5717.01, 5721.30, 5721.31, 5721.32, 5721.33, and 5727.75 of the 17
Revised Code be amended to read as follows: 18

Sec. 9.312. (A) If a state agency or political subdivision 19
is required by law or by an ordinance or resolution adopted 20
under division (C) of this section to award a contract to the 21
lowest responsive and responsible bidder, a bidder on the 22
contract shall be considered responsive if the bidder's proposal 23
responds to bid specifications in all material respects and 24
contains no irregularities or deviations from the specifications 25
which would affect the amount of the bid or otherwise give the 26
bidder a competitive advantage. The factors that the state 27
agency or political subdivision shall consider in determining 28
whether a bidder on the contract is responsible include the 29
experience of the bidder, the bidder's financial condition, 30
conduct and performance on previous contracts, facilities, 31
management skills, and ability to execute the contract properly. 32

For purposes of this division, the provision of a bid 33
guaranty in accordance with divisions (A)(1) and (B) of section 34
153.54 of the Revised Code issued by a surety licensed to do 35
business in this state is evidence of financial responsibility, 36
but a state agency or political subdivision may request 37
additional financial information for review from an apparent low 38
bidder after it opens all submitted bids. A state agency or 39
political subdivision shall keep additional financial 40
information it receives pursuant to a request under this 41
division confidential, except under proper order of a court. The 42
additional financial information is not a public record under 43
section 149.43 of the Revised Code. 44

An apparent low bidder found not to be responsive and responsible shall be notified by the state agency or political subdivision of that finding and the reasons for it. Except for contracts awarded by the department of administrative services pursuant to section 125.11 of the Revised Code, the notification shall be given in writing and either by certified mail or, if the state agency or political subdivision has record of an internet identifier of record associated with the bidder, by ordinary mail and by that internet identifier of record. When awarding contracts pursuant to section 125.11 of the Revised Code, the department may send such notice in writing by first class mail or by electronic means.

(B) Where a state agency or a political subdivision that has adopted an ordinance or resolution under division (C) of this section determines to award a contract to a bidder other than the apparent low bidder or bidders for the construction, reconstruction, improvement, enlargement, alteration, repair, painting, or decoration of a public improvement, it shall meet with the apparent low bidder or bidders upon a filing of a timely written protest. The protest must be received within five days of the notification required in division (A) of this section. No final award shall be made until the state agency or political subdivision either affirms or reverses its earlier determination. Notwithstanding any other provisions of the Revised Code, the procedure described in this division is not subject to Chapter 119. of the Revised Code.

(C) A municipal corporation, township, school district, board of county commissioners, any other county board or commission, or any other political subdivision required by law to award contracts by competitive bidding may by ordinance or resolution adopt a policy of requiring each competitively bid

contract it awards to be awarded to the lowest responsive and 76
responsible bidder in accordance with this section. 77

(D) As used in this section, "internet identifier of 78
record" means an electronic mail address, or any other 79
designation used for self-identification or routing in internet 80
communication or posting, provided for the purpose of receiving 81
communication. 82

Sec. 124.327. (A) Employees who have been laid off or 83
have, by virtue of exercising their displacement rights, been 84
displaced to a lower classification in their classification 85
series, shall be placed on appropriate layoff lists. Those 86
employees with the most retention points within each category of 87
order of layoff, as established in section 124.323 of the 88
Revised Code, shall be placed at the top of the layoff list to 89
be followed by employees ranked in descending total retention 90
order. Laid-off employees shall be placed on layoff lists for 91
each classification in the classification series equal to or 92
lower than the classification in which the employee was employed 93
at the time of layoff. 94

(B) An employee who is laid off retains reinstatement 95
rights in the agency from which the employee was laid off. 96
Reinstatement rights continue for one year from the date of 97
layoff. During this one-year period, in any layoff jurisdiction 98
in which an appointing authority has an employee on a layoff 99
list, the appointing authority shall not hire or promote anyone 100
into a position within that classification until all laid-off 101
persons on a layoff list for that classification who are 102
qualified to perform the duties of the position are reinstated 103
or decline the position when it is offered. 104

For an exempt employee, as defined in section 124.152 of 105

the Revised Code, who has reinstatement rights into a bargaining 106
unit classification, the exempt employee's recall jurisdiction 107
shall be the counties in which the exempt employee indicates 108
willingness to accept reinstatement as determined by the 109
applicable collective bargaining agreement. 110

(C) Each laid-off or displaced employee, in addition to 111
reinstatement rights within the employee's appointing authority, 112
has the right to reemployment with any other state agency, 113
board, commission, or independent institution described in 114
division (B) (1) of section 124.326 of the Revised Code, if the 115
employee meets all applicable position-specific minimum 116
qualifications developed by the other agency, board, commission, 117
or independent institution and reviewed for validity by the 118
department of administrative services or, in the absence of 119
position-specific minimum qualifications so developed and 120
reviewed, meets the qualifications described in the applicable 121
classification, but only in the same classification from which 122
the employee was initially laid off or displaced. Layoff lists 123
for each appointing authority must be exhausted before other 124
jurisdiction reemployment layoff lists are used. 125

(D) Any employee accepting or declining reinstatement to 126
the same classification and same appointment type from which the 127
employee was laid off or displaced shall be removed from the 128
appointing authority's layoff list. 129

(E) Any employee accepting or declining reemployment to 130
the same classification and the same appointment type from which 131
the employee was laid off or displaced shall be removed from the 132
layoff list for the jurisdiction in which the employee accepted 133
or declined that reemployment as determined under division (C) 134
of this section. 135

(F) An employee who does not exercise the option to 136
displace under section 124.324 of the Revised Code shall only be 137
entitled to reinstatement or reemployment in the classification 138
from which the employee was displaced or laid off. 139

(G) Except as otherwise provided in this division, an 140
employee who declines reinstatement to a classification lower in 141
the classification series than the classification from which the 142
employee was laid off or displaced, thereafter is only entitled 143
to reinstatement to a classification higher, up to and including 144
the classification from which the employee was laid off or 145
displaced, in the classification series than the classification 146
that was declined. This division does not apply when an 147
employee, who was a full-time employee at the time of layoff or 148
displacement, declines reinstatement in a part-time position. 149

(H) Any employee reinstated or reemployed under this 150
section shall not serve a probationary period upon reinstatement 151
or reemployment, except that an employee laid off during an 152
original or promotional probationary period shall begin a new 153
probationary period. 154

(I) For the purposes of this section, employees whose 155
salary or wage is not paid directly by warrant of the director 156
of budget and management shall be placed on layoff lists of 157
their appointing authority only. 158

(J) A state agency shall notify an employee recalled from 159
layoff of the offer of reinstatement or reemployment either by 160
certified letter or, if the agency has record of an internet 161
identifier of record associated with the employee, by ordinary 162
mail and by that internet identifier of record. As used in this 163
division, "internet identifier of record" has the same meaning 164
as in section 9.312 of the Revised Code. 165

Sec. 128.07. (A) The 9-1-1 planning committee shall 166
prepare a proposal on the implementation of a countywide 9-1-1 167
system and shall hold a public meeting on the proposal to 168
explain the system to and receive comments from public 169
officials. At least thirty but not more than sixty days before 170
the meeting, the committee shall send a copy of the 171
implementation proposal and written notice of the meeting: 172

commissioners, the legislative authority of each municipal 174

(2) To the board of trustees, directors, or park 180
commissioners of each subdivision that will be served by a 181
public safety answering point under the plan. 182

(B) The proposal and the final plan adopted by the 183
committee shall specify: 184

within such territory; what subdivisions will be served by the 193
answering point; and whether an answering point will respond to 194

calls by directly dispatching an emergency service provider, by 195
relaying a message to the appropriate provider, or by 196

(4) A projection of the initial cost of establishing, 201
equipping, and furnishing and of the annual cost of the first 202
five years of operating and maintaining each public safety 203
answering point; 204

(5) Whether the cost of establishing, equipping, 205
furnishing, operating, or maintaining each public safety 206
answering point should be funded through charges imposed under 207
section 128.22 of the Revised Code or will be allocated among 208
the subdivisions served by the answering point and, if any such 209
cost is to be allocated, the formula for so allocating it; 210

and, no later than nine months after the resolution authorized 215
by section 128.06 of the Revised Code is adopted, may adopt, by 216
majority vote, a final plan for implementing a countywide 9-1-1 217
system. If a planning committee and wireline service provider do 218
not agree on whether the wireline service provider is capable of 219
providing the wireline telephone network as described under 220
division (A) of section 128.03 of the Revised Code and the 221

As used in this section, "internet identifier of record" 444
has the same meaning as in section 9.312 of the Revised Code. 445

Sec. 307.204. (A) As used in this section: 446

concentrated animal feeding facility" have the same meanings as 448
in section 903.01 of the Revised Code. 449

(2) "Facility" means a proposed new or expanded major 450
concentrated animal feeding facility. 451

(3) "Improvement" means the construction, modification, or 452

at the facility issued under section 903.02 or division (J) of 472
section 6111.03 of the Revised Code, as applicable, and to a 473
design capacity of more than ten times the number of animals 474
specified in any of the categories in division (H) of section 475
903.01 of the Revised Code. 476

(C) The person shall notify the board in writing by 477
certified mail of the proposed construction or expansion of the 478
facility and include the following information: 479

(1) The anticipated travel routes of motor vehicles to and 480
from the facility; 481

(2) The anticipated number and weights of motor vehicles 482
traveling to and from the facility. 483

(D) At the request of the board, the county engineer may 484
review the written notification and advise the board on both of 485
the following: 486

(1) Improvements and maintenance of improvements that are 487
reasonably needed in order to accommodate the impact on county 488
infrastructure that is anticipated as a result of the facility, 489
including increased travel or the types of vehicles on county 490
roads; 491

(2) The projected costs of the improvements and 492
maintenance. 493

Not later than ten days after receiving the written 494
notification, the board may request the person to provide 495
additional reasonable and relevant information regarding the 496
impact of the facility on county infrastructure. The person 497
shall provide the information not later than ten days after the 498
request is made. 499

(E) (1) Not later than thirty days after the initial 500
written notification is received by the board, the board shall 501
submit to the person its recommendations, if any, concerning the 502
improvements that will be needed as a result of the facility and 503
the cost of those improvements. 504

(2) Not later than fifteen days after receipt of the 505
board's recommendations, the person shall notify the board 506
either that the person agrees with the recommendations and will 507
implement them or that the person is submitting reasonable 508
alternative recommendations or modifications to the board. If 509
the person agrees with the recommendations, they shall be 510
considered to be the board's final recommendations. 511

(3) If the board receives alternative recommendations or 512
modifications under division (E) (2) of this section, the board 513
shall select final recommendations and submit them to the person 514
not later than thirty days after the receipt of the alternative 515

recommendations or modifications. 516

(F) (1) The board shall prepare a written, dated statement 517
certifying that the written notification required under this 518
section was submitted and that final recommendations were 519
selected regarding needed improvements and the costs of those 520
improvements. The board shall provide the person with the 521
original of the statement so that the person can include it with 522
the application for a permit to install for the facility as 523
required under division (C) (4) of section 903.02 of the Revised 524
Code. The board shall retain a copy of the statement for its 525
records. 526

(2) If the board fails to prepare a written, dated 527
statement in accordance with division (F) (1) of this section 528
within seventy-five days of receiving the initial written 529
notification by certified mail from the person, the person 530
instead shall file with the application for a permit to install 531
for the facility a notarized affidavit declaring that the person 532
has met the criteria established in this section and that a 533
written, dated statement was not received by the person from the 534
board. 535

(G) If the person receives a written, dated statement from 536
the board as provided in division (F) (1) of this section, the 537
person shall construct, modify, and maintain or finance the 538
construction, modification, and maintenance of improvements as 539
provided in the board's final recommendations and with the 540
approval and oversight of the county engineer. If the person 541
fails to do so, the board shall notify the person either by 542
certified mail or, if the board has record of an internet 543
identifier of record associated with the person, by ordinary 544
mail and by that internet identifier of record that the board 545

intends to initiate mediation with the person if the person 546
remains out of compliance with the final recommendations. 547

The board shall allow sufficient time for the person to 548
apply for and proceed to obtain, for the purpose of financing 549
the construction, modification, or maintenance of the 550
improvements, exemptions from taxation under sections 5709.63, 551
5709.632, 5709.73, and 5709.78 of the Revised Code or state or 552
federal grants that may be available. 553

If the person remains out of compliance with the final 554
recommendations, the board may initiate mediation with the 555
person in order to resolve the differences between them. If 556
mediation fails to resolve the differences, the board and the 557
person first shall attempt to resolve the differences through 558
any legal remedies before seeking redress through a court of 559
common pleas. 560

(H) If the person subsequently submits an application 561
under section 903.02 of the Revised Code for a permit to modify 562
the facility, or if the routes of travel to or from the facility 563
change for any reason other than road construction conducted by 564
the county, the board or the person may request that additional 565
information be provided in writing and shall proceed as provided 566
in this section for the notification and recommendation 567
proceedings. 568

(I) As used in this section, "internet identifier of 569
record" has the same meaning as in section 9.312 of the Revised 570
Code. 571

Sec. 307.699. (A) As used in this section: 572

(1) "Sports facility" has the same meaning as in section 573
307.696 of the Revised Code. 574

(2) "Residual cash" has the same meaning as in division 575
(B) (5) of section 5709.081 of the Revised Code. 576

(3) "Internet identifier of record" has the same meaning 577
as in section 9.312 of the Revised Code. 578

(B) Any political subdivision or subdivisions or any 579
corporation that owns a sports facility that is both constructed 580
under section 307.696 of the Revised Code and includes property 581
exempt from taxation under division (B) of section 5709.081 of 582
the Revised Code, shall make an annual service payment in lieu 583
of taxes on the exempt property for each tax year beginning with 584
the first tax year in which the facility or part thereof is used 585
by a major league professional athletic team for its home 586
schedule. The amount of the service payment for a tax year shall 587
be determined by the county auditor under division (D) of this 588
section. 589

(C) On or before the first day of September each year, the 590
owner of property to which this section applies shall file both 591
of the following with the county auditor: 592

(1) A return in the same form as under section 5711.02 of 593
the Revised Code listing all its exempt tangible personal 594
property as of the first day of August of that year; 595

(2) An audited financial statement certified by the owner 596
and reflecting the actual receipts, revenue, expenses, 597
expenditures, net income, and residual cash derived from the 598
property during the most recently ended calendar year. 599

For the purposes of this section, the county auditor shall 600
determine the true value of the real and tangible personal 601
property owned by the political subdivision or subdivisions or 602
the corporation and included in the sports facility, including 603

the taxable portion thereof, by capitalizing at an appropriate 604
rate the net income of the owner derived from that property. The 605
auditor shall use the net income as certified in the owner's 606
financial statement, unless ~~he~~ the auditor determines that the 607
amount so certified is inaccurate, in which event ~~he~~ the auditor 608
shall determine the accurate amount of net income to be 609
capitalized. The county auditor shall compute net income before 610
debt service, and shall not include any revenue from county 611
taxes as defined in division (A) (1) of section 307.696 of the 612
Revised Code. The true value so determined shall be allocated 613
between real and tangible personal property and assessed for the 614
purposes of this section at the appropriate percentages provided 615
by law for determining taxable values. 616

