118.07, 149.43, 505.64, 511.234, 940.11, 940.12, 1545.072,
1711.131, 2913.21, 3313.291, and 3375.392 be amended and
sections 9.21, 9.22, 717.31, 3313.311, 3314.52, 3326.52,
3328.52, and 6119.60 of the Revised Code be enacted to read as
follows:

Sec. 9.21. (A) Not later than three months after the
effective date of this section, the legislative authority of a
political subdivision that holds a credit card account on the
effective date of this section shall adopt a written policy for
the use of credit card accounts. Otherwise, a legislative
authority shall adopt a written policy before first holding a
credit card account.

The policy shall include provisions addressing all of the
following:

(1) The officers or positions authorized to use a credit
card account;

(2) The types of expenses for which a credit card account
may be used;

(3) The procedure for acquisition, use, and management of
a credit card account and presentation instruments related to
the account including cards and checks;

(4) The procedure for submitting itemized receipts to the
fiscal officer or the fiscal officer's designee;

(5) The procedure for credit card issuance, credit card
reissuance, credit card cancellation, and the process for

reporting lost or stolen credit cards; 44

(6) The political subdivision's credit card account's 45
maximum credit limit or limits; 46

(7) The actions or omissions by an officer or employee 47
that qualify as misuse of a credit card account. 48

(B) The name of the political subdivision shall appear on 49
each presentation instrument related to the account including 50
cards and checks. 51

(C) If the political subdivision's fiscal officer does not 52
retain general possession and control of the credit card account 53
and presentation instruments related to the account including 54
cards and checks, the legislative authority shall appoint a 55
compliance officer to perform the duties enumerated under 56
division (D) of this section. The compliance officer may not use 57
a credit card account and may not authorize an officer or 58
employee to use a credit card account. The fiscal officer is not 59
eligible for appointment as compliance officer. 60

(D) The compliance officer, if applicable, and the 61
legislative authority at least quarterly shall review the number 62
of cards and accounts issued, the number of active cards and 63
accounts issued, the cards' and accounts' expiration dates, and 64
the cards' and accounts' credit limits. 65

(E) If the fiscal officer retains general possession and 66
control of the credit card account and presentation instruments 67
related to the account including cards and checks, and the 68
legislative authority authorizes an officer or employee to use a 69
credit card account, the fiscal officer may use a system to sign 70
out credit cards to the authorized users. The officer or 71
employee is liable in person and upon any official bond the 72

employee does not provide itemized receipts in accordance with 75
the policy described in division (A) of this section. 76

(F) The use of a credit card account for expenses beyond 77

political subdivision or a public servant as defined under 80
section 2921.01 of the Revised Code who knowingly misuses a 81
credit card account held by the legislative authority violates 82
section 2913.21 of the Revised Code. 83

(G) The fiscal officer or the fiscal officer's designee 84
annually shall file a report with the legislative authority 85
detailing all rewards received based on the use of the political 86
subdivision's credit card account. 87

the state. 108

No political subdivision may hold or utilize a debit card 109
account, except for law enforcement purposes. Possession or use 110
of a debit card account by a political subdivision except for 111
law enforcement purposes is a violation of section 2913.21 of 112
the Revised Code. 113

This section does not apply to debit card accounts related 114

the complaint, the name of the public office or agency with 160

regard to which the complaint is directed, and a general 161
description of the status of the review by the auditor of state. 162
If section 149.43 of the Revised Code or another statute 163
provides for an applicable exemption from the definition of 164
public record for the information recorded on the log, that 165
information may be redacted. 166

ongoing criminal investigation, but shall log the complaint not 168
later than thirty days after the investigation is complete. 169

each public office shall make all its employees aware of the 182
fraud-reporting system required by this section. 183

(3) Divisions (B) (1) and (2) of this section are satisfied 184
if a public office provides information about the fraud- 185
reporting system and the means of reporting fraud in the 186
employee handbook or manual for the public office. An employee 187
shall sign and verify the employee's receipt of such a handbook 188
or manual. 189

Sec. 117.38. (A) Each public office, other than a state 190
agency, shall file a financial report for each fiscal year. The 191
auditor of state may prescribe forms by rule or may issue 192
guidelines, or both, for such reports. If the auditor of state 193
has not prescribed a rule regarding the form for the report, the 194
public office shall submit its report on the form utilized by 195
the public office. 196

(B) The report shall be certified by the proper officer or 197

provision made for the payment thereof. The substance of the 223
report shall be published at the expense of the state in an 224
annual volume of statistics, which shall be submitted to the 225
governor. The auditor of state shall transmit the report to the 226
general assembly at its next session. 227~~

(D) Any public office, other than a state agency, that 228
does not file its financial report at the time required by this 229
section shall pay to the auditor of state twenty-five dollars 230
for each day the report remains unfiled after the filing date; 231
provided, that the penalty payments shall not exceed the sum of 232
seven hundred fifty dollars. The auditor of state may waive all 233
or any part of the penalty assessed under this section upon the 234

provide to the county auditor, not later than the first day of 242
March each year unless a later date is authorized by the county 243
auditor, all information determined by the county auditor to be 244
necessary for the preparation of the report required by this 245
section. 246

