SECTION 2. FTP AUTHORIZATION. In accordance with Section 67-3519, Idaho Code, the Department of Agriculture is authorized no more than two hundred sixteen (216.00) full-time equivalent positions at any point during the period July 1, 2020, through June 30, 2021, unless specifically authorized by the Governor. The Joint Finance-Appropriations Committee will be notified promptly of any increased positions so authorized.

SECTION 3. WATERCRAFT INSPECTION PROGRAM. The Department of Agriculture shall maximize the use of the appropriation provided for the Watercraft Inspection Program to minimize the chances of spreading zebra mussels, quagga mussels, and other aquatic invasive species into Idaho waters. The department is encouraged to use roving inspection stations when appropriate and for expanded hours of coverage during holidays when boat transport traffic is likely to increase. It is also encouraged to use extra staffing on busy holiday weekends. The department shall gather data regarding the number of watercraft that are bypassing the stations and nighttime transport of watercraft across Idaho's borders. The department shall also seek to secure federal funding to further enhance invasive species detection and prevention efforts. The department shall report back to the Joint Finance-Appropriations Committee, the Senate Agricultural Affairs Committee,

1 and the House Agricultural Affairs Committee during the 2021 legislative
2 session regarding the results of the data gathering, attainment of federal
3 funds, and an operational review of the boat stations.
