Sec. 119.03. In the adoption, amendment, or rescission of 23
any rule, an agency shall comply with the following procedure: 24

(A) Reasonable public notice shall be given in the 25
register of Ohio at least thirty days prior to the date set for 26
a hearing, in the form the agency determines. The agency shall 27
file copies of the public notice under division (B) of this 28
section. (The agency gives public notice in the register of Ohio 29
when the public notice is published in the register under that 30
division.) 31

The public notice shall include: 32

(1) A statement of the agency's intention to consider 33
adopting, amending, or rescinding a rule; 34

(2) A synopsis of the proposed rule, amendment, or rule to 35

amending, or rescinding the rule; 39

(4) The date, time, and place of a hearing on the proposed 40
action, which shall be not earlier than the thirty-first nor 41
later than the fortieth day after the proposed rule, amendment, 42
or rescission is filed under division (B) of this section. 43

In addition to public notice given in the register of 44
Ohio, the agency may give whatever other notice it reasonably 45
considers necessary to ensure notice constructively is given to 46

all persons who are subject to or affected by the proposed rule, 47
amendment, or rescission. 48

The agency shall provide a copy of the public notice 49
required under division (A) of this section to any person who 50
requests it and pays a reasonable fee, not to exceed the cost of 51
copying and mailing. 52

(B) The full text of the proposed rule, amendment, or rule 53
to be rescinded, accompanied by the public notice required under 54
division (A) of this section, shall be filed in electronic form 55
with the secretary of state and with the director of the 56
legislative service commission. (If in compliance with this 57
division an agency files more than one proposed rule, amendment, 58
or rescission at the same time, and has prepared a public notice 59
under division (A) of this section that applies to more than one 60
of the proposed rules, amendments, or rescissions, the agency 61
shall file only one notice with the secretary of state and with 62
the director for all of the proposed rules, amendments, or 63
rescissions to which the notice applies.) The proposed rule, 64
amendment, or rescission and public notice shall be filed as 65
required by this division at least sixty-five days prior to the 66
date on which the agency, in accordance with division (E) of 67
this section, issues an order adopting the proposed rule, 68
amendment, or rescission. 69

If the proposed rule, amendment, or rescission 70
incorporates a text or other material by reference, the agency 71
shall comply with sections 121.71 to 121.76 of the Revised Code. 72

The proposed rule, amendment, or rescission shall be 73
available for at least thirty days prior to the date of the 74
hearing at the office of the agency in printed or other legible 75
form without charge to any person affected by the proposal. 76

Failure to furnish such text to any person requesting it shall 77
not invalidate any action of the agency in connection therewith. 78

If the agency files a revision in the text of the proposed 79
rule, amendment, or rescission, it shall also promptly file the 80
full text of the proposed rule, amendment, or rescission in its 81
revised form in electronic form with the secretary of state and 82
with the director of the legislative service commission. 83

The agency shall file the rule summary and fiscal analysis 84
prepared under section 127.18 of the Revised Code in electronic 85
form along with a proposed rule, amendment, or rescission or 86
proposed rule, amendment, or rescission in revised form that is 87
filed with the secretary of state or the director of the 88
legislative service commission. 89

The agency shall file the hearing report relating to a 90
proposed rule, amendment, or rescission in electronic form with 91
the secretary of state and the director of the legislative 92
service commission at the same time the agency files the hearing 93
report with the joint committee on agency rule review. 94

The director of the legislative service commission shall 95
publish in the register of Ohio the full text of the original 96
and each revised version of a proposed rule, amendment, or 97
rescission; the full text of a public notice; the full text of a 98
rule summary and fiscal analysis; and the full text of a hearing 99
report that is filed with the director under this division. 100