Using information reported or determined under this 617
division, the county auditor shall determine the amount of 618
putative taxes for the property for that tax year. As used in 619
this section, "putative taxes" means the greater of one million 620
dollars or the amount of property taxes that would have been 621
charged and payable if all the real and tangible personal 622
property owned by the political subdivision or subdivisions or 623
the corporation and included in the sports facility was subject 624
to taxation. 625

(D) On or before the date that is sixty days before the 626
date that the first payment of real property taxes are due 627
without penalty under Chapter 323. of the Revised Code each tax 628
year, the county auditor shall determine the amount of service 629
payments for that tax year for property to which this section 630
applies in the following manner: 631

(1) The county auditor shall deduct from the amount of 632
putative taxes under division (C) of this section any taxes 633

assessed against the taxable portion of the sports facility 634
owned by any of the entities in division (B) (1) of section 635
5709.081 of the Revised Code, any amounts paid by a municipal 636
corporation under section 5709.082 of the Revised Code as a 637
result of the exempt property, and any amounts available in the 638
construction payments account established under division (G) (1) 639
of this section as are required to make the total deductions 640
under this division equal to one million dollars. 641

(2) The county auditor shall fix the amount of the service 642
payments for a tax year at the amount of the putative taxes 643
minus deductions under division (D) (1) of this section. However, 644
any amount of service payments required because the putative 645
taxes exceed one million dollars shall not exceed the amount of 646
residual cash of the owner of the exempt property as reported in 647
division (C) of this section that would otherwise accrue to the 648
political subdivision or subdivisions pursuant to division (B) 649
(5) of section 5709.081 of the Revised Code if no service 650
payments were imposed under this section. 651

(3) If the exempt property is an improvement under 652
division (C) (2) of section 5709.081 of the Revised Code, the 653
county auditor shall determine the percentage which such 654
improvement constitutes of the total sports facility and shall 655
substitute for the one-million-dollar amount, wherever it 656
appears in this section, an amount equal to such percentage 657
multiplied by one million dollars. The percentage shall be 658
determined by dividing the reproduction cost new of the 659
improvement by the reproduction cost new of the total sports 660
facility including the improvement, owned by any of the entities 661
under division (B) (1) of section 5709.081 of the Revised Code. 662

(E) On or before the date that is sixty days before the 663

date that the first payment of real property taxes are due 664
without penalty under Chapter 323. of the Revised Code each tax 665
year, the county auditor shall certify and send notice ~~by~~ 666
~~certified mail~~ to the owner of the property either by certified 667
mail or, if the auditor has record of an internet identifier of 668
record associated with the owner, by ordinary mail and by that 669
internet identifier of record, of the amount and the calculation 670
of the service payments charged that tax year, including the 671
separate valuations determined for the real and tangible 672
personal property, the capitalization rate used, the separate 673
deductions allowed under division (D) of this section, and any 674
claimed inaccuracies in net income determined under division (C) 675
of this section. 676

The service payments for a tax year shall be charged and 677
collected in the same manner as real property taxes for that tax 678
year. Revenue collected as service payments shall be distributed 679
to the taxing districts that would have received property tax 680
revenue from the exempt property if it was not exempt, for the 681
tax year for which the payments are made, in the same 682
proportions as property taxes are distributed. However, if the 683
sum of the deductions allowed under division (D) of this section 684
and the service payments exceeds one million dollars, any 685
service payments in excess of one million dollars shall first be 686
paid to the municipal corporation to reimburse it for the 687
payments made under section 5709.082 of the Revised Code from 688
the inception of such payments. Any such payments to the 689
municipal corporation shall be deducted from the municipal 690
payments account established under division (G) (2) of this 691
section. 692

(F) The owner of property exempt from taxation under 693
section 5709.081 of the Revised Code or persons and political 694

subdivisions entitled to file complaints under section 5715.19 695
of the Revised Code may appeal the determination of the annual 696
service payments required by this section to the board of 697
revision in the county in which the exempt property is located 698
within the time period for filing complaints under section 699
5715.19 of the Revised Code. The appeal shall be taken by filing 700
a complaint with that board which need not be on the form 701
prescribed for other complaints filed under section 5715.19 of 702
the Revised Code but which shall include an identification of 703
the exempt property, a copy of the auditor's certification to 704
the owner, a calculation of the service payments claimed to be 705
correct and a statement of the errors in the auditor's 706
determination. Upon receipt of such complaint, the board of 707
revision shall notify the county auditor of the county in which 708
the exempt property is located, who shall, within thirty days of 709
such notice, certify to the board of revision a transcript of 710
the record of the proceedings of the county auditor pertaining 711
to the determination of the annual service payments. Any 712
complaint filed under this section shall be regarded as a 713
complaint for the purposes of divisions (B), (C), (E), (F), (G), 714
and (H) of section 5715.19 of the Revised Code. The board of 715
revision shall order the hearing of evidence and shall determine 716
the amount of service payments due and payable pursuant to this 717
section. 718

(G) The county auditor of the county in which the exempt 719
property is located shall establish the following two accounts: 720

(1) A construction payments account to which shall be 721
posted all payments made by a municipal corporation pursuant to 722
section 5709.082 of the Revised Code on account of such property 723
derived from persons employed at the site of the sports facility 724
in the construction of the facility. Deductions shall be made 725

from such account as provided in division (D) of this section 726
until the amounts so posted are exhausted~~+~~_. 727

(2) A municipal payments reimbursement account to which 728
shall be posted all payments made by a municipal corporation 729
pursuant to section 5709.082 of the Revised Code on account of 730
such property including those posted under division (G) (1) of 731
this section. Deductions shall be made from the municipal 732
payments reimbursement account for reimbursements to the 733
municipal corporation made under division (E) of this section 734
until the amounts posted are exhausted. 735

Sec. 340.02. (A) For each alcohol, drug addiction, and 736
mental health service district, there shall be appointed a board 737
of alcohol, drug addiction, and mental health services 738
consisting of eighteen members or fourteen members. Should the 739
board of alcohol, drug addiction, and mental health services 740
elect to remain at eighteen members, as provided under section 741
340.02 of the Revised Code as it existed immediately prior to 742
the date of this amendment, the board of alcohol, drug 743
addiction, and mental health services and the board of county 744
commissioners shall not be required to take any action. Should 745
the board of alcohol, drug addiction, and mental health services 746
elect a recommendation to become a fourteen-member board, that 747
recommendation must be approved by the board of county 748
commissioners of the county in which the alcohol, drug 749
addiction, and mental health district is located in order for 750
the transition to a fourteen-member board to occur. Not later 751
than September 30, 2013, each board of alcohol, drug addiction, 752
and mental health services wishing to become a fourteen-member 753
board shall notify the board of county commissioners of that 754
recommendation. Failure of the board of county commissioners to 755
take action within thirty days after receipt of the 756

recommendation shall be deemed agreement by the board of county 757
commissioners to transition to a fourteen-member board of 758
alcohol, drug addiction, and mental health services. Should the 759
board of county commissioners reject the recommendation, the 760
board of county commissioners shall adopt a resolution stating 761
that rejection within thirty days after receipt of the 762
recommendation. Upon adoption of the resolution, the board of 763
county commissioners shall meet with the board of alcohol, drug 764
addiction, and mental health services to discuss the matter. 765
After the meeting, the board of county commissioners shall 766
notify the department of mental health and addiction services of 767
its election not later than January 1, 2014. In a joint-county 768
district, a majority of the boards of county commissioners must 769
not reject the recommendation of a joint-county board to become 770
a fourteen-member board in order for the transition to a 771
fourteen-member board to occur. Should the joint-county district 772
have an even number of counties, and the boards of county 773
commissioners of these counties tie in terms of whether or not 774
to accept the recommendation of the alcohol, drug addiction, and 775
mental health services board, the recommendation of the alcohol, 776
drug addiction, and mental health service board to become a 777
fourteen-member board shall prevail. The election shall be 778
final. Failure to provide notice of its election to the 779
department on or before January 1, 2014, shall constitute an 780
election to continue to operate as an eighteen-member board, 781
which election shall also be final. If an existing board 782
provides timely notice of its election to transition to operate 783
as a fourteen-member board, the number of board members may 784
decline from eighteen to fourteen by attrition as current 785
members' terms expire. However, the composition of the board 786
must reflect the requirements set forth in this section for 787
fourteen-member boards. For all boards, half of the members 788

shall be interested in mental health services and half of the 789
members shall be interested in alcohol, drug, or gambling 790
addiction services. All members shall be residents of the 791
service district. The membership shall, as nearly as possible, 792
reflect the composition of the population of the service 793
district as to race and sex. 794

(B) For boards operating as eighteen-member boards, the 795
director of mental health and addiction services shall appoint 796
eight members of the board and the board of county commissioners 797
shall appoint ten members. For boards operating as fourteen- 798
member boards, the director of mental health and addiction 799
services shall appoint six members of the board and the board of 800
county commissioners shall appoint eight members. In a joint- 801
county district, the county commissioners of each participating 802
county shall appoint members in as nearly as possible the same 803
proportion as that county's population bears to the total 804
population of the district, except that at least one member 805
shall be appointed from each participating county. 806

(C) The director of mental health and addiction services 807
shall ensure that at least one member of the board is a 808
clinician with experience in the delivery of mental health 809
services, at least one member of the board is a person who has 810
received or is receiving mental health services, at least one 811
member of the board is a parent or other relative of such a 812
person, at least one member of the board is a clinician with 813
experience in the delivery of addiction services, at least one 814
member of the board is a person who has received or is receiving 815
addiction services, and at least one member of the board is a 816
parent or other relative of such a person. A single member who 817
meets both qualifications may fulfill the requirement for a 818
clinician with experience in the delivery of mental health 819

services and a clinician with experience in the delivery of 820
addiction services. 821

(D) No member or employee of a board of alcohol, drug 822
addiction, and mental health services shall serve as a member of 823
the board of any provider with which the board of alcohol, drug 824
addiction, and mental health services has entered into a 825
contract for the provision of services or facilities. No member 826
of a board of alcohol, drug addiction, and mental health 827
services shall be an employee of any provider with which the 828
board has entered into a contract for the provision of services 829
or facilities. No person shall be an employee of a board and 830
such a provider unless the board and provider both agree in 831
writing. 832

(E) No person shall serve as a member of the board of 833
alcohol, drug addiction, and mental health services whose 834
spouse, child, parent, brother, sister, grandchild, stepparent, 835
stepchild, stepbrother, stepsister, father-in-law, mother-in- 836
law, son-in-law, daughter-in-law, brother-in-law, or sister-in- 837
law serves as a member of the board of any provider with which 838
the board of alcohol, drug addiction, and mental health services 839
has entered into a contract for the provision of services or 840
facilities. No person shall serve as a member or employee of the 841
board whose spouse, child, parent, brother, sister, stepparent, 842
stepchild, stepbrother, stepsister, father-in-law, mother-in- 843
law, son-in-law, daughter-in-law, brother-in-law, or sister-in- 844
law serves as a county commissioner of a county or counties in 845
the alcohol, drug addiction, and mental health service district. 846

(F) Each year each board member shall attend at least one 847
inservice training session provided or approved by the 848
department of mental health and addiction services. 849

(G) For boards operating as eighteen-member boards, each 850
member shall be appointed for a term of four years, commencing 851
the first day of July, except that one-third of initial 852
appointments to a newly established board, and to the extent 853
possible to expanded boards, shall be for terms of two years, 854
one-third of initial appointments shall be for terms of three 855
years, and one-third of initial appointments shall be for terms 856
of four years. For boards operating as fourteen-member boards, 857
each member shall be appointed for a term of four years, 858
commencing the first day of July, except that four of the 859
initial appointments to a newly established board, and to the 860
extent possible to expanded boards, shall be for terms of two 861
years, five initial appointments shall be for terms of three 862
years, and five initial appointments shall be for terms of four 863
years. No member shall serve more than two consecutive four-year 864
terms under the same appointing authority. A member may serve 865
for three consecutive terms under the same appointing authority 866
only if one of the terms is for less than two years. A member 867
who has served two consecutive four-year terms or three 868
consecutive terms totaling less than ten years is eligible for 869
reappointment by the same appointing authority one year 870
following the end of the second or third term, respectively. 871

When a vacancy occurs, appointment for the expired or 872
unexpired term shall be made in the same manner as an original 873
appointment. The board shall notify the appointing authority 874
~~shall be notified either by certified mail or, if the board has~~ 875
record of an internet identifier of record associated with the 876
authority, by ordinary mail and by that internet identifier of 877
record of any vacancy and shall fill the vacancy within sixty 878
days following that notice. 879

Any member of the board may be removed from office by the 880

appointing authority for neglect of duty, misconduct, or 881
malfeasance in office, and shall be removed by the appointing 882
authority if the member is barred by this section from serving 883
as a board member. The member shall be informed in writing of 884
the charges and afforded an opportunity for a hearing. Upon the 885
absence of a member within one year from either four board 886
meetings or from two board meetings without prior notice, the 887
board shall notify the appointing authority, which may vacate 888
the appointment and appoint another person to complete the 889
member's term. 890

Members of the board shall serve without compensation, but 891
shall be reimbursed for actual and necessary expenses incurred 892
in the performance of their official duties, as defined by rules 893
of the department of mental health and addiction services. 894

(H) As used in this section, "internet identifier of 895
record" has the same meaning as in section 9.312 of the Revised 896
Code. 897

Sec. 343.01. (A) In order to comply with division (B) of 898
section 3734.52 of the Revised Code, the board of county 899
commissioners of each county shall do one of the following: 900

(1) Establish, by resolution, and maintain a county solid 901
waste management district under this chapter that consists of 902
all the incorporated and unincorporated territory within the 903
county except as otherwise provided in division (A) of this 904
section; 905

(2) With the boards of county commissioners of one or more 906
other counties establish, by agreement, and maintain a joint 907
solid waste management district under this chapter that consists 908
of all the incorporated and unincorporated territory within the 909

counties forming the joint district except as otherwise provided 910
in division (A) of this section. 911

If a municipal corporation is located in more than one 912
solid waste management district, the entire municipal 913
corporation shall be considered to be included in and shall be 914
under the jurisdiction of the district in which a majority of 915
the population of the municipal corporation resides. 916

A county and joint district established to comply with 917
division (B) of section 3734.52 of the Revised Code shall have a 918
population of not less than one hundred twenty thousand unless, 919
in the instance of a county district, the board of county 920
commissioners has obtained an exemption from that requirement 921
under division (C) (1) or (2) of that section. Each joint 922
district established to comply with an order issued under 923
division (D) of that section shall have a population of at least 924
one hundred twenty thousand. 925

(B) The boards of county commissioners of the counties 926
establishing a joint district constitute, collectively, the 927
board of directors of the joint district, except that if a 928
county with a form of legislative authority other than a board 929
of county commissioners participates, it shall be represented on 930
the board of directors by three persons appointed by the 931
legislative authority. 932