(F) The auditor of state shall publish the substance of 247
the report submitted under this section in an electronic format 248

that is available to the public. 249

Sec. 118.05. (A) Pursuant to the powers of the general 250
assembly and for the purposes of this chapter, upon the 251
occurrence of a fiscal emergency in any municipal corporation, 252
county, or township, as determined pursuant to section 118.04 of 253
the Revised Code, there is established, with respect to that 254
municipal corporation, county, or township, a body both 255
corporate and politic constituting an agency and instrumentality 256
of the state and performing essential governmental functions of 257
the state to be known as the "financial planning and supervision 258
commission for (name of municipal corporation, 259
county, or township)," which, in that name, may exercise all 260
authority vested in such a commission by this chapter. Except as 261
otherwise provided in division (L) of this section, a separate 262
commission is established with respect to each municipal 263
corporation, county, or township as to which there is a fiscal 264
emergency as determined under this chapter. 265

(B) A commission shall consist of the following voting 266
members: 267

(1) Four ex officio members: the treasurer of state; the 268
director of budget and management; in the case of a municipal 269
corporation, the mayor of the municipal corporation and the 270
presiding officer of the legislative authority of the municipal 271
corporation; in the case of a county, a member of the board of 272
county commissioners and the county auditor; in the case of a 273
county that has adopted a charter under Article X, Ohio 274
Constitution, and under that charter has both a county executive 275
and a county fiscal officer, the county executive and the county 276
fiscal officer; and in the case of a township, a member of the 277
board of township trustees and the county auditor. 278

The treasurer of state may designate a deputy treasurer or 279
director within the office of the treasurer of state or any 280
other appropriate person who is not an employee of the treasurer 281
of state's office; the director of budget and management may 282
designate an individual within the office of budget and 283
management or any other appropriate person who is not an 284
employee of the office of budget and management; the presiding 285
officer of the legislative authority of the municipal 286
corporation may designate any other member of the legislative 287
authority; the board of county commissioners may designate any 288
other member of the board or the fiscal officer of the county; 289
the fiscal officer of a county that has adopted a charter under 290
Article X, Ohio Constitution, may designate an individual within 291
the county fiscal office; the county auditor may designate an 292
individual within the county auditor's office; and the board of 293
township trustees may designate any other member of the board or 294
the fiscal officer of the township to attend the meetings of the 295
commission when the ex officio member is absent or unable for 296
any reason to attend. A designee, when present, shall be counted 297
in determining whether a quorum is present at any meeting of the 298
commission and may vote and participate in all proceedings and 299
actions of the commission. The designations shall be in writing, 300
executed by the ex officio member or entity making the 301
designation, and filed with the secretary of the commission. The 302
designations may be changed from time to time in like manner, 303
but due regard shall be given to the need for continuity. 304

(2) If a municipal corporation, county, or township has a 305
population of at least one thousand, three additional members 306
appointed not later than fifteen days after the auditor of state 307
determines that a fiscal emergency exists as follows: 308

For a municipal corporation, the governor shall appoint 309

one member; the mayor shall appoint one member confirmed by the 310
legislative authority of the municipal corporation; and the 311
county auditor of the county in which the largest portion of the 312
territory of the municipal corporation is located shall appoint 313
one member. The county auditor may appoint the county auditor to 314
the commission. 315

For a county, the governor shall appoint one member and 316
the board of county commissioners shall appoint two members. In 317
the case of a county that has adopted a charter under Article X, 318
Ohio Constitution, and under that charter has both a county 319
executive and a county council, the governor shall appoint one 320
member, the county executive shall appoint one member, and the 321
county council shall appoint one member. A member of the board 322
of county commissioners, a county executive, or a member of the 323
county council is ineligible for appointment to the commission 324
under this paragraph. 325

For a township, the governor shall appoint one member and 326
the board of township trustees shall appoint two members. A 327
member of the board of township trustees is ineligible for 328
appointment to the commission under this paragraph. 329

Each of the three appointed members shall serve during the 330
life of the commission, subject to removal by the appointing 331
authority for misfeasance, nonfeasance, or malfeasance in 332
office. In the event of the death, resignation, incapacity, 333
removal, or ineligibility to serve of an appointed member, the 334
appointing authority that appointed the member shall appoint a 335
successor, except as otherwise provided in division (M) of this 336
section. 337

Each appointed member shall be an individual: 338

Who has knowledge and experience in financial matters, 339
financial management, or business organization or operations; 340

Whose residency, office, or principal place of 341
professional or business activity is situated within the 342
municipal corporation, county, or township, except that a county 343
auditor who serves on the commission of a municipal corporation 344
is not required to reside or have an office or principal place 345
of professional or business activity in the municipal 346
corporation; 347

Who shall not become a candidate for elected public office 348
while serving as a member of the commission, except a county 349
auditor who serves on the commission of a municipal corporation 350
may be a candidate for reelection to the county auditor's 351
office. 352

