## Preamble

WHEREAS, The world now stands on the cusp of a technological revolution in artificial intelligence, robotics, and other advanced digital technologies that may prove as transformative for economic growth and human potential as were electrification, mass production, and electronic telecommunications in their eras; and

6 WHEREAS, Because of the unforeseeable and global outbreak of the COVID-19 7 public health emergency, this technological transformation rapidly came to fruition without 8 adequate preparedness, exposing our economy's vulnerabilities on an unprecedented scale; 9 and

10 WHEREAS, In this new era of COVID–19, there is an imperative for the State to 11 respond to this global digital technology transformation that is occurring within the 12 manufacturing industry; and

13 WHEREAS, There is a required transformation within the workforce to ensure that 14 diverse labor has the capabilities and confidence to work alongside new technologies and 15 thrive in a digitized workplace; and

16 WHEREAS, In response, manufacturers will need to partner with industry leaders, 17 education stakeholders, and State representatives to identify digital and related 18 technologies impacting transformation, explore work skills and needed retraining of the 19 labor force, and employ viable and innovative solutions to support manufacturers' 20 transformation into the new digital economy; now, therefore,

SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND,
