25 (3) be suspended in the case of a particular contingency fee  
26 contract. Upon receipt of the written certification, the  
27 Governor, by the issuance of an executive order, may waive the

3 funds recovered as a result of the contingent fee contract  
4 within 30 days of receipt of the recovery unless ordered to do  
5 otherwise by a court with jurisdiction over the litigation  
6 subject to the contingency fee contract.

10          (d) Bids shall be opened publicly in the presence of  
11          one or more witnesses at the time and place designated in the

23          be considered in evaluation for award shall be objectively  
24          measurable, such as discounts, transportation costs, and total  
25          or life cycle costs. The invitation to bid shall set forth the  
26          evaluation criteria to be used. No criteria may be used in bid  
27          evaluations that are not set forth in the invitation to bid.

1           (f)(1) When a bid is submitted that contains an  
2 error, the Chief Procurement Officer or head of a purchasing

2 compatibility and operational requirements. In order to make  
3 multiple awards under this subdivision, the awarding authority  
4 shall include in the invitation to bid a notice that multiple  
5 awards may be made and the specific technical compatibility or  
6 operational requirements necessitating multiple awards.  
7 Multiple awards of purchase contracts with unique technical  
8 compatibility or operational specifications shall be made to  
9 the lowest responsible bidder complying with the unique  
10 technical compatibility or operational specifications. The  
11 requisitioning agency shall provide the awarding authority  
12 with the information necessary for it to determine the  
13 necessity for the award of multiple purchase contracts under  
14 this subdivision. This subdivision does not apply to contracts  
15 for the purchase or use of push-to-talk services, which shall  
16 be purchased through a separate competitive bid process.

17 (h) When it is considered impractical by the Chief  
18 Procurement Officer to initially prepare a purchase  
19 description to support an award based on price, an invitation  
20 to bid may be issued requesting the submission of unpriced  
21 offers to be followed by an invitation to bid limited to those  
22 bidders whose offers have been qualified under the criteria  
23 set forth in the first solicitation.

24 (i) (1) Before soliciting bids, the Chief Procurement  
25 Officer may authorize issuance of a request for qualifications  
26 from prospective bidders. The request shall contain, at a  
27 minimum, a description of the scope of work to be solicited by

1 the invitation for bids, the deadline for submission of  
2 information, and how prospective bidders may apply for  
3 consideration. The request shall require information  
4 concerning the prospective bidders' product specifications,  
5 qualifications, experience, and ability to perform the  
6 requirements of the contract. Adequate public notice of the  
7 request for qualifications shall be given in the manner  
8 provided in subsection (c).

9 (2) After receipt of the responses to the request  
10 for qualifications from prospective bidders, all qualified  
11 bidders, as determined by the Chief Procurement Officer, shall  
12 have an opportunity to bid. The determination regarding which  
13 bidders are qualified is not subject to review.

14 §41-4-133A.

15 (a) (1) A contract may be entered into by competitive  
16 sealed proposals when the Chief Procurement Officer or the  
17 head of a purchasing agency, in accordance with rules,  
18 determines that the use of competitive sealed bidding is  
19 either not practicable or not advantageous to the state.  
20 Unless determined otherwise by the Chief Procurement Officer,  
21 professional services shall be procured by competitive sealed  
22 proposals.

23 (2) The Chief Procurement Officer may determine by  
24 rule when it is either not practicable or advantageous to the  
25 state to procure specified types of supplies or services by  
26 competitive sealed bidding.

1           (b) Proposals shall be solicited through a request  
2 for proposals.

3           (c) Adequate public notice of the request for  
4 proposals shall be given in the same manner as provided in  
5 subsection (c) of Section 41-4-132A.

6           (d) Proposals shall be opened so as to avoid  
7 disclosure of contents to competing offerors prior to contract  
8 award. A register of proposals shall be prepared in accordance  
9 with rules and shall be open for public inspection after award  
10 of the contract.

11           (e) A request for proposals shall state the relative  
12 importance of price and other factors and subfactors, if any.

13           (f) Discussions may be conducted with responsible  
14 offerors who submit proposals determined by the Chief  
15 Procurement Officer or purchasing agency to be reasonably  
16 competitive for award to assure full understanding of, and  
17 responsiveness to, the solicitation requirements. The  
18 determination of the Chief Procurement Officer is not subject  
19 to review. Offerors shall be accorded fair and equal treatment  
20 with respect to any opportunity for discussion and revision of  
21 proposals. Revisions of proposals may be permitted after  
22 submissions and prior to award for the purpose of obtaining  
23 best and final offers. In conducting discussions, there may  
24 not be disclosure of any information derived from proposals  
25 submitted by competing offerors.

