal property was shipped, from which the digital good or computer software
61 delivered electronically was first available for transmission from the seller, or from which
62 the service was provided, disregarding for these purposes any location that merely
63 provided the digital transfer of the product sold.

64 3. Notwithstanding subsections 1 and 2 of this section, all sales of motor vehicles,
65 trailers, semitrailers, watercraft, and aircraft that do not qualify as transportation
66 equipment shall be sourced to the address of the owner thereof.

67 4. The lease or rental of tangible personal property, other than property identified
68 in subsection 2 or 3 of this section or transactions regulated under sections 407.660 to
69 407.665, shall be sourced as follows:

70 (1) For a lease or rental that requires recurring periodic payments, the first
71 periodic payment is sourced the same as a retail sale in accordance with the provisions of
72 subsection 1 of this section. Periodic payments made subsequent to the first payment are
73 sourced to the primary property location for each period covered by the payment. The
74 primary property location shall be as indicated by an address for the property provided
75 by the lessee that is available to the lessor from its records maintained in the ordinary
76 course of business if use of this address shall not constitute bad faith. The property
77 location shall not be altered by intermittent use at different locations, such as use of
78 business property that accompanies employees on business trips and service calls;

79 (2) For a lease or rental that does not require recurring periodic payments, the
80 payment is sourced the same as a retail sale in accordance with the provisions of subsection
81 1 of this section; and

82 (3) This subsection shall not affect the imposition or computation of sales or use tax
83 on leases or rentals based on a lump sum or accelerated basis or on the acquisition of
84 property for lease.

85 5. The lease or rental of motor vehicles, trailers, semitrailers, or aircraft that do not
86 qualify as transportation equipment, as defined in section 144.010, shall be sourced as
87 follows:

88 (1) For a lease or rental that requires recurring periodic payments, each periodic
89 payment is sourced to the primary property location. The primary property location shall
90 be as indicated by an address for the property provided by the lessee that is available to
91 the lessor from its records maintained in the ordinary course of business if use of such
92 address does not constitute bad faith. Such location shall not be altered by intermittent use
93 at different locations;

94 (2) For a lease or rental that does not require recurring periodic payments, the
95 payment is sourced the same as a retail sale in accordance with the provisions of subsection
96 1 of this section; and

97 (3) This subsection shall not affect the imposition or computation of sales or use tax
98 on leases or rentals based on a lump sum or accelerated basis or on the acquisition of
99 property for lease.

100 6. The retail sale, including lease or rental, of transportation equipment shall be
101 sourced the same as a retail sale in accordance with the provisions of subsection 1 of this
102 section, notwithstanding the exclusion of lease or rental in subsection 1 of this section.

144.112. 1. The retail sale of a product shall be sourced in accordance with section
2 144.111. The provisions of section 144.111 shall apply regardless of the characterization
3 of a product as tangible personal property, a digital good, or a service. The provisions of
4 section 144.111 shall only apply to determine a seller's obligation to pay or collect and
5 remit sales or use tax with respect to the seller's retail sale of a product. The provisions of
6 this subsection shall not affect the obligation of a purchaser or lessee to remit tax on the
7 use of the product to the taxing jurisdictions of that use.

8 2. Section 144.111 shall not apply to sales or use taxes levied on the following:

9 (1) Retail sales or transfers of watercraft, modular homes, manufactured homes,
10 or mobile homes; and

11 (2) Telecommunications services and ancillary services.

144.113. 1. (1) A purchaser of advertising and promotional direct mail may provide the seller with:

(a) A direct pay permit;

(b) An agreement certificate of exemption claiming direct mail or other written statement approved, authorized, or accepted by the state; or

(c) Information showing the jurisdictions to which the advertising and promotional direct mail is to be delivered to recipients.

(2) If the purchaser provides the permit, certificate, or statement referred to in paragraph (a) or (b) of subdivision (1) of subsection 1 of this section, the seller, in the absence of bad faith, is relieved of all obligations to collect, pay, or remit any tax on any transaction involving advertising and promotional direct mail to which the permit, certificate, or statement applies. The purchaser shall source the sale to the jurisdictions to which the advertising and promotional direct mail is to be delivered to the recipients and shall report and pay any applicable tax due.

(3) If the purchaser provides the seller information showing the jurisdictions to which the advertising and promotional direct mail is to be delivered to recipients, the seller shall source the sale to the jurisdictions to which the advertising and promotional direct mail is to be delivered and shall collect and remit the applicable tax. In the absence of bad faith, the seller is relieved of any further obligation to collect any additional tax on the sale of advertising and promotional direct mail where the seller has sourced the sale according to the delivery information provided by the purchaser.

(4) If the purchaser does not provide the seller with any of the items listed in paragraph (a), (b), or (c) of subdivision (1) of subsection 1 of this section, the sale shall be sourced according to subdivision (5) of subsection 2 of section 144.111. The state to which the advertising and promotional direct mail is delivered may disallow credit for tax paid on sales sourced under this subdivision.

(5) Notwithstanding section 144.111, this subsection shall apply to sales of advertising and promotional direct mail.

2. (1) Except as otherwise provided in this subsection, sales of other direct mail are sourced in accordance with subdivision (3) of subsection 2 of section 144.111.

(2) A purchaser of other direct mail may provide the seller with either:

(a) A direct pay permit; or

(b) An agreement certificate of exemption claiming direct mail or other written statement approved, authorized, or accepted by the state.

(3) If the purchaser provides the permit, certificate, or statement referred to in paragraph (a) or (b) of subdivision (2) of this subsection, the seller, in the absence of bad

37 faith, is relieved of all obligations to collect, pay, or remit any tax on any transaction
38 involving other direct mail to which the permit, certificate, or statement. Notwithstanding
39 subdivision (1) of this subsection, the sale shall be sourced to the jurisdictions to which the
40 other direct mail is to be delivered to the recipients, and the purchaser shall report and pay
41 applicable tax due.

