**BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:**

**Section 1.** That sections 3302.03, 3313.534, 3313.66,  
3313.661, 3313.668, and 3319.46 be amended and sections 3313.951  
and 3319.237 of the Revised Code be enacted to read as follows:

**Sec. 3302.03.** Annually, not later than the fifteenth day  
of September or the preceding Friday when that day falls on a  
Saturday or Sunday, the department of education shall assign a  
letter grade for overall academic performance and for each  
separate performance measure for each school district, and each  
school building in a district, in accordance with this section.  
The state board shall adopt rules pursuant to Chapter 119. of  
the Revised Code to establish performance criteria for each  
letter grade and prescribe a method by which the department  
assigns each letter grade. For a school building to which any of  
the performance measures do not apply, due to grade levels  
served by the building, the state board shall designate the  
performance measures that are applicable to the building and  
that must be calculated separately and used to calculate the  
building's overall grade. The department shall issue annual  
report cards reflecting the performance of each school district,  
each building within each district, and for the state as a whole  
using the performance measures and letter grade system described  
in this section. The department shall include on the report card  
for each district and each building within each district the  
most recent two-year trend data in student achievement for each  
subject and each grade.

(A) (1) For the 2012-2013 school year, the department shall  
issue grades as described in division (E) of this section for  
each of the following performance measures:

(a) Annual measurable objectives;

(b) Performance index score for a school district or

building. Grades shall be awarded as a percentage of the total 42  
possible points on the performance index system as adopted by 43  
the state board. In adopting benchmarks for assigning letter 44  
grades under division (A) (1) (b) of this section, the state board 45  
of education shall designate ninety per cent or higher for an 46  
"A," at least seventy per cent but not more than eighty per cent 47  
for a "C," and less than fifty per cent for an "F." 48

(c) The extent to which the school district or building 49  
meets each of the applicable performance indicators established 50  
by the state board under section 3302.02 of the Revised Code and 51  
the percentage of applicable performance indicators that have 52  
been achieved. In adopting benchmarks for assigning letter 53  
grades under division (A) (1) (c) of this section, the state board 54  
shall designate ninety per cent or higher for an "A." 55

(d) The four- and five-year adjusted cohort graduation 56  
rates. 57

In adopting benchmarks for assigning letter grades under 58  
division (A) (1) (d), (B) (1) (d), or (C) (1) (d) of this section, the 59  
department shall designate a four-year adjusted cohort 60  
graduation rate of ninety-three per cent or higher for an "A" 61  
and a five-year cohort graduation rate of ninety-five per cent 62  
or higher for an "A." 63

(e) The overall score under the value-added progress 64  
dimension of a school district or building, for which the 65  
department shall use up to three years of value-added data as 66  
available. The letter grade assigned for this growth measure 67  
shall be as follows: 68

(i) A score that is at least two standard errors of 69  
measure above the mean score shall be designated as an "A." 70

(ii) A score that is at least one standard error of 71  
measure but less than two standard errors of measure above the 72  
mean score shall be designated as a "B." 73

(iii) A score that is less than one standard error of 74  
measure above the mean score but greater than or equal to one 75  
standard error of measure below the mean score shall be 76  
designated as a "C." 77

(iv) A score that is not greater than one standard error 78  
of measure below the mean score but is greater than or equal to 79  
two standard errors of measure below the mean score shall be 80  
designated as a "D." 81

(v) A score that is not greater than two standard errors 82  
of measure below the mean score shall be designated as an "F." 83

Whenever the value-added progress dimension is used as a 84  
graded performance measure, whether as an overall measure or as 85  
a measure of separate subgroups, the grades for the measure 86  
shall be calculated in the same manner as prescribed in division 87  
(A) (1) (e) of this section. 88

(f) The value-added progress dimension score for a school 89  
district or building disaggregated for each of the following 90  
subgroups: students identified as gifted, students with 91  
disabilities, and students whose performance places them in the 92  
lowest quintile for achievement on a statewide basis. Each 93  
subgroup shall be a separate graded measure. 94

(2) Not later than April 30, 2013, the state board of 95  
education shall adopt a resolution describing the performance 96  
measures, benchmarks, and grading system for the 2012-2013 97  
school year and, not later than June 30, 2013, shall adopt rules 98  
in accordance with Chapter 119. of the Revised Code that 99

prescribe the methods by which the performance measures under 100  
division (A) (1) of this section shall be assessed and assigned a 101  
letter grade, including performance benchmarks for each letter 102  
grade. 103

