1 **Emergency preamble.** Whereas, acts and resolves of the Legislature do not
2 become effective until 90 days after adjournment unless enacted as emergencies; and

3 **Whereas,** Maine residents need and expect laws governing road safety to be clear
4 and consistent; and

5 **Whereas,** this legislation clarifies a new law setting the fines imposed upon a driver
6 who has violated the prohibition against using a handheld electronic device or mobile
7 telephone while operating a motor vehicle; and

8 **Whereas,** the new law was also intended to exempt all band and 2-way radios, but
9 included exceptions only for certain types of 2-way radios as defined by the Code of
10 Federal Regulations, creating confusion about what is and what is not permitted, and this
11 legislation clarifies that the intent is to exempt all band and 2-way radios; and

12 **Whereas,** this legislation must take effect as soon as possible in order to prevent
13 confusion about the new law; and

14 **Whereas,** in the judgment of the Legislature, these facts create an emergency within
15 the meaning of the Constitution of Maine and require the following legislation as
16 immediately necessary for the preservation of the public peace, health and safety; now,

24 SUMMARY

25 This bill simplifies the definition of "handheld electronic device" in recently enacted
26 law prohibiting the use of handheld electronic devices while driving. It adds parking
27 areas to the places where the use of mobile telephones and handheld electronic devices
28 while driving is prohibited. It changes the penalty provisions to provide a fine of \$50 for
29 the first offense and \$250 for a 2nd or subsequent offense.