42 (4) Notwithstanding section 144.111, this subsection shall apply to sales of other
43 direct mail.

44 3. (1) (a) This section applies to a transaction characterized under state law as the
45 sale of services only if the service is an integral part of the production and distribution of
46 printed material that meets the definition of direct mail; and

47 (b) This section shall not apply to any transaction that includes the development
48 of billing information or the provision of any data processing service that is more than
49 incidental regardless of whether advertising and promotional direct mail is included in the
50 same mailing.

51 (2) If a transaction is a bundled transaction that includes advertising and
52 promotional direct mail, this section applies only if the primary purpose of the transaction
53 is the sale of products or services that meet the definition of advertising and promotional
54 direct mail.

55 (3) Nothing in this section shall limit any purchaser's:

56 (a) Obligation for sales or use tax to any state to which the direct mail is delivered;

57 (b) Right under local, state, federal, or constitutional law to a credit for sales or use
58 taxes legally due and paid to other jurisdictions; or

59 (c) Right to a refund of sales or use taxes overpaid to any jurisdiction.

60 (4) This section applies for purposes of uniformly sourcing direct mail transactions
61 and shall not impose requirements on states regarding the taxation of products that meet
62 the definition of direct mail or to the application of sales for resale or other exemptions.

144.114. 1. The state shall review software submitted to the streamlined sales and
2 use tax governing board for certification as a certified automated system (CAS) under
3 section 501 of the streamlined sales and use tax agreement. Such review shall include a
4 review to determine that the program adequately classifies the state's product-based
5 exemptions. Upon completion of the review, the state shall certify to the governing board
6 its acceptance or rejection of the classifications made by the system. The state shall relieve
7 a certified service provider (CSP) or model 2 seller from liability to this state and its local
8 jurisdictions for failure to collect sales or use taxes resulting from the CSP or model 2
9 seller's reliance on the certification provided by the state.

10 **2. The streamlined sales and use tax governing board and this state shall not be**
11 **responsible for classification of an item or transaction with the product-based exemptions.**
12 **The relief from liability provided in this section shall not be available for a CSP or model**
13 **2 seller that has incorrectly classified an item or transaction into a product-based**
14 **exemption certified by this state. This subsection shall apply to the individual listing of**
15 **items or transactions within a product definition approved by the governing board or the**
16 **state.**

17 **3. If the state determines that an item or transaction is incorrectly classified as to**
18 **its taxability, it shall notify the CSP or model 2 seller of the incorrect classification. The**
19 **CSP or model 2 seller shall have ten days to revise the classification after receipt of notice**
20 **from the state of the determination. Upon expiration of the ten days, such CSP or model**
21 **2 seller shall be liable for failure to collect the correct amount of sales or use taxes due and**
22 **owing to the state.**

144.123. 1. The director shall provide and maintain a database that describes
2 **boundary changes for all taxing jurisdictions and the effective dates of such changes for**
3 **sales and use tax purposes.**

4 **2. The director shall provide and maintain a database of all sales and use tax rates**
5 **for all taxing jurisdictions. For the identification of counties and cities, codes**
6 **corresponding to the rates shall be provided according to Federal Information Processing**
7 **Standards (FIPS) as developed by the National Institute of Standards and Technology. For**
8 **the identification of all other jurisdictions, codes corresponding to the rates shall be in a**
9 **format determined by the director.**

10 **3. The director shall provide and maintain a database that assigns each five- and**
11 **nine-digit zip code to the proper rates and taxing jurisdictions. The lowest combined tax**
12 **rate imposed in the zip code area shall apply if the area includes more than one tax rate in**
13 **any level of taxing jurisdiction. If a nine-digit zip code designation is not available for a**
14 **street address, or if a seller or a certified service provider (CSP) is unable to determine the**
15 **nine-digit zip code designation applicable to a purchase after exercising due diligence to**
16 **determine the designation, the seller or CSP may apply the rate for the five-digit zip code**
17 **area. For purposes of this section, there shall be a rebuttable presumption that a seller or**
18 **CSP has exercised due diligence if the seller has attempted to determine the nine-digit zip**
19 **code designation by utilizing software approved by the director that makes this designation**
20 **from the street address and the five-digit zip code applicable to a purchase.**

21 **4. The director may provide address-based boundary database records for**
22 **assigning taxing jurisdictions and associated rates that shall be in addition to the**
23 **requirements of subsection 3 of this section. The database records shall be in the same**

24 approved format as the database records required under subsection 3 of this section and
25 shall meet the requirements developed pursuant to the federal Mobile Telecommunications
26 Sourcing Act, 4 U.S.C. Section 119(a). If the director develops address-based assignment
27 database records pursuant to the agreement, sellers that register under the agreement shall
28 be required to use such database. A seller or CSP shall use such database records in place
29 of the five- and nine-digit zip code database records provided for in subsection 3 of this
30 section. If a seller or CSP is unable to determine the applicable rate and jurisdiction using
31 an address-based database record after exercising due diligence, the seller or CSP may
32 apply the nine-digit zip code designation applicable to a purchase. If a nine-digit zip code
33 designation is not available for a street address or if a seller or CSP is unable to determine
34 the nine-digit zip code designation applicable to a purchase after exercising due diligence
35 to determine the designation, the seller or CSP may apply the rate for the five-digit zip
36 code area. For the purposes of this section, there shall be a rebuttable presumption that
37 a seller or CSP has exercised due diligence if the seller or CSP has attempted to determine
38 the tax rate and jurisdiction by utilizing software approved by the director and makes the
39 assignment from the address and zip code information applicable to the purchase. If the
40 director has met the requirements of subsection 3 of this section, the director may also elect
41 to certify vendor-provided address-based databases for assigning tax rates and
42 jurisdictions. The databases shall be in the same approved format as the database records
43 under this section and meet the requirements developed pursuant to the federal Mobile
44 Telecommunications Sourcing Act, 4 U.S.C. Section 119(a). If the director certifies a
45 vendor address-based database, a seller or CSP may use such database in place of the
46 database provided for in this subsection.