(C) When an agency files a proposed rule, amendment, or 101
rescission under division (B) of this section, it also shall 102
file in electronic form with the joint committee on agency rule 103
review the full text of the proposed rule, amendment, or rule to 104
be rescinded in the same form and the public notice required 105

under division (A) of this section. (If in compliance with this 106
division an agency files more than one proposed rule, amendment, 107
or rescission at the same time, and has given a public notice 108
under division (A) of this section that applies to more than one 109
of the proposed rules, amendments, or rescissions, the agency 110
shall file only one notice with the joint committee for all of 111
the proposed rules, amendments, or rescissions to which the 112
notice applies.) The proposed rule, amendment, or rescission is 113
subject to legislative review and invalidation under sections 114
106.02, 106.021, and 106.022 of the Revised Code. If the agency 115
makes a revision in a proposed rule, amendment, or rescission 116
after it is filed with the joint committee, the agency promptly 117
shall file the full text of the proposed rule, amendment, or 118
rescission in its revised form in electronic form with the joint 119
committee. 120

An agency shall file the rule summary and fiscal analysis 121
prepared under section 127.18 of the Revised Code in electronic 122
form along with a proposed rule, amendment, or rescission, and 123
along with a proposed rule, amendment, or rescission in revised 124
form, that is filed under this division. 125

If a proposed rule, amendment, or rescission has an 126
adverse impact on businesses, the agency also shall file the 127
business impact analysis, any recommendations received from the 128
common sense initiative office, and the agency's memorandum of 129
response, if any, in electronic form along with the proposed 130
rule, amendment, or rescission, or along with the proposed rule, 131
amendment, or rescission in revised form, that is filed under 132
this division. 133

The agency shall file the hearing report in electronic 134
form with the joint committee before the joint committee holds 135

its public hearing on the proposed rule, amendment, or 136
rescission. The filing of a hearing report does not constitute a 137
revision of the proposed rule, amendment, or rescission to which 138
the hearing report relates. 139

If the proposed rule, amendment, or rescission requires 140
liability insurance, a bond, or any other financial 141
responsibility instrument as a condition of licensure, the 142
agency shall conduct a diligent search to determine if the 143
liability insurance, bond, or other financial responsibility 144
instrument is readily available in the amounts required as a 145
condition of licensure, and shall certify to the joint committee 146
that the search was conducted. 147

A proposed rule, amendment, or rescission that is subject 148
to legislative review under this division may not be adopted 149
under division (E) of this section or filed in final form under 150
section 119.04 of the Revised Code unless the proposed rule, 151
amendment, or rescission has been filed with the joint committee 152
on agency rule review under this division and the time for 153
legislative review of the proposed rule, amendment, or 154
rescission has expired without adoption of a concurrent 155
resolution to invalidate the proposed rule, amendment, or 156
rescission. 157

This division does not apply to: 158

(1) An emergency rule, amendment, or rescission; 159

(2) A proposed rule, amendment, or rescission that must be 160
adopted verbatim by an agency pursuant to federal law or rule, 161
to become effective within sixty days of adoption, in order to 162
continue the operation of a federally reimbursed program in this 163
state, so long as the proposed rule contains both of the 164

following: 165

(a) A statement that it is proposed for the purpose of 166
complying with a federal law or rule; 167

(b) A citation to the federal law or rule that requires 168
verbatim compliance. 169

(3) A proposed rule, amendment, or rescission that, as set 170
forth in section 3719.41 of the Revised Code, must be adopted by 171
the state board of pharmacy pursuant to federal law or rule, to 172
become effective within sixty days of adoption, so long as the 173
proposed rule contains a statement that it is proposed for the 174
purpose of complying with federal law or rule. 175

If a rule or amendment is exempt from legislative review 176
under division (C)(2) of this section, and if the federal law or 177
rule pursuant to which the rule or amendment was adopted 178
expires, is repealed or rescinded, or otherwise terminates, the 179
rule or amendment, or its rescission, is thereafter subject to 180
legislative review under division (C) of this section. 181