At least forty-five days prior to the state board's 104  
adoption of rules to prescribe the methods by which the 105  
performance measures under division (A) (1) of this section shall 106  
be assessed and assigned a letter grade, the department shall 107  
conduct a public presentation before the standing committees of 108  
the house of representatives and the senate that consider 109  
education legislation describing such methods, including 110  
performance benchmarks. 111

(3) There shall not be an overall letter grade for a 112  
school district or building for the 2012-2013 school year. 113

(B) (1) For the 2013-2014 and 2014-2015 school years, the 114  
department shall issue grades as described in division (E) of 115  
this section for each of the following performance measures: 116

(a) Annual measurable objectives; 117

(b) Performance index score for a school district or 118  
building. Grades shall be awarded as a percentage of the total 119  
possible points on the performance index system as created by 120  
the department. In adopting benchmarks for assigning letter 121  
grades under division (B) (1) (b) of this section, the state board 122  
shall designate ninety per cent or higher for an "A," at least 123  
seventy per cent but not more than eighty per cent for a "C," 124  
and less than fifty per cent for an "F." 125

(c) The extent to which the school district or building 126  
meets each of the applicable performance indicators established 127  
by the state board under section 3302.03 of the Revised Code and 128

the percentage of applicable performance indicators that have 129  
been achieved. In adopting benchmarks for assigning letter 130  
grades under division (B) (1) (c) of this section, the state board 131  
shall designate ninety per cent or higher for an "A." 132

(d) The four- and five-year adjusted cohort graduation 133  
rates; 134

(e) The overall score under the value-added progress 135  
dimension of a school district or building, for which the 136  
department shall use up to three years of value-added data as 137  
available. 138

(f) The value-added progress dimension score for a school 139  
district or building disaggregated for each of the following 140  
subgroups: students identified as gifted in superior cognitive 141  
ability and specific academic ability fields under Chapter 3324. 142  
of the Revised Code, students with disabilities, and students 143  
whose performance places them in the lowest quintile for 144  
achievement on a statewide basis. Each subgroup shall be a 145  
separate graded measure. 146

(g) Whether a school district or building is making 147  
progress in improving literacy in grades kindergarten through 148  
three, as determined using a method prescribed by the state 149  
board. The state board shall adopt rules to prescribe benchmarks 150  
and standards for assigning grades to districts and buildings 151  
for purposes of division (B) (1) (g) of this section. In adopting 152  
benchmarks for assigning letter grades under divisions (B) (1) (g) 153  
and (C) (1) (g) of this section, the state board shall determine 154  
progress made based on the reduction in the total percentage of 155  
students scoring below grade level, or below proficient, 156  
compared from year to year on the reading and writing diagnostic 157  
assessments administered under section 3301.0715 of the Revised 158

Code and the third grade English language arts assessment under 159  
section 3301.0710 of the Revised Code, as applicable. The state 160  
board shall designate for a "C" grade a value that is not lower 161  
than the statewide average value for this measure. No grade 162  
shall be issued under divisions (B) (1) (g) and (C) (1) (g) of this 163  
section for a district or building in which less than five per 164  
cent of students have scored below grade level on the diagnostic 165  
assessment administered to students in kindergarten under 166  
division (B) (1) of section 3313.608 of the Revised Code. 167

(h) For a high mobility school district or building, an 168  
additional value-added progress dimension score. For this 169  
measure, the department shall use value-added data from the most 170  
recent school year available and shall use assessment scores for 171  
only those students to whom the district or building has 172  
administered the assessments prescribed by section 3301.0710 of 173  
the Revised Code for each of the two most recent consecutive 174  
school years. 175

As used in this division, "high mobility school district 176  
or building" means a school district or building where at least 177  
twenty-five per cent of its total enrollment is made up of 178  
students who have attended that school district or building for 179  
less than one year. 180

(2) In addition to the graded measures in division (B) (1) 181  
of this section, the department shall include on a school 182  
district's or building's report card all of the following 183  
without an assigned letter grade: 184

(a) The percentage of students enrolled in a district or 185  
building participating in advanced placement classes and the 186  
percentage of those students who received a score of three or 187  
better on advanced placement examinations; 188

(b) The number of a district's or building's students who 189  
have earned at least three college credits through dual 190  
enrollment or advanced standing programs, such as the post- 191  
secondary enrollment options program under Chapter 3365. of the 192  
Revised Code and state-approved career-technical courses offered 193  
through dual enrollment or statewide articulation, that appear 194  
on a student's transcript or other official document, either of 195  
which is issued by the institution of higher education from 196  
which the student earned the college credit. The credits earned 197  
that are reported under divisions (B) (2) (b) and (C) (2) (c) of 198  
this section shall not include any that are remedial or 199  
developmental and shall include those that count toward the 200  
curriculum requirements established for completion of a degree. 201