The agreement to establish and maintain a joint district 933
shall be ratified by resolution of the board of county 934
commissioners of each participating county. Upon ratification, 935
the board of directors shall take control of and manage the 936
joint district subject to this chapter, except that, in the case 937
of a joint district formed pursuant to division (C), (D), or (E) 938
of section 343.012 of the Revised Code, the board of directors 939

shall take control of and manage the district when the formation 940
of the district becomes final under the applicable division. A 941
majority of the board of directors constitutes a quorum, and a 942
majority vote is required for the board to act. 943

A county participating in a joint district may contribute 944
lands or rights or interests therein, money, other personal 945
property or rights or interests therein, or services to the 946
district. The agreement shall specify any contributions of 947
participating counties and the rights of the participating 948
counties in lands or personal property, or rights or interests 949
therein, contributed to or otherwise acquired by the joint 950
district. The agreement may be amended or added to by a majority 951
vote of the board of directors, but no amendment or addition 952
shall divest a participating county of any right or interest in 953
lands or personal property without its consent. 954

The board of directors may appoint and fix the 955
compensation of employees of, accept gifts, devises, and 956
bequests for, and take other actions necessary to control and 957
manage the joint district. Employees of the district shall be 958
considered county employees for the purposes of Chapter 124. of 959
the Revised Code and other provisions of state law applicable to 960
employees. Instead of or in addition to appointing employees of 961
the district, the board of directors may agree to use employees 962
of one or more of the participating counties in the service of 963
the joint district and to share in their compensation in any 964
manner that may be agreed upon. 965

The board of directors shall do one of the following: 966

(1) Designate the county auditor, including any other 967
official acting in a capacity similar to a county auditor under 968
a county charter, of a county participating in the joint 969

district as the fiscal officer of the district, and the county 970
treasurer, or other official acting in a capacity similar to a 971
county treasurer under a county charter, of that county as the 972
treasurer of the district. The designated county officials shall 973
perform any applicable duties for the district as each typically 974
performs for the county of which the individual is an official, 975
except as otherwise may be provided in any bylaws or resolutions 976
adopted by the board of directors. The board of directors may 977
pay to that county any amount agreed upon by the board of 978
directors and the board of county commissioners of that county 979
to reimburse that county for the cost properly allocable to the 980
service of its officials as fiscal officer and treasurer of the 981
joint district. 982

(2) Appoint one individual who is neither a county auditor 983
nor a county treasurer, and who may be an employee of the 984
district, to serve as both the treasurer of the district and its 985
fiscal officer. That individual shall act as custodian of the 986
funds of the board and the district and shall maintain all 987
accounts of the district. Any reference in this chapter or 988
Chapter 3734. of the Revised Code to a county auditor or county 989
treasurer serving as fiscal officer of a district or custodian 990
of any funds of a board or district is deemed to refer to an 991
individual appointed under division (B)(2) of this section. 992

The fiscal officer of a district shall establish a general 993
fund and any other necessary funds for the district. 994

(C) A board of county commissioners of a county district 995
or board of directors of a joint district may acquire, by 996
purchase or lease, construct, improve, enlarge, replace, 997
maintain, and operate such solid waste collection systems within 998
their respective districts and such solid waste facilities 999

within or outside their respective districts as are necessary 1000
for the protection of the public health. A board of county 1001
commissioners may acquire within its county real property or any 1002
estate, interest, or right therein, by appropriation or any 1003
other method, for use by a county or joint district in 1004
connection with such facilities. Appropriation proceedings shall 1005
be conducted in accordance with sections 163.01 to 163.22 of the 1006
Revised Code. 1007

(D) The sanitary engineer or sanitary engineering 1008
department of a county maintaining a district and any sanitary 1009
engineer or sanitary engineering department of a county in a 1010
joint district, as determined by the board of directors, in 1011
addition to other duties assigned to that engineer or 1012
department, shall assist the board of county commissioners or 1013
directors in the performance of their duties under this chapter 1014
and sections 3734.52 to 3734.575 of the Revised Code and shall 1015
be charged with any other duties and services in relation 1016
thereto that the board prescribes. A board may employ registered 1017
professional engineers to assist the sanitary engineer in those 1018
duties and also may employ financial advisers and any other 1019
professional services it considers necessary to assist it in the 1020
construction, financing, and maintenance of solid waste 1021
collection or other solid waste facilities. Such contracts of 1022
employment shall not require the certificate provided in section 1023
5705.41 of the Revised Code. Payment for such services may be 1024
made from the general fund or any other fund legally available 1025
for that use at times that are agreed upon or as determined by 1026
the board of county commissioners or directors, and the funds 1027
may be reimbursed from the proceeds of bonds or notes issued to 1028
pay the cost of any improvement to which the services related. 1029

(E) (1) The prosecuting attorney of the county shall serve 1030

as the legal advisor of a county district and shall provide such 1031
services to the board of county commissioners of the district as 1032
are required or authorized to be provided to other county boards 1033
under Chapter 309. of the Revised Code, except that, if the 1034
board considers it to be necessary or appropriate, the board, on 1035
its own initiative, may employ an attorney or other legal 1036
counsel on an annual basis to serve as the legal advisor of the 1037
district in place of the prosecuting attorney. When the 1038
prosecuting attorney is serving as the district's legal advisor 1039
and the board considers it to be necessary or appropriate, the 1040
board, on its own initiative, may employ an attorney or other 1041
legal counsel to represent or advise the board regarding a 1042
particular matter in place of the prosecuting attorney. The 1043
employment of an attorney or other legal counsel on an annual 1044
basis or in a particular matter is not subject to or governed by 1045
sections 305.14 and 309.09 of the Revised Code. 1046

Notwithstanding the employment of an attorney or other 1047
legal counsel on an annual basis to serve as the district's 1048
legal advisor, the board may require written opinions or 1049
instructions from the prosecuting attorney under section 309.09 1050
of the Revised Code in matters connected with its official 1051
duties as though the prosecuting attorney were serving as the 1052
legal advisor of the district. 1053

(2) The board of directors of a joint district may 1054
designate the prosecuting attorney of one of the counties 1055
forming the district to serve as the legal advisor of the 1056
district. When so designated, the prosecuting attorney shall 1057
provide such services to the joint district as are required or 1058
authorized to be provided to county boards under Chapter 309. of 1059
the Revised Code. The board of directors may pay to that county 1060
any amount agreed upon by the board of directors and the board 1061

of county commissioners of that county to reimburse that county 1062
for the cost properly allocable to the services of its 1063
prosecuting attorney as the legal advisor of the joint district. 1064
When that prosecuting attorney is so serving and the board 1065
considers it to be necessary or appropriate, the board, on its 1066
own initiative, may employ an attorney or other legal counsel to 1067
represent or advise the board regarding a particular matter in 1068
place of the prosecuting attorney. 1069

Instead of designating the prosecuting attorney of one of 1070
the counties forming the district to be the legal advisor of the 1071
district, the board of directors may employ on an annual basis 1072
an attorney or other legal counsel to serve as the district's 1073
legal advisor. Notwithstanding the employment of an attorney or 1074
other legal counsel as the district's legal advisor, the board 1075
of directors may require written opinions or instructions from 1076
the prosecuting attorney of any of the counties forming the 1077
district in matters connected with the board's official duties, 1078
and the prosecuting attorney shall provide the written opinion 1079
or instructions as though the prosecuting attorney had been 1080
designated to serve as the district's legal advisor under 1081
division (E) (2) of this section. 1082

(F) A board of county commissioners may issue bonds or 1083
bond anticipation notes of the county to pay the cost of 1084
preparing general and detailed plans and other data required for 1085
the construction of solid waste facilities in connection with a 1086
county or joint district. A board of directors of a joint solid 1087
waste management district may issue bonds or bond anticipation 1088
notes of the joint solid waste management district to pay the 1089
cost of preparing general and detailed plans and other data 1090
required for the construction of solid waste facilities in 1091
connection with a joint district. The bonds and notes shall be 1092

issued in accordance with Chapter 133. of the Revised Code, 1093
except that the maximum maturity of bonds issued for that 1094
purpose shall not exceed ten years. Bond anticipation notes may 1095
be paid from the proceeds of bonds issued either to pay the cost 1096
of the solid waste facilities or to pay the cost of the plans 1097
and other data. 1098

(G) To the extent authorized by the solid waste management 1099
plan of the district approved under section 3734.521 or 3734.55 1100
of the Revised Code or subsequent amended plans of the district 1101
approved under section 3734.521 or 3734.56 of the Revised Code, 1102
the board of county commissioners of a county district or board 1103
of directors of a joint district may adopt, publish, and enforce 1104
rules doing any of the following: 1105

(1) Prohibiting or limiting the receipt of solid wastes 1106
generated outside the district or outside a service area 1107
prescribed in the solid waste management plan or amended plan, 1108
at facilities located within the solid waste management 1109
district, consistent with the projections contained in the plan 1110
or amended plan under divisions (A) (6) and (7) of section 1111
3734.53 of the Revised Code. However, rules adopted by a board 1112
under division (G) (1) of this section may be adopted and 1113
enforced with respect to solid waste disposal facilities in the 1114
solid waste management district that are not owned by a county 1115
or the solid waste management district only if the board submits 1116
an application to the director of environmental protection that 1117
demonstrates that there is insufficient capacity to dispose of 1118
all solid wastes that are generated within the district at the 1119
solid waste disposal facilities located within the district and 1120
the director approves the application. The demonstration in the 1121
application shall be based on projections contained in the plan 1122
or amended plan of the district. The director shall establish 1123

the form of the application. The approval or disapproval of such 1124
an application by the director is an action that is appealable 1125
under section 3745.04 of the Revised Code. 1126

In addition, the director of environmental protection may 1127
issue an order modifying a rule adopted under division (G) (1) of 1128
this section to allow the disposal in the district of solid 1129
wastes from another county or joint solid waste management 1130
district if all of the following apply: 1131

(a) The district in which the wastes were generated does 1132
not have sufficient capacity to dispose of solid wastes 1133
generated within it for six months following the date of the 1134
director's order. 1135

(b) No new solid waste facilities will begin operation 1136
during those six months in the district in which the wastes were 1137
generated and, despite good faith efforts to do so, it is 1138
impossible to site new solid waste facilities within the 1139
district because of its high population density. 1140

(c) The district in which the wastes were generated has 1141
made good faith efforts to negotiate with other districts to 1142
incorporate its disposal needs within those districts' solid 1143
waste management plans, including efforts to develop joint 1144
facilities authorized under section 343.02 of the Revised Code, 1145
and the efforts have been unsuccessful. 1146

(d) The district in which the wastes were generated has 1147
located a facility willing to accept the district's solid wastes 1148
for disposal within the receiving district. 1149

(e) The district in which the wastes were generated has 1150
demonstrated to the director that the conditions specified in 1151
divisions (G) (1) (a) to (d) of this section have been met. 1152

(f) The director finds that the issuance of the order will 1153
be consistent with the state solid waste management plan and 1154
that receipt of the out-of-district wastes will not limit the 1155
capacity of the receiving district to dispose of its in-district 1156
wastes to less than eight years. 1157

Any order issued under division (G) (1) of this section 1158
shall not become final until thirty days after it has been 1159
served ~~by certified mail~~ upon the county or joint solid waste 1160
management district that will receive the out-of-district wastes 1161
either by certified mail or, if the director has record of an 1162
internet identifier of record associated with the district, by 1163
ordinary mail and by that internet identifier of record. 1164

(2) Governing the maintenance, protection, and use of 1165
solid waste collection or other solid waste facilities located 1166
within its district. The rules adopted under division (G) (2) of 1167
this section shall not establish design standards for solid 1168
waste facilities and shall be consistent with the solid waste 1169
provisions of Chapter 3734. of the Revised Code and the rules 1170
adopted under those provisions. The rules adopted under division 1171
(G) (2) of this section may prohibit any person, municipal 1172
corporation, township, or other political subdivision from 1173
constructing, enlarging, or modifying any solid waste facility 1174
until general plans and specifications for the proposed 1175
improvement have been submitted to and approved by the board of 1176
county commissioners or board of directors as complying with the 1177
solid waste management plan or amended plan of the district. The 1178
construction of such a facility shall be done under the 1179
supervision of the county sanitary engineer or, in the case of a 1180
joint district, a county sanitary engineer designated by the 1181
board of directors, and any person, municipal corporation, 1182
township, or other political subdivision proposing or 1183

constructing such improvements shall pay to the county or joint 1184
district all expenses incurred by the board in connection 1185
therewith. The sanitary engineer may enter upon any public or 1186
private property for the purpose of making surveys or 1187
examinations necessary for designing solid waste facilities or 1188
for supervising the construction, enlargement, modification, or 1189
operation of any such facilities. No person, municipal 1190
corporation, township, or other political subdivision shall 1191
forbid or interfere with the sanitary engineer or the sanitary 1192
engineer's authorized assistants entering upon such property for 1193
that purpose. If actual damage is done to property by the making 1194
of the surveys and examinations, a board shall pay the 1195
reasonable value of that damage to the owner of the property 1196
damaged, and the cost shall be included in the financing of the 1197
improvement for which the surveys and examinations are made. 1198

(3) Governing the development and implementation of a 1199
program for the inspection of solid wastes generated outside the 1200
boundaries of this state that are disposed of at solid waste 1201
facilities included in the district's solid waste management 1202
plan or amended plan. A board of county commissioners or board 1203
of directors or its authorized representative may enter upon the 1204
premises of any solid waste facility included in the district's 1205
solid waste management plan or amended plan for the purpose of 1206
conducting the inspections required or authorized by the rules 1207
adopted under division (G) (3) of this section. No person, 1208
municipal corporation, township, or other political subdivision 1209
shall forbid or interfere with a board of county commissioners 1210
or directors or its authorized representative entering upon the 1211
premises of any such solid waste facility for that purpose. 1212

(4) Exempting the owner or operator of any existing or 1213
proposed solid waste facility provided for in the plan or 1214

amended plan from compliance with any amendment to a township 1215
zoning resolution adopted under section 519.12 of the Revised 1216
Code or to a county rural zoning resolution adopted under 1217
section 303.12 of the Revised Code that rezoned or redistricted 1218
the parcel or parcels upon which the facility is to be 1219
constructed or modified and that became effective within two 1220
years prior to the filing of an application for a permit 1221
required under division (A)(2)(a) of section 3734.05 of the 1222
Revised Code to open a new or modify an existing solid waste 1223
facility. 1224

(H) A board of county commissioners or board of directors 1225
may enter into a contract with any person, municipal 1226
corporation, township, or other political subdivision for the 1227
operation and maintenance of any solid waste facilities 1228
regardless of whether the facilities are owned or leased by the 1229
county or joint district or the contractor. 1230

(I)(1) No person, municipal corporation, township, or 1231
other political subdivision shall tamper with or damage any 1232
solid waste facility constructed under this chapter or any 1233
apparatus or accessory connected therewith or pertaining 1234
thereto, fail or refuse to comply with the applicable rules 1235
adopted by a board of county commissioners or directors under 1236
division (G)(1), (2), (3), or (4) of this section, refuse to 1237
permit an inspection or examination by a sanitary engineer as 1238
authorized under division (G)(2) of this section, or refuse to 1239
permit an inspection by a board of county commissioners or 1240
directors or its authorized representative as required or 1241
authorized by rules adopted under division (G)(3) of this 1242
section. 1243