(D) On the date and at the time and place designated in 182
the notice, the agency shall conduct a public hearing at which 183
any person affected by the proposed action of the agency may 184
appear and be heard in person, by the person's attorney, or 185
both, may present the person's position, arguments, or 186
contentions, orally or in writing, offer and examine witnesses, 187
and present evidence tending to show that the proposed rule, 188
amendment, or rescission, if adopted or effectuated, will be 189
unreasonable or unlawful. An agency may permit persons affected 190
by the proposed rule, amendment, or rescission to present their 191
positions, arguments, or contentions in writing, not only at the 192
hearing, but also for a reasonable period before, after, or both 193

before and after the hearing. A person who presents a position 194
or arguments or contentions in writing before or after the 195
hearing is not required to appear at the hearing. 196

At the hearing, the testimony shall be recorded. Such 197
record shall be made at the expense of the agency. The agency is 198
required to transcribe a record that is not sight readable only 199
if a person requests transcription of all or part of the record 200
and agrees to reimburse the agency for the costs of the 201
transcription. An agency may require the person to pay in 202
advance all or part of the cost of the transcription. 203

In any hearing under this section the agency may 204
administer oaths or affirmations. 205

The agency shall consider the positions, arguments, or 206
contentions presented at, or before or after, the hearing. The 207
agency shall prepare a hearing summary of the positions, 208
arguments, or contentions, and of the issues raised by the 209
positions, arguments, or contentions. The agency then shall 210
prepare a hearing report explaining, with regard to each issue, 211
how it is reflected in the rule, amendment, or rescission. If an 212
issue is not reflected in the rule, amendment, or rescission, 213
the hearing report shall explain why the issue is not reflected. 214
The agency shall include the hearing summary in the hearing 215
report as an appendix thereto. And, in the hearing report, the 216
agency shall identify the proposed rule, amendment, or 217
rescission to which the hearing report relates. 218

(E) After divisions (A), (B), (C), and (D) of this section 219
have been complied with, and when the time for legislative 220
review under sections 106.02, 106.022, and 106.023 of the 221
Revised Code has expired without adoption of a concurrent 222
resolution to invalidate the proposed rule, amendment, or 223

rescission, the agency may issue an order adopting the proposed 224
rule or the proposed amendment or rescission of the rule, 225
consistent with the synopsis or general statement included in 226
the public notice. At that time the agency shall designate the 227
effective date of the rule, amendment, or rescission, which 228
shall not be earlier than the tenth day after the rule, 229
amendment, or rescission has been filed in its final form as 230
provided in section 119.04 of the Revised Code. 231

(F) Prior to the effective date of a rule, amendment, or 232
rescission, the agency shall make a reasonable effort to inform 233
those affected by the rule, amendment, or rescission and to have 234
available for distribution to those requesting it the full text 235
of the rule as adopted or as amended. 236

(G) (1) If the governor, upon the request of an agency, 237
determines that an emergency requires the immediate adoption, 238
amendment, or rescission of a rule, the governor shall issue an 239
order, the text of which shall be filed in electronic form with 240
the agency, the secretary of state, the director of the 241
legislative service commission, and the joint committee on 242
agency rule review, that the procedure prescribed by this 243
section with respect to the adoption, amendment, or rescission 244
of a specified rule is suspended. The agency may then adopt 245
immediately the emergency rule, amendment, or rescission and it 246
becomes effective on the date the rule, amendment, or 247
rescission, in final form and in compliance with division (A) (2) 248
of section 119.04 of the Revised Code, is filed in electronic 249
form with the secretary of state, the director of the 250
legislative service commission, and the joint committee on 251
agency rule review. The director shall publish the full text of 252
the emergency rule, amendment, or rescission in the register of 253
Ohio. 254