26           (g) Contracts shall be awarded to the responsible  
27 offeror whose proposal conforms to the solicitation and is

1 determined in writing to be the most advantageous to the  
2 state, taking into consideration price and the evaluation  
3 factors set forth in the request for proposals. No other  
4 factors or criteria shall be used in the evaluation. Public  
5 notice of the award of a contract shall be promptly given.

6 (h) The Chief Procurement Officer may provide  
7 debriefings that furnish the basis for the source selection  
8 decision and contract award.

9 (i) (1) Before soliciting proposals, the Chief  
10 Procurement Officer may authorize issuance of a request for  
11 qualifications from prospective offerors. The request shall  
12 contain, at a minimum, a description of the scope of work to  
13 be solicited by the request for proposals, the deadline for  
14 submission of information, and how prospective offerors may  
15 apply for consideration. The request shall require information  
16 concerning the prospective offeror's product specifications,  
17 qualifications, experience, and ability to perform the  
18 requirements of the contract. Adequate public notice of the  
19 request for qualifications shall be given in the same manner  
20 as provided in subsection (c) of Section 41-4-132A.

21 (2) After receipt of the responses to the request  
22 for qualifications from prospective offerors, all qualified  
23 offerors, as determined by the Chief Procurement Officer,  
24 shall have an opportunity to submit proposals. The  
25 determination regarding which offerors are qualified is not  
26 subject to review.

1           (3) If a professional service provider is prohibited  
2 by law or policy from submitting proposals in response to a  
3 request for proposals, the Chief Procurement Officer or  
4 purchasing agency may utilize the request for qualifications  
5 process to determine the awardee.

6           §41-4-134A.

7           Any procurement not exceeding the small purchase  
8 amount established by rule may be made in accordance with  
9 small purchase procedures. A procurement may not be  
10 artificially divided so as to constitute a small purchase  
11 under this section.

12          §41-4-135A.

13          A contract may be awarded for a supply or service  
14 without competition when the Chief Procurement Officer  
15 determines in writing that there is only one source for the  
16 required supply or service. In any event, sole source  
17 contracts may not exceed one year unless the Chief Procurement  
18 Officer determines in writing that there continues to be only  
19 one source for the required supply or service.

20          §41-4-136A.

21          Notwithstanding any other provision of this article,  
22 the Chief Procurement Officer or the head of a purchasing  
23 agency may make emergency procurements when there is a threat  
24 to public health, welfare, or safety under emergency  
25 conditions, as defined by rule. Emergency procurements made  
26 under this section shall be made with as much competition as  
27 is practicable under the circumstances. The authority to make

1 emergency procurements may not be delegated. A written  
2 determination of the basis for the emergency and for the  
3 selection of the particular contractor shall be included in  
4 the contract file.

5 §41-4-137A.

6 Notwithstanding any other provision of this article,  
7 the Chief Procurement Officer or the head of a purchasing  
8 agency, with prior public notice, may initiate a procurement  
9 above the small purchase amount specified in Section 41-4-134A  
10 when the officer or agency head determines that an unusual or  
11 unique situation exists that makes the application of all  
12 requirements of competitive sealed bidding or competitive  
13 sealed proposals contrary to the public interest. Any special  
14 procurement under this section shall be made with as much  
15 competition as is practicable under the circumstances. A  
16 written determination of the basis for the procurement and for  
17 the selection of the particular contractor shall be included  
18 by the Chief Procurement Officer or the head of the purchasing  
19 agency in the contract file. The Chief Procurement Officer  
20 shall publish an annual report, subject to Section 41-4-115A,  
21 that describes all determinations made under this section  
22 during the prior calendar year.

23 §41-4-138A.

24 When it is determined to be in the best interests of  
25 the state, as specified by rule, an invitation to bid, a  
26 request for proposals, or other solicitation under this

1 article may be cancelled, and any or all bids or proposals  
2 received may be rejected.

3 §41-4-139A.

4 (a) A written determination of nonresponsibility of  
5 a bidder or offeror shall be made in accordance with rules  
6 adopted by the Chief Procurement Officer. The unreasonable  
7 failure of a bidder or offeror to promptly supply information  
8 in connection with an inquiry with respect to responsibility  
9 may be grounds for a determination of nonresponsibility with  
10 respect to the bidder or offeror.

11 (b) Confidential information furnished by a bidder  
12 or offeror under this section may not be disclosed outside of  
13 the Office of the Chief Procurement Officer or the purchasing  
14 agency without the prior written consent of the bidder or  
15 offeror.

16 §41-4-140A.

17 Prospective suppliers may be prequalified for  
18 particular types of supplies or services. The method of  
19 submitting prequalification information and the information  
20 required in order to be prequalified shall be determined by  
21 the Chief Procurement Officer.

22 §41-4-141A.

