## A BILL

To amend title 10, United States Code, to provide for the issuance of the Gold Star Installation Access Card to the surviving spouse, dependent children, and other next of kin of a member of the Armed Forces who dies while serving on certain active or reserve duty, to ensure that a remarried surviving spouse with dependent children of the deceased member remains eligible for installation benefits to which the surviving spouse was previously eligible, and for other purposes.

1        *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4        This Act may be cited as the “Gold Star Family Sup-  
5 port and Installation Access Act of 2017”.

6 **SEC. 2. FINDINGS.**

7        Congress makes the following findings:

8            (1) Since World War I, the gold star symbol  
9            has been used by American families to honor mem-  
10           members of the Armed Forces who have given their lives  
11           in service to the Nation.

12           (2) Surviving families of deceased members of  
13           the Armed Forces confront many challenges, often  
14           made worse by policies that fail to compassionately  
15           honor the memory of their loved one’s service and  
16           sacrifice to the Nation.

17           (3) There is an obligation to ensure that the  
18           Gold Star family connections to the military commu-  
19           nity remain an eternal bond providing strength and  
20           comfort to surviving family members and to those  
21           still serving.

22           (4) Individual military services have recognized  
23           the need to provide installation access to Gold Star  
24           families to attend memorial events, visit gravesites,

1 and access other benefits for which family members  
2 are eligible and entitled.

3 (5) Surviving families of deceased members of  
4 the Armed Forces relocate to other parts of the  
5 country, often far away from the service installation  
6 where their loved one last served.

7 (6) Current Department of Defense policy re-  
8 scinds on-base benefits to surviving spouses of de-  
9 ceased service members who remarry, even when de-  
10 pendent children under the guardianship of the sur-  
11 viving spouse remain eligible for benefits, effectively  
12 rendering these benefits inaccessible by the children  
13 of the deceased member.

14 **SEC. 3. ISSUANCE OF GOLD STAR INSTALLATION ACCESS**  
15 **CARDS.**
