

116TH CONGRESS
2D SESSION

H. R. 7588

To require the Secretary of Homeland Security to conduct a review of the ability of the Cybersecurity and Infrastructure Security Agency of the Department of Homeland Security to fulfill its current mission requirements, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

JULY 13, 2020

Mr. KATKO (for himself, Mr. RUPPERSBERGER, and Mr. GALLAGHER) introduced the following bill; which was referred to the Committee on Homeland Security, and in addition to the Committees on Oversight and Reform, Energy and Commerce, and Transportation and Infrastructure, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

A BILL

To require the Secretary of Homeland Security to conduct a review of the ability of the Cybersecurity and Infrastructure Security Agency of the Department of Homeland Security to fulfill its current mission requirements, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Strengthening the Cy-
3 bersecurity and Infrastructure Security Agency Act of
4 2020”.

5 **SEC. 2. CYBERSECURITY AND INFRASTRUCTURE SECURITY**
6 **AGENCY REVIEW.**

7 (a) IN GENERAL.—The Director of the Cybersecurity
8 and Infrastructure Security Agency of the Department of
9 Homeland Security shall conduct a review of the ability
10 of the Cybersecurity and Infrastructure Security Agency
11 to carry out its mission requirements, as well as the rec-
12 ommendations detailed in the U.S. Cyberspace Solarium
13 Commission’s Report regarding the Agency.

14 (b) ELEMENTS OF REVIEW.—The review conducted
15 in accordance with subsection (a) shall include the fol-
16 lowing elements:

17 (1) An assessment of how additional budget re-
18 sources could be used by the Cybersecurity and In-
19 frastructure Security Agency for projects and pro-
20 grams that—

21 (A) support the national risk management
22 mission;

23 (B) support public and private-sector cy-
24 bersecurity;

25 (C) promote public-private integration; and

1 (D) provide situational awareness of cyber-
2 security threats.

3 (2) A force structure assessment of the Cyber-
4 security and Infrastructure Security Agency, includ-
5 ing—

6 (A) a determination of the appropriate size
7 and composition of personnel to carry out the
8 mission requirements of the Agency, as well as
9 the recommendations detailed in the U.S.
10 Cyberspace Solarium Commission’s Report re-
11 garding the Agency;

12 (B) as assessment of whether existing per-
13 sonnel are appropriately matched to the
14 prioritization of threats in the cyber domain
15 and risks to critical infrastructure;

16 (C) an assessment of whether the Agency
17 has the appropriate personnel and resources
18 to—

19 (i) perform risk assessments, threat
20 hunting, and incident response to support
21 both private and public cybersecurity;

22 (ii) carry out its responsibilities re-
23 lated to the security of Federal information
24 and Federal information systems (as such

1 term is defined in section 3502 of title 44,
2 United States Code); and

3 (iii) carry out its critical infrastruc-
4 ture responsibilities, including national risk
5 management;

6 (D) an assessment of whether current
7 structure, personnel, and resources of regional
8 field offices are sufficient to carry out Agency
9 responsibilities and mission requirements; and

10 (E) an assessment of current Cybersecu-
11 rity and Infrastructure Security Agency facili-
12 ties, including a review of the suitability of such
13 facilities to fully support current and projected
14 mission requirements nationally and regionally,
15 and recommendations regarding future facility
16 requirements.

17 (c) SUBMISSION OF REVIEW.—Not later than one
18 year after the date of the enactment of this Act, the Sec-
19 retary of Homeland Security shall submit to the Com-
20 mittee on Homeland Security of the House of Representa-
21 tives and the Committee on Homeland Security and Gov-
22 ernmental Affairs of the Senate a report detailing the re-
23 sult of the review conducted in accordance with subsection
24 (a), including recommendations to address any identified
25 gaps.

1 **SEC. 3. GENERAL SERVICES ADMINISTRATION REVIEW.**

2 (a) SUBMISSION OF ASSESSMENT.—Upon submission
3 to the Committee on Homeland Security of the House of
4 Representatives and the Committee on Homeland Security
5 and Governmental Affairs of the Senate of the report re-
6 quired under section 2(c), the Director of the Cybersecu-
7 rity and Infrastructure Security Agency of the Depart-
8 ment of Homeland Security shall submit to the Adminis-
9 trator of the General Services Administration the results
10 of the assessment required under section (b)(2)(E).

11 (b) REVIEW.—The Administrator of the General
12 Services Administration shall—

13 (1) conduct a review of Cybersecurity and In-
14 frastructure Security Agency assessment required
15 under section 2(b)(2)(E); and

16 (2) make recommendations regarding resources
17 needed to procure or build a new facility or augment
18 existing facilities to ensure sufficient size and ac-
19 commodations to fully support current and projected
20 mission requirements, including the integration of
21 personnel from the private sector and other Federal
22 departments and agencies.

23 (c) SUBMISSION OF REVIEW.—Not later than 30
24 days after receipt of the assessment under subsection (a),
25 the Administrator of the General Services Administration
26 shall submit to the President, the Secretary of Homeland

1 Security, the Committee on Homeland Security and Gov-
2 ernmental Affairs of the Senate, and the Committee on
3 Homeland Security of the House of Representatives the
4 review required under subsection (b).
