33 *Be it resolved by the Legislature of the state of Utah, the Governor concurring therein:*

34           WHEREAS, Utah and the People's Republic of China (China) enjoy a friendly  
35 relationship and strong economic, cultural, and people-to-people ties;

36           WHEREAS, Utah is enriched by the presence of Chinese residents, educators, students,  
37 and enterprises;

38           WHEREAS, the unique, 14-year legislative relationship between Utah and Liaoning,  
39 China is the only one of its kind between the United States and China, and is responsible for  
40 opening a significant channel for people, businesses, and education organizations to conduct  
41 exchanges and cooperate;

42           WHEREAS, cooperation between Utah and China is evidenced by the following:

- 43           • China is a top trading partner for Utah;  
44           • many Utah companies have business operations in China;  
45           • Utah leads the nation in K-12 Chinese language study; and  
46           • in 2019, Utah hosted Chinese government and business leaders during the Golden  
47 Spike Anniversary, which highlighted the contributions of Chinese and other immigrants in  
48 Utah's history;

49           WHEREAS, a global health threat such as COVID-19 acute respiratory disease  
50 (coronavirus) demands an empathetic global response in order to preserve the health,  
51 happiness, and prosperity of individuals within the global community;

52           WHEREAS, the state of Utah is closely monitoring the situation, engaging with United  
53 States and Chinese governments and health partners to respond to the health threat in China,  
54 and will issue further information and guidance as necessary;

55           WHEREAS, as global citizens, Utahns should take measures to assist those in need and  
56 work proactively to preserve global health and the stability of the global economy, which align  
57 with Utah values of industriousness, empathy, volunteerism, and cooperation;

58           WHEREAS, global health and the global economy are inextricably linked as evidenced

59 by the World Bank estimate that 90% of economic losses during any pandemic outbreak arise  
60 from the uncoordinated and irrational efforts of the public to avoid infection;

61 WHEREAS, global health emergencies can cause fear among populations, and people's  
62 fear can be dispelled by rational, clear analysis and taking health advice from trusted  
63 information sources;

64 WHEREAS, according to the Centers for Disease Control (CDC), the risk of a  
65 coronavirus infection to Utahns and the general American public is presently considered low;

66 WHEREAS, Utahns should remain calm, use common sense, and adhere to normal  
67 flu-season precautions such as frequently washing hands, covering mouth and nose with a  
68 tissue when coughing or sneezing, or coughing or sneezing into one's elbow rather than hands;

69 WHEREAS, the CDC has advised United States citizens not to panic about the  
70 coronavirus and has warned against stereotyping people of Asian descent;

71 WHEREAS, in many places around the world, misinformation, false rumors, and media  
72 coverage about the coronavirus have stoked discriminatory sentiment toward Chinese and  
73 Asian people; and

74 WHEREAS, the World Health Organization says there currently is a "window of  
75 opportunity" to prevent the spread of the coronavirus by focusing prevention efforts near the  
76 epicenter in China, and Utah organizations such as The Church of Jesus Christ of Latter-day  
77 Saints, Intermountain Healthcare, and others have generously donated to China significant  
78 amounts of protective gear to assist in containing the virus:

79 NOW, THEREFORE, BE IT RESOLVED that the Legislature of the state of Utah, the  
80 Governor concurring therein, expresses solidarity and support for the Chinese people's efforts  
81 to contain the coronavirus.

82 BE IT FURTHER RESOLVED that the Legislature and the Governor convey sympathy  
83 for those affected around the world and urge Utahns to remain calm and adhere to normal  
84 flu-season precautions.

85 BE IT FURTHER RESOLVED that the Legislature and the Governor concur with the  
86 World Health Organization and call upon the international community not to impose  
87 restrictions relating to the coronavirus that unnecessarily interfere with international travel and  
88 trade and raise fear and stigma.

89 BE IT FURTHER RESOLVED that, where measures that restrict travel and trade have

90 been implemented, the Legislature and the Governor urge that their duration be short,  
91 proportionate to the actual public health risks, and regularly be reconsidered as the situation  
92 evolves.

93 BE IT FURTHER RESOLVED, that the Legislature and the Governor encourage close  
94 collaboration between the public and private sectors to develop the diagnostics, medicines, and  
95 vaccines to help bring the coronavirus outbreak under control.

96 BE IT FURTHER RESOLVED that the Legislature and the Governor urge Utah  
97 government, medical facilities, school districts, and other public institutions to remain calm,  
98 take precautions to prevent the spread of all communicable diseases, and focus efforts towards  
99 people who exhibit symptoms.

100 BE IT FURTHER RESOLVED that the Legislature and the Governor urge Utah  
101 companies, faith-based groups, families, and individuals to donate protective equipment and  
102 funds through the proper channels to assist the Chinese people in battling the virus.