(c) The percentage of students enrolled in a district or 202  
building who have taken a national standardized test used for 203  
college admission determinations and the percentage of those 204  
students who are determined to be remediation-free in accordance 205  
with standards adopted under division (F) of section 3345.061 of 206  
the Revised Code; 207

(d) The percentage of the district's or the building's 208  
students who receive industry-recognized credentials as approved 209  
under section 3313.6113 of the Revised Code. 210

(e) The percentage of students enrolled in a district or 211  
building who are participating in an international baccalaureate 212  
program and the percentage of those students who receive a score 213  
of four or better on the international baccalaureate 214  
examinations. 215

(f) The percentage of the district's or building's 216  
students who receive an honors diploma under division (B) of 217  
section 3313.61 of the Revised Code. 218

(3) Not later than December 31, 2013, the state board 219  
shall adopt rules in accordance with Chapter 119. of the Revised 220  
Code that prescribe the methods by which the performance 221  
measures under divisions (B) (1) (f) and (B) (1) (g) of this section 222  
will be assessed and assigned a letter grade, including 223  
performance benchmarks for each grade. 224

At least forty-five days prior to the state board's 225  
adoption of rules to prescribe the methods by which the 226  
performance measures under division (B) (1) of this section shall 227  
be assessed and assigned a letter grade, the department shall 228  
conduct a public presentation before the standing committees of 229  
the house of representatives and the senate that consider 230  
education legislation describing such methods, including 231  
performance benchmarks. 232

(4) There shall not be an overall letter grade for a 233  
school district or building for the 2013-2014, 2014-2015, 2015- 234  
2016, and 2016-2017 school years. 235

(C) (1) For the 2014-2015 school year and each school year 236  
thereafter, the department shall issue grades as described in 237  
division (E) of this section for each of the performance 238  
measures prescribed in division (C) (1) of this section. The 239  
graded measures are as follows: 240

(a) Annual measurable objectives; 241

(b) Performance index score for a school district or 242  
building. Grades shall be awarded as a percentage of the total 243  
possible points on the performance index system as created by 244  
the department. In adopting benchmarks for assigning letter 245  
grades under division (C) (1) (b) of this section, the state board 246  
shall designate ninety per cent or higher for an "A," at least 247

seventy per cent but not more than eighty per cent for a "C," 248  
and less than fifty per cent for an "F." 249

(c) The extent to which the school district or building 250  
meets each of the applicable performance indicators established 251  
by the state board under section 3302.03 of the Revised Code and 252  
the percentage of applicable performance indicators that have 253  
been achieved. In adopting benchmarks for assigning letter 254  
grades under division (C) (1) (c) of this section, the state board 255  
shall designate ninety per cent or higher for an "A." 256

(d) The four- and five-year adjusted cohort graduation 257  
rates; 258

(e) The overall score under the value-added progress 259  
dimension, or another measure of student academic progress if 260  
adopted by the state board, of a school district or building, 261  
for which the department shall use up to three years of value- 262  
added data as available. 263

In adopting benchmarks for assigning letter grades for 264  
overall score on value-added progress dimension under division 265  
(C) (1) (e) of this section, the state board shall prohibit the 266  
assigning of a grade of "A" for that measure unless the 267  
district's or building's grade assigned for value-added progress 268  
dimension for all subgroups under division (C) (1) (f) of this 269  
section is a "B" or higher. 270

For the metric prescribed by division (C) (1) (e) of this 271  
section, the state board may adopt a student academic progress 272  
measure to be used instead of the value-added progress 273  
dimension. If the state board adopts such a measure, it also 274  
shall prescribe a method for assigning letter grades for the new 275  
measure that is comparable to the method prescribed in division 276

(A) (1) (e) of this section. 277

(f) The value-added progress dimension score of a school 278  
district or building disaggregated for each of the following 279  
subgroups: students identified as gifted in superior cognitive 280  
ability and specific academic ability fields under Chapter 3324. 281  
of the Revised Code, students with disabilities, and students 282  
whose performance places them in the lowest quintile for 283  
achievement on a statewide basis, as determined by a method 284  
prescribed by the state board. Each subgroup shall be a separate 285  
graded measure. 286

The state board may adopt student academic progress 287  
measures to be used instead of the value-added progress 288  
dimension. If the state board adopts such measures, it also 289  
shall prescribe a method for assigning letter grades for the new 290  
measures that is comparable to the method prescribed in division 291  
(A) (1) (e) of this section. 292