47 5. The electronic databases provided for in subsections 1, 2, 3, and 4 of this section
48 shall be in downloadable format as determined by the director. The databases may be
49 directly provided by the director or provided by a vendor as designated by the director.
50 A database provided by a vendor as designated by the director shall be applicable and
51 subject to the provisions of section 144.1031 and this section. The databases shall be
52 provided at no cost to the user of the database. The provisions of subsections 3 and 4 of
53 this section shall not apply if the purchased product is received by the purchaser at the
54 business location of the seller.

55 6. No seller or CSP shall be liable for reliance upon erroneous data provided by the
56 director on tax rates, boundaries, or taxing jurisdiction assignments.

144.124. 1. The director shall complete a taxability matrix. The state's entries in
2 the matrix shall be provided and maintained by the director in a database that is in a
3 downloadable format.

4 **2. The director shall provide reasonable notice of changes in the taxability of the**
5 **products or services listed in the taxability matrix.**

6 **3. A seller or certified service provider (CSP) shall be relieved from liability to this**
7 **state or any local taxing jurisdiction for having charged and collected the incorrect amount**
8 **of state or local sales or use tax resulting from such seller's or CSP's reliance upon**
9 **erroneous data provided by the director in the taxability matrix.**

144.125. 1. (1) Amnesty shall be granted for uncollected or unpaid sales or use tax
2 **to a seller who registers to pay or to collect and remit applicable sales or use tax on sales**
3 **made to purchasers in this state in accordance with the terms of the agreement, provided**
4 **that the seller was not so registered in this state in the twelve-month period preceding the**
5 **effective date of this state's participation in the agreement.**

6 **(2) Amnesty shall preclude assessment for uncollected or unpaid sales or use tax**
7 **together with penalty or interest for sales made during the period the seller was not**
8 **registered in this state, provided registration occurs within twelve months of the effective**
9 **date of this state's participation in the agreement.**

10 **(3) Amnesty shall be provided if this state joins the agreement after the seller has**
11 **registered.**

12 **2. Amnesty shall not be available to a seller with respect to any matter or matters**
13 **for which the seller received notice of the commencement of an audit and for which audit**
14 **is not yet finally resolved, including any related administrative and judicial processes. The**
15 **amnesty shall not be available for sales or use taxes already paid or remitted to this state**
16 **or to taxes collected by the seller.**

17 **3. Amnesty provided under this section shall be fully effective, absent the seller's**
18 **fraud or intentional misrepresentation of a material fact, as long as the seller continues**
19 **registration and payment or collection and remittance of applicable sales or use taxes for**
20 **a period of at least thirty-six months. The statute of limitations applicable to asserting a**
21 **tax liability during this thirty-six-month period shall be tolled.**

22 **4. Amnesty provided under this section shall be applicable only to sales or use taxes**
23 **due from a seller in its capacity as a seller and not to sales or use taxes due from a seller in**
24 **its capacity as a purchaser.**

25 **5. The provisions of this section shall become effective as of the date that the state**
26 **joins and becomes a member state of the agreement.**

144.140. 1. From every remittance to the director of revenue made on or before the date
2 **when the same becomes due, the person required to remit the same shall be entitled to deduct and**
3 **retain an amount equal to two percent thereof.**

4 **2. If the director of the department of revenue enters into the streamlined sales and**
5 **use tax agreement under section 32.070, the director shall provide a monetary allowance**
6 **from the taxes collected to each of the following:**

7 **(1) A certified service provider, in accordance with the agreement and under the**
8 **terms of the contract signed with the provider, provided that such allowance shall not**
9 **exceed two percent of the amount collected;**

10 **(2) Any vendor registered under the agreement that selects a certified automated**
11 **system to perform part of its sales or use tax functions; or**

12 **(3) Any vendor registered under the agreement that uses a proprietary system to**
13 **calculate taxes due and has entered into a performance agreement with states that are**
14 **members of the streamlined sales and use tax agreement.**

15 **3. The monetary allowance provided for vendors in subdivision (2) or (3) of**
16 **subsection 2 of this section shall be in an amount equal to two percent of the taxes collected.**

17 **4. Any vendor receiving an allowance under subsection 2 of this section shall not**
18 **be entitled simultaneously to deduct the allowance provided for in subsection 1 of this**
19 **section.**

144.210. 1. The burden of proving that a sale of tangible personal property, services,
2 substances or things was not a sale at retail shall be upon the person who made the sale, except
3 that with respect to sales, services, or transactions provided for in section 144.070. ~~[The seller~~
4 ~~shall obtain and maintain exemption certificates signed by the purchaser or his agent as evidence~~

11 ~~collected by the director from the purchaser shall be credited against the amount otherwise due~~
12 ~~from the seller on the purchases or sales where the exemption was claimed.]~~

13 **2. If the director of revenue is not satisfied with the return and payment of the tax made**
14 **by any person, he is hereby authorized and empowered to make an additional assessment of tax**
15 **due from such person, based upon the facts contained in the return or upon any information**
16 **within his possession or that shall come into his possession.**

17 **3. The director of revenue shall give to the person written notice of such additional or**

144.212. 1. **In addition to all other provisions of law providing for exemptions, if**
2 **an exemption is claimed by a purchaser:**

3 (1) The seller shall obtain identifying information of the purchaser and the reason
4 for claiming a tax exemption at the time of the purchase;

8 prescribed by the director of the department of revenue and acceptable to the streamlined
9 sales and use tax governing board;

10 (4) The seller shall obtain the same information for proof of a claimed exemption
11 regardless of the medium in which the transaction occurred;

12 (5) The seller shall maintain proper records of exempt transactions and provide
13 such records to the director of the department of revenue or the director's designee upon
14 request; and

15 (6) In the case of drop shipment sales, a third-party vendor such as a drop shipper
16 may claim a resale exemption based on an exemption certificate provided by its customer
17 or any other acceptable information available to the third-party vendor evidencing
18 qualification for a resale exemption, regardless of whether the customer is registered to
19 collect and remit sales and use tax in the state where the sale is sourced.