(2) If the board of county commissioners of a county 1244

district or board of directors of a joint district has 1245
established facility designations under section 343.013, 1246
343.014, or 343.015 of the Revised Code, or the director has 1247
established facility designations in the initial or amended plan 1248
of the district prepared and ordered to be implemented under 1249
section 3734.521, 3734.55, or 3734.56 of the Revised Code, no 1250
person, municipal corporation, township, or other political 1251
subdivision shall deliver, or cause the delivery of, any solid 1252
wastes generated within a county or joint district to any solid 1253
waste facility other than the facility designated under section 1254
343.013, 343.014, or 343.015 of the Revised Code, or in the 1255
initial or amended plan of the district prepared and ordered to 1256
be implemented under section 3734.521, 3734.55, or 3734.56 of 1257
the Revised Code, as applicable, except that source separated 1258
recyclable materials may be taken to any legitimate recycling 1259
facility. Upon the request of a person or the legislative 1260
authority of a municipal corporation or township, the board of 1261
county commissioners of a county district or board of directors 1262
of a joint district may grant a waiver authorizing the delivery 1263
of all or any portion of the solid wastes generated in a 1264
municipal corporation or township to a solid waste facility 1265
other than the facility designated under section 343.013, 1266
343.014, or 343.015 of the Revised Code, or in the initial or 1267
amended plan of the district prepared and ordered to be 1268
implemented under section 3734.521, 3734.55, or 3734.56 of the 1269
Revised Code, as applicable, regardless of whether the other 1270
facility is located within or outside of the district, if the 1271
board finds that delivery of those solid wastes to the other 1272
facility is not inconsistent with the projections contained in 1273
the district's initial or amended plan under divisions (A) (6) 1274
and (7) of section 3734.53 of the Revised Code as approved or 1275
ordered to be implemented and will not adversely affect the 1276

implementation and financing of the district's initial or 1277
amended plan pursuant to the implementation schedule contained 1278
in it under divisions (A) (12) (a) to (d) of that section. The 1279
board shall act on a request for such a waiver within ninety 1280
days after receiving the request. Upon granting such a waiver, 1281
the board shall send notice of that fact to the director. The 1282
notice shall indicate to whom the waiver was granted. Any waiver 1283
or authorization granted by a board on or before October 29, 1284
1993, shall continue in force until the board takes action 1285
concerning the same entity under this division or until action 1286
is taken under division (G) of section 343.014 of the Revised 1287
Code. 1288

(J) Divisions (G) (1) to (4) and (I) (2) of this section do 1289
not apply to the construction, operation, use, repair, 1290
enlargement, or modification of either of the following: 1291

(1) A solid waste facility owned by a generator of solid 1292
wastes when the solid waste facility exclusively disposes of 1293
solid wastes generated at one or more premises owned by the 1294
generator regardless of whether the facility is located on a 1295
premises where the wastes are generated; 1296

(2) A facility that exclusively disposes of wastes that 1297
are generated from the combustion of coal, or from the 1298
combustion of primarily coal in combination with scrap tires, 1299
that is not combined in any way with garbage at one or more 1300
premises owned by the generator. 1301

(K) (1) A member of the board of county commissioners of a 1302
county solid waste management district, member of the board of 1303
directors of a joint solid waste management district, member of 1304
the board of trustees of a regional solid waste management 1305
authority managing a county or joint solid waste management 1306

district, or officer or employee of any solid waste management 1307
district, for the purposes of sections 102.03, 102.04, 2921.41, 1308
and 2921.42 of the Revised Code, shall not be considered to be 1309
directly or indirectly interested in, or improperly influenced 1310
by, any of the following: 1311

(a) A contract entered into under this chapter or section 1312
307.15 or sections 3734.52 to 3734.575 of the Revised Code 1313
between the district and any county forming the district, 1314
municipal corporation or township located within the district, 1315
or health district having territorial jurisdiction within the 1316
district, of which that member, officer, or employee also is an 1317
officer or employee, but only to the extent that any interest or 1318
influence could arise from holding public office or employment 1319
with the political subdivision or health district; 1320

(b) A contract entered into under this chapter or section 1321
307.15 or sections 3734.52 to 3734.575 of the Revised Code 1322
between the district and a county planning commission organized 1323
under section 713.22 of the Revised Code, or regional planning 1324
commission created under section 713.21 of the Revised Code, 1325
having territorial jurisdiction within the district, of which 1326
that member also is a member, officer, or employee, but only to 1327
the extent that any interest or influence could arise from 1328
holding public office or employment with the commission; 1329

(c) An expenditure of money made by the district for the 1330
benefit of any county forming the district, municipal 1331
corporation or township located within the district, or health 1332
district or county or regional planning commission having 1333
territorial jurisdiction within the district, of which that 1334
member also is a member, officer, or employee, but only to the 1335
extent that any interest or influence could arise from holding 1336

public office or employment with the political subdivision, 1337
health district, or commission; 1338

territorial jurisdiction within the district, of which that 1343
member also is a member, officer, or employee, but only to the 1344
extent that any interest or influence could arise from holding 1345
public office or employment with the political subdivision, 1346
health district, or commission. 1347

(2) A solid waste management district, county, municipal 1348
corporation, township, health district, or planning commission 1349

The board shall notify the holder of the variance or 1792
certificate either by certified mail or, if the board has record 1793
of an internet identifier of record associated with the holder, 1794
by ordinary mail and by that internet identifier of record of 1795
its intent to revoke the variance or certificate under division 1796
(D) of this section and of the holder's right to a hearing 1797
before the board, within thirty days of the mailing of the 1798
notice, if the holder so requests. If the holder requests a 1799
hearing, the board shall set a time and place for the hearing 1800
and notify the holder. At the hearing, the holder may appear in 1801
person, by the holder's attorney, or by other representative, or 1802
the holder may present the holder's position in writing. The 1803
holder may present evidence and examine witnesses appearing for 1804
or against the holder. If no hearing is requested, the board may 1805
revoke the variance or certificate without a hearing. The 1806
authority to revoke a variance or certificate is in addition to 1807
any other means of zoning enforcement provided by law. 1808

In exercising the above-mentioned powers, the board may, 1809
in conformity with such sections, reverse or affirm, wholly or 1810
partly, or may modify the order, requirement, decision, or 1811

determination appealed from, and may make such order, 1812
requirement, decision, or determination as ought to be made, and 1813
to that end has all powers of the officer from whom the appeal 1814
is taken. 1815

As used in this section, "internet identifier of record" 1816
has the same meaning as in section 9.312 of the Revised Code. 1817

Sec. 902.04. (A) An issuer may from time to time issue 1818
bonds to carry out the lawful purposes set forth in this chapter 1819
including, but not limited to, the purchase of loans or other 1820
evidence of debt from and the making of loans to or through 1821
lending institutions, the payment of the costs of insurance, 1822
letters of credit, certificates of deposit, and purchase 1823
agreements related to the bonds or loans, underwriting, legal, 1824
accounting, financial consulting, rating, printing, and other 1825
services relating to the issuance and sale of the bonds, fees of 1826
any trustee, paying agent, bond registrar, depository, transfer 1827
agent, and authenticating agent, interest on the bonds, 1828
establishment of reserve funds securing the bonds, and any other 1829
costs reasonably related to the issuance, sale, marketing, 1830
servicing, insuring, guaranteeing, and otherwise securing of the 1831
bonds. Any issuer may from time to time, whenever it considers 1832
refunding to be expedient, issue bonds to refund any bonds 1833
issued under this chapter whether the bonds to be refunded have 1834
or have not matured, and may issue bonds partly to refund bonds 1835
then outstanding and partly for any other authorized purpose. 1836
The terms of the issuance and sale of refunding bonds shall be 1837
as provided in this chapter for an original issue of bonds. 1838

(B) Bonds, and the issuance of bonds, pursuant to this 1839
chapter need not comply with any other law applicable to the 1840
issuance of bonds. The deposit, application, safeguarding, and 1841

investment of funds of an issuer received or held under bond 1842
proceedings of the issuer shall not be subject to Chapters 131. 1843
and 135. of the Revised Code. 1844

(C) (1) Bonds issued pursuant to this chapter do not 1845
constitute a debt, or the pledge of the faith and credit, of the 1846
state or any political subdivision thereof, and the holders or 1847
owners of such bonds have no right to have taxes levied by the 1848
general assembly or taxing authority of any political 1849
subdivision for the payment of the principal thereof or interest 1850
thereon. Moneys raised by taxation shall not be obligated or 1851
pledged for the payment of principal of or interest on such 1852
bonds, but such bonds shall be payable solely from the revenues 1853
and security interests pledged for their payment as authorized 1854
by this chapter, unless bonds are issued in anticipation of the 1855
issuance of or are refunded by refunding bonds issued pursuant 1856
to this chapter, which refunding bonds shall be payable solely 1857
from revenues and security interests pledged for their payment 1858
as authorized by this chapter. Bond anticipation notes may be 1859
secured solely or additionally by a covenant of the issuer that 1860
it will do all things necessary for the issuance of the bonds 1861
anticipated or renewal notes in appropriate amount and either 1862
exchange such bonds or renewal notes for such notes or apply the 1863
proceeds therefrom to the extent necessary to make full payment 1864
of the principal of and interest on such notes. 1865

(2) Any pledge of revenues to the payment of bonds is 1866
valid and binding from the time the pledge is made and the 1867
revenues so pledged and thereafter received by the issuer are 1868
immediately subject to the lien of such pledge without any 1869
separation or physical delivery thereof, or further act, and the 1870
lien of any such pledge is valid and binding as against all 1871
parties having claims of any kind in tort, contract, or 1872

otherwise against the issuer, irrespective of whether such 1873
parties have notice thereof, and creates a perfected security 1874
interest for all purposes of Chapter 1309. of the Revised Code. 1875
Neither the resolution or ordinance nor any trust agreement or 1876
indenture by which a pledge is created need be filed or recorded 1877
except in the records of the issuer. 1878

(3) All bonds shall contain on the face thereof a 1879
statement to the effect that the bonds, as to both principal and 1880
interest, are not debts of the state or any political 1881
subdivision thereof, but are payable solely from the revenues 1882
and security interests pledged for their payment. 1883

(D) (1) The bonds shall be authorized by one or more 1884
resolutions or ordinances of the issuing authority, shall bear 1885
such date or dates, and shall mature at such time or times, not 1886
exceeding forty years from the date of issue, and have such 1887
redemption and purchase provisions as are authorized by or 1888
pursuant to such resolutions or ordinances. The bonds shall bear 1889
interest at such rate or rates, or at a variable rate or rates, 1890
as provided in or authorized by or pursuant to such resolutions 1891
or ordinances. The bonds shall be in such denominations, be in 1892
such form, either coupon, registered or book entry, carry such 1893
registration privileges, be payable in such medium of payment, 1894
at such place or places, and be subject to such terms of 1895
redemption as the issuing authority may authorize. The bonds may 1896
be sold by the issuing authority at public or private sale, at 1897
not less than such price or prices as the issuer determines. 1898
Notwithstanding any other provision of this chapter or Chapter 1899
165., 761., or 1724. of the Revised Code, the commission shall 1900
have exclusive power to authorize the issuance and sale of bonds 1901
for agricultural purposes under a composite financing 1902
arrangement in excess of five hundred thousand dollars; provided 1903

that other issuers may issue bonds under composite financing 1904
arrangements in such greater amounts and at such times as shall 1905
be approved by the commission. 1906

(2) Bonds issued by the agricultural financing commission 1907
shall be executed by the ~~chairman~~ chairperson or ~~vice-chairman~~ 1908
vice-chairperson of the commission, manually or by a facsimile 1909
signature. The official seal of the commission or a facsimile 1910
thereof shall be affixed thereto or printed thereon, and any 1911
coupons attached thereto shall bear the signature or facsimile 1912
signature of the ~~chairman~~ chairperson or ~~vice-chairman~~ vice- 1913
chairperson of the commission. Bonds and coupons issued by any 1914
other issuer shall be executed by such officers, in manual or 1915
facsimile form, and bear such official seal or a facsimile 1916
thereof, as shall be provided in the bond ~~proceedings~~ proceedings 1917
for the bonds. In case any officer whose signature or a 1918
facsimile of whose signature, appears on any bonds or coupons 1919
ceases to be such officer before delivery of bonds, such 1920
signature or facsimile is nevertheless sufficient for all 1921
purposes the same as if ~~he~~ the officer had remained in office 1922
until such delivery, and in case the seal has been changed after 1923
a facsimile has been imprinted on such bonds, such facsimile 1924
seal will continue to be sufficient for all purposes. The bonds 1925
may also be issued and executed in book entry form in such 1926
manner as is appropriate to that form. Neither the members of 1927
the issuing authority nor any person executing the bonds is 1928
liable personally on the bonds or subject to any personal 1929
liability by reason of the issuance thereof. 1930

(E) If the issuer is a county or municipal corporation, 1931
then prior to the delivery of bonds issued under authority of 1932
this section, the issuing authority shall send written notice ~~by~~ 1933
~~certified mail~~ to the director of agriculture and the director 1934

of development either by certified mail or, if the issuing 1935
authority has record of an internet identifier of record 1936
associated with the director, by ordinary mail and by that 1937
internet identifier of record advising of the proposed delivery 1938
of the bonds, the amount thereof, the proposed lessee of the 1939
project or person to whom the proceeds of the bonds will be 1940
loaned, and a general description of the project or projects to 1941
be financed. 1942

(F) All bonds issued under authority of this chapter, 1943
regardless of form or terms and regardless of any other law to 1944
the contrary, shall have all qualities and incidents of 1945
negotiable instruments, subject to provisions for registration, 1946
and may be issued in coupon, fully registered, or other form, or 1947
any combination thereof, as the issuing authority determines. 1948
Provision may be made for the registration of any coupon bonds 1949
as to principal alone or as to both principal and interest, and 1950
for the conversion into coupon bonds of any fully registered 1951
bonds or bonds registered as to both principal and interest. 1952

(G) As used in this section, "internet identifier of 1953
record" has the same meaning as in section 9.312 of the Revised 1954
Code. 1955

Sec. 931.03. (A) (1) Not later than sixty days after 1956
receipt of an application submitted under section 931.02 of the 1957
Revised Code, the board of township trustees of each township in 1958
which the land that is proposed for enrollment in an 1959
agricultural security area is located and the board of county 1960
commissioners of each county in which the land is located shall 1961
hear the application at the next regularly scheduled meeting of 1962
the board. A board, not later than thirty days prior to the time 1963
of the meeting, shall cause a notice containing the time and 1964

place of the meeting to be published in a newspaper of general 1965
circulation in the township or county, as applicable, and to be 1966
sent to the superintendent of each school district within the 1967
proposed agricultural security area, the county engineer of each 1968
county in which the proposed area would be located, the 1969
legislative authority of each municipal corporation that is 1970
located within one-half mile of the boundaries of the proposed 1971
area if the municipal corporation has requested notice of such a 1972
meeting, and the director of transportation. 1973