~~the emergency rule, amendment, or rescission shall become~~ 256
invalid at the end of the one hundred twentieth day it is in 257
effect. Prior to that date the agency may adopt the emergency 258
rule, amendment, or rescission as a nonemergency rule, 259
amendment, or rescission by complying with the procedure 260
prescribed by this section for the adoption, amendment, and 261
rescission of nonemergency rules. The agency shall not use the 262
procedure of ~~this division (G) (1) of this section~~ to readopt the 263
emergency rule, amendment, or rescission so that, upon the 264
emergency rule, amendment, or rescission becoming invalid under 265
~~this division (G) (1) of this section~~, the emergency rule, 266
amendment, or rescission will continue in effect without 267
interruption for another one-hundred-twenty-day period, except 268
when section 106.02 of the Revised Code prevents the agency from 269
adopting the emergency rule, amendment, or rescission as a 270
nonemergency rule, amendment, or rescission within the one- 271
hundred-twenty-day period. 272

~~This division~~ Division (G) (1) of this section does not 273
apply to the adoption of any emergency rule, amendment, or 274
rescission by the tax commissioner under division (C) (2) of 275
section 5117.02 of the Revised Code. 276

(2) An emergency rule or amendment adding a substance to 277
a controlled substance schedule shall become invalid at the end 278
of the one hundred eightieth day it is in effect. Prior to that 279
date, the state board of pharmacy may adopt the emergency rule 280
or amendment as a nonemergency rule or amendment by complying 281
with the procedure prescribed by this section for adoption and 282
amendment of nonemergency rules. The board shall not use the 283
procedure of division (G) (1) of this section to readopt the 284
emergency rule or amendment so that, upon the emergency rule or 285

amendment becoming invalid under division (G) (2) of this 286
section, the emergency rule or amendment will continue in effect 287
beyond the one-hundred-eighty-day period. 288

(H) Rules adopted by an authority within the department of 289
job and family services for the administration or enforcement of 290
Chapter 4141. of the Revised Code or of the department of 291
taxation shall be effective without a hearing as provided by 292
this section if the statutes pertaining to such agency 293
specifically give a right of appeal to the board of tax appeals 294
or to a higher authority within the agency or to a court, and 295
also give the appellant a right to a hearing on such appeal. 296
This division does not apply to the adoption of any rule, 297
amendment, or rescission by the tax commissioner under division 298
(C) (1) or (2) of section 5117.02 of the Revised Code, or deny 299
the right to file an action for declaratory judgment as provided 300
in Chapter 2721. of the Revised Code from the decision of the 301

agency. 303

records may ask a requester to make the request in writing, may 705
ask for the requester's identity, and may inquire about the 706
intended use of the information requested, but may do so only 707
after disclosing to the requester that a written request is not 708
mandatory and that the requester may decline to reveal the 709
requester's identity or the intended use and when a written 710
request or disclosure of the identity or intended use would 711

locate, or deliver the public records sought by the requester. 714

(6) If any person chooses to obtain a copy of a public 715

or the information contained in them, for commercial purposes. 777

(iii) For purposes of division (B)(7) of this section, 778

criminal investigation or prosecution or concerning what would 787
be a criminal investigation or prosecution if the subject of the 788

investigation or prosecution were an adult, unless the request 789
to inspect or to obtain a copy of the record is for the purpose 790
of acquiring information that is subject to release as a public 791
record under this section and the judge who imposed the sentence 792
or made the adjudication with respect to the person, or the 793
judge's successor in office, finds that the information sought 794
in the public record is necessary to support what appears to be 795

requester files a mandamus action to recover statutory damages, 895
up to a maximum of one thousand dollars. The award of statutory 896
damages shall not be construed as a penalty, but as compensation 897
for injury arising from lost use of the requested information. 898
The existence of this injury shall be conclusively presumed. The 899
award of statutory damages shall be in addition to all other 900
remedies authorized by this section. 901

The court may reduce an award of statutory damages or not 902
award statutory damages if the court determines both of the 903
following: 904