20 2. Sellers that comply with the requirements of this section shall be relieved from
21 collecting and remitting tax otherwise applicable if it is determined that the purchaser
22 improperly claimed an exemption, and such purchaser shall be liable for the nonpayment
23 of tax. Relief from liability provided under this section shall not apply to a seller who
24 fraudulently fails to collect tax, to a seller who solicits purchasers to participate in the
25 unlawful claim of an exemption, to a seller who accepts an exemption certificate if the
26 purchaser claims an entity-based exemption if the subject of the transaction sought to be
27 covered by the exemption certificate is actually received by the purchaser at a location
28 operated by the seller and the state in which that location resides provides an exemption
29 certificate that clearly and affirmatively indicates that the claimed exemption is not
30 available in such state, or to a seller who accepts an exemption certificate claiming multiple
31 points of use for tangible personal property other than computer software for which an
32 exemption claiming multiple points of use:

35 elements required under the agreement within ninety days subsequent to the date of sale;

36 (2) If a seller fails to obtain an exemption certificate or all relevant data elements
37 as provided in this section, the seller may, within one hundred twenty days subsequent to
38 a request for substantiation by the director of the department of revenue or the director's

39 designee, either prove that the transaction was not subject to tax by other means or obtain
40 a fully completed exemption certificate from the purchaser, taken in good faith.

41 3. Nothing in this section shall affect the ability of the director of the department
42 of revenue or the director's designee to require purchasers to update exemption certificate
43 information or to reapply with the state to claim certain exemptions.

44 4. Notwithstanding the provisions of subsection 2 of this section to the contrary, the
45 director shall relieve a seller of the tax otherwise applicable if the seller obtains a blanket
46 exemption certificate for a purchaser with which the seller has a recurring business
47 relationship. The director shall not request from the seller renewal of blanket certificates
48 or updates of exemption certificate information or data elements if there is a recurring
49 business relationship between the buyer and seller. For purposes of this section, a
50 recurring business relationship exists if a period of no more than twelve months elapses
51 between sales transactions.

144.285. 1. ~~[In order to permit sellers required to collect and report the sales tax to~~

17 **state and local taxes.**

18 3. No vendor or seller shall knowingly charge or receive from a purchaser as a sales tax
19 any sum in excess of the sums provided for in this section.

20 4. ~~[A vendor may, at his option, determine the amount charged to and received from each~~
21 ~~purchaser by use of a formula which applies the applicable tax rate to each taxable purchase,~~

28 pursuant to chapter 66, 67, 92, or 94 and that taxpayer remits less than all sales tax due for a

30 proportionately to each taxing jurisdiction in accordance with the percentage that each such
31 jurisdiction's share of the tax due for the filing period bears to the total tax due from such
32 taxpayer for such period. The unpaid balance due along with penalties and interest shall be
33 similarly prorated among the state and all local jurisdictions for which tax was due during the
34 filing period for which an underpayment occurs. The provisions of this subsection shall apply
35 to all returns or remittances relating to sales made on or after January 1, 1984.

18 ~~of the sales tax holiday occurring in that year of any such ordinance or order.~~

19 ~~—— 5. This section may not apply to any retailer when less than two percent of the retailer's~~
20 ~~merchandise offered for sale qualifies for the sales tax holiday. The retailer shall offer a sales~~
21 ~~tax refund in lieu of the sales tax holiday.]~~

144.655. 1. Every vendor, on or before the last day of the month following each calendar
2 quarterly period of three months, shall file with the director of revenue a return of all taxes
3 collected for the preceding quarter in the form prescribed by the director of revenue, showing the

4 total sales price of the tangible personal property sold by the vendor, the storage, use or
5 consumption of which is subject to the tax levied by this law, and other information the director
6 of revenue deems necessary. The return shall be accompanied by a remittance of the amount of
7 the tax required to be collected by the vendor during the period covered by the return. Returns
8 shall be signed by the vendor or the vendor's authorized agent. The director of revenue may
9 promulgate rules or regulations changing the filing and payment requirements of vendors, but
10 shall not require any vendor to file and pay more frequently than required in this section.

11 2. Where the aggregate amount of tax required to be collected by a vendor is in excess
12 of two hundred and fifty dollars for either the first or second month of a calendar quarter, the
13 vendor shall pay such aggregate amount for such months to the director of revenue by the
14 twentieth day of the succeeding month. The amount so paid shall be allowed as a credit against
15 the liability shown on the vendor's quarterly return required by this section.

16 3. Where the aggregate amount of tax required to be collected by a vendor is less than
17 forty-five dollars in a calendar quarter, the director of revenue shall by regulation permit the
18 vendor to file a return for a calendar year. The return shall be filed and the taxes paid on or
19 before January thirty-first of the succeeding year.

20 4. Except as provided in subsection 5 of this section, every person purchasing tangible
21 personal property, the storage, use or consumption of which is subject to the tax levied by
22 sections 144.600 to 144.748, who has not paid the tax due to a vendor registered in accordance
23 with the provisions of section 144.650, shall file with the director of revenue a return for the
24 preceding reporting period in the form and manner that the director of revenue prescribes,
25 showing the total sales price of the tangible property purchased during the preceding reporting
26 period and any other information that the director of revenue deems necessary for the proper
27 administration of sections 144.600 to 144.748. The return shall be accompanied by a remittance
28 of the amount of the tax required by sections 144.600 to 144.748 to be paid by the person.
29 Returns shall be signed by the person liable for the tax or such person's duly authorized agent.
30 For purposes of this subsection, the reporting period shall be determined by the director of
31 revenue and may be a calendar quarter or a calendar year. Annual returns and payments required
32 by the director pursuant to this subsection shall be due on or before April fifteenth of the year
33 for the preceding calendar year and quarterly returns and payments shall be due on or before the
34 last day of the month following each calendar period of three months. Upon the taxpayer's
35 request, the director may allow the filing of such returns and payments on a monthly basis. If
36 a taxpayer elects to file a monthly return and payment, such return and payment shall be due on
37 or before the twentieth day of the succeeding month.