As part of the hearing on an application, a board shall 1974
review any information that it possesses concerning improvements 1975
that are planned to be made during the subsequent ten years to 1976
existing or proposed roads that are located or are to be located 1977
within the area that is proposed for enrollment in an 1978
agricultural security area. As used in division (A) (1) of this 1979
section, "proposed road" means any future roadway project that 1980

existing or proposed road that would cause the road to cover a 1987
portion of land that it does not cover or is not proposed to 1988
cover at the time of the hearing. Any portion of land that would 1989
be covered by a planned improvement shall not be eligible for 1990
enrollment in an agricultural security area. 1991

As part of the hearing on an application, a board also may 1992
consider any comprehensive plan that is in place for the county 1993
or township, as applicable, and may choose to approve or reject 1994
the application on the basis of the proposed agricultural 1995

security area's compliance with the comprehensive plan. 1996

(2) The board of township trustees of each township and 1997
the board of county commissioners of each county that is 1998
required to hear an application under division (A)(1) of this 1999
section may conduct a joint meeting in lieu of meeting 2000
separately not later than forty-five days after receipt of an 2001
application under section 931.02 of the Revised Code. A single 2002
public notice concerning the meeting shall be provided in the 2003
manner prescribed in division (A)(1) of this section in each 2004
township and county participating in the meeting. The cost of 2005
the public notice shall be shared equally by all townships and 2006
counties participating in the joint meeting. 2007

For purposes of such a joint meeting, the clerk of the 2008
board of county commissioners of the county that includes the 2009
most land that is located or is to be located within the 2010
agricultural security area shall serve as the clerk on behalf of 2011
all boards of county commissioners and boards of township 2012
trustees participating in the joint meeting. The clerk's duties 2013
shall include providing the public notice that is required under 2014
this section together with maintaining minutes and a record of 2015
proceedings for the joint meeting. 2016

(3) Not later than forty-five days after a board of 2017
township trustees hears the application and not later than sixty 2018
days after a board of county commissioners hears the 2019
application, each respective board shall adopt a resolution 2020
either approving or rejecting the application. However, if a 2021
board determines that the information in the application is 2022
incorrect or the application is incomplete, the board shall 2023
return the application to the applicant, either by certified 2024
mail or, if the board has record of an internet identifier of 2025

record associated with the applicant, by ordinary mail and by 2026
that internet identifier of record, with an enumeration of the 2027
items that are incorrect or incomplete. 2028

Upon receipt of the returned application, the applicant 2029
may amend the application. Not later than fifteen days after 2030
receipt of the returned application, the applicant may submit an 2031
amended application to each board of township trustees and each 2032
board of county commissioners to whom the original application 2033
was submitted. 2034

Not later than thirty days after receipt of an amended 2035
application, a board shall adopt a resolution either approving 2036
or rejecting the amended application. Not later than five days 2037
after adoption of the resolution, the board shall notify the 2038
applicant, either by certified mail or, if the board has record 2039
of an internet identifier of record associated with the 2040
applicant, by ordinary mail and by that internet identifier of 2041
record, of the board's decision to approve or reject the 2042
application. 2043

(4) Any person may submit comments to any board of county 2044
commissioners or board of township trustees to which an 2045
application or amended application has been submitted under this 2046
chapter at any time prior to and at any public meeting at which 2047
the application or amended application is heard. 2048

(B) (1) An agricultural security area is established, and 2049

affected boards of township trustees and boards of county 2052
commissioners approving the same version of the application or 2053
applications requesting the establishment of the area. 2054

(b) The construction, modification, or operation of transmission or distribution lines for electricity, gas, or oil or of any gathering or production lines for oil or gas, provided that the construction, modification, or operation of the lines does not cause the land to become ineligible for valuation and assessment for real property tax purposes in accordance with its current agricultural use value under sections 5713.30 to 5713.38 of the Revised Code;

(c) The construction, modification, or operation of water lines or sewer lines, provided that an official or employee of the environmental protection agency orders the construction, modification, or operation for the purpose of enabling water and sewer service areas that are outside of the agricultural security area to be connected to each other, and provided that the lines do not provide service connections to land within the agricultural security area.

(2) A requirement that the owner or owners of the land in the area use best management practices;

(3) A statement that describes the agreement that was reached with other boards, if applicable, under section 5709.28 of the Revised Code concerning the percentage of the taxable value of qualifying agricultural real property in the agricultural security area that is to be exempted from taxation under that section and the number of years that the tax exemption established under that section will apply to that property.

(D) An agricultural security area may continue in existence for ten years unless either of the following occurs:

(1) The sole owner of land enrolled in the area withdraws under section 931.07 of the Revised Code.

(2) Unless division (C) of section 931.07 of the Revised Code applies, land in the area fails to satisfy any of the criteria specified in divisions (B)(1) to (3) of section 931.02 of the Revised Code.

(E) The approval or disapproval of an application under this section is not a final order, adjudication, or decision under section 2506.01 of the Revised Code and is not appealable

under Chapter 2506. of the Revised Code.

(F) As used in this section, "internet identifier of record" has the same meaning as in section 9.312 of the Revised Code.

Sec. 940.20. As soon as the supervisors of a soil and water conservation district have established the dates, times, and locations of the view and the hearing concerning a proposed improvement, they shall send, at least twenty days prior to the date established for the view, a written notice of the view and the hearing to the landowners within the area to be benefited by the proposed improvement and to the board of county commissioners and the county engineer. The supervisors shall notify all landowners that are adjacent to the proposed improvement either by certified mail or, if the supervisors have record of an internet identifier of record associated with such a landowner, by ordinary mail and by that internet identifier of record, and shall notify all others by certified mail or first class mailings. Any such written notice shall have the words "Legal Notice" printed in plain view on the face of the envelope or, in the case of service by an internet identifier of record, in conspicuous typeface at the top of the notice. (B) If the auditor failed to send the notice required by 2901
this section, and if the owner of the property subsequently 2902
files an application for tax exemption for the property for the 2903
current tax year, the tax commissioner or county auditor may 2904

same by registered letter mailed to the address of such person,
or, if the board has record of an internet identifier of record

the complaint was heard by the board. 3031

(B) Within thirty days after the last date such complaints 3032
may be filed, the auditor shall give notice of each complaint in 3033
which the stated amount of overvaluation, undervaluation, 3034
discriminatory valuation, illegal valuation, or incorrect 3035

determination is at least seventeen thousand five hundred 3036

the complaint, if the complaint was not filed by the owner or 3038
the owner's spouse, and to each board of education whose school 3039

after receiving such notice, a board of education; a property 3041
owner; the owner's spouse; an individual who is retained by such 3042

property owner is a firm, company, association, partnership, 3052
limited liability company, corporation, or trust, an officer, a 3053

determination stated in a previously filed complaint or 3058
objecting to the current valuation. Upon the filing of a 3059
complaint under this division, the board of education or the 3060
property owner shall be made a party to the action. 3061

(C) Each board of revision shall notify any complainant 3062
and also the property owner, if the property owner's address is 3063
known, when a complaint is filed by one other than the property 3064
owner, ~~by certified mail,~~ not less than ten days prior to the 3065
hearing, by either certified mail or, if the board has record of 3066

an internet identifier of record associated with the owner, by 3067
ordinary mail and by that internet identifier of record of the 3068
time and place the same will be heard. The board of revision 3069

concerning which a complaint is then pending, computed upon the 3089
claimed valuation as set forth in the complaint. If a complaint 3090
filed under this section for the current year is not determined 3091
by the board within the time prescribed for such determination, 3092
the complaint and any proceedings in relation thereto shall be 3093
continued by the board as a valid complaint for any ensuing year 3094
until such complaint is finally determined by the board or upon 3095
any appeal from a decision of the board. In such case, the 3096
original complaint shall continue in effect without further 3097

filing by the original taxpayer, the original taxpayer's 3098
assignee, or any other person or entity authorized to file a 3099
complaint under this section. 3100

(E) If a taxpayer files a complaint as to the 3101
classification, valuation, assessment, or any determination 3102

shall pay interest at the rate per annum prescribed by section 3108
5703.47 of the Revised Code, computed from the date that the 3109
taxes were due on the difference between the amount finally 3110
determined and the amount tendered. This interest charge shall 3111
be in lieu of any penalty or interest charge under section 3112
323.121 of the Revised Code unless the taxpayer failed to file a 3113
complaint and tender an amount as taxes or recoupment charges 3114
within the time required by this section, in which case section 3115
323.121 of the Revised Code applies. 3116

(2) If the amount of taxes finally determined is equal to 3117
or greater than the amount billed and more than the amount 3118
tendered, the taxpayer shall pay interest at the rate prescribed 3119
by section 5703.47 of the Revised Code from the date the taxes 3120
were due on the difference between the amount finally determined 3121
and the amount tendered, such interest to be in lieu of any 3122
interest charge but in addition to any penalty prescribed by 3123
section 323.121 of the Revised Code. 3124

shall determine the common level of assessment of real property 3126
in the county for the year stated in the request that is not 3127

valued under section 5713.31 of the Revised Code, which common 3128
level of assessment shall be expressed as a percentage of true 3129
value and the common level of assessment of lands valued under 3130
such section, which common level of assessment shall also be 3131
expressed as a percentage of the current agricultural use value 3132
of such lands. Such determination shall be made on the basis of 3133
the most recent available sales ratio studies of the 3134
commissioner and such other factual data as the commissioner 3135
deems pertinent. 3136

(G) A complainant shall provide to the board of revision 3137
all information or evidence within the complainant's knowledge 3138
or possession that affects the real property that is the subject 3139
of the complaint. A complainant who fails to provide such 3140
information or evidence is precluded from introducing it on 3141
appeal to the board of tax appeals or the court of common pleas, 3142
except that the board of tax appeals or court may admit and 3143
consider the evidence if the complainant shows good cause for 3144
the complainant's failure to provide the information or evidence 3145
to the board of revision. 3146

(H) In case of the pendency of any proceeding in court 3147
based upon an alleged excessive, discriminatory, or illegal 3148
valuation or incorrect classification or determination, the 3149
taxpayer may tender to the treasurer an amount as taxes upon 3150
property computed upon the claimed valuation as set forth in the 3151
complaint to the court. The treasurer may accept the tender. If 3152
the tender is not accepted, no penalty shall be assessed because 3153
of the nonpayment of the full taxes assessed. 3154

Sec. 5715.20. (A) Whenever a county board of revision 3155
renders a decision on a complaint filed under section 5715.19 of 3156
the Revised Code, it shall ~~certify~~ give notice of its action by 3157

~~certified mail~~ to the person in whose name the property is 3158
listed or sought to be listed and to the complainant if the 3159
complainant is not the person in whose name the property is 3160
listed or sought to be listed. The notice shall be given by 3161
certified mail or, if the board has record of an internet 3162
identifier of record associated with a person, by ordinary mail 3163
and by that internet identifier of record as defined in section 3164
9.312 of the Revised Code. A person's time to file an appeal 3165
under section 5717.01 of the Revised Code commences with the 3166
mailing of notice of the decision to that person as provided in 3167
this section. The tax commissioner's time to file an appeal 3168
under section 5717.01 of the Revised Code commences with the 3169
last mailing to a person required to be mailed notice of the 3170
decision as provided in this division. 3171

(B) The tax commissioner may order the county auditor to 3172
send to the commissioner the decisions of the board of revision 3173
rendered on complaints filed under section 5715.19 of the 3174
Revised Code in the manner and for the time period that the 3175
commissioner prescribes. Nothing in this division extends the 3176
commissioner's time to file an appeal under section 5717.01 of 3177
the Revised Code. 3178

Sec. 5717.01. An appeal from a decision of a county board 3179
of revision may be taken to the board of tax appeals within 3180
thirty days after notice of the decision of the county board of 3181
revision is mailed as provided in division (A) of section 3182
5715.20 of the Revised Code. Such an appeal may be taken by the 3183
county auditor, the tax commissioner, or any board, legislative 3184
authority, public official, or taxpayer authorized by section 3185
5715.19 of the Revised Code to file complaints against 3186
valuations or assessments with the auditor. Such appeal shall be 3187
taken by the filing of a notice of appeal, in person or by 3188

certified mail, express mail, facsimile transmission, electronic 3189
transmission, or by authorized delivery service, with the board 3190
of tax appeals and with the county board of revision. If notice 3191
of appeal is filed by certified mail, express mail, or 3192
authorized delivery service as provided in section 5703.056 of 3193
the Revised Code, the date of the United States postmark placed 3194
on the sender's receipt by the postal service or the date of 3195
receipt recorded by the authorized delivery service shall be 3196
treated as the date of filing. If notice of appeal is filed by 3197
facsimile transmission or electronic transmission, the date and 3198
time the notice is received by the board shall be the date and 3199
time reflected on a timestamp provided by the board's electronic 3200
system, and the appeal shall be considered filed with the board 3201
on the date reflected on that timestamp. Any timestamp provided 3202
by another computer system or electronic submission device shall 3203
not affect the time and date the notice is received by the 3204
board. Upon receipt of such notice of appeal such county board 3205
of revision shall ~~by certified mail~~ notify all persons thereof 3206
who were parties to the proceeding before such county board of 3207
revision by either certified mail or, if the board has record of 3208
an internet identifier of record associated with such a person, 3209
by ordinary mail and by that internet identifier of record, and 3210
shall file proof of such notice or, in the case of ordinary 3211
mail, an affidavit attesting that the board sent the notice with 3212
the board of tax appeals. The county board of revision shall 3213
thereupon certify to the board of tax appeals a transcript of 3214
the record of the proceedings of the county board of revision 3215
pertaining to the original complaint, and all evidence offered 3216
in connection therewith. Such appeal may be heard by the board 3217
of tax appeals at its offices in Columbus or in the county where 3218
the property is listed for taxation, or the board of tax appeals 3219
may cause its examiners to conduct such hearing and to report to 3220

it their findings for affirmation or rejection. An appeal may 3221
proceed pursuant to section 5703.021 of the Revised Code on the 3222
small claims docket if the appeal qualifies under that section. 3223

The board of tax appeals may order the appeal to be heard 3224
on the record and the evidence certified to it by the county 3225
board of revision, or it may order the hearing of additional 3226
evidence, and it may make such investigation concerning the 3227
appeal as it deems proper. 3228

As used in this section, "internet identifier of record" 3229
has the same meaning as in section 9.312 of the Revised Code. 3230

Sec. 5721.30. As used in sections 5721.30 to 5721.43 of 3231
the Revised Code: 3232

(A) "Tax certificate," "certificate," or "duplicate 3233
certificate" means a document that may be issued as a physical 3234
certificate, in book-entry form, or through an electronic 3235
medium, at the discretion of the county treasurer. Such document 3236
shall contain the information required by section 5721.31 of the 3237
Revised Code and shall be prepared, transferred, or redeemed in 3238
the manner prescribed by sections 5721.30 to 5721.43 of the 3239
Revised Code. As used in those sections, "tax certificate," 3240
"certificate," and "duplicate certificate" do not refer to the 3241
delinquent land tax certificate or the delinquent vacant land 3242
tax certificate issued under section 5721.13 of the Revised 3243
Code. 3244