(a) That, based on the ordinary application of statutory 905
law and case law as it existed at the time of the conduct or 906
threatened conduct of the public office or person responsible 907
for the requested public records that allegedly constitutes a 908
failure to comply with an obligation in accordance with division 909
(B) of this section and that was the basis of the mandamus 910

action, a well-informed public office or person responsible for 911
the requested public records reasonably would believe that the 912
conduct or threatened conduct of the public office or person 913
responsible for the requested public records did not constitute 914
a failure to comply with an obligation in accordance with 915
division (B) of this section; 916

(b) That a well-informed public office or person 917
responsible for the requested public records reasonably would 918
believe that the conduct or threatened conduct of the public 919
office or person responsible for the requested public records 920
would serve the public policy that underlies the authority that 921
is asserted as permitting that conduct or threatened conduct. 922

(3) In a mandamus action filed under division (C) (1) of 923
this section, the following apply: 924

(a) (i) If the court orders the public office or the person 925
responsible for the public record to comply with division (B) of 926
this section, the court shall determine and award to the relator 927
all court costs, which shall be construed as remedial and not 928
punitive. 929

(ii) If the court makes a determination described in 930
division (C) (3) (b) (iii) of this section, the court shall 931
determine and award to the relator all court costs, which shall 932
be construed as remedial and not punitive. 933

(b) If the court renders a judgment that orders the public 934
office or the person responsible for the public record to comply 935
with division (B) of this section or if the court determines any 936
of the following, the court may award reasonable attorney's fees 937
to the relator, subject to the provisions of division (C) (4) of 938
this section: 939

(i) The public office or the person responsible for the 940
public records failed to respond affirmatively or negatively to 941
the public records request in accordance with the time allowed 942
under division (B) of this section. 943

(ii) The public office or the person responsible for the 944
public records promised to permit the relator to inspect or 945
receive copies of the public records requested within a 946
specified period of time but failed to fulfill that promise 947
within that specified period of time. 948

(iii) The public office or the person responsible for the 949
public records acted in bad faith when the office or person 950
voluntarily made the public records available to the relator for 951
the first time after the relator commenced the mandamus action, 952
but before the court issued any order concluding whether or not 953
the public office or person was required to comply with division 954
(B) of this section. No discovery may be conducted on the issue 955
of the alleged bad faith of the public office or person 956
responsible for the public records. This division shall not be 957
construed as creating a presumption that the public office or 958
the person responsible for the public records acted in bad faith 959
when the office or person voluntarily made the public records 960
available to the relator for the first time after the relator 961
commenced the mandamus action, but before the court issued any 962
order described in this division. 963

(c) The court shall not award attorney's fees to the 964
relator if the court determines both of the following: 965

(i) That, based on the ordinary application of statutory 966
law and case law as it existed at the time of the conduct or 967
threatened conduct of the public office or person responsible 968
for the requested public records that allegedly constitutes a 969

failure to comply with an obligation in accordance with division 970
(B) of this section and that was the basis of the mandamus 971
action, a well-informed public office or person responsible for 972
the requested public records reasonably would believe that the 973
conduct or threatened conduct of the public office or person 974
responsible for the requested public records did not constitute 975
a failure to comply with an obligation in accordance with 976
division (B) of this section; 977

(ii) That a well-informed public office or person 978
responsible for the requested public records reasonably would 979
believe that the conduct or threatened conduct of the public 980
office or person responsible for the requested public records 981
would serve the public policy that underlies the authority that 982
is asserted as permitting that conduct or threatened conduct. 983

(4) All of the following apply to any award of reasonable 984
attorney's fees awarded under division (C) (3) (b) of this 985
section: 986

(a) The fees shall be construed as remedial and not 987
punitive. 988

(b) The fees awarded shall not exceed the total of the 989
reasonable attorney's fees incurred before the public record was 990
made available to the relator and the fees described in division 991
(C) (4) (c) of this section. 992

(c) Reasonable attorney's fees shall include reasonable 993
fees incurred to produce proof of the reasonableness and amount 994
of the fees and to otherwise litigate entitlement to the fees. 995