38 5. Any person purchasing tangible personal property subject to the taxes imposed by
39 sections 144.600 to 144.748 shall not be required to file a use tax return with the director of

40 revenue if such purchases on which such taxes were not paid do not exceed in the aggregate two
41 thousand dollars in any calendar year.

42 6. Nothing in subsection 5 of this section shall relieve a vendor of liability to collect the
43 tax imposed pursuant to sections 144.600 to 144.748 on the total gross receipts of all sales of
44 tangible personal property used, stored or consumed in this state and to remit all taxes collected
45 to the director of revenue in accordance with the provisions of this section nor shall it relieve a
46 purchaser from paying such taxes to a vendor registered in accordance with the provisions of
47 section 144.650.

48 7. **Any out-of-state seller that is not legally required to register for use tax in this**
49 **state but chooses to collect and remit use tax under sections 144.600 to 144.761 shall file a**
50 **return for the calendar year. The return shall be filed and the taxes paid on or before**
51 **January thirty-first of the succeeding year. In the event that any out-of-state seller that is**

53 **tax under sections 144.600 to 144.761 has accumulated state and local use tax funds in an**
54 **amount equal to one thousand dollars or more, such vendor shall file a return and remit**
55 **the amount due for the month in which the accumulated state and local use tax funds equal**
56 **or exceed one thousand dollars.**

144.710. ~~[From every remittance made by a vendor as required by sections 144.600 to~~

221.407. 1. The commission of any regional jail district may impose, by order, a sales
2 tax in the amount of one-eighth of one percent, one-fourth of one percent, three-eighths of one
3 percent, or one-half of one percent on all retail sales made in such region which are subject to
4 taxation pursuant to the provisions of sections 144.010 to 144.525 for the purpose of providing
5 jail services and court facilities and equipment for such region. The tax authorized by this
6 section shall be in addition to any and all other sales taxes allowed by law, except that no order
7 imposing a sales tax pursuant to this section shall be effective unless the commission submits
8 to the voters of the district, on any election date authorized in chapter 115, a proposal to
9 authorize the commission to impose a tax.

10 2. The ballot of submission shall contain, but need not be limited to, the following
11 language:

12 Shall the regional jail district of (counties' names) impose a region-wide
13 sales tax of (insert amount) for the purpose of providing jail services and court

17 If you are in favor of the question, place an "X" in the box opposite "Yes". If you are opposed
18 to the question, place an "X" in the box opposite "No".

19

20 If a majority of the votes cast on the proposal by the qualified voters of the district voting thereon
21 are in favor of the proposal, then the order and any amendment to such order shall be in effect
22 on the first day of the second **calendar** quarter ~~[immediately following the election approving~~
23 ~~the proposal]~~ **after the director of revenue receives notification of adoption of the local sales**
24 **tax**. If the proposal receives less than the required majority, the commission shall have no power
25 to impose the sales tax authorized pursuant to this section unless and until the commission shall
26 again have submitted another proposal to authorize the commission to impose the sales tax
27 authorized by this section and such proposal is approved by the required majority of the qualified
28 voters of the district voting on such proposal; however, in no event shall a proposal pursuant to
29 this section be submitted to the voters sooner than twelve months from the date of the last
30 submission of a proposal pursuant to this section.

31 3. All revenue received by a district from the tax authorized pursuant to this section shall
32 be deposited in a special trust fund and shall be used solely for providing jail services and court
33 facilities and equipment for such district for so long as the tax shall remain in effect.

34 4. Once the tax authorized by this section is abolished or terminated by any means, all
35 funds remaining in the special trust fund shall be used solely for providing jail services and court
36 facilities and equipment for the district. Any funds in such special trust fund which are not
37 needed for current expenditures may be invested by the commission in accordance with
38 applicable laws relating to the investment of other county funds.

39 5. All sales taxes collected by the director of revenue pursuant to this section on behalf
40 of any district, less one percent for cost of collection which shall be deposited in the state's
41 general revenue fund after payment of premiums for surety bonds as provided in section 32.087,

44 shall not be deemed to be state funds and shall not be commingled with any funds of the state.
45 The director of revenue shall keep accurate records of the amount of money in the trust fund
46 which was collected in each district imposing a sales tax pursuant to this section, and the records
47 shall be open to the inspection of officers of each member county and the public. Not later than
48 the tenth day of each month the director of revenue shall distribute all moneys deposited in the
49 trust fund during the preceding month to the district which levied the tax. Such funds shall be
50 deposited with the treasurer of each such district, and all expenditures of funds arising from the

51 regional jail district sales tax trust fund shall be paid pursuant to an appropriation adopted by the
52 commission and shall be approved by the commission. Expenditures may be made from the fund
53 for any function authorized in the order adopted by the commission submitting the regional jail
54 district tax to the voters.

55 6. The director of revenue may authorize the state treasurer to make refunds from the
56 amounts in the trust fund and credited to any district for erroneous payments and overpayments
57 made, and may redeem dishonored checks and drafts deposited to the credit of such districts.
58 If any district abolishes the tax, the commission shall notify the director of revenue of the action
59 at least ninety days prior to the effective date of the repeal, and the director of revenue may order
60 retention in the trust fund, for a period of one year, of two percent of the amount collected after
61 receipt of such notice to cover possible refunds or overpayment of the tax and to redeem
62 dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed
63 after the effective date of abolition of the tax in such district, the director of revenue shall remit
64 the balance in the account to the district and close the account of that district. The director of
65 revenue shall notify each district in each instance of any amount refunded or any check redeemed
66 from receipts due the district.

