IN THE SENATE OF THE UNITED STATES

Mr. CARDIN (for himself, Mr. DURBIN, Mr. WYDEN, and Mr. MARKEY) introduced the following bill; which was read twice and referred to the Committee on Foreign Relations

A BILL

To require human rights certifications for arms sales, and
for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Enhancing Human
5 Rights Protections in Arms Sales Act of 2019”.

6 **SEC. 2. SENSE OF CONGRESS.**

7 It is the sense of Congress that—

8 (1) the advancement of human rights is criti-
9 cally important to the security, stability, peace, and
10 prosperity of United States allies and partners, and

1 the United States Government should promote the
2 increased observance of internationally recognized
3 human rights globally;

4 (2) as the world's oldest democracy and the
5 largest arms exporter, the human rights standards
6 that the United States sets on arms transfers has
7 global ramifications, influencing standards set by
8 other nations around the world;

9 (3) global arms transfers continue to flow into
10 conflict zones and countries rife with internal repres-
11 sion at an alarming rate;

12 (4) the United States Government has the abil-
13 ity to determine whether United States arms trans-
14 fers are used to commit gross violations of human
15 rights and other violations of United States law;

16 (5) Congress took strong action to prohibit, in
17 the Foreign Assistance Act of 1961 (U.S.C. 2151 et
18 seq.), sales of defense articles or services to any
19 country whose government engages in a consistent
20 pattern of gross violations of internationally recog-
21 nized human rights; and

22 (6) Congress should take further action to en-
23 sure that arms transfers—

24 (A) are not used to commit or facilitate
25 violations of internationally recognized human

1 rights or violations of international humani-
 2 tarian law in conflict zones; and

3 (B) are provided only to countries that are
 4 demonstrably improving their efforts to protect
 5 the human rights and freedoms of their citizens
