3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “End Transfers of De-

6 **SEC. 2. LIMITATION ON TRANSFERS FROM ICE DETENTION**
7 **FACILITIES.**

8 (a) TRANSFERS BETWEEN ICE FACILITIES.—

1 (1) IN GENERAL.—Except as provided in sub-

10 (2) DETERMINATION OF CONCLUSION OF PUB-
11 LIC HEALTH EMERGENCY.—For purposes of para-

14 the daily transmission rate of the novel coronavirus
15 (2019–nCoV) that causes COVID–19 has been suffi-
16 ciently contained so that the daily transmission rate
17 of the virus in the United States is at or below 1
18 per 1,500,000 individuals during a 2-week period.

19 (3) TRANSFERS DESCRIBED.—The restriction

25 graph (1), a medical professional may authorize the

1 transfer of an individual between an ICE detention

5 (A) administers a COVID–19 test; and

6 (B) quarantines the individual in a non-

3 of Homeland Security Office of the Inspector General, the
4 Director of the Centers for Disease Control and Preven-
5 tion, State or local public health officials, court-appointed
6 investigators, or the Director of ICE determine that ICE
7 cannot ensure adherence to guidelines issued by the Cen-
8 ters for Disease Control and Prevention to mitigate
9 against the spread of COVID–19 at any ICE facility, in-
10 cluding maintaining physical distance between individuals
11 in custody at all times, due to population levels or facility
12 structures that necessitates housing and sleeping large
13 groups of people in a single room, the Director shall—

14 (1) immediately conduct a custody review of all
15 the individuals detained at such facility; and

16 (2) release all individuals who are determined