(C) Immediately after appointment of the initial appointed 353
members of the commission, the governor shall call the first 354
meeting of the commission and shall cause written notice of the 355
time, date, and place of the first meeting to be given to each 356
member of the commission at least forty-eight hours in advance 357
of the meeting. 358

(D) The director of budget and management shall serve as 359
chairperson of the commission. The commission shall elect one of 360
its members to serve as vice-chairperson and may appoint a 361
secretary and any other officers, who need not be members of the 362
commission, it considers necessary. The chairperson may remove 363
an appointed member if that member fails to attend three 364
meetings. In that event, the appointing authority shall fill the 365
vacancy in the same manner as the original appointment, except 366
as otherwise provided in division (M) of this section. 367

(E) The commission may adopt and alter bylaws and rules, 368
which shall not be subject to section 111.15 or Chapter 119. of 369
the Revised Code, for the conduct of its affairs and for the 370
manner, subject to this chapter, in which its powers and 371
functions shall be exercised and embodied. 372

(F) Four members of a commission established pursuant to 373
divisions (B) (1) and (2) of this section constitute a quorum of 374
the commission. The affirmative vote of a majority of the 375
members of the commission is necessary for any action taken by 376
vote of the commission. No vacancy in the membership of the 377
commission shall impair the rights of a quorum by such vote to 378
exercise all the rights and perform all the duties of the 379
commission. Members of the commission, and their designees, are 380
not disqualified from voting by reason of the functions of the 381
other office they hold and are not disqualified from exercising 382
the functions of the other office with respect to the municipal 383
corporation, county, or township, its officers, or the 384
commission. 385

(G) The auditor of state shall serve as the "financial 386
supervisor" to the commission unless the auditor of state elects 387
to contract for that service. As used in this chapter, 388
"financial supervisor" means the auditor of state. 389

(H) At the request of the commission, the auditor of state 390
shall designate employees of the auditor of state's office to 391
assist the commission and the financial supervisor and to 392
coordinate the work of the auditor of state's office and the 393
financial supervisor. Upon the determination of a fiscal 394
emergency in any municipal corporation, county, or township, the 395
municipal corporation, county, or township shall provide the 396
commission with such reasonable office space in the principal 397

building housing city, county, or township government, where 398
feasible, as it determines is necessary to carry out its duties 399
under this chapter. 400

(I) The financial supervisor, the members of the 401
commission, the auditor of state, and any person authorized to 402
act on behalf of or assist them shall not be personally liable 403
or subject to any suit, judgment, or claim for damages resulting 404
from the exercise of or failure to exercise the powers, duties, 405
and functions granted to them in regard to their functioning 406
under this chapter, but the commission, the financial 407
supervisor, the auditor of state, and those other persons shall 408
be subject to mandamus proceedings to compel performance of 409
their duties under this chapter and with respect to any debt 410
obligations issued pursuant or subject to this chapter. 411

(J) At the request of the commission, the administrative 412
head of any state agency shall temporarily assign personnel 413
skilled in accounting and budgeting procedures to assist the 414
commission or the financial supervisor in its duties as 415
financial supervisor. 416

(K) The appointed members of the commission who are 417
members of the board of township trustees or are not elected 418
officials are not subject to section 102.02 of the Revised Code. 419
Each appointed member of the commission shall file with the 420
commission a signed written statement setting forth the general 421
nature of sales of goods, property, or services or of loans to 422
the municipal corporation, county, or township with respect to 423
which that commission is established, in which the appointed 424
member has a pecuniary interest or in which any member of the 425
appointed member's immediate family, as defined in section 426
102.01 of the Revised Code, or any corporation, partnership, or 427

enterprise of which the appointed member is an officer, 428
director, or partner, or of which the appointed member or a 429
member of the appointed member's immediate family, as so 430
defined, owns more than a five per cent interest, has a 431
pecuniary interest, and of which sale, loan, or interest such 432
member has knowledge. The statement shall be supplemented from 433
time to time to reflect changes in the general nature of any 434
such sales or loans. 435

(L) A commission is not established with respect to any 436
village or township with a population of less than one thousand 437
as of the most recent federal decennial census. Upon the 438
occurrence of a fiscal emergency in such a village or township, 439
the auditor of state shall serve as the financial supervisor of 440
the village or township and shall have all the powers and 441
responsibilities of a commission, including the powers and 442
responsibilities described in section 118.07 of the Revised 443
Code. 444

(M) (1) Notwithstanding any contrary provision of division 445
(B) (2) or (D) of this section, if one or more appointed seats on 446
a commission that was established before October 17, 2017, are 447
or become vacant, division (M) of this section applies 448
concerning the commission. 449

(2) In the case of a commission established with respect 450
to a municipal corporation: 451

