the certification. If the production of a motion picture or 164
broadway theatrical production does not begin within ninety days 165
after the date it is certified as a tax credit-eligible 166
production, the director shall rescind the certification unless 167
the director finds that the production company shows good cause 168

unforeseeable circumstances beyond the production company's 170
control or due to action or inaction by a government agency. 171
Upon rescission, the director shall notify the applicant that 172
the certification has been rescinded. Nothing in this section 173

(C) (1) A ~~motion picture production~~ company whose motion 177
picture or Broadway theatrical production has been certified as 178
a tax credit-eligible production may apply to the director of 179

credit against the tax imposed by section 5726.02, 5733.06, 181
5747.02, or 5751.02 of the Revised Code. The director in 182
consultation with the tax commissioner shall prescribe the form 183
and manner of the application and the information or 184
documentation required to be submitted with the application. 185

The credit is determined as follows: 186

(a) If the total budgeted eligible ~~production~~ expenditures 187
stated in the application submitted under division (B) of this 188

section or the actual eligible ~~production~~-expenditures as 189
finally determined under division (D) of this section, whichever 190
is least, is less than or equal to three hundred thousand 191
dollars, no credit is allowed; 192

(b) If the total budgeted eligible ~~production~~-expenditures 193
stated in the application submitted under division (B) of this 194
section or the actual eligible ~~production~~-expenditures as 195
finally determined under division (D) of this section, whichever 196
is least, is greater than three hundred thousand dollars, the 197
credit equals thirty per cent of the least of such budgeted or 198
actual eligible expenditure amounts. 199

(2) Except as provided in division (C) (4) of this section, 200
if the director of development services approves a ~~motion-~~ 201
~~picture-production~~ company's application for a credit, the 202
director shall issue a tax credit certificate to the company. 203
The director in consultation with the tax commissioner shall 204
prescribe the form and manner of issuing certificates. The 205
director shall assign a unique identifying number to each tax 206
credit certificate and shall record the certificate in a 207
register devised and maintained by the director for that 208
purpose. The certificate shall state the amount of the eligible 209
~~production~~-expenditures on which the credit is based and the 210
amount of the credit. Upon the issuance of a certificate, the 211
director shall certify to the tax commissioner the name of the 212
applicant, the amount of eligible ~~production~~-expenditures shown 213
on the certificate, the amount of the credit, and any other 214
information required by the rules adopted to administer this 215
section. 216

(3) The amount of eligible ~~production~~-expenditures for 217
which a tax credit may be claimed is subject to inspection and 218

examination by the tax commissioner or employees of the 219
commissioner under section 5703.19 of the Revised Code and any 220
other applicable law. Once the eligible ~~production~~ expenditures 221
are finally determined under section 5703.19 of the Revised Code 222
and division (D) of this section, the credit amount is not 223
subject to adjustment unless the director determines an error 224
was committed in the computation of the credit amount. 225

(4) No tax credit certificate may be issued before the 226
completion of the tax credit-eligible production. Not more than 227
forty million dollars of tax credit may be allowed per fiscal 228
year ~~beginning July 1, 2016,~~ provided that, for any fiscal year 229
in which the amount of tax credits allowed under this section is 230
less than that maximum annual amount, the amount not allowed for 231
that fiscal year shall be added to the maximum annual amount 232
that may be allowed for the following fiscal year. 233

(5) ~~In approving~~ The director shall review and approve 234
applications for tax credits under this section in two rounds 235
each fiscal year. The first round of credits shall be awarded 236
not later than the last day of July of the fiscal year, and the 237
second round of credits shall be awarded not later than the last 238
day of the ensuing January. The amount of credits awarded in the 239
first round of applications each fiscal year shall not exceed 240
twenty million dollars plus any credit allotment that was not 241
awarded in the preceding fiscal year and carried over under 242
division (C) (4) of this section. For each round, the director 243
shall rank applications on the basis of the extent of positive 244
economic impact each tax credit-eligible production is likely to 245
have in this state and the effect on developing a permanent 246
workforce in motion picture or theatrical production industries 247
in the state. For the purpose of such ranking, the director 248
shall give priority to tax-credit eligible productions that are 249

television series or miniseries due to the long-term commitment 250
typically associated with such productions. The economic impact 251
ranking shall be based on the production company's total 252
expenditures in this state directly associated with the tax 253
credit-eligible production. The effect on developing a permanent 254
workforce in the motion picture or theatrical production 255
industries shall be evaluated first by the number of new jobs 256
created and second by amount of payroll added with respect to 257
employees in this state. 258

The director shall approve productions in the order of 259
their ranking, from those with the greatest positive economic 260
impact and workforce development effect to those with the least 261
positive economic impact and workforce development effect. 262

