8 SYNOPSIS: Under existing law, the Alabama
9 Transportation Infrastructure Bank was established
10 pursuant to Act 2015-50. Various sources of funding
11 were authorized to capitalize the bank including
12 revenue from one cent of the gasoline tax and a
13 portion of the revenue from the license and
14 registration fees on trucks and truck tractors. The
15 bank is authorized to make loans to units of
16 government to construct, operate, or own
17 transportation projects. The bank is authorized to
18 raise funds for qualified projects by the issuance
19 of bonds. At the current time, funding has not been
20 made available to capitalize the bank.

21 This bill would further provide for the
22 Alabama Transportation Infrastructure Bank. The
23 bill authorizes additional tax revenue to be
24 pledged to pay and secure revenue bonds issued by
25 the bank as determined by the Director of
26 Transportation and approved by the Governor,
27 including certain taxes on motor vehicle licenses

1 and registration, certain taxes on diesel fuel and
2 gasoline, and certain fees on identification
3 markers. These taxes and fees and the prior taxes
4 and fees authorized to capitalize the bank would be
5 irrevocably appropriated to capitalize the bank and
6 pay the debt service on bonds as determined by the
7 director and approved by the Governor. Under
8 certain conditions, pledges of the revenue would be
9 subordinate to the pledges of the revenue by the
10 Alabama Federal Aid Highway Finance Authority and
11 the Alabama Highway Finance Corporation.

12 The bill would otherwise provide for the
13 operation of the bank, including the following: (1)
14 Provide for the definitions of government unit,
15 qualified project, and qualified borrower; (2)
16 Specify that a borrower may pledge any revenue and,
17 if authorized, its full faith and credit for
18 obligations of the bank; (3) Authorize audits by
19 the Department of Examiners of Public Accounts in
20 addition to independent auditors; (4) Authorize
21 bonds of the bank to be secured by other forms of
22 credit instruments; (5) Clarify the bonds would not
23 be a debt of the state; (6) Delete the requirement
24 that bonds be issued by the State Treasurer; (7)
25 Specify that any pledge to secure bonds applies to
26 a pledge to secure other financial assistance.

1 The bill would also add provisions relating
2 to the granting of other financial assistance and
3 the execution of other financial instruments,
4 specify that the bank would be a nonprofit
5 corporation, and provide for the dissolution of the
6 bank.