(a) If one such vacancy exists on the commission, the 452
county auditor of the county in which the largest portion of the 453
territory of the municipal corporation is located shall appoint 454
a member to fill the vacancy. The county auditor may appoint the 455
county auditor to the commission. Of the two remaining appointed 456
members of the commission, the mayor shall determine, not later 457

than the fifteenth day after the effective date of this 458
amendment or the fifteenth day after the vacancy occurs, 459
whichever is later, which of those members shall be considered 460
the member appointed by the mayor for purposes of divisions (B) 461
(2) and (D) of this section, and the other appointed member 462

operated by a public office. 939

(9) "Community control sanction" has the same meaning as 940
in section 2929.01 of the Revised Code. 941

(10) "Post-release control sanction" has the same meaning 942
as in section 2967.01 of the Revised Code. 943

(11) "Redaction" means obscuring or deleting any 944
information that is exempt from the duty to permit public 945
inspection or copying from an item that otherwise meets the 946
definition of a "record" in section 149.011 of the Revised Code. 947

(12) "Designee" and "elected official" have the same 948
meanings as in section 109.43 of the Revised Code. 949

(B) (1) Upon request and subject to division (B) (8) of this 950
section, all public records responsive to the request shall be 951
promptly prepared and made available for inspection to any 952

person at all reasonable times during regular business hours. 953
Subject to division (B) (8) of this section, upon request, a 954
public office or person responsible for public records shall 955
make copies of the requested public record available at cost and 956
within a reasonable period of time. If a public record contains 957
information that is exempt from the duty to permit public 958
inspection or to copy the public record, the public office or 959
the person responsible for the public record shall make 960
available all of the information within the public record that 961
is not exempt. When making that public record available for 962
public inspection or copying that public record, the public 963
office or the person responsible for the public record shall 964
notify the requester of any redaction or make the redaction 965
plainly visible. A redaction shall be deemed a denial of a 966
request to inspect or copy the redacted information, except if 967
federal or state law authorizes or requires a public office to 968
make the redaction. 969

(2) To facilitate broader access to public records, a 970
public office or the person responsible for public records shall 971
organize and maintain public records in a manner that they can 972
be made available for inspection or copying in accordance with 973
division (B) of this section. A public office also shall have 974
available a copy of its current records retention schedule at a 975
location readily available to the public. If a requester makes 976
an ambiguous or overly broad request or has difficulty in making 977
a request for copies or inspection of public records under this 978
section such that the public office or the person responsible 979
for the requested public record cannot reasonably identify what 980
public records are being requested, the public office or the 981
person responsible for the requested public record may deny the 982
request but shall provide the requester with an opportunity to 983

revise the request by informing the requester of the manner in 984
which records are maintained by the public office and accessed 985
in the ordinary course of the public office's or person's 986
duties. 987

(3) If a request is ultimately denied, in part or in 988
whole, the public office or the person responsible for the 989
requested public record shall provide the requester with an 990
explanation, including legal authority, setting forth why the 991
request was denied. If the initial request was provided in 992
writing, the explanation also shall be provided to the requester 993
in writing. The explanation shall not preclude the public office 994
or the person responsible for the requested public record from 995
relying upon additional reasons or legal authority in defending 996
an action commenced under division (C) of this section. 997

(4) Unless specifically required or authorized by state or 998
federal law or in accordance with division (B) of this section, 999
no public office or person responsible for public records may 1000
limit or condition the availability of public records by 1001
requiring disclosure of the requester's identity or the intended 1002
use of the requested public record. Any requirement that the 1003
requester disclose the requester's identity or the intended use 1004
of the requested public record constitutes a denial of the 1005
request. 1006

(5) A public office or person responsible for public 1007
records may ask a requester to make the request in writing, may 1008
ask for the requester's identity, and may inquire about the 1009
intended use of the information requested, but may do so only 1010
after disclosing to the requester that a written request is not 1011
mandatory and that the requester may decline to reveal the 1012
requester's identity or the intended use and when a written 1013

request or disclosure of the identity or intended use would 1014
benefit the requester by enhancing the ability of the public 1015
office or person responsible for public records to identify, 1016
locate, or deliver the public records sought by the requester. 1017

(6) If any person chooses to obtain a copy of a public 1018
record in accordance with division (B) of this section, the 1019
public office or person responsible for the public record may 1020
require that person to pay in advance the cost involved in 1021
providing the copy of the public record in accordance with the 1022
choice made by the person seeking the copy under this division. 1023
The public office or the person responsible for the public 1024
record shall permit that person to choose to have the public 1025
record duplicated upon paper, upon the same medium upon which 1026
the public office or person responsible for the public record 1027
keeps it, or upon any other medium upon which the public office 1028
or person responsible for the public record determines that it 1029
reasonably can be duplicated as an integral part of the normal 1030
operations of the public office or person responsible for the 1031
public record. When the person seeking the copy makes a choice 1032
under this division, the public office or person responsible for 1033
the public record shall provide a copy of it in accordance with 1034
the choice made by the person seeking the copy. Nothing in this 1035
section requires a public office or person responsible for the 1036
public record to allow the person seeking a copy of the public 1037
record to make the copies of the public record. 1038