(D) A ~~motion picture~~ production company whose motion 263
picture or Broadway theatrical production has been certified as 264
a tax credit-eligible production shall engage, at the company's 265
expense, an independent certified public accountant to examine 266
the company's production, postproduction, and advertising and 267
promotion expenditures to identify the expenditures that qualify 268
as eligible ~~production~~ expenditures. The certified public 269
accountant shall issue a report to the company and to the 270
director of development services certifying the company's 271
eligible ~~production~~ expenditures and any other information 272
required by the director. Upon receiving and examining the 273
report, the director may disallow any expenditure the director 274
determines is not an eligible ~~production~~ expenditure. If the 275
director disallows an expenditure, the director shall issue a 276
written notice to the ~~motion picture~~ production company stating 277
that the expenditure is disallowed and the reason for the 278
disallowance. Upon examination of the report and disallowance of 279
any expenditures, the director shall determine finally the 280

lesser of the total budgeted eligible ~~production~~-expenditures 281
stated in the application submitted under division (B) of this 282
section or the actual eligible ~~production~~-expenditures for the 283
purpose of computing the amount of the credit. 284

(E) No credit shall be allowed under section 5726.55, 285
5733.59, 5747.66, or 5751.54 of the Revised Code unless the 286
director has reviewed the report and made the determination 287
prescribed by division (D) of this section. 288

(F) This state reserves the right to refuse the use of 289
this state's name in the credits of any tax credit-eligible 290
motion picture production or program of any Broadway theatrical 291
production. 292

(G) (1) The director of development services in 293
consultation with the tax commissioner shall adopt rules for the 294
administration of this section, including rules setting forth 295
and governing the criteria for determining whether a motion 296
picture or Broadway theatrical production is a tax credit- 297
eligible production; activities that constitute the production 298
or postproduction of a motion picture or Broadway theatrical 299
production; reporting sufficient evidence of reviewable 300
progress; expenditures that qualify as eligible ~~production~~- 301
expenditures; a schedule and deadlines for applications to be 302
submitted and reviewed; a competitive process for approving 303
credits based on likely economic impact in this state and 304
development of a permanent workforce in motion picture or 305
theatrical production industries in this state; consideration of 306
geographic distribution of credits; and implementation of the 307
program described in division (I) of this section. The rules 308
shall be adopted under Chapter 119. of the Revised Code. 309

(2) To cover the administrative costs of the program, the 310

director shall require each applicant to pay an application fee 311
equal to the lesser of ten thousand dollars or one per cent of 312
the estimated value of the tax credit as stated in the 313
application. The fees collected shall be credited to the tax 314
incentives operating fund created in section 122.174 of the 315
Revised Code. All grants, gifts, fees, and contributions made to 316
the director for marketing and promotion of the motion picture 317
industry within this state shall also be credited to the fund. 318

(H) (1) After the director of development services makes 319
the determination required under division (D) of this section, a 320
~~motion picture production~~ company to which a tax credit 321
certificate is issued may transfer the authority to claim all or 322
a portion of the amount of the tax credit ~~the motion picture~~ 323
~~company is authorized to claim pursuant to that certificate~~ 324
~~under section 5726.55, 5733.59, 5747.66, or 5751.54 of the~~ 325
~~Revised Code~~ to one or more other persons. Within thirty days 326
after a transfer under this division, the ~~motion picture~~ 327
~~production~~ company shall submit the following information to the 328
director, on a form prescribed by the director: 329

(a) Information necessary for the director to identify the 330
certificate that is the basis for the transfer; 331

(b) The portion or amount of the tax credit transferred to 332
each transferee; 333

(c) The portion or amount of the tax credit that the 334
~~motion picture production~~ company retains the authority to 335
claim; 336

(d) The tax identification number of each transferee; 337

(e) The date of the transfer; 338

(f) Any other information required by the director; 339

(g) Any information required by the tax commissioner. 340

The director shall deliver a copy of any submission 341
received under division (H)(1) of this section to the tax 342
commissioner. 343

(2) A transferee may not claim a credit under section 344
5726.55, 5733.59, 5747.66, or 5751.54 of the Revised Code unless 345
and until the transferring ~~motion picture production~~ company 346
complies with division (H)(1) of this section. A transferee may 347
claim the transferred amount of any credit or portion of a 348
credit for the same taxable year or tax period for which the 349
transferring ~~motion picture production~~ company was authorized to 350
claim the credit or portion of a credit pursuant to the 351
certificate. A ~~motion picture production~~ company shall make no 352
transfer under division (H)(1) of this section after the last 353
day of the tax period or taxable year for which the ~~motion~~ 354
~~picture production~~ company is required to claim the credit 355
pursuant to the certificate. 356

A ~~motion picture production~~ company may make not more than 357
one transfer under division (H)(1) of this section for each tax 358
credit certificate, but pursuant to that transaction, may 359
allocate the authority to claim a portion of the credit to more 360
than one transferee. A ~~motion picture production~~ company may not 361
authorize more than one transferee to claim the same portion of 362
a credit. 363

(I) The director of development services shall establish a 364
program for the training of Ohio residents who are or wish to be 365
employed in the film or multimedia industry. Under the program, 366
the director shall: 367

(1) Certify individuals as film and multimedia trainees. 368

In order to receive such a certification, an individual must be 369
