IN THE YEAR OF OUR LORD
TWO THOUSAND TWENTY-TWO

S.P. 711 - L.D. 1980

**An Act To Allow Internet Payment for Tickets and Chances for Raffles Held
by Nonprofit Organizations and Other Eligible Organizations and To
Require the Gambling Control Unit To Adopt Certain Rules**

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, eligible nonprofit organizations in the State rely on fund-raising to meet their charitable goals; and

Whereas, the COVID-19 pandemic has severely restricted the ability of eligible nonprofit organizations to effectively raise funds, which has directly led to a reduction in charitable giving; and

Whereas, allowing eligible nonprofit organizations to modernize their fund-raising process is needed and will increase charitable giving across the State, especially during the summer tourist season; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 17 MRSA §1831, sub-§7-B, as enacted by PL 2021, c. 136, §2, is amended to read:

7-B. Internet raffle. "Internet raffle" means a raffle in which a person purchases a raffle chance or ticket through, and a winner or winning chances are determined by, a mobile application or other digital platform that involves, at least in part, the use of the Internet. A raffle where a winner or winning chance is determined by drawing from a container is not an Internet raffle, even if some or all of the raffle chances or tickets are purchased through a digital platform.

Sec. 2. 17 MRSA §1837-A, sub-§7, as enacted by PL 2021, c. 136, §10, is amended to read:

7. Internet raffles; restrictions. An eligible organization described in section 1832, subsection 2 may conduct a raffle described in subsection 2-A or subsection 4 as an Internet raffle if the eligible organization registers with the Gambling Control Unit and the Internet raffle is operated in accordance with the requirements of this chapter by an Internet raffle operator identified on the registration form. Notwithstanding subsection 6, an eligible organization may not conduct more than one Internet raffle at the same time. The eligible organization and Internet raffle operator may not permit a person under 18 years of age to purchase a chance or ticket for an Internet raffle and may not advertise or market the Internet raffle in a manner that has a high likelihood of reaching persons under 18 years of age or that is specifically designed to appeal particularly to persons under 18 years of age.

Sec. 3. 17 MRSA §1837-C is enacted to read:

5. Guidance for raffle operators. Upon receipt of a request to approve a payment management system under subsection 3, the director shall provide the eligible organization with a guidance document including any information the director determines necessary to assist the eligible organization in complying with the requirements of this section.