(7) (a) Upon a request made in accordance with division (B) 1039
of this section and subject to division (B) (6) of this section, 1040
a public office or person responsible for public records shall 1041
transmit a copy of a public record to any person by United 1042
States mail or by any other means of delivery or transmission 1043
within a reasonable period of time after receiving the request 1044

for the copy. The public office or person responsible for the 1045
public record may require the person making the request to pay 1046
in advance the cost of postage if the copy is transmitted by 1047
United States mail or the cost of delivery if the copy is 1048
transmitted other than by United States mail, and to pay in 1049
advance the costs incurred for other supplies used in the 1050
mailing, delivery, or transmission. 1051

(b) Any public office may adopt a policy and procedures 1052
that it will follow in transmitting, within a reasonable period 1053
of time after receiving a request, copies of public records by 1054
United States mail or by any other means of delivery or 1055
transmission pursuant to division (B) (7) of this section. A 1056
public office that adopts a policy and procedures under division 1057
(B) (7) of this section shall comply with them in performing its 1058
duties under that division. 1059

(c) In any policy and procedures adopted under division 1060
(B) (7) of this section: 1061

(i) A public office may limit the number of records 1062
requested by a person that the office will physically deliver by 1063
United States mail or by another delivery service to ten per 1064
month, unless the person certifies to the office in writing that 1065
the person does not intend to use or forward the requested 1066
records, or the information contained in them, for commercial 1067
purposes; 1068

(ii) A public office that chooses to provide some or all 1069
of its public records on a web site that is fully accessible to 1070
and searchable by members of the public at all times, other than 1071
during acts of God outside the public office's control or 1072
maintenance, and that charges no fee to search, access, 1073
download, or otherwise receive records provided on the web site, 1074

may limit to ten per month the number of records requested by a 1075
person that the office will deliver in a digital format, unless 1076
the requested records are not provided on the web site and 1077
unless the person certifies to the office in writing that the 1078
person does not intend to use or forward the requested records, 1079
or the information contained in them, for commercial purposes. 1080

(iii) For purposes of division (B) (7) of this section, 1081
"commercial" shall be narrowly construed and does not include 1082
reporting or gathering news, reporting or gathering information 1083
to assist citizen oversight or understanding of the operation or 1084
activities of government, or nonprofit educational research. 1085

(8) A public office or person responsible for public 1086
records is not required to permit a person who is incarcerated 1087
pursuant to a criminal conviction or a juvenile adjudication to 1088
inspect or to obtain a copy of any public record concerning a 1089
criminal investigation or prosecution or concerning what would 1090
be a criminal investigation or prosecution if the subject of the 1091
investigation or prosecution were an adult, unless the request 1092
to inspect or to obtain a copy of the record is for the purpose 1093
of acquiring information that is subject to release as a public 1094
record under this section and the judge who imposed the sentence 1095
or made the adjudication with respect to the person, or the 1096
judge's successor in office, finds that the information sought 1097
in the public record is necessary to support what appears to be 1098
a justiciable claim of the person. 1099

(9) (a) Upon written request made and signed by a 1100
journalist on or after December 16, 1999, a public office, or 1101
person responsible for public records, having custody of the 1102
records of the agency employing a specified peace officer, 1103
parole officer, probation officer, bailiff, prosecuting 1104

attorney, assistant prosecuting attorney, correctional employee, 1105
community-based correctional facility employee, youth services 1106
employee, firefighter, EMT, investigator of the bureau of 1107
criminal identification and investigation, or federal law 1108
enforcement officer shall disclose to the journalist the address 1109
of the actual personal residence of the peace officer, parole 1110
officer, probation officer, bailiff, prosecuting attorney, 1111
assistant prosecuting attorney, correctional employee, 1112
community-based correctional facility employee, youth services 1113
employee, firefighter, EMT, investigator of the bureau of 1114
criminal identification and investigation, or federal law 1115
enforcement officer and, if the peace officer's, parole 1116
officer's, probation officer's, bailiff's, prosecuting 1117
attorney's, assistant prosecuting attorney's, correctional 1118
employee's, community-based correctional facility employee's, 1119
youth services employee's, firefighter's, EMT's, investigator of 1120
the bureau of criminal identification and investigation's, or 1121
federal law enforcement officer's spouse, former spouse, or 1122
child is employed by a public office, the name and address of 1123
the employer of the peace officer's, parole officer's, probation 1124
officer's, bailiff's, prosecuting attorney's, assistant 1125
prosecuting attorney's, correctional employee's, community-based 1126
correctional facility employee's, youth services employee's, 1127
firefighter's, EMT's, investigator of the bureau of criminal 1128
identification and investigation's, or federal law enforcement 1129
officer's spouse, former spouse, or child. The request shall 1130
include the journalist's name and title and the name and address 1131
of the journalist's employer and shall state that disclosure of 1132
the information sought would be in the public interest. 1133

(b) Division (B) (9) (a) of this section also applies to 1134
journalist requests for customer information maintained by a 1135

municipally owned or operated public utility, other than social 1136
security numbers and any private financial information such as 1137
credit reports, payment methods, credit card numbers, and bank 1138
account information. 1139

