HOUSE JOINT RESOLUTION

1 A House Joint Resolution concerning

2 **United States Constitution – Amendments Convention – Democracy Amendment**

3 FOR the purpose of applying to the U.S. Congress for an amendments convention called
4 under Article V of the U.S. Constitution, on the application of the legislatures of
5 two-thirds of the several states, to propose an amendment to the U.S. Constitution
6 that affirms every citizen's individual right to vote, reserves constitutional rights to
7 natural persons, and authorizes regulation of contributions and expenditures
8 intended to influence elections; and generally relating to an application to Congress
9 for a convention to propose an amendment to the U.S. Constitution.

10 WHEREAS, The American people have built our representative democracy on the
11 principle that every citizen has the individual right to vote and the guarantee that every
12 vote cast is counted; and

13 WHEREAS, Elections should be free of the influence of excessive campaign spending
14 by outside interests and fair enough that any citizen is able to run for public office; and

15 WHEREAS, It was the stated intention of the framers of the U.S. Constitution that
16 the Congress of the United States of America should be “dependent on the people alone”
17 (James Madison, Federalist No. 52, in the Federalist Papers); and

18 WHEREAS, The U.S. Supreme Court has removed the wall of separation between
19 private wealth and democratic elections by removing prohibitions against unlimited

electoral expenditures in *Citizens United v. Federal Election Commission*, *McCutcheon v. Federal Election Commission*, and related cases; and

WHEREAS, The U.S. Congress has failed to propose a constitutional amendment to protect the individual right to vote and to restore confidence in the integrity of our elections and government; and

WHEREAS, The people have the right to choose the leaders who write our laws, but decisions of the U.S. Supreme Court and corresponding inaction by the U.S. Congress have undermined the American principle of self-government, necessitating that Americans take action to defend the republic and strengthen our democracy; and

WHEREAS, Article V of the U.S. Constitution states that “on the Application of the Legislatures of two-thirds of the several States,” Congress “shall call a Convention for proposing Amendments”; and

WHEREAS, The Bill of Rights and four of the last ten amendments to the U.S. Constitution were added to the U.S. Constitution at least partly in response to pressure from state legislatures calling for a convention of the states to propose an amendment; and

WHEREAS, Most prior constitutional amendments have been added to create a more perfect union by making America more democratic, more inclusive, and more accountable to the people; and

WHEREAS, The General Assembly of Maryland desires that the delegates from the State to the convention be composed of citizens, in numbers equal to the number of presidential electors in the State, half of whom are elected by the people voting at large and half of whom are selected by the General Assembly from among State and local officials; and

WHEREAS, The General Assembly of Maryland desires that the delegates from the State be composed of an equal number of men and women and be reflective of the voter registration in the State; and

WHEREAS, The General Assembly of Maryland desires that the delegates selected by the General Assembly be selected after the other half of the delegates are elected by the people and be selected in such a manner that results in the full delegation from the State being composed of an equal number of men and women and being reflective of the voter registration in the State; and

WHEREAS, The General Assembly of Maryland desires that all individuals elected to federal offices shall be prohibited from serving as delegates to the convention; and

WHEREAS, The State of Maryland intends to retain the ability to restrict or expand the power of its delegates within the limits expressed above; and

1 WHEREAS, The State of Maryland intends that this application for an amendments
2 convention be considered in keeping with the applications already submitted by Vermont,
3 California, New Jersey, Illinois, and Rhode Island; now, therefore, be it

4 RESOLVED BY THE GENERAL ASSEMBLY OF MARYLAND, That, as provided
5 in Article V of the U.S. Constitution, the General Assembly of Maryland respectfully applies
6 to the U.S. Congress for an amendments convention to be called, as soon as two-thirds of
7 the several states have applied for a convention, for the purpose of proposing an
8 amendment or amendments to the U.S. Constitution limited to one or more of the following:
9 affirming every citizen's individual right to vote; reserving constitutional rights to natural
10 persons; or authorizing the regulation of contributions and expenditures intended to
11 influence elections; and be it further

12 RESOLVED, That delegates to the convention from Maryland may not propose
13 amendments that do not have the primary goals of addressing the purpose for which the
14 amendments convention is called; and be it further

15 RESOLVED, That this application constitutes a continuing application in
16 accordance with Article V of the U.S. Constitution until at least two-thirds of the
17 legislatures of the several states have made application for an equivalently limited
18 amendments convention; and be it further

19 RESOLVED, That certified copies of this Joint Resolution be sent by the Secretary