(B) "Certificate parcel" means the parcel of delinquent 3245
land that is the subject of and is described in a tax 3246
certificate. 3247

(C) "Certificate holder" means a person, including a 3248
county land reutilization corporation, that purchases or 3249

otherwise acquires a tax certificate under section 5721.32, 3250
5721.33, or 5721.42 of the Revised Code, or a person to whom a 3251
tax certificate has been transferred pursuant to section 5721.36 3252
of the Revised Code. 3253

(D) "Certificate purchase price" means, with respect to 3254
the sale of tax certificates under sections 5721.32, 5721.33, 3255

taxes charged against a certificate parcel at the time the tax 3257
certificate respecting that parcel is sold or transferred, not 3258
including any delinquent taxes the lien for which has been 3259
conveyed to a certificate holder through a prior sale of a tax 3260
certificate respecting that parcel. Payment of the certificate 3261
purchase price in a sale under section 5721.33 of the Revised 3262
Code may be made wholly in cash or partially in cash and 3263
partially by noncash consideration acceptable to the county 3264
treasurer from the purchaser, and, in the case of a county land 3265
reutilization corporation, with notes. In the event that any 3266
such noncash consideration is delivered to pay a portion of the 3267
certificate purchase price, such noncash consideration may be 3268
subordinate to the rights of the holders of other obligations 3269
whose proceeds paid the cash portion of the certificate purchase 3270
price. 3271

"Certificate purchase price" also includes the amount of 3272
the fee charged by the county treasurer to the purchaser of the 3273
certificate under division (H) of section 5721.32 of the Revised 3274

means the certificate purchase price plus the greater of the 3279

following: 3280

(a) Simple interest, at the certificate rate of interest, 3281
accruing during the certificate interest period on the 3282
certificate purchase price, calculated in accordance with 3283
section 5721.41 of the Revised Code; 3284

(b) Six per cent of the certificate purchase price. 3285

(2) If the certificate rate of interest equals zero, the 3286
certificate redemption price equals the certificate purchase 3287
price plus the fee charged by the county treasurer to the 3288
purchaser of the certificate under division (H) of section 3289
5721.32 of the Revised Code. 3290

(F) With respect to a sale or transfer of tax certificates 3291

following: 3294

(1) The certificate purchase price; 3295

(2) Interest accrued on the certificate purchase price at 3296
the certificate rate of interest from the date on which a tax 3297

the purchaser of the certificate under division (J) of section 3302
5721.33 of the Revised Code; 3303

simple interest per year bid by the winning bidder in an auction 3307

of a tax certificate held under section 5721.32 of the Revised 3308
Code, or the rate of simple interest per year not to exceed 3309
eighteen per cent per year fixed pursuant to section 5721.42 of 3310
the Revised Code or by the county treasurer with respect to any 3311
tax certificate sold or transferred pursuant to a negotiated 3312
sale under section 5721.33 of the Revised Code. The certificate 3313
rate of interest shall not be less than zero per cent per year. 3314

(H) "Cash" means United States currency, certified checks, 3315
money orders, bank drafts, electronic transfer of funds, or 3316
other forms of payment authorized by the county treasurer, and 3317
excludes any other form of payment not so authorized. 3318

(I) "The date on which a tax certificate is sold or 3319
transferred," "the date the certificate was sold or 3320
transferred," "the date the certificate is purchased," and any 3321
other phrase of similar content mean, with respect to a sale 3322
pursuant to an auction under section 5721.32 of the Revised 3323

date on which the certificate is purchased and, with respect to 3333
a tax certificate sold or transferred under section 5721.33 of 3334
the Revised Code, the period beginning on the date of delivery 3335
of the tax certificate, and in either case ending on one of the 3336
following dates: 3337

(1) The date the certificate holder files a request for 3338
foreclosure or notice of intent to foreclose under division (A) 3339
of section 5721.37 of the Revised Code and submits the payment 3340
required under division (B) of that section; 3341

(2) The date the owner of record of the certificate 3342
parcel, or any other person entitled to redeem that parcel, 3343
redeems the certificate parcel under division (A) or (C) of 3344

limitation, the rate of interest that the tax certificates shall 3359
bear. 3360

delinquent land list compiled under section 5721.011 of the 3389
Revised Code, or a delinquent land list compiled previously 3390
under that section, the county treasurer may select from the 3391
list parcels of delinquent land the lien against which the 3392
county treasurer may attempt to transfer by the sale of tax 3393
certificates under sections 5721.30 to 5721.43 of the Revised 3394
Code. None of the following parcels may be selected for a tax 3395

assessments, penalties, interest, and charges have been paid; 3398

(2) The county treasurer shall compile a separate list of 3404
parcels selected for tax certificate sales, including the same 3405
information as is required to be included in the delinquent land 3406
list. 3407

Upon compiling the list of parcels selected for tax 3408
certificate sales, the county treasurer may conduct a title 3409
search for any parcel on the list. 3410

(B) (1) Except as otherwise provided in division (B) (3) of 3411
this section, when tax certificates are to be sold under section 3412
5721.32 of the Revised Code with respect to parcels, the county 3413
treasurer shall send written notice ~~by certified mail~~ to either 3414
the owner of record or all interested parties discoverable 3415
through a title search, or both, of each parcel on the list 3416
either by certified mail or, if the treasurer has record of an 3417
internet identifier of record associated with the owner or 3418
interested party, by ordinary mail and by that internet 3419
identifier of record. A mailed notice to an owner shall be sent 3420
to the owner's last known tax-mailing address. The notice shall 3421
inform the owner or interested parties that a tax certificate 3422
will be offered for sale on the parcel, and that the owner or 3423
interested parties may incur additional expenses as a result of 3424

the sale. 3425

(2) Except as otherwise provided in division (B) (3) of 3426
this section, when tax certificates are to be sold or 3427
transferred under section 5721.33 of the Revised Code with 3428
respect to parcels, the county treasurer, at least thirty days 3429
prior to the date of sale or transfer of such tax certificates, 3430
shall send written notice of the sale or transfer by certified 3431
mail to the last known tax-mailing address of the record owner 3432
of the property or parcel and may send such notice to all 3433
parties with an interest in the property that has been recorded 3434
in the property records of the county pursuant to section 317.08 3435
of the Revised Code. The notice shall state that a tax 3436
certificate will be offered for sale or transfer on the parcel, 3437
and that the owner or interested parties may incur additional 3438
expenses as a result of the sale or transfer. 3439

(3) The county treasurer is not required to send a notice 3440
under division (B) (1) or (B) (2) of this section if the treasurer 3441
previously has attempted to send such notice to the owner of the 3442
parcel and the notice has been returned by the post office as 3443
undeliverable. The absence of a valid tax-mailing address for 3444
the owner of a parcel does not preclude the county treasurer 3445
from selling or transferring a tax certificate for the parcel. 3446

(C) The county treasurer shall advertise the sale of tax 3447
certificates under section 5721.32 of the Revised Code in a 3448
newspaper of general circulation in the county once a week for 3449
two consecutive weeks. The newspaper shall meet the requirements 3450
of section 7.12 of the Revised Code. The advertisement shall 3451
include the date, the time, and the place of the public auction, 3452
abbreviated legal descriptions of the parcels, and the names of 3453
the owners of record of the parcels. The advertisement also 3454

shall include the certificate purchase prices of the parcels or 3455
the total purchase price of tax certificates for sale in blocks 3456
of tax certificates. 3457

(D) After the county treasurer has compiled the list of 3458
parcels selected for tax certificate sales but before a tax 3459
certificate respecting a parcel is sold or transferred, if the 3460
owner of record of the parcel pays to the county treasurer in 3461
cash the delinquent taxes respecting the parcel or otherwise 3462
acts so that any condition in division (A) (1) (a), (b), or (c) of 3463
this section applies to the parcel, the owner of record of the 3464
parcel also shall pay a fee in an amount prescribed by the 3465
treasurer to cover the administrative costs of the treasurer 3466
under this section respecting the parcel. The fee shall be 3467
deposited in the county treasury to the credit of the tax 3468
certificate administration fund. 3469

(E) A tax certificate administration fund shall be created 3470
in the county treasury of each county selling tax certificates 3471
under sections 5721.30 to 5721.43 of the Revised Code. The fund 3472
shall be administered by the county treasurer, and used solely 3473
for the purposes of sections 5721.30 to 5721.43 of the Revised 3474
Code or as otherwise permitted in this division. Any fee 3475
received by the treasurer under sections 5721.30 to 5721.43 of 3476
the Revised Code shall be credited to the fund, except the 3477
bidder registration fee under division (B) of section 5721.32 of 3478
the Revised Code and the county prosecuting attorney's fee under 3479
division (B) (3) of section 5721.37 of the Revised Code. To the 3480
extent there is a surplus in the fund from time to time, the 3481
surplus may, with the approval of the county treasurer, be 3482
utilized for the purposes of a county land reutilization 3483
corporation operating in the county. 3484

(F) The county treasurers of more than one county may 3485
jointly conduct a regional sale of tax certificates under 3486
section 5721.32 of the Revised Code. A regional sale shall be 3487
held at a single location in one county, where the tax 3488
certificates from each of the participating counties shall be 3489
offered for sale at public auction. Before the regional sale, 3490
each county treasurer shall advertise the sale for the parcels 3491
in the treasurer's county as required by division (C) of this 3492
section. At the regional sale, tax certificates shall be sold on 3493
parcels from one county at a time, with all of the certificates 3494
for one county offered for sale before any certificates for the 3495
next county are offered for sale. 3496

(G) The tax commissioner shall prescribe the form of the 3497
tax certificate under this section, and county treasurers shall 3498
use the form so prescribed. 3499

Sec. 5721.32. (A) The sale of tax certificates by public 3500
auction may be conducted at any time after completion of the 3501
advertising of the sale under section 5721.31 of the Revised 3502
Code, on the date and at the time and place designated in the 3503
advertisements, and may be continued from time to time as the 3504
county treasurer directs. The county treasurer may offer the tax 3505
certificates for sale in blocks of tax certificates, consisting 3506
of any number of tax certificates as determined by the county 3507
treasurer, and may specify a certificate period of not less than 3508
three years and not more than six years. 3509

(B) (1) The sale of tax certificates under this section 3510
shall be conducted at a public auction by the county treasurer 3511
or a designee of the county treasurer. 3512

(2) No person shall be permitted to bid without completing 3513
a bidder registration form, in the form prescribed by the tax 3514

commissioner, and without filing the form with the county 3515
treasurer prior to the start of the auction, together with 3516
remittance of a registration fee, in cash, of five hundred 3517
dollars. The bidder registration form shall include a tax 3518
identification number of the registrant. The registration fee is 3519
refundable at the end of bidding on the day of the auction, 3520
unless the registrant is the winning bidder for one or more tax 3521
certificates or one or more blocks of tax certificates, in which 3522
case the fee may be applied toward the deposit required by this 3523
section. 3524

(3) The county treasurer may require a person who wishes 3525
to bid on one or more parcels to submit a letter from a 3526
financial institution stating that the bidder has sufficient 3527
funds available to pay the purchase price of the parcels and a 3528
written authorization for the treasurer to verify such 3529
information with the financial institution. The county treasurer 3530
may require submission of the letter and authorization 3531
sufficiently in advance of the auction to allow for 3532
verification. No person who fails to submit the required letter 3533
and authorization, or whose financial institution fails to 3534
provide the requested verification, shall be permitted to bid. 3535

(C) At the public auction, the county treasurer or the 3536
treasurer's designee or agent shall begin the bidding at 3537
eighteen per cent per year simple interest, and accept lower 3538
bids in even increments of one-fourth of one per cent to the 3539
rate of zero per cent. The county treasurer, designee, or agent 3540
shall award the tax certificate to the person bidding the lowest 3541
certificate rate of interest. The county treasurer shall decide 3542
which person is the winning bidder in the event of a tie for the 3543
lowest bid offered, or if a person contests the lowest bid 3544
offered. The county treasurer's decision is not appealable. 3545

(D) (1) The winning bidder shall pay the county treasurer a 3546
cash deposit of at least ten per cent of the certificate 3547
purchase price not later than the close of business on the day 3548
of the sale. The winning bidder shall pay the balance and the 3549
fee required under division (H) of this section not later than 3550
five business days after the day on which the certificate is 3551
sold. Except as provided under division (D) (2) of this section, 3552
if the winning bidder fails to pay the balance and fee within 3553
the prescribed time, the bidder forfeits the deposit, and the 3554
county treasurer shall retain the tax certificate and may 3555
attempt to sell it at any auction conducted at a later date. 3556

(2) At the request of a winning bidder, the county 3557
treasurer may release the bidder from the bidder's tax 3558
certificate purchase obligation. The county treasurer may retain 3559
all or any portion of the deposit of a bidder granted a release. 3560
After granting a release under this division, the county 3561
treasurer may award the tax certificate to the person that 3562
submitted the second lowest bid at the auction. 3563

(3) The county treasurer shall deposit the deposit 3564
forfeited or retained under ~~divisions~~division (D) (1) or (2) of 3565
this section in the county treasury to the credit of the tax 3566
certificate administration fund. 3567

(E) Upon receipt of the full payment of the certificate 3568
purchase price from the purchaser, the county treasurer shall 3569
issue the tax certificate and record the tax certificate sale by 3570
entering into a tax certificate register the certificate 3571
purchase price, the certificate rate of interest, the date the 3572
certificate was sold, the certificate period, the name and 3573
address of the certificate holder, and any other information the 3574
county treasurer considers necessary. The county treasurer may 3575

keep the tax certificate register in a hard-copy format or in an 3576
electronic format. The name and address of the certificate 3577
holder may be, upon receipt of instructions from the purchaser, 3578
that of the secured party of the actual purchaser, or an agent 3579
or custodian for the purchaser or secured party. The county 3580
treasurer also shall transfer the tax certificate to the 3581
certificate holder. The county treasurer shall apportion the 3582
part of the proceeds from the sale representing taxes, 3583
penalties, and interest among the several taxing districts in 3584
the same proportion that the amount of taxes levied by each 3585
district against the certificate parcel in the preceding tax 3586
year bears to the taxes levied by all such districts against the 3587
certificate parcel in the preceding tax year, and credit the 3588
part of the proceeds representing assessments and other charges 3589
to the items of assessments and charges in the order in which 3590
those items became due. Upon issuing a tax certificate, the 3591
delinquent taxes that make up the certificate purchase price are 3592
transferred, and the superior lien of the state and its taxing 3593
districts for those delinquent taxes is conveyed intact to the 3594
certificate holder. 3595