(c) As used in division (B) (9) of this section, 1140
"journalist" means a person engaged in, connected with, or 1141
employed by any news medium, including a newspaper, magazine, 1142
press association, news agency, or wire service, a radio or 1143
television station, or a similar medium, for the purpose of 1144
gathering, processing, transmitting, compiling, editing, or 1145
disseminating information for the general public. 1146

(C) (1) If a person allegedly is aggrieved by the failure 1147
of a public office or the person responsible for public records 1148
to promptly prepare a public record and to make it available to 1149
the person for inspection in accordance with division (B) of 1150
this section or by any other failure of a public office or the 1151
person responsible for public records to comply with an 1152
obligation in accordance with division (B) of this section, the 1153
person allegedly aggrieved may do only one of the following, and 1154
not both: 1155

(a) File a complaint with the clerk of the court of claims 1156
or the clerk of the court of common pleas under section 2743.75 1157
of the Revised Code; 1158

(b) Commence a mandamus action to obtain a judgment that 1159
orders the public office or the person responsible for the 1160
public record to comply with division (B) of this section, that 1161
awards court costs and reasonable attorney's fees to the person 1162
that instituted the mandamus action, and, if applicable, that 1163
includes an order fixing statutory damages under division (C) (2) 1164
of this section. The mandamus action may be commenced in the 1165

court of common pleas of the county in which division (B) of 1166
this section allegedly was not complied with, in the supreme 1167
court pursuant to its original jurisdiction under Section 2 of 1168
Article IV, Ohio Constitution, or in the court of appeals for 1169
the appellate district in which division (B) of this section 1170
allegedly was not complied with pursuant to its original 1171
jurisdiction under Section 3 of Article IV, Ohio Constitution. 1172

(2) If a requester transmits a written request by hand 1173
delivery, electronic submission, or certified mail to inspect or 1174
receive copies of any public record in a manner that fairly 1175
describes the public record or class of public records to the 1176
public office or person responsible for the requested public 1177
records, except as otherwise provided in this section, the 1178
requester shall be entitled to recover the amount of statutory 1179
damages set forth in this division if a court determines that 1180
the public office or the person responsible for public records 1181
failed to comply with an obligation in accordance with division 1182
(B) of this section. 1183

The amount of statutory damages shall be fixed at one 1184
hundred dollars for each business day during which the public 1185
office or person responsible for the requested public records 1186
failed to comply with an obligation in accordance with division 1187
(B) of this section, beginning with the day on which the 1188
requester files a mandamus action to recover statutory damages, 1189
up to a maximum of one thousand dollars. The award of statutory 1190
damages shall not be construed as a penalty, but as compensation 1191
for injury arising from lost use of the requested information. 1192
The existence of this injury shall be conclusively presumed. The 1193
award of statutory damages shall be in addition to all other 1194
remedies authorized by this section. 1195

The court may reduce an award of statutory damages or not 1196
award statutory damages if the court determines both of the 1197
following: 1198

(a) That, based on the ordinary application of statutory 1199
law and case law as it existed at the time of the conduct or 1200
threatened conduct of the public office or person responsible 1201
for the requested public records that allegedly constitutes a 1202
failure to comply with an obligation in accordance with division 1203
(B) of this section and that was the basis of the mandamus 1204
action, a well-informed public office or person responsible for 1205
the requested public records reasonably would believe that the 1206
conduct or threatened conduct of the public office or person 1207
responsible for the requested public records did not constitute 1208
a failure to comply with an obligation in accordance with 1209
division (B) of this section; 1210

(b) That a well-informed public office or person 1211
responsible for the requested public records reasonably would 1212
believe that the conduct or threatened conduct of the public 1213
office or person responsible for the requested public records 1214
would serve the public policy that underlies the authority that 1215
is asserted as permitting that conduct or threatened conduct. 1216

(3) In a mandamus action filed under division (C)(1) of 1217
this section, the following apply: 1218

(a) (i) If the court orders the public office or the person 1219
responsible for the public record to comply with division (B) of 1220
this section, the court shall determine and award to the relator 1221
all court costs, which shall be construed as remedial and not 1222
punitive. 1223

(ii) If the court makes a determination described in 1224

division (C) (3) (b) (iii) of this section, the court shall 1225
determine and award to the relator all court costs, which shall 1226
be construed as remedial and not punitive. 1227

(b) If the court renders a judgment that orders the public 1228
office or the person responsible for the public record to comply 1229
with division (B) of this section or if the court determines any 1230
of the following, the court may award reasonable attorney's fees 1231
to the relator, subject to the provisions of division (C) (4) of 1232
this section: 1233

(i) The public office or the person responsible for the 1234
public records failed to respond affirmatively or negatively to 1235
the public records request in accordance with the time allowed 1236
under division (B) of this section. 1237