23 The Chief Procurement Officer may request factual  
24 information reasonably available to the bidder or offeror to  
25 substantiate that the price or cost offered, or some portion  
26 of it, is reasonable when either of the following occur:

27 (1) The price is not any of the following:

1           a. Based on adequate price competition.

2           b. Based on established catalogue or market prices.

3           c. Set by law or rule.

4           (2) The price or cost exceeds an amount established  
5 by rule.

6           §41-4-142A. (a) For the purpose of this section, the  
7 following terms shall have the respective meanings ascribed by  
8 this section:

9           (1) AFFILIATE. A related party as defined in  
10 subsection (b) of Section 40-23-190 as that provision exists  
11 on January 1, 2004.

12           (2) STATE DEPARTMENT or AGENCY. Every state office,  
13 department, division, bureau, board, or commission of the  
14 State of Alabama

15           (b) A state department or agency may not contract  
16 for the purchase or lease of supplies from a vendor,  
17 contractor, or an affiliate of a vendor or contractor, unless  
18 that vendor, contractor, and all of its affiliates that make  
19 sales for delivery into Alabama or leases for use in Alabama  
20 are properly registered, collecting, and remitting Alabama  
21 state and local sales, use, and lease tax, as provided for by  
22 Chapter 12, Article 4, and Chapter 23, Articles 1 and 2 of  
23 Title 40 or by any local act or ordinance.

24           (c) Each vendor, contractor, or affiliate of a  
25 vendor or contractor that is offered a contract to do business  
26 with a state department or state agency shall be required to  
27 certify that the vendor or affiliate is appropriately

1 registered to collect and remit sales, use, and lease tax as  
2 required by this section and submit to that state department  
3 or agency certification required by the Alabama Department of  
4 Revenue.

5 (d) Every bid submitted and contract executed by the  
6 state shall contain a certification by the bidder or  
7 contractor that the bidder or contractor is not barred from  
8 bidding for or entering into a contract under this section and  
9 that the bidder or contractor acknowledges that the  
10 contracting state agency may declare the contract void if the  
11 certification completed is false.

12 (e) Each vendor or contractor that sells or leases  
13 supplies to a state department or agency, and each affiliate  
14 of that vendor or contractor that makes sales for delivery  
15 into Alabama, shall be required to collect and remit the  
16 Alabama sales, use, or lease tax on all its sales and leases  
17 into the state.

18 §41-4-143A.

19 (a) Subject to the limitations of subsection (b),  
20 any type of contract that will promote the best interests of  
21 the state may be used under this article.

22 (b) (1) The use of a cost-plus-a-percentage-of-cost  
23 contract is prohibited.

24 (2) A cost-reimbursement contract may be used only  
25 when a determination is made in writing that either of the  
26 following apply:

1           a. The cost-reimbursement contract is likely to be  
2 less costly to the state than any other type of contract.

3           b. It is impracticable to obtain the supplies or  
4 services required except under a cost-reimbursement contract.

5           §41-4-144A.

6           (a) Unless otherwise provided by law, a contract for  
7 supplies or services may be entered into for any period of  
8 time that is in the best interests of the state, so long as  
9 the terms of the contract and the conditions of renewal or  
10 extension, if any, are included in the solicitation and funds  
11 are available for the first fiscal year at the time of  
12 contracting. Payment and performance obligations for  
13 succeeding fiscal periods shall be subject to the availability  
14 and appropriation of funds.

15           (b) A multi-year contract may be used when the  
16 estimated requirements cover the period of the contract and  
17 are reasonably firm and continuing; and the contract will  
18 serve the best interests of the state by encouraging effective  
19 competition or otherwise promoting economies in state  
20 procurement.

21           (c) When funds are not appropriated or otherwise  
22 made available to support continuation of performance in a  
23 subsequent fiscal period, the contract shall be cancelled and  
24 the contractor shall be reimbursed for the reasonable value of  
25 any non-recurring costs incurred but not amortized in the  
26 price of the supplies or services delivered under the

1 contract. The cost of cancellation may be paid from any  
2 appropriations available for that purpose.

3 §41-4-145A.

4 The Chief Procurement Officer or his or her  
5 designee, at reasonable times, may inspect a part of the  
6 plant, the place of business, or the logical and physical  
7 electronic systems of a contractor or any subcontractor that  
8 is related to the performance of any contract awarded or to be  
9 awarded by the state.

10 §41-4-146A.

11 In addition to the authority of the Department of  
12 Examiners of Public Accounts, as set forth under Chapter 5A of  
13 Title 41, the Department of Finance, at reasonable times and  
14 places, may audit or examine the books and records of any  
15 person who has submitted data in substantiation of offered  
16 prices under Section 41-4-141A to the extent that the books  
17 and records relate to that data. Any person who receives a  
18 contract, change order, or contract modification for which  
19 data is required under Section 41-4-141A, shall maintain the  
20 books and records that relate to the cost or pricing data for  
21 three years from the date of final payment under the contract,  
22 unless a shorter period is otherwise authorized in writing.