(F) If a tax certificate is offered for sale under this 3596
section but is not sold, the county treasurer may sell the 3597
certificate in a negotiated sale authorized under section 3598
5721.33 of the Revised Code, or may strike the corresponding 3599
certificate parcel from the list of parcels selected for tax 3600
certificate sales. The lien for taxes, assessments, charges, 3601
penalties, and interest against a parcel stricken from the list 3602
thereafter may be foreclosed in the manner prescribed by section 3603
323.25, sections 323.65 to 323.79, or section 5721.14 or 5721.18 3604
of the Revised Code unless, prior to the institution of such 3605
proceedings against the parcel, the county treasurer restores 3606

the parcel to the list of parcels selected for tax certificate 3607
sales. 3608

(G) A certificate holder shall not be liable for damages 3609
arising from a violation of sections 3737.87 to 3737.891 or 3610
Chapter 3704., 3734., 3745., 3746., 3750., 3751., 3752., 6109., 3611
or 6111. of the Revised Code, or a rule adopted or order, 3612
permit, license, variance, or plan approval issued under any of 3613
those chapters, that is or was committed by another person in 3614
connection with the parcel for which the tax certificate is 3615
held. 3616

(H) When selling a tax certificate under this section, the 3617
county treasurer shall charge a fee to the purchaser of the 3618
certificate. The county treasurer shall set the fee at a 3619
reasonable amount that covers the treasurer's costs of 3620
administering the sale of the tax certificate. The county 3621
treasurer shall deposit the fee in the county treasury to the 3622
credit of the tax certificate administration fund. 3623

(I) After selling a tax certificate under this section, 3624
the county treasurer shall send written notice ~~by certified mail~~ 3625
to the owner of the certificate parcel ~~at~~ by certified mail or, 3626
if the treasurer has record of an internet identifier of record 3627
associated with the owner, by ordinary mail and by that internet 3628
identifier of record. A mailed notice shall be sent to the 3629
owner's last known tax-mailing address. The notice shall inform 3630
the owner that the tax certificate was sold, shall describe the 3631
owner's options to redeem the parcel, including entering into a 3632
redemption payment plan under division (C)(1) of section 5721.38 3633
of the Revised Code, and shall name the certificate holder and 3634
its secured party, if any. However, the county treasurer is not 3635
required to send a notice under this division if the treasurer 3636

previously has attempted to send a notice to the owner of the 3637
parcel at the owner's last known tax-mailing address, and the 3638
postal service has returned the notice as undeliverable. 3639

(J) A tax certificate shall not be sold to the owner of 3640
the certificate parcel. 3641

Sec. 5721.33. (A) A county treasurer may, in the 3642
treasurer's discretion, negotiate the sale or transfer of any 3643
number of tax certificates with one or more persons, including a 3644
county land reutilization corporation. Terms that may be 3645
negotiated include, without limitation, any of the following: 3646

(1) A premium to be added to or discount to be subtracted 3647
from the certificate purchase price for the tax certificates; 3648

(2) Different time frames under which the certificate 3649
holder may initiate a foreclosure action than are otherwise 3650
allowed under sections 5721.30 to 5721.43 of the Revised Code, 3651
not to exceed six years after the date the tax certificate was 3652
sold or transferred; 3653

(3) The amount to be paid in private attorney's fees 3654
related to tax certificate foreclosures, subject to section 3655
5721.371 of the Revised Code; 3656

(4) Any other terms of the sale or transfer that the 3657
county treasurer, in the treasurer's discretion, determines 3658
appropriate or necessary for the sale or transfer. 3659

(B) The sale or transfer of tax certificates under this 3660
section shall be governed by the criteria established by the 3661
county treasurer pursuant to division (E) of this section. 3662

(C) The county treasurer may execute a tax certificate 3663
sale/purchase agreement and other necessary agreements with a 3664

designated purchaser or purchasers to complete a negotiated sale 3665
or transfer of tax certificates. 3666

(D) The tax certificate may be sold at a premium to or 3667
discount from the certificate purchase price. The county 3668
treasurer may establish as one of the terms of the negotiated 3669
sale the portion of the certificate purchase price, plus any 3670
applicable premium or less any applicable discount, that the 3671
purchaser or purchasers shall pay in cash on the date the tax 3672
certificates are sold and the portion, if any, of the 3673
certificate purchase price, plus any applicable premium or less 3674
any applicable discount, that the purchaser or purchasers shall 3675
pay in noncash consideration and the nature of that 3676
consideration. 3677

The county treasurer shall sell such tax certificates at a 3678
certificate purchase price, plus any applicable premium and less 3679
any applicable discount, and at a certificate rate of interest 3680
that, in the treasurer's determination, are in the best 3681
interests of the county. 3682

(E) (1) The county treasurer shall adopt rules governing 3683
the eligibility of persons to purchase tax certificates or to 3684
otherwise participate in a negotiated sale under this section. 3685
The rules may provide for precertification of such persons, 3686
including a requirement for disclosure of income, assets, and 3687
any other financial information the county treasurer determines 3688
appropriate. The rules also may prohibit any person that is 3689
delinquent in the payment of any tax to the county or to the 3690
state, or that is in default in or on any other obligation to 3691
the county or to the state, from purchasing a tax certificate or 3692
otherwise participating in a negotiated sale of tax certificates 3693
under this section. The rules may also authorize the purchase of 3694

certificates by a county land reutilization corporation, and 3695
authorize the county treasurer to receive notes in lieu of cash, 3696
with such notes being payable to the treasurer upon the receipt 3697
or enforcement of such taxes, assessments, charges, costs, 3698
penalties, and interest, and as otherwise further agreed between 3699
the corporation and the treasurer. The eligibility information 3700
required shall include the tax identification number of the 3701
purchaser and may include the tax identification number of the 3702
participant. The county treasurer, upon request, shall provide a 3703
copy of the rules adopted under this section. 3704

(2) Any person that intends to purchase a tax certificate 3705
in a negotiated sale shall submit an affidavit to the county 3706
treasurer that establishes compliance with the applicable 3707
eligibility criteria and includes any other information required 3708
by the treasurer. Any person that fails to submit such an 3709
affidavit is ineligible to purchase a tax certificate. Any 3710
person that knowingly submits a false or misleading affidavit 3711
shall forfeit any tax certificate or certificates purchased by 3712
the person at a sale for which the affidavit was submitted, 3713
shall be liable for payment of the full certificate purchase 3714
price, plus any applicable premium and less any applicable 3715
discount, of the tax certificate or certificates, and shall be 3716
disqualified from participating in any tax certificate sale 3717
conducted in the county during the next five years. 3718

(3) A tax certificate shall not be sold to the owner of 3719
the certificate parcel or to any corporation, partnership, or 3720
association in which such owner has an interest. No person that 3721
purchases a tax certificate in a negotiated sale shall assign or 3722
transfer the tax certificate to the owner of the certificate 3723
parcel or to any corporation, partnership, or association in 3724
which the owner has an interest. Any person that knowingly or 3725

negligently transfers or assigns a tax certificate to the owner 3726
of the certificate parcel or to any corporation, partnership, or 3727
association in which such owner has an interest shall be liable 3728
for payment of the full certificate purchase price, plus any 3729
applicable premium and less any applicable discount, and shall 3730
not be entitled to a refund of any amount paid. Such tax 3731
certificate shall be deemed void and the tax lien sold under the 3732
tax certificate shall revert to the county as if no sale of the 3733
tax certificate had occurred. 3734

(F) The purchaser in a negotiated sale under this section 3735
shall deliver the certificate purchase price or other 3736
consideration, plus any applicable premium and less any 3737
applicable discount and including any noncash consideration, to 3738
the county treasurer not later than the close of business on the 3739
date the tax certificates are delivered to the purchaser. The 3740
certificate purchase price, less any applicable discount, or 3741
portion of the price, that is paid in cash shall be deposited in 3742
the county's general fund to the credit of the account to which 3743
ad valorem real property taxes are credited and further credited 3744
as provided in division (G) of this section. Any applicable 3745
premium that is paid shall be, at the discretion of the county 3746
treasurer, apportioned to and deposited in any authorized county 3747
fund. The purchaser also shall pay on the date the tax 3748
certificates are delivered to the purchaser the fee, if any, 3749
negotiated under division (J) of this section. If the purchaser 3750
fails to pay the certificate purchase price, plus any applicable 3751
premium and less any applicable discount, and any such fee, 3752
within the time periods required by this section, the county 3753
treasurer shall retain the tax certificate and may attempt to 3754
sell it at any auction or negotiated sale conducted at a later 3755
date. 3756

(G) Upon receipt of the full payment from the purchaser of 3757
the certificate purchase price or other agreed-upon 3758
consideration, plus any applicable premium and less any 3759
applicable discount, and the negotiated fee, if any, the county 3760
treasurer, or a qualified trustee whom the treasurer has engaged 3761
for such purpose, shall issue the tax certificate and record the 3762
tax certificate sale by entering into a tax certificate register 3763
the certificate purchase price, any premium paid or discount 3764
taken, the certificate rate of interest, the date the 3765
certificates were sold, the name and address of the certificate 3766
holder or, in the case of issuance of the tax certificates in a 3767
book-entry system, the name and address of the nominee, and any 3768
other information the county treasurer considers necessary. The 3769
county treasurer may keep the tax certificate register in a 3770
hard-copy format or an electronic format. The name and address 3771
of the certificate holder or nominee may be, upon receipt of 3772
instructions from the purchaser, that of the secured party of 3773
the actual purchaser, or an agent or custodian for the purchaser 3774
or secured party. The county treasurer also shall transfer the 3775
tax certificates to the certificate holder. The county treasurer 3776
shall apportion the part of the cash proceeds from the sale 3777
representing taxes, penalties, and interest among the several 3778
taxing districts in the same proportion that the amount of taxes 3779
levied by each district against the certificate parcels in the 3780
preceding tax year bears to the taxes levied by all such 3781
districts against the certificate parcels in the preceding tax 3782
year, and credit the part of the proceeds representing 3783
assessments and other charges to the items of assessments and 3784
charges in the order in which those items became due. If the 3785
cash proceeds from the sale are not sufficient to fully satisfy 3786
the items of taxes, assessments, penalties, interest, and 3787
charges on the certificate parcels against which tax 3788

certificates were sold, the county treasurer shall credit the 3789
cash proceeds to such items pro rata based upon the proportion 3790
that each item of taxes, assessments, penalties, interest, and 3791
charges bears to the aggregate of all such items, or by any 3792
other method that the county treasurer, in the treasurer's sole 3793
discretion, determines is equitable. Upon issuing the tax 3794
certificates, the delinquent taxes that make up the certificate 3795
purchase price are transferred, and the superior lien of the 3796
state and its taxing districts for those delinquent taxes is 3797
conveyed intact to the certificate holder or holders. 3798

(H) If a tax certificate is offered for sale under this 3799
section but is not sold, the county treasurer may strike the 3800
corresponding certificate parcel from the list of parcels 3801
selected for tax certificate sales. The lien for taxes, 3802
assessments, charges, penalties, and interest against a parcel 3803
stricken from the list thereafter may be foreclosed in the 3804
manner prescribed by section 323.25, 5721.14, or 5721.18 of the 3805
Revised Code unless, prior to the institution of such 3806
proceedings against the parcel, the county treasurer restores 3807
the parcel to the list of parcels selected for tax certificate 3808
sales. 3809

(I) Neither a certificate holder nor its secured party, if 3810
any, shall be liable for damages arising from a violation of 3811
sections 3737.87 to 3737.891 or Chapter 3704., 3734., 3745., 3812
3746., 3750., 3751., 3752., 6109., or 6111. of the Revised Code, 3813
or a rule adopted or order, permit, license, variance, or plan 3814
approval issued under any of those chapters, that is or was 3815
committed by another person in connection with the parcel for 3816
which the tax certificate is held. 3817

(J) When selling or transferring a tax certificate under 3818

this section, the county treasurer may negotiate with the 3819
purchaser of the certificate for fees paid by the purchaser to 3820
the county treasurer to reimburse the treasurer for any part or 3821
all of the treasurer's costs of preparing for and administering 3822
the sale of the tax certificate and any fees set forth by the 3823
county treasurer in the tax certificate sale/purchase agreement. 3824
Such fees, if any, shall be added to the certificate purchase 3825
price and shall be paid by the purchaser on the date of delivery 3826
of the tax certificate. The county treasurer shall deposit the 3827
fees in the county treasury to the credit of the tax certificate 3828
administration fund. 3829

(K) After selling tax certificates under this section, the 3830
county treasurer shall send written notice ~~by certified mail to~~ 3831
~~the last known tax mailing address of the~~ owner of the 3832
certificate parcel by either certified mail or, if the treasurer 3833
has record of an internet identifier of record associated with 3834
the owner, by ordinary mail and by that internet identifier of 3835
record. A mailed notice shall be sent to the owner's last known 3836
tax-mailing address. The notice shall inform the owner that a 3837
tax certificate with respect to such owner's parcel was sold or 3838
transferred and shall describe the owner's options to redeem the 3839
parcel, including entering into a redemption payment plan under 3840
division (C) (2) of section 5721.38 of the Revised Code. However, 3841
the county treasurer is not required to send a notice under this 3842
division if the treasurer previously has attempted to send a 3843
notice to the owner of the parcel at the owner's last known tax- 3844
mailing address and the postal service has returned the notice 3845
as undeliverable. 3846

Sec. 5727.75. (A) For purposes of this section: 3847

(1) "Qualified energy project" means an energy project 3848

certified by the director of development services pursuant to 3849
this section. 3850

(2) "Energy project" means a project to provide electric 3851
power through the construction, installation, and use of an 3852
energy facility. 3853

(3) "Alternative energy zone" means a county declared as 3854
such by the board of county commissioners under division (E) (1) 3855
(b) or (c) of this section. 3856

(4) "Full-time equivalent employee" means the total number 3857
of employee-hours for which compensation was paid to individuals 3858
employed at a qualified energy project for services performed at 3859
the project during the calendar year divided by two thousand 3860
eighty hours. 3861

(5) "Solar energy project" means an energy project 3862
composed of an energy facility using solar panels to generate 3863
electricity. 3864

(6) "Internet identifier of record" has the same meaning 3865
as in section 9.312 of the Revised Code. 3866

(B) (1) Tangible personal property of a qualified energy 3867
project using renewable energy resources is exempt from taxation 3868
for tax years 2011 through 2021 if all of the following 3869
conditions are satisfied: 3870

(a) On or before December 31, 2020, the owner or a lessee 3871
pursuant to a sale and leaseback transaction of the project 3872
submits an application to the power siting board for a 3873
certificate under section 4906.20 of the Revised Code, or if 3874
that section does not apply, submits an application for any 3875
approval, consent, permit, or certificate or satisfies any 3876
condition required by a public agency or political subdivision 3877

of this state for the construction or initial operation of an 3878
energy project. 3879

(b) Construction or installation of the energy facility 3880
begins on or after January 1, 2009, and before January 1, 2021. 3881
For the purposes of this division, construction begins on the 3882
earlier of the date of application for a certificate or other 3883
approval or permit described in division (B) (1) (a) of this 3884
section, or the date the contract for the construction or 3885
installation of the energy facility is entered into. 3886

(c) For a qualified energy project with a nameplate 3887
capacity of five megawatts or greater, a board of county 3888
commissioners of a county in which property of the project is 3889
located has adopted a resolution under division (E) (1) (b) or (c) 3890
of this section to approve the application submitted under 3891
division (E) of this section to exempt the property located in 3892
that county from taxation. A board's adoption of a resolution 3893
rejecting an application or its failure to adopt a resolution 3894
approving the application does not affect the tax-exempt status 3895
of the qualified energy project's property that is located in 3896
another county. 3897