(ii) The public office or the person responsible for the 1238
public records promised to permit the relator to inspect or 1239
receive copies of the public records requested within a 1240
specified period of time but failed to fulfill that promise 1241
within that specified period of time. 1242

(iii) The public office or the person responsible for the 1243
public records acted in bad faith when the office or person 1244
voluntarily made the public records available to the relator for 1245
the first time after the relator commenced the mandamus action, 1246
but before the court issued any order concluding whether or not 1247
the public office or person was required to comply with division 1248
(B) of this section. No discovery may be conducted on the issue 1249
of the alleged bad faith of the public office or person 1250
responsible for the public records. This division shall not be 1251
construed as creating a presumption that the public office or 1252
the person responsible for the public records acted in bad faith 1253
when the office or person voluntarily made the public records 1254

available to the relator for the first time after the relator 1255
commenced the mandamus action, but before the court issued any 1256
order described in this division. 1257

(c) The court shall not award attorney's fees to the 1258
relator if the court determines both of the following: 1259

(i) That, based on the ordinary application of statutory 1260
law and case law as it existed at the time of the conduct or 1261
threatened conduct of the public office or person responsible 1262
for the requested public records that allegedly constitutes a 1263
failure to comply with an obligation in accordance with division 1264
(B) of this section and that was the basis of the mandamus 1265
action, a well-informed public office or person responsible for 1266
the requested public records reasonably would believe that the 1267
conduct or threatened conduct of the public office or person 1268
responsible for the requested public records did not constitute 1269
a failure to comply with an obligation in accordance with 1270
division (B) of this section; 1271

(ii) That a well-informed public office or person 1272
responsible for the requested public records reasonably would 1273
believe that the conduct or threatened conduct of the public 1274
office or person responsible for the requested public records 1275
would serve the public policy that underlies the authority that 1276
is asserted as permitting that conduct or threatened conduct. 1277

(4) All of the following apply to any award of reasonable 1278
attorney's fees awarded under division (C) (3) (b) of this 1279
section: 1280

(a) The fees shall be construed as remedial and not 1281
punitive. 1282

(b) The fees awarded shall not exceed the total of the 1283

reasonable attorney's fees incurred before the public record was 1284
made available to the relator and the fees described in division 1285
(C) (4) (c) of this section. 1286

(c) Reasonable attorney's fees shall include reasonable 1287
fees incurred to produce proof of the reasonableness and amount 1288
of the fees and to otherwise litigate entitlement to the fees. 1289

(d) The court may reduce the amount of fees awarded if the 1290
court determines that, given the factual circumstances involved 1291
with the specific public records request, an alternative means 1292
should have been pursued to more effectively and efficiently 1293
resolve the dispute that was subject to the mandamus action 1294
filed under division (C) (1) of this section. 1295

(5) If the court does not issue a writ of mandamus under 1296
division (C) of this section and the court determines at that 1297
time that the bringing of the mandamus action was frivolous 1298
conduct as defined in division (A) of section 2323.51 of the 1299
Revised Code, the court may award to the public office all court 1300
costs, expenses, and reasonable attorney's fees, as determined 1301
by the court. 1302

(D) Chapter 1347. of the Revised Code does not limit the 1303
provisions of this section. 1304

(E) (1) To ensure that all employees of public offices are 1305
appropriately educated about a public office's obligations under 1306
division (B) of this section, all elected officials or their 1307
appropriate designees shall attend training approved by the 1308
attorney general as provided in section 109.43 of the Revised 1309
Code. In addition, all public offices shall adopt a public 1310
records policy in compliance with this section for responding to 1311
public records requests. In adopting a public records policy 1312

under this division, a public office may obtain guidance from 1313
the model public records policy developed and provided to the 1314
public office by the attorney general under section 109.43 of 1315
the Revised Code. Except as otherwise provided in this section, 1316
the policy may not limit the number of public records that the 1317
public office will make available to a single person, may not 1318
limit the number of public records that it will make available 1319
during a fixed period of time, and may not establish a fixed 1320
period of time before it will respond to a request for 1321
inspection or copying of public records, unless that period is 1322
less than eight hours. 1323

(2) The public office shall distribute the public records 1324
policy adopted by the public office under division (E)(1) of 1325
this section to the employee of the public office who is the 1326
records custodian or records manager or otherwise has custody of 1327
the records of that office. The public office shall require that 1328
employee to acknowledge receipt of the copy of the public 1329
records policy. The public office shall create a poster that 1330
describes its public records policy and shall post the poster in 1331
a conspicuous place in the public office and in all locations 1332
where the public office has branch offices. The public office 1333
may post its public records policy on the internet web site of 1334
the public office if the public office maintains an internet web 1335
site. A public office that has established a manual or handbook 1336
of its general policies and procedures for all employees of the 1337
public office shall include the public records policy of the 1338
public office in the manual or handbook. 1339

