If a requester makes 474 an ambiguous or overly broad request or has difficulty in making 475 a request for copies or inspection of public records under this 476 section such that the public office or the person responsible 477

for the requested public record cannot reasonably identify what 478 public records are being requested, the public office or the 479 person responsible for the requested public record may deny the 480 request but shall provide the requester with an opportunity to 481 revise the request by informing the requester of the manner in 482 which records are maintained by the public office and accessed 483 in the ordinary course of the public office's or person's 484 duties. 485

(3) If a request is ultimately denied, in part or in 486 whole, the public office or the person responsible for the 487 requested public record shall provide the requester with an 488 explanation, including legal authority, setting forth why the 489 request was denied. If the initial request was provided in 490 writing, the explanation also shall be provided to the requester 491 in writing. The explanation shall not preclude the public office 492 or the person responsible for the requested public record from 493 relying upon additional reasons or legal authority in defending 494 an action commenced under division (C) of this section. 495

(4) Unless specifically required or authorized by state or 496 federal law or in accordance with division (B) of this section, 497 no public office or person responsible for public records may 498 limit or condition the availability of public records by 499 requiring disclosure of the requester's identity or the intended 500 use of the requested public record. Any requirement that the 501 requester disclose the requester's identity or the intended use 502 of the requested public record constitutes a denial of the 503 request. 504

(5) A public office or person responsible for public
records may ask a requester to make the request in writing, may
ask for the requester's identity, and may inquire about the
507

intended use of the information requested, but may do so only 508 after disclosing to the requester that a written request is not 509 mandatory, that the requester may decline to reveal the 510 requester's identity or the intended use, and when a written 511 request or disclosure of the identity or intended use would 512 benefit the requester by enhancing the ability of the public 513 office or person responsible for public records to identify, 514 locate, or deliver the public records sought by the requester. 515

(6) If any person requests a copy of a public record in 516 accordance with division (B) of this section, the public office 517 or person responsible for the public record may require that 518 person to pay in advance the cost involved in providing the copy 519 of the public record in accordance with the choice made by the 520 person requesting the copy under this division. The public 521 office or the person responsible for the public record shall 522 permit that person to choose to have the public record 523 duplicated upon paper, upon the same medium upon which the 524 public office or person responsible for the public record keeps 525 it, or upon any other medium upon which the public office or 526 person responsible for the public record determines that it 527 reasonably can be duplicated as an integral part of the normal 528 operations of the public office or person responsible for the 529 public record. When the person requesting the copy makes a 530 choice under this division, the public office or person 531 responsible for the public record shall provide a copy of it in 532 accordance with the choice made by that person. Nothing in this 533 section requires a public office or person responsible for the 534 public record to allow the person requesting a copy of the 535 public record to make the copies of the public record. 536

(7) (a) Upon a request made in accordance with division (B)537of this section and subject to division (B) (6) of this section,538

a public office or person responsible for public records shall 539 transmit a copy of a public record to any person by United 540 States mail or by any other means of delivery or transmission 541 within a reasonable period of time after receiving the request 542 for the copy. The public office or person responsible for the 543 public record may require the person making the request to pay 544 in advance the cost of postage if the copy is transmitted by 545 United States mail or the cost of delivery if the copy is 546 transmitted other than by United States mail, and to pay in 547 advance the costs incurred for other supplies used in the 548 mailing, delivery, or transmission. 549

No discovery may be conducted on the issue 737 of the alleged bad faith of the public office or person 738 responsible for the public records. (ii) That a well-informed public office or person