(d) The court may reduce the amount of fees awarded if the 996
court determines that, given the factual circumstances involved 997
with the specific public records request, an alternative means 998

should have been pursued to more effectively and efficiently 999
resolve the dispute that was subject to the mandamus action 1000
filed under division (C) (1) of this section. 1001

(5) If the court does not issue a writ of mandamus under 1002
division (C) of this section and the court determines at that 1003
time that the bringing of the mandamus action was frivolous 1004
conduct as defined in division (A) of section 2323.51 of the 1005
Revised Code, the court may award to the public office all court 1006
costs, expenses, and reasonable attorney's fees, as determined 1007
by the court. 1008

(D) Chapter 1347. of the Revised Code does not limit the 1009
provisions of this section. 1010

(E) (1) To ensure that all employees of public offices are 1011
appropriately educated about a public office's obligations under 1012
division (B) of this section, all elected officials or their 1013
appropriate designees shall attend training approved by the 1014
attorney general as provided in section 109.43 of the Revised 1015
Code. In addition, all public offices shall adopt a public 1016
records policy in compliance with this section for responding to 1017
public records requests. In adopting a public records policy 1018
under this division, a public office may obtain guidance from 1019
the model public records policy developed and provided to the 1020
public office by the attorney general under section 109.43 of 1021
the Revised Code. Except as otherwise provided in this section, 1022
the policy may not limit the number of public records that the 1023
public office will make available to a single person, may not 1024
limit the number of public records that it will make available 1025
during a fixed period of time, and may not establish a fixed 1026
period of time before it will respond to a request for 1027
inspection or copying of public records, unless that period is 1028

less than eight hours. 1029

(2) The public office shall distribute the public records 1030
policy adopted by the public office under division (E)(1) of 1031
this section to the employee of the public office who is the 1032
records custodian or records manager or otherwise has custody of 1033
the records of that office. The public office shall require that 1034
employee to acknowledge receipt of the copy of the public 1035
records policy. The public office shall create a poster that 1036
describes its public records policy and shall post the poster in 1037
a conspicuous place in the public office and in all locations 1038
where the public office has branch offices. The public office 1039
may post its public records policy on the internet web site of 1040
the public office if the public office maintains an internet web 1041
site. A public office that has established a manual or handbook 1042
of its general policies and procedures for all employees of the 1043
public office shall include the public records policy of the 1044
public office in the manual or handbook. 1045

forward the copies for surveys, marketing, solicitation, or 1066
resale for commercial purposes. "Bulk commercial special 1067
extraction request" does not include a request by a person who 1068
gives assurance to the bureau that the person making the request 1069

(D) In addition to any prison term authorized or required 2569
by division (C) of this section and sections 2929.13 and 2929.14 2570
of the Revised Code, and in addition to any other sanction 2571
imposed for the offense under this section or sections 2929.11 2572
to 2929.18 of the Revised Code, the court that sentences an 2573
offender who is convicted of or pleads guilty to a violation of 2574
division (A) of this section may suspend the driver's or 2575
commercial driver's license or permit of the offender in 2576
accordance with division (G) of this section. However, if the 2577
offender pleaded guilty to or was convicted of a violation of 2578
section 4511.19 of the Revised Code or a substantially similar 2579
municipal ordinance or the law of another state or the United 2580
States arising out of the same set of circumstances as the 2581
violation, the court shall suspend the offender's driver's or 2582
commercial driver's license or permit in accordance with 2583
division (G) of this section. If applicable, the court also 2584
shall do the following: 2585