(F)(1) The bureau of motor vehicles may adopt rules 1340
pursuant to Chapter 119. of the Revised Code to reasonably limit 1341
the number of bulk commercial special extraction requests made 1342
by a person for the same records or for updated records during a 1343

calendar year. The rules may include provisions for charges to 1344
be made for bulk commercial special extraction requests for the 1345
actual cost of the bureau, plus special extraction costs, plus 1346
ten per cent. The bureau may charge for expenses for redacting 1347
information, the release of which is prohibited by law. 1348

(2) As used in division (F) (1) of this section: 1349

(a) "Actual cost" means the cost of depleted supplies, 1350
records storage media costs, actual mailing and alternative 1351
delivery costs, or other transmitting costs, and any direct 1352
equipment operating and maintenance costs, including actual 1353
costs paid to private contractors for copying services. 1354

(b) "Bulk commercial special extraction request" means a 1355
request for copies of a record for information in a format other 1356
than the format already available, or information that cannot be 1357
extracted without examination of all items in a records series, 1358
class of records, or database by a person who intends to use or 1359
forward the copies for surveys, marketing, solicitation, or 1360
resale for commercial purposes. "Bulk commercial special 1361
extraction request" does not include a request by a person who 1362
gives assurance to the bureau that the person making the request 1363
does not intend to use or forward the requested copies for 1364
surveys, marketing, solicitation, or resale for commercial 1365
purposes. 1366

(c) "Commercial" means profit-seeking production, buying, 1367
or selling of any good, service, or other product. 1368

(d) "Special extraction costs" means the cost of the time 1369
spent by the lowest paid employee competent to perform the task, 1370
the actual amount paid to outside private contractors employed 1371
by the bureau, or the actual cost incurred to create computer 1372

programs to make the special extraction. "Special extraction
costs" include any charges paid to a public agency for computer
or records services.

(3) For purposes of divisions (F)(1) and (2) of this
section, "surveys, marketing, solicitation, or resale for
commercial purposes" shall be narrowly construed and does not
include reporting or gathering news, reporting or gathering
information to assist citizen oversight or understanding of the
operation or activities of government, or nonprofit educational
research.

(G) A request by a defendant, counsel of a defendant, or
any agent of a defendant in a criminal action that public
records related to that action be made available under this
section shall be considered a demand for discovery pursuant to
the Criminal Rules, except to the extent that the Criminal Rules
plainly indicate a contrary intent. The defendant, counsel of
the defendant, or agent of the defendant making a request under
this division shall serve a copy of the request on the
prosecuting attorney, director of law, or other chief legal
officer responsible for prosecuting the action.

Revised Code are hereby repealed. 2646

Section 3. As used in this section, "qualified property" 2647
means territory leased by the state under section 1506.11 of the 2648
Revised Code, the lease of which has been assigned to a 2649
municipal corporation as lessee. 2650

Notwithstanding section 5713.081 and division (F) of 2651
section 1506.11 of the Revised Code, when qualified property 2652
used exclusively for a public purpose for the purposes of 2653
section 5709.08 of the Revised Code has not received tax 2654
exemption under that section, the lessee municipal corporation, 2655
at any time on or before December 31, 2018, may file with the 2656
Tax Commissioner an application requesting that the property be 2657
placed on the tax-exempt list and that unpaid taxes, penalties, 2658
and interest charged and payable after December 31, 2003, on the 2659
property be abated, provided that taxes, penalties, and interest 2660
charged and payable for any tax year the property was used in 2661

the operation of a business may not be abated. 2662

The application shall be made on the form prescribed by 2663
the Tax Commissioner under section 5715.27 of the Revised Code 2664
and shall list the name of the county in which the property is 2665
located; the property's parcel number or legal description; its 2666
assessed value; the amount in dollars of the unpaid taxes, 2667
penalties, and interest charged and payable after December 31, 2668

Commissioner. The county auditor shall supply the required 2670
information upon request of the applicant. 2671

After receiving and considering the application, the 2672
Commissioner shall determine if the applicant meets the 2673
qualifications set forth in this section. If so, the 2674
Commissioner shall issue an order directing that the property be 2675
placed on the tax-exempt list of the county and that unpaid 2676
taxes, penalties, and interest charged and payable after 2677
December 31, 2003, be abated except for taxes, penalties, and 2678
interest charged and payable for any tax year that the property 2679
was used in the operation of a business. Such taxes, penalties, 2680
and interest shall be abated even if the property was subject to 2681
more than one lease during the period for which the abatement 2682
was requested. If the Commissioner finds that the property is 2683
not now being used for an exempt purpose or is otherwise 2684
ineligible for abatement of taxes, penalties, and interest under 2685
this section, the Commissioner shall issue an order denying the 2686
application. 2687

If the Commissioner finds that the property is not 2688
entitled to tax exemption and the abatement of unpaid taxes, 2689
penalties, and interest, the Commissioner shall order the county 2690
treasurer of the county in which the property is located to 2691

collect all taxes, penalties, and interest due on the property 2692
in accordance with law. 2693

The Commissioner may apply this section to any qualified 2694
property that is the subject of an application for exemption 2695
pending before the Commissioner on the effective date of this 2696
section without requiring the property owner to file an 2697
additional application. 2698
