 7 sidered, an amendment to the Constitution of the  
 8 United States to provide suffrage for women.

9 (2) A proposed women’s suffrage amendment  
 10 was first introduced in the United States Senate in  
 11 1878 and was brought to a vote, unsuccessfully, in  
 12 1887, 1914, 1918, and 1919. Finally, on May 21,  
 13 1919, the House of Representatives approved a pro-  
 14 posed amendment, followed by the Senate a few  
 15 weeks later on June 4. Within days, the legislatures  
 16 of Wisconsin, Illinois, and Michigan had voted to  
 17 ratify the amendment.

18 (3) On August 18, 1920, Tennessee became the  
 19 36th State to ratify the amendment, providing the  
 20 support of three-fourths of States necessary under  
 21 article V of the Constitution of the United States.

1           (4) The introduction, passage, and ultimate  
 2           ratification of the 19th Amendment to the Constitu-  
 3           tion of the United States were the culmination of  
 4           decades of work and struggle by advocates for the  
 5           rights of women across the United States and world-  
 6           wide.

7           (5) Ratification of the 19th Amendment en-  
 8           sured women could more fully participate in their  
 9           democracy and fundamentally changed the role of  
 10          women in the civic life of our Nation.

11          (6) The centennial offers an opportunity for  
 12          people in the United States to learn about and com-  
 13          memorate the efforts of the women’s suffrage move-  
 14          ment and the role of women in our democracy.

15          (7) Commemorative programs, activities, and  
 16          sites allow people in the United States to learn  
 17          about the women’s suffrage movement and to com-  
 18          memorate and honor the role of the ratification of  
 19          the 19th Amendment in further fulfilling the prom-