67 7. Except as provided in this section, all provisions of sections 32.085 and 32.087 shall

2 transportation development district sales tax on all retail sales made in such transportation
3 development district which are subject to taxation pursuant to the provisions of sections 144.010
4 to 144.525, except such transportation development district sales tax shall not apply to the sale
5 or use of motor vehicles, trailers, boats or outboard motors ~~[nor to all sales of electricity or~~
6 ~~electrical current, water and gas, natural or artificial, nor to sales of service to telephone~~

32 of the proposal, then the resolution and any amendments thereto shall be in effect. If a majority
33 of the votes cast by the qualified voters voting are opposed to the proposal, then the board of
34 directors of the transportation development district shall have no power to impose the sales tax
35 authorized by this section unless and until the board of directors of the transportation
36 development district shall again have submitted another proposal to authorize it to impose the
37 sales tax pursuant to the provisions of this section and such proposal is approved by a majority
38 of the qualified voters voting thereon.

39 ~~(3) [The sales tax authorized by this section shall become effective on the first day of the~~

56 of this subsection or if the tax authorized by this section is repealed pursuant to subsection [6]
57 4 of this section, all funds remaining in the special trust fund shall continue to be used solely for
58 such designated transportation development purpose. Any funds in such special trust fund which
59 are not needed for current expenditures may be invested by the board of directors in accordance
60 with applicable laws relating to the investment of other transportation development district
61 funds.

69 section shall be imposed at a rate that shall be uniform throughout the district.

70 2. The resolution imposing the sales tax pursuant to this section shall impose upon all
71 sellers a tax for the privilege of engaging in the business of selling tangible personal property or
72 rendering taxable services at retail to the extent and in the manner provided in sections 144.010
73 to 144.525, and the rules and regulations of the director of revenue issued pursuant thereto;
74 except that the rate of the tax shall be the rate imposed by the resolution as the sales tax and the
75 tax shall be reported and returned to and collected by the transportation development district.

76 3. ~~[On and after the effective date of any tax imposed pursuant to this section, the~~

111 ~~———— 5.] All sales taxes received by the transportation development district shall be deposited~~
112 ~~by the director of revenue in a special fund to be expended for the purposes authorized in this~~
113 ~~section. The director of revenue shall keep accurate records of the amount of money which was~~
114 ~~collected pursuant to this section, and the records shall be open to the inspection of officers of~~
115 ~~each transportation development district and the general public.~~

116 ~~[6-] 4. (1) No transportation development district imposing a sales tax pursuant to this~~
117 ~~section may repeal or amend such sales tax unless such repeal or amendment will not impair the~~
118 ~~district's ability to repay any liabilities which it has incurred, money which it has borrowed or~~
119 ~~revenue bonds, notes or other obligations which it has issued or which have been issued by the~~
120 ~~commission or any local transportation authority to finance any project or projects.~~

121 ~~(2) Whenever the board of directors of any transportation development district in which~~
122 ~~a transportation development sales tax has been imposed in the manner provided by this section~~

receives a petition, signed by ten percent of the qualified voters calling for an election to repeal such transportation development sales tax, the board of directors shall, if such repeal will not impair the district's ability to repay any liabilities which it has incurred, money which it has borrowed or revenue bonds, notes or other obligations which it has issued or which have been issued by the commission or any local transportation authority to finance any project or projects, submit to the qualified voters of such transportation development district a proposal to repeal the transportation development sales tax imposed pursuant to the provisions of this section. If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal to repeal the transportation development sales tax, then the resolution imposing the transportation development sales tax, along with any amendments thereto, is repealed. If a majority of the votes cast by the qualified voters voting thereon are opposed to the proposal to repeal the transportation development sales tax, then the ordinance or resolution imposing the transportation development sales tax, along with any amendments thereto, shall remain in effect.

[7.] **5.** Notwithstanding any provision of sections 99.800 to 99.865 and this section to the contrary, the sales tax imposed by a district whose project is a public mass transportation system shall not be considered economic activity taxes as such term is defined under sections 99.805 and 99.918 and shall not be subject to allocation under the provisions of subsection 3 of section 99.845, or subsection 4 of section 99.957.

6. After the effective date of any tax imposed under the provisions of this section, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax and collect, in addition to the sales tax for the state of Missouri, the additional tax authorized under the authority of this section. The tax imposed under this section and the tax imposed under the sales tax law of the state of Missouri shall be collected together and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue.

7. Except as provided in this section, all provisions of sections 32.085 to 32.087 shall apply to the tax imposed under this section.

238.410. 1. Any county transit authority established pursuant to section 238.400 may impose a sales tax of up to one percent on all retail sales made in such county which are subject to taxation under the provisions of sections 144.010 to 144.525. The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law, except that no sales tax imposed under the provisions of this section shall be effective unless the governing body of the county, on behalf of the transit authority, submits to the voters of the county, at a county or state general, primary or special election, a proposal to authorize the transit authority to impose a tax.

9 2. The ballot of submission shall contain, but need not be limited to, the following
10 language:

11 Shall the Transit Authority impose a countywide sales tax of (insert
12 amount) in order to provide revenues for the operation of transportation facilities operated by the
13 transit authority?

14 ☐ YES

☐ NO

15

16 If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed
17 to the question, place an "X" in the box opposite "NO".

18

19 If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor
20 of the proposal, then the tax shall become effective on the first day of the second calendar quarter
21 following notification to the department of revenue of adoption of the tax. If a majority of the
22 votes cast by the qualified voters voting are opposed to the proposal, then the transit authority
23 shall have no power to impose the sales tax authorized by this section unless and until another
24 proposal to authorize the transit authority to impose the sales tax authorized by this section has
25 been submitted and such proposal is approved by a majority of the qualified voters voting
26 thereon.

27 3. All revenue received by the transit authority from the tax authorized under the
28 provisions of this section shall be deposited in a special trust fund and shall be used solely by the
29 transit authority for construction, purchase, lease, maintenance and operation of transportation
30 facilities located within the county for so long as the tax shall remain in effect. Any funds in
31 such special trust fund which are not needed for current expenditures may be invested by the
32 transit authority in accordance with applicable laws relating to the investment of county funds.