(2) If tangible personal property of a qualified energy 3898
project using renewable energy resources was exempt from 3899
taxation under this section beginning in any of tax years 2011 3900
through 2021, and the certification under division (E) (2) of 3901
this section has not been revoked, the tangible personal 3902
property of the qualified energy project is exempt from taxation 3903
for tax year 2022 and all ensuing tax years if the property was 3904
placed into service before January 1, 2022, as certified in the 3905
construction progress report required under division (F) (2) of 3906
this section. Tangible personal property that has not been 3907

placed into service before that date is taxable property subject 3908
to taxation. An energy project for which certification has been 3909
revoked is ineligible for further exemption under this section. 3910
Revocation does not affect the tax-exempt status of the 3911
project's tangible personal property for the tax year in which 3912
revocation occurs or any prior tax year. 3913

(C) Tangible personal property of a qualified energy 3914
project using clean coal technology, advanced nuclear 3915
technology, or cogeneration technology is exempt from taxation 3916
for the first tax year that the property would be listed for 3917
taxation and all subsequent years if all of the following 3918
circumstances are met: 3919

(1) The property was placed into service before January 1, 3920
2021. Tangible personal property that has not been placed into 3921
service before that date is taxable property subject to 3922
taxation. 3923

(2) For such a qualified energy project with a nameplate 3924
capacity of five megawatts or greater, a board of county 3925
commissioners of a county in which property of the qualified 3926
energy project is located has adopted a resolution under 3927
division (E) (1) (b) or (c) of this section to approve the 3928
application submitted under division (E) of this section to 3929
exempt the property located in that county from taxation. A 3930
board's adoption of a resolution rejecting the application or 3931
its failure to adopt a resolution approving the application does 3932
not affect the tax-exempt status of the qualified energy 3933
project's property that is located in another county. 3934

(3) The certification for the qualified energy project 3935
issued under division (E) (2) of this section has not been 3936
revoked. An energy project for which certification has been 3937

revoked is ineligible for exemption under this section. 3938
Revocation does not affect the tax-exempt status of the 3939
project's tangible personal property for the tax year in which 3940
revocation occurs or any prior tax year. 3941

(D) Except as otherwise provided in this section, real 3942
property of a qualified energy project is exempt from taxation 3943
for any tax year for which the tangible personal property of the 3944
qualified energy project is exempted under this section. 3945

(E) (1) (a) A person may apply to the director of 3946
development services for certification of an energy project as a 3947
qualified energy project on or before the following dates: 3948

(i) December 31, 2020, for an energy project using 3949
renewable energy resources; 3950

(ii) December 31, 2017, for an energy project using clean 3951
coal technology, advanced nuclear technology, or cogeneration 3952
technology. 3953

(b) The director shall forward a copy of each application 3954
for certification of an energy project with a nameplate capacity 3955
of five megawatts or greater to the board of county 3956
commissioners of each county in which the project is located and 3957
to each taxing unit with territory located in each of the 3958
affected counties. Any board that receives from the director a 3959
copy of an application submitted under this division shall adopt 3960
a resolution approving or rejecting the application unless it 3961
has adopted a resolution under division (E) (1) (c) of this 3962
section. A resolution adopted under division (E) (1) (b) or (c) of 3963
this section may require an annual service payment to be made in 3964
addition to the service payment required under division (G) of 3965
this section. The sum of the service payment required in the 3966

resolution and the service payment required under division (G) 3967
of this section shall not exceed nine thousand dollars per 3968
megawatt of nameplate capacity located in the county. The 3969
resolution shall specify the time and manner in which the 3970
payments required by the resolution shall be paid to the county 3971
treasurer. The county treasurer shall deposit the payment to the 3972
credit of the county's general fund to be used for any purpose 3973
for which money credited to that fund may be used. 3974

The board shall send copies of the resolution ~~by certified~~ 3975
~~mail~~ to the owner of the facility and the director by certified 3976
mail or, if the board has record of an internet identifier of 3977
record associated with the owner or director, by ordinary mail 3978
and by that internet identifier of record. The board shall send 3979
such notice within thirty days after receipt of the application, 3980
or a longer period of time if authorized by the director. 3981

(c) A board of county commissioners may adopt a resolution 3982
declaring the county to be an alternative energy zone and 3983
declaring all applications submitted to the director of 3984
development services under this division after the adoption of 3985
the resolution, and prior to its repeal, to be approved by the 3986
board. 3987

All tangible personal property and real property of an 3988
energy project with a nameplate capacity of five megawatts or 3989
greater is taxable if it is located in a county in which the 3990
board of county commissioners adopted a resolution rejecting the 3991
application submitted under this division or failed to adopt a 3992
resolution approving the application under division (E) (1) (b) or 3993
(c) of this section. 3994

(2) The director shall certify an energy project if all of 3995
the following circumstances exist: 3996

(a) The application was timely submitted. 3997

(b) For an energy project with a nameplate capacity of 3998
five megawatts or greater, a board of county commissioners of at 3999
least one county in which the project is located has adopted a 4000
resolution approving the application under division (E) (1) (b) or 4001
(c) of this section. 4002

(c) No portion of the project's facility was used to 4003
supply electricity before December 31, 2009. 4004

(3) The director shall deny a certification application if 4005
the director determines the person has failed to comply with any 4006
requirement under this section. The director may revoke a 4007
certification if the director determines the person, or 4008
subsequent owner or lessee pursuant to a sale and leaseback 4009
transaction of the qualified energy project, has failed to 4010
comply with any requirement under this section. Upon 4011
certification or revocation, the director shall notify the 4012
person, owner, or lessee, the tax commissioner, and the county 4013
auditor of a county in which the project is located of the 4014
certification or revocation. Notice shall be provided in a 4015
manner convenient to the director. 4016

(F) The owner or a lessee pursuant to a sale and leaseback 4017
transaction of a qualified energy project shall do each of the 4018
following: 4019

(1) Comply with all applicable regulations; 4020

(2) File with the director of development services a 4021
certified construction progress report before the first day of 4022
March of each year during the energy facility's construction or 4023
installation indicating the percentage of the project completed, 4024
and the project's nameplate capacity, as of the preceding 4025

thirty-first day of December. Unless otherwise instructed by the 4026
director of development services, the owner or lessee of an 4027
energy project shall file a report with the director on or 4028
before the first day of March each year after completion of the 4029
energy facility's construction or installation indicating the 4030
project's nameplate capacity as of the preceding thirty-first 4031
day of December. Not later than sixty days after June 17, 2010, 4032
the owner or lessee of an energy project, the construction of 4033
which was completed before June 17, 2010, shall file a 4034
certificate indicating the project's nameplate capacity. 4035

(3) File with the director of development services, in a 4036
manner prescribed by the director, a report of the total number 4037
of full-time equivalent employees, and the total number of full- 4038
time equivalent employees domiciled in Ohio, who are employed in 4039
the construction or installation of the energy facility; 4040

(4) For energy projects with a nameplate capacity of five 4041
megawatts or greater, repair all roads, bridges, and culverts 4042
affected by construction as reasonably required to restore them 4043
to their preconstruction condition, as determined by the county 4044
engineer in consultation with the local jurisdiction responsible 4045
for the roads, bridges, and culverts. In the event that the 4046
county engineer deems any road, bridge, or culvert to be 4047
inadequate to support the construction or decommissioning of the 4048
energy facility, the road, bridge, or culvert shall be rebuilt 4049
or reinforced to the specifications established by the county 4050
engineer prior to the construction or decommissioning of the 4051
facility. The owner or lessee of the facility shall post a bond 4052
in an amount established by the county engineer and to be held 4053
by the board of county commissioners to ensure funding for 4054
repairs of roads, bridges, and culverts affected during the 4055
construction. The bond shall be released by the board not later 4056

than one year after the date the repairs are completed. The 4057
energy facility owner or lessee pursuant to a sale and leaseback 4058
transaction shall post a bond, as may be required by the Ohio 4059
power siting board in the certificate authorizing commencement 4060
of construction issued pursuant to section 4906.10 of the 4061
Revised Code, to ensure funding for repairs to roads, bridges, 4062
and culverts resulting from decommissioning of the facility. The 4063
energy facility owner or lessee and the county engineer may 4064
enter into an agreement regarding specific transportation plans, 4065
reinforcements, modifications, use and repair of roads, 4066
financial security to be provided, and any other relevant issue. 4067

(5) Provide or facilitate training for fire and emergency 4068
responders for response to emergency situations related to the 4069
energy project and, for energy projects with a nameplate 4070
capacity of five megawatts or greater, at the person's expense, 4071
equip the fire and emergency responders with proper equipment as 4072
reasonably required to enable them to respond to such emergency 4073
situations; 4074

(6) Maintain a ratio of Ohio-domiciled full-time 4075
equivalent employees employed in the construction or 4076
installation of the energy project to total full-time equivalent 4077
employees employed in the construction or installation of the 4078
energy project of not less than eighty per cent in the case of a 4079
solar energy project, and not less than fifty per cent in the 4080
case of any other energy project. In the case of an energy 4081
project for which certification from the power siting board is 4082
required under section 4906.20 of the Revised Code, the number 4083
of full-time equivalent employees employed in the construction 4084
or installation of the energy project equals the number actually 4085
employed or the number projected to be employed in the 4086
certificate application, if such projection is required under 4087

regulations adopted pursuant to section 4906.03 of the Revised 4088
Code, whichever is greater. For all other energy projects, the 4089
number of full-time equivalent employees employed in the 4090
construction or installation of the energy project equals the 4091
number actually employed or the number projected to be employed 4092
by the director of development services, whichever is greater. 4093
To estimate the number of employees to be employed in the 4094
construction or installation of an energy project, the director 4095
shall use a generally accepted job-estimating model in use for 4096
renewable energy projects, including but not limited to the job 4097
and economic development impact model. The director may adjust 4098
an estimate produced by a model to account for variables not 4099
accounted for by the model. 4100

(7) For energy projects with a nameplate capacity in 4101
excess of two megawatts, establish a relationship with a member 4102
of the university system of Ohio as defined in section 3345.011 4103
of the Revised Code or with a person offering an apprenticeship 4104
program registered with the employment and training 4105
administration within the United States department of labor or 4106
with the apprenticeship council created by section 4139.02 of 4107
the Revised Code, to educate and train individuals for careers 4108
in the wind or solar energy industry. The relationship may 4109
include endowments, cooperative programs, internships, 4110
apprenticeships, research and development projects, and 4111
curriculum development. 4112

(8) Offer to sell power or renewable energy credits from 4113
the energy project to electric distribution utilities or 4114
electric service companies subject to renewable energy resource 4115
requirements under section 4928.64 of the Revised Code that have 4116
issued requests for proposal for such power or renewable energy 4117
credits. If no electric distribution utility or electric service 4118

company issues a request for proposal on or before December 31, 4119
2010, or accepts an offer for power or renewable energy credits 4120
within forty-five days after the offer is submitted, power or 4121
renewable energy credits from the energy project may be sold to 4122
other persons. Division (F)(8) of this section does not apply 4123
if: 4124

(a) The owner or lessee is a rural electric company or a 4125
municipal power agency as defined in section 3734.058 of the 4126
Revised Code. 4127

(b) The owner or lessee is a person that, before 4128
completion of the energy project, contracted for the sale of 4129
power or renewable energy credits with a rural electric company 4130
or a municipal power agency. 4131

(c) The owner or lessee contracts for the sale of power or 4132
renewable energy credits from the energy project before June 17, 4133
2010. 4134

(9) Make annual service payments as required by division 4135
(G) of this section and as may be required in a resolution 4136
adopted by a board of county commissioners under division (E) of 4137
this section. 4138

(G) The owner or a lessee pursuant to a sale and leaseback 4139
transaction of a qualified energy project shall make annual 4140
service payments in lieu of taxes to the county treasurer on or 4141
before the final dates for payments of taxes on public utility 4142
personal property on the real and public utility personal 4143
property tax list for each tax year for which property of the 4144
energy project is exempt from taxation under this section. The 4145
county treasurer shall allocate the payment on the basis of the 4146
project's physical location. Upon receipt of a payment, or if 4147

timely payment has not been received, the county treasurer shall 4148
certify such receipt or non-receipt to the director of 4149
development services and tax commissioner in a form determined 4150
by the director and commissioner, respectively. Each payment 4151
shall be in the following amount: 4152

(1) In the case of a solar energy project, seven thousand 4153
dollars per megawatt of nameplate capacity located in the county 4154
as of December 31, 2010, for tax year 2011, as of December 31, 4155
2011, for tax year 2012, as of December 31, 2012, for tax year 4156
2013, as of December 31, 2013, for tax year 2014, as of December 4157
31, 2014, for tax year 2015, as of December 31, 2015, for tax 4158
year 2016, and as of December 31, 2016, for tax year 2017 and 4159
each tax year thereafter; 4160

(2) In the case of any other energy project using 4161
renewable energy resources, the following: 4162

(a) If the project maintains during the construction or 4163
installation of the energy facility a ratio of Ohio-domiciled 4164
full-time equivalent employees to total full-time equivalent 4165
employees of not less than seventy-five per cent, six thousand 4166
dollars per megawatt of nameplate capacity located in the county 4167
as of the thirty-first day of December of the preceding tax 4168
year; 4169

(b) If the project maintains during the construction or 4170
installation of the energy facility a ratio of Ohio-domiciled 4171
full-time equivalent employees to total full-time equivalent 4172
employees of less than seventy-five per cent but not less than 4173
sixty per cent, seven thousand dollars per megawatt of nameplate 4174
capacity located in the county as of the thirty-first day of 4175
December of the preceding tax year; 4176

(c) If the project maintains during the construction or 4177
installation of the energy facility a ratio of Ohio-domiciled 4178
full-time equivalent employees to total full-time equivalent 4179
employees of less than sixty per cent but not less than fifty 4180
per cent, eight thousand dollars per megawatt of nameplate 4181
capacity located in the county as of the thirty-first day of 4182
December of the preceding tax year. 4183

(3) In the case of an energy project using clean coal 4184
technology, advanced nuclear technology, or cogeneration 4185
technology, the following: 4186

(a) If the project maintains during the construction or 4187
installation of the energy facility a ratio of Ohio-domiciled 4188
full-time equivalent employees to total full-time equivalent 4189
employees of not less than seventy-five per cent, six thousand 4190
dollars per megawatt of nameplate capacity located in the county 4191
as of the thirty-first day of December of the preceding tax 4192
year; 4193

(b) If the project maintains during the construction or 4194
installation of the energy facility a ratio of Ohio-domiciled 4195
full-time equivalent employees to total full-time equivalent 4196
employees of less than seventy-five per cent but not less than 4197
sixty per cent, seven thousand dollars per megawatt of nameplate 4198

December of the preceding tax year; 4200

(c) If the project maintains during the construction or 4201
installation of the energy facility a ratio of Ohio-domiciled 4202
full-time equivalent employees to total full-time equivalent 4203