(1) If the violation of division (A) of this section is a 2586
felony of the first, second, or third degree, the court shall 2587
impose upon the offender the mandatory fine specified for the 2588
offense under division (B) (1) of section 2929.18 of the Revised 2589
Code unless, as specified in that division, the court determines 2590

that the offender is indigent. Except as otherwise provided in 2591
division (H) (1) of this section, a mandatory fine or any other 2592
fine imposed for a violation of this section is subject to 2593
division (F) of this section. If a person is charged with a 2594
violation of this section that is a felony of the first, second, 2595
or third degree, posts bail, and forfeits the bail, the clerk of 2596
the court shall pay the forfeited bail pursuant to divisions (D) 2597
(1) and (F) of this section, as if the forfeited bail was a fine 2598
imposed for a violation of this section. If any amount of the 2599
forfeited bail remains after that payment and if a fine is 2600
imposed under division (H) (1) of this section, the clerk of the 2601
court shall pay the remaining amount of the forfeited bail 2602
pursuant to divisions (H) (2) and (3) of this section, as if that 2603
remaining amount was a fine imposed under division (H) (1) of 2604
this section. 2605

(2) If the offender is a professionally licensed person, 2606
the court immediately shall comply with section 2925.38 of the 2607
Revised Code. 2608

(E) When a person is charged with the sale of or offer to 2609
sell a bulk amount or a multiple of a bulk amount of a 2610
controlled substance, the jury, or the court trying the accused, 2611
shall determine the amount of the controlled substance involved 2612
at the time of the offense and, if a guilty verdict is returned, 2613
shall return the findings as part of the verdict. In any such 2614
case, it is unnecessary to find and return the exact amount of 2615
the controlled substance involved, and it is sufficient if the 2616
finding and return is to the effect that the amount of the 2617
controlled substance involved is the requisite amount, or that 2618
the amount of the controlled substance involved is less than the 2619
requisite amount. 2620

(F) (1) Notwithstanding any contrary provision of section 2621
3719.21 of the Revised Code and except as provided in division 2622
(H) of this section, the clerk of the court shall pay any 2623
mandatory fine imposed pursuant to division (D) (1) of this 2624
section and any fine other than a mandatory fine that is imposed 2625
for a violation of this section pursuant to division (A) or (B) 2626
(5) of section 2929.18 of the Revised Code to the county, 2627
township, municipal corporation, park district, as created 2628
pursuant to section 511.18 or 1545.04 of the Revised Code, or 2629
state law enforcement agencies in this state that primarily were 2630
responsible for or involved in making the arrest of, and in 2631
prosecuting, the offender. However, the clerk shall not pay a 2632
mandatory fine so imposed to a law enforcement agency unless the 2633
agency has adopted a written internal control policy under 2634
division (F) (2) of this section that addresses the use of the 2635
fine moneys that it receives. Each agency shall use the 2636
mandatory fines so paid to subsidize the agency's law 2637
enforcement efforts that pertain to drug offenses, in accordance 2638
with the written internal control policy adopted by the 2639
recipient agency under division (F) (2) of this section. 2640

The board may include in the schedules any compound, 4166
mixture, preparation, or substance that was included in the 4167
schedules immediately prior to the effective date of this 4168
section, as long as the inclusion does not have the effect of 4169
providing less stringent control of the compound, mixture, 4170
preparation, or substance than is provided under the federal 4171
drug abuse control laws or regulations adopted under those laws. 4172

(B) Except as provided in section 3719.45 of the Revised 4173

of the same between one schedule of the federal drug abuse 4187
control laws to another, or removes a compound, mixture, 4188
preparation, or substance from the schedules of the federal drug 4189
abuse control laws, then such addition, transfer, or removal is 4190
automatically effected in the corresponding schedule or 4191
schedules ~~in~~ established by rule adopted under section 3719.41 4192

preparation, or substance to any schedule; 4205

(2) Transfer a compound, mixture, preparation, or 4206
substance from one schedule to another, provided the transfer 4207
does not have the effect under this chapter of providing less 4208
stringent control of the compound, mixture, preparation, or 4209
substance than is provided under the federal drug abuse control 4210
laws; 4211

(3) Remove a compound, mixture, preparation, or substance 4212
from the schedules where the board had previously added the 4213
compound, mixture, preparation, or substance to the schedules, 4214
provided that the removal shall not have the effect under this 4215
chapter of providing less stringent control of the compound, 4216
mixture, preparation, or substance than is provided under the 4217
federal drug abuse control laws. 4218