33 4. No transit authority imposing a sales tax pursuant to this section may repeal or amend
34 such sales tax unless such repeal or amendment is submitted to and approved by the voters of the
35 county in the same manner as provided in subsection 1 of this section for approval of such tax.
36 Whenever the governing body of any county in which a sales tax has been imposed in the manner
37 provided by this section receives a petition, signed by ten percent of the registered voters of such
38 county voting in the last gubernatorial election, calling for an election to repeal such sales tax,
39 the governing body shall submit to the voters of such county a proposal to repeal the sales tax
40 imposed under the provisions of this section. If a majority of the votes cast on the proposal by
41 the registered voters voting thereon are in favor of the proposal to repeal the sales tax, then such
42 sales tax is repealed. If a majority of the votes cast by the registered voters voting thereon are
43 opposed to the proposal to repeal the sales tax, then such sales tax shall remain in effect.

44 5. The sales tax imposed under the provisions of this section shall impose upon all sellers
45 a tax for the privilege of engaging in the business of selling tangible personal property or
46 rendering taxable services at retail to the extent and in the manner provided in sections 144.010
47 to 144.525 and the rules and regulations of the director of revenue issued pursuant thereto;
48 except that the rate of the tax shall be the rate approved pursuant to this section. The amount
49 reported and returned to the director of revenue by the seller shall be computed on the basis of
50 the combined rate of the tax imposed by sections 144.010 to 144.525 and the tax imposed by this
51 section, plus any amounts imposed under other provisions of law.

52 6. After the effective date of any tax imposed under the provisions of this section, the
53 director of revenue shall perform all functions incident to the administration, collection,
54 enforcement, and operation of the tax, and the director of revenue shall collect in addition to the
55 sales tax for the state of Missouri the additional tax authorized under the authority of this section.
56 The tax imposed under this section and the tax imposed under the sales tax law of the state of
57 Missouri shall be collected together and reported upon such forms and under such administrative
58 rules and regulations as may be prescribed by the director of revenue. In order to permit sellers
59 required to collect and report the sales tax to collect the amount required to be reported and
60 remitted, but not to change the requirements of reporting or remitting tax or to serve as a levy
61 of the tax, and in order to avoid fractions of pennies, the applicable provisions of section 144.285
62 shall apply to all taxable transactions.

63 7. All applicable provisions contained in sections 144.010 to 144.525 governing the state
64 sales tax and section 32.057, the uniform confidentiality provision, shall apply to the collection
65 of the tax imposed by this section, except as modified in this section. All exemptions granted
66 to agencies of government, organizations, persons and to the sale of certain articles and items
67 of tangible personal property and taxable services under the provisions of sections 144.010 to
68 144.525 are hereby made applicable to the imposition and collection of the tax imposed by this
69 section. The same sales tax permit, exemption certificate and retail certificate required by
70 sections 144.010 to 144.525 for the administration and collection of the state sales tax shall
71 satisfy the requirements of this section, and no additional permit or exemption certificate or retail
72 certificate shall be required; except that the director of revenue may prescribe a form of
73 exemption certificate for an exemption from the tax imposed by this section. All discounts
74 allowed the retailer under the provisions of the state sales tax law for the collection of and for
75 payment of taxes under chapter 144 are hereby allowed and made applicable to any taxes
76 collected under the provisions of this section. The penalties provided in section 32.057 and
77 sections 144.010 to 144.525 for a violation of those sections are hereby made applicable to
78 violations of this section.

79 8. ~~[For the purposes of a sales tax imposed pursuant to this section, all retail sales shall~~
80 ~~be deemed to be consummated at the place of business of the retailer, except for tangible~~
81 ~~personal property sold which is delivered by the retailer or his agent to an out-of-state destination~~
82 ~~or to a common carrier for delivery to an out-of-state destination and except for the sale of motor~~
83 ~~vehicles, trailers, boats and outboard motors, which is provided for in subsection 12 of this~~
84 ~~section. In the event a retailer has more than one place of business in this state which~~
85 ~~participates in the sale, the sale shall be deemed to be consummated at the place of business of~~
86 ~~the retailer where the initial order for the tangible personal property is taken, even though the~~
87 ~~order must be forwarded elsewhere for acceptance, approval of credit, shipment or billing. A~~
88 ~~sale by a retailer's employee shall be deemed to be consummated at the place of business from~~
89 ~~which he works.~~

90 ~~9.]~~ All sales taxes collected by the director of revenue under this section on behalf of any
91 transit authority, less one percent for cost of collection which shall be deposited in the state's
92 general revenue fund after payment of premiums for surety bonds as provided in this section,
93 shall be deposited in the state treasury in a special trust fund, which is hereby created, to be
94 known as the "County Transit Authority Sales Tax Trust Fund". The moneys in the county
95 transit authority sales tax trust fund shall not be deemed to be state funds and shall not be
96 commingled with any funds of the state. The director of revenue shall keep accurate records of
97 the amount of money in the trust fund which was collected in each transit authority imposing a
98 sales tax under this section, and the records shall be open to the inspection of officers of the
99 county and the public. Not later than the tenth day of each month the director of revenue shall
100 distribute all moneys deposited in the trust fund during the preceding month to the transit
101 authority which levied the tax.

102 ~~[10.]~~ 9. The director of revenue may authorize the state treasurer to make refunds from
103 the amounts in the trust fund and credited to any transit authority for erroneous payments and
104 overpayments made, and may authorize the state treasurer to redeem dishonored checks and
105 drafts deposited to the credit of such transit authorities. If any transit authority abolishes the tax,
106 the transit authority shall notify the director of revenue of the action at least ninety days prior to
107 the effective date of the repeal and the director of revenue may order retention in the trust fund,
108 for a period of one year, of two percent of the amount collected after receipt of such notice to
109 cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts
110 deposited to the credit of such accounts. After one year has elapsed after the effective date of
111 abolition of the tax in such transit authority, the director of revenue shall authorize the state
112 treasurer to remit the balance in the account to the transit authority and close the account of that
113 transit authority. The director of revenue shall notify each transit authority of each instance of
114 any amount refunded or any check redeemed from receipts due the transit authority. The director

115 of revenue shall annually report on his management of the trust fund and administration of the
116 sales taxes authorized by this section. He shall provide each transit authority imposing the tax
117 authorized by this section with a detailed accounting of the source of all funds received by him
118 for the transit authority.

