16       **SEC. 1504. INTELLIGENCE COMMUNITY REPORTS ON SECU-**  
 17       **RITY CLEARANCES.**

18          (a) *SENSE OF CONGRESS.*—It is the sense of Congress  
 19          that—

20               (1) *despite sustained efforts by Congress and the*  
 21               *executive branch, an unacceptable backlog in proc-*  
 22               *essing and adjudicating security clearances persists,*

1       *with some processing times exceeding a year or even*  
2       *more;*

3               *(2) the protracted clearance timetable threatens*  
4       *the ability of elements of the intelligence community*  
5       *to hire and retain highly qualified individuals, and*  
6       *thus to fulfill the missions of such elements;*

7               *(3) the prospect of a lengthy clearance process*  
8       *deters some such individuals from seeking employ-*  
9       *ment with the intelligence community in the first*  
10       *place, and, when faced with a long wait time, those*  
11       *with conditional offers of employment may opt to dis-*  
12       *continue the security clearance process and pursue*  
13       *different opportunities;*

14               *(4) now more than ever, therefore, the broken se-*  
15       *curity clearance process badly needs fundamental re-*  
16       *form; and*

17               *(5) in the meantime, to ensure the ability of ele-*  
18       *ments of the intelligence community to hire and re-*  
19       *tain highly qualified personnel, elements should con-*  
20       *sider, to the extent possible and consistent with na-*  
21       *tional security, permitting new employees to enter on*  
22       *duty immediately or nearly so, and to perform, on a*  
23       *temporary basis pending final adjudication of their*  
24       *security clearances, work that either does not require*

1        *a security clearance or requires only a low-level in-*  
 2        *terim clearance.*

3        *(b) IN GENERAL.—Section 506H of the National Secu-*  
 4        *rity Act of 1947 (50 U.S.C. 3104) is amended—*

5                *(1) in subsection (a)(1)—*

 7                        *“and” after the semicolon;*

8                        *(B) in subparagraph (B)(ii), by striking “;*

11                      *(2) by redesignating subsection (b) as subsection*  
 12                      *(c);*

13                      *(3) by inserting after subsection (a) the following*  
 14                      *new subsection (b):*