(B) In making a determination to add, remove, or transfer 4219
pursuant to division (A) of this section, the board shall 4220
consider the following: 4221

(1) The actual or relative potential for abuse; 4222

(2) The scientific evidence of the pharmacological effect 4223
of the substance, if known; 4224

(3) The state of current scientific knowledge regarding 4225
the substance; 4226

(4) The history and current pattern of abuse; 4227

(5) The scope, duration, and significance of abuse; 4228

(6) The risk to the public health; 4229

(7) The potential of the substance to produce psychic or 4230
physiological dependence liability; 4231

(8) Whether the substance is an immediate precursor. 4232

(C) The board may add or transfer a compound, mixture, 4233
preparation, or substance to schedule I when it appears that 4234
there is a high potential for abuse, that it has no accepted 4235
medical use in treatment in this state, or that it lacks 4236
accepted safety for use in treatment under medical supervision. 4237

(D) The board may add or transfer a compound, mixture, 4238

preparation, or substance to schedule II when it appears that 4239
there is a high potential for abuse, that it has a currently 4240
accepted medical use in treatment in this state, or currently 4241
accepted medical use in treatment with severe restrictions, and 4242
that its abuse may lead to severe physical or severe 4243
psychological dependence. 4244

(E) The board may add or transfer a compound, mixture, 4245
preparation, or substance to schedule III when it appears that 4246
there is a potential for abuse less than the substances included 4247
in schedules I and II, that it has a currently accepted medical 4248
use in treatment in this state, and that its abuse may lead to 4249
moderate or low physical or high psychological dependence. 4250

(F) The board may add or transfer a compound, mixture, 4251
preparation, or substance to schedule IV when it appears that it 4252
has a low potential for abuse relative to substances included in 4253
schedule III, that it has a currently accepted medical use in 4254
treatment in this state, and that its abuse may lead to limited 4255
physical or psychological dependence relative to the substances 4256
included in schedule III. 4257

(G) The board may add or transfer a compound, mixture, 4258
preparation, or substance to schedule V when it appears that it 4259
has lower potential for abuse than substances included in 4260
schedule IV, that it has currently accepted medical use in 4261
treatment in this state, and that its abuse may lead to limited 4262
physical or psychological dependence relative to substances 4263
included in schedule IV. 4264

(H) Even though a compound, mixture, preparation, or 4265
substance does not otherwise meet the criteria in this section 4266
for adding or transferring it to a schedule, the board may 4267
nevertheless add or transfer it to a schedule as an immediate 4268

precursor when all of the following apply: 4269

(1) It is the principal compound used, or produced 4270
primarily for use, in the manufacture of a controlled substance. 4271

(2) It is an immediate chemical intermediary used or 4272
likely to be used in the manufacture of such a controlled 4273
substance. 4274

(3) Its control is necessary to prevent, curtail, or limit 4275
the manufacture of the scheduled compound, mixture, preparation, 4276
or substance of which it is the immediate precursor. 4277

(I) Authority to control under this section does not 4278
extend to distilled spirits, wine, or beer, as those terms are 4279
defined or used in Chapter 4301. of the Revised Code. 4280

(J) Authority to control under this section does not 4281
extend to any nonnarcotic substance if the substance may, under 4282
the Federal Food, Drug, and Cosmetic Act and the laws of this 4283
state, be lawfully sold over the counter without a prescription. 4284
If a pattern of abuse develops for any nonnarcotic drug sold 4285
over the counter, the board may, by rule adopted in accordance 4286
with Chapter 119. of the Revised Code, after a public hearing 4287
and a documented study to determine that the substance actually 4288
meets the criteria listed in division (B) of this section, place 4289
the abused substance on a controlled substance schedule. 4290

(K) (1) A drug product containing ephedrine that is known 4291