119 ~~[11.]~~ **10.** The director of revenue and any of his deputies, assistants and employees who

122 hands of the director of revenue under the provisions of this section shall enter a surety bond or
123 bonds payable to any and all transit authorities in whose behalf such funds have been collected
124 under this section in the amount of one hundred thousand dollars; but the director of revenue
125 may enter into a blanket bond or bonds covering himself and all such deputies, assistants and
126 employees. The cost of the premium or premiums for the surety bond or bonds shall be paid by
127 the director of revenue from the share of the collection retained by the director of revenue for the
128 benefit of the state.

129 ~~[12.]~~ **11.** Sales taxes imposed pursuant to this section and use taxes on the purchase and
130 sale of motor vehicles, trailers, boats, and outboard motors shall not be collected and remitted
131 by the seller, but shall be collected by the director of revenue at the time application is made for
132 a certificate of title, if the address of the applicant is within a county where a sales tax is imposed
133 under this section. The amounts so collected, less the one percent collection cost, shall be
134 deposited in the county transit authority sales tax trust fund. The purchase or sale of motor
135 vehicles, trailers, boats, and outboard motors shall be deemed to be consummated at the address
136 of the applicant. As used in this subsection, the term "boat" shall only include motorboats and
137 vessels as the terms "motorboat" and "vessel" are defined in section 306.010.

141 section, the limitation for bringing suit for the collection of the delinquent tax and penalty shall
142 be the same as that provided in sections 144.010 to 144.525. Where the director of revenue has
143 determined that suit must be filed against any person for the collection of delinquent taxes due
144 the state under the state sales tax law, and where such person is also delinquent in payment of
145 taxes under this section, the director of revenue shall notify the transit authority to which
146 delinquent taxes are due under this section by United States registered mail or certified mail at
147 least ten days before turning the case over to the attorney general. The transit authority, acting
148 through its attorney, may join in such suit as a party plaintiff to seek a judgment for the
149 delinquent taxes and penalty due such transit authority. In the event any person fails or refuses
150 to pay the amount of any sales tax due under this section, the director of revenue shall promptly

151 notify the transit authority to which the tax would be due so that appropriate action may be taken
152 by the transit authority.

154 law authorizing seizure of the property of a taxpayer who is delinquent in payment of the tax
155 imposed by the state sales tax law, and where such taxpayer is also delinquent in payment of any
156 tax imposed by this section, the director of revenue shall permit the transit authority to join in
157 any sale of property to pay the delinquent taxes and penalties due the state and to the transit
158 authority under this section. The proceeds from such sale shall first be applied to all sums due
159 the state, and the remainder, if any, shall be applied to all sums due such transit authority under
160 this section.

161 ~~[15. The transit authority created under the provisions of sections 238.400 to 238.412~~

167 section, and such proposal is approved by the voters, the county shall be reimbursed for the costs
168 of submitting such proposal from the funds derived from the tax levied under this section.

169 **15. Except as provided in sections 238.400 to 238.412, all provisions of sections**

~~[144.1012. Unless five of the seven delegates agree, the delegates shall not enter into or vote for any streamlined sales and use tax agreement that:~~

~~———— (1) Requires adoption of a definition of any term that would cause any item or transaction that is now excluded or exempted from sales or use tax to become subject to sales or use tax;~~

~~———— (2) Requires the state of Missouri to fully exempt or fully apply sales taxes to the sale of food or any other item;~~

~~———— (3) Restricts the ability of local governments under statutes in effect on August 28, 2002, to enact one or more local taxes on one or more items without application of the tax to all sales within the taxing jurisdiction, however, restriction of any such taxes allowed by statutes effective after August 28, 2002, may be supported;~~

~~———— (4) The agreement should provide that registration with the central registration system and the collection of sales and use taxes in the signatory states will not be used as a factor in determining whether the seller has nexus with a state for any tax;~~

~~———— (5) The agreement should provide for reduction of the burdens of complying with local sales and use taxes through the following so long as they do not conflict with the provisions of section 144.1012:~~

~~———— (a) Restricting variances between the state and local tax bases;~~

~~———— (b) Requiring states to administer any sales and use taxes levied by local jurisdictions within the state so that sellers collecting and remitting these taxes will not have to register or file returns with, remit funds to, or be subject to independent audits from local taxing jurisdictions;~~

24 ~~———— (c) Restricting the frequency of changes in the local sales and use tax~~
25 ~~rates and setting effective dates for the application of local jurisdictional~~
26 ~~boundary changes to local sales and use taxes; and~~

32 ~~sellers and certified service providers to collect sales and use taxes for state and~~
33 ~~local governments under various levels of complexity to be completed by July 1,~~
34 ~~2003;~~
35 ~~———— (7) The agreement should require each state to certify compliance with~~
36 ~~the terms of the agreement prior to joining and to maintain compliance, under the~~
37 ~~laws of the member state, with all provisions of the agreement while a member,~~
38 ~~only if the agreement and any amendment thereto complies with the provisions~~
39 ~~of section 144.1012;~~
40 ~~———— (8) The agreement should require each state to adopt a uniform policy for~~
41 ~~certified service providers that protects the privacy of consumers and maintains~~
42 ~~the confidentiality of tax information; and~~
43 ~~———— (9) The agreement should provide for the appointment of an advisory~~
44 ~~council of private sector representatives and an advisory council of nonmember~~
45 ~~state representatives to consult with in the administration of the agreement.]~~
