There is imposed a tax at the rate of four and two-tenths percent upon the gross receipts of any person from engaging or continuing in any of the following businesses or services in this state: abstracters; accountants; ancillary services; architects; barbers; beauty shops; bill collection services; blacksmith shops; car washing; dry cleaning; dyeing; exterminators; garage and service stations; garment alteration; cleaning and pressing; janitorial services and supplies; specialty cleaners; laundry; linen and towel supply; membership or entrance fees for the use of a facility or for the right to purchase tangible personal property, any product transferred electronically, or services; photography; photo developing and enlarging; tire recapping; welding and all repair services, except repair services for farm machinery, attachment units, and irrigation equipment used exclusively for agricultural purposes; cable television; and rentals of tangible personal property except leases of tangible personal property between one telephone company and another telephone company, motor vehicles as defined pursuant to § 32-5-1 leased under a single contract for more than twenty-eight days, and mobile homes. However, the specific enumeration of businesses and professions made in this section does not, in any way, limit the scope and effect of the provisions of § 10-45-4.

Section 3. That § 10-45-5.3 be AMENDED:

10-45-5.3. There is imposed, at the rate of four and two-tenths percent, an excise tax on the gross receipts of any person engaging in oil and gas field services (group no. 138) as enumerated in the Standard Industrial Classification Manual, 1987, as prepared by the Statistical Policy Division of the Office of Management and Budget, Office of the President.

Section 4. That § 10-45-6 be AMENDED:

10-45-6. There is hereby imposed a tax of four and two-tenths percent upon the gross receipts from sales, furnishing, or service of gas, electricity, and water, including the gross receipts from such sales by any municipal corporation furnishing gas, and electricity, to the public in its proprietary capacity, except as otherwise provided in this chapter, when sold at retail in the State of South Dakota to consumers or users.

Section 5. That § 10-45-6.1 be AMENDED:

10-45-6.1. Except as provided in § 10-45-6.2, there is hereby imposed a tax of four and two-tenths percent upon the gross receipts from providing any intrastate, interstate, or international telecommunications service that originates or terminates in this state and that is billed or charged to a service address in this state, or that both originates and terminates in this state. However, the tax imposed by this section does not apply to:

Notwithstanding any other provision of this chapter and for purposes of the tax imposed by this section, the tax imposed upon mobile telecommunication services must be administered in accordance with 4 U.S.C. §§ 116-126, as in effect on July 28, 2000.

10-46-2.1. For the privilege of using services in South Dakota, except those types of services exempted by § 10-46-17.3, there is imposed on the person using the service an excise tax equal to four and two-tenths percent of the value of the services at the time they are rendered. However, this tax may not be imposed on any service rendered by a related corporation, as defined in subdivision 10-43-1(11), for use by a financial institution, as defined in subdivision 10-43-1(4); or on any service rendered by a financial institution, as defined in subdivision 10-43-1(4), for use by a related corporation as defined in subdivision 10-43-1(11).