23 §41-4-147A.

24 The determinations required by subsection (f) of  
25 Section 41-4-132A, subsection (a) or (g) of Section 41-4-133A,  
26 Section 41-4-135A, Section 41-4-136A, Section 41-4-137A,  
27 subsection (a) of Section 41-4-139A, Section 41-4-141A,

1 Section 41-4-143A, and subsection (b) of Section 41-4-144A are  
2 final and conclusive unless they are clearly erroneous,  
3 arbitrary, capricious, or contrary to law.

4 §41-4-148A.

5 When for any reason collusion or other  
6 anti-competitive practices are suspected during the  
7 procurement process, a notice of the relevant facts shall be  
8 transmitted to the Attorney General and, if applicable, to the  
9 Ethics Commission.

10 §41-4-149A.

11 (a) The Chief Procurement Officer shall maintain a

17 (3) A listing of the supplies or services procured  
18 under each contract.

19 (b) A copy of the record shall be available for  
20 public inspection, except where disclosure would be  
21 detrimental to the safety or security of persons or property  
22 or to the public interest as determined by the Chief  
23 Procurement Officer.

24 Division 4. Specifications.

25 §41-4-150A.

26 As used in this division, the term specification  
27 means any description of the physical or functional

9 use of specifications for supplies or services required by a  
10 purchasing agency.

11 (c) The Chief Procurement Officer shall obtain  
12 expert advice and assistance from personnel of using agencies  
13 in the development of specifications and may delegate in  
14 writing to a using agency the authority to prepare and utilize  
15 its own specifications.

16 (d) All specifications shall seek to promote overall  
17 economy for the purposes intended and encourage competition in  
18 satisfying the state's needs and shall not be unduly  
19 restrictive.

20 (e) Specifications may be prepared by persons other  
21 than state employees when necessary. The Chief Procurement  
22 Officer shall exercise diligence to assure that any third  
23 party who prepares specifications or requirements does not

25 in any subsequent procurement. Vendors that participate in the  
26 drafting of specifications for the state shall disclose the

1 same on its vendor disclosure statement required by Section 41-16-82.

23 the circumstances justifying the variation. Notice of any  
24 material variation shall be stated in the invitation to bid or  
25 request for proposals.

26           Division 6. Legal and Contractual Remedies.

2 contract.

3 (3) A protest filed under subdivision (1) or (2)  
4 shall be in writing, be filed with the Chief Procurement

26 subsection (a) or an appeal under Section 41-4-164A, the state  
27 may not proceed further with the solicitation or with the

1 award of the contract until five days after notice of the  
2 final decision is provided to the protestor, except that  
3 solicitation or award of a protested contract is not stayed if  
4 the Chief Procurement Officer, after consultation with the  
5 head of the using agency or the head of a purchasing agency,  
6 makes a written determination that the solicitation or award  
7 of the contract without further delay is necessary to protect  
8 the best interests of the state.

9 §41-4-162A.

10 (a) After reasonable notice to the person or entity

7 a. The debarred or suspended person.

8 b. Any other party intervening.

9 c. All state procurement officials governed by this  
10 article with contracting authority who shall decide whether

12 contracts with the suspended or debarred person or entity.

13 (2) Contracts may not be awarded to the suspended or  
14 debarred person during the suspension or debarment period  
15 established by the Chief Procurement Officer.

16 (e) A decision under subsection (c) shall be final

17 (e) A copy of the decision under subsection (d)

22 Part B. Solicitations or Awards in Violation of Law.

23 §41-4-165A.

24 This part applies when a determination is made that  
25 a solicitation or award of a contract is in violation of law.

26 §41-4-166A.

1           If, prior to an award, a solicitation or proposed  
2           award of a contract is determined to be in violation of law,  
3           the solicitation or proposed award shall be cancelled or  
4           revised to comply with the law.

5           §41-4-167A.

6           If, after an award, a solicitation or award of a  
7           contract is determined to be in violation of law, then:

8           (1) If the person awarded the contract has not acted  
9           fraudulently or in bad faith, the contract may be ratified and  
10          affirmed by the Chief Procurement Officer, so long as doing so  
11          is in the best interests of the state, or the contract may be  
12          terminated by the Chief Procurement Officer and the person  
13          awarded the contract shall be compensated for the supplies  
14          provided or services rendered under the contract prior to  
15          termination.

16          (2) If the person awarded the contract has acted  
17          fraudulently or in bad faith, the contract may be declared

19          ratified and affirmed by the Chief Procurement Officer, so