(g) Whether a school district or building is making 293  
progress in improving literacy in grades kindergarten through 294  
three, as determined using a method prescribed by the state 295  
board. The state board shall adopt rules to prescribe benchmarks 296  
and standards for assigning grades to a district or building for 297  
purposes of division (C) (1) (g) of this section. The state board 298  
shall designate for a "C" grade a value that is not lower than 299  
the statewide average value for this measure. No grade shall be 300  
issued under division (C) (1) (g) of this section for a district 301  
or building in which less than five per cent of students have 302  
scored below grade level on the kindergarten diagnostic 303  
assessment under division (B) (1) of section 3313.608 of the 304  
Revised Code. 305

(h) For a high mobility school district or building, an 306

additional value-added progress dimension score. For this 307  
measure, the department shall use value-added data from the most 308  
recent school year available and shall use assessment scores for 309  
only those students to whom the district or building has 310  
administered the assessments prescribed by section 3301.0710 of 311  
the Revised Code for each of the two most recent consecutive 312  
school years. 313

As used in this division, "high mobility school district 314  
or building" means a school district or building where at least 315  
twenty-five per cent of its total enrollment is made up of 316  
students who have attended that school district or building for 317  
less than one year. 318

(2) In addition to the graded measures in division (C) (1) 319  
of this section, the department shall include on a school 320  
district's or building's report card all of the following 321  
without an assigned letter grade: 322

(a) The percentage of students enrolled in a district or 323  
building who have taken a national standardized test used for 324  
college admission determinations and the percentage of those 325  
students who are determined to be remediation-free in accordance 326  
with the standards adopted under division (F) of section 327  
3345.061 of the Revised Code; 328

(b) The percentage of students enrolled in a district or 329  
building participating in advanced placement classes and the 330  
percentage of those students who received a score of three or 331  
better on advanced placement examinations; 332

(c) The percentage of a district's or building's students 333  
who have earned at least three college credits through advanced 334  
standing programs, such as the college credit plus program under 335

Chapter 3365. of the Revised Code and state-approved career- 336  
technical courses offered through dual enrollment or statewide 337  
articulation, that appear on a student's college transcript 338  
issued by the institution of higher education from which the 339  
student earned the college credit. The credits earned that are 340  
reported under divisions (B) (2) (b) and (C) (2) (c) of this section 341  
shall not include any that are remedial or developmental and 342  
shall include those that count toward the curriculum 343  
requirements established for completion of a degree. 344

(d) The percentage of the district's or building's 345  
students who receive an honor's diploma under division (B) of 346  
section 3313.61 of the Revised Code; 347

(e) The percentage of the district's or building's 348  
students who receive industry-recognized credentials as approved 349  
under section 3313.6113 of the Revised Code; 350

(f) The percentage of students enrolled in a district or 351  
building who are participating in an international baccalaureate 352  
program and the percentage of those students who receive a score 353  
of four or better on the international baccalaureate 354  
examinations; 355

(g) The results of the college and career-ready 356  
assessments administered under division (B) (1) of section 357  
3301.0712 of the Revised Code; 358

(h) Whether the school district or building has 359  
implemented a positive behavior intervention and supports 360  
framework in compliance with the requirements of section 3319.46 361  
of the Revised Code, notated as a "yes" or "no" answer. 362

(3) The state board shall adopt rules pursuant to Chapter 363  
119. of the Revised Code that establish a method to assign an 364

overall grade for a school district or school building for the 365  
2017-2018 school year and each school year thereafter. The rules 366  
shall group the performance measures in divisions (C) (1) and (2) 367  
of this section into the following components: 368

(a) Gap closing, which shall include the performance 369  
measure in division (C) (1) (a) of this section; 370

(b) Achievement, which shall include the performance 371  
measures in divisions (C) (1) (b) and (c) of this section; 372

(c) Progress, which shall include the performance measures 373  
in divisions (C) (1) (e) and (f) of this section; 374

(d) Graduation, which shall include the performance 375  
measure in division (C) (1) (d) of this section; 376

(e) Kindergarten through third-grade literacy, which shall 377  
include the performance measure in division (C) (1) (g) of this 378  
section; 379

(f) Prepared for success, which shall include the 380  
performance measures in divisions (C) (2) (a), (b), (c), (d), (e), 381  
and (f) of this section. The state board shall develop a method 382  
to determine a grade for the component in division (C) (3) (f) of 383  
this section using the performance measures in divisions (C) (2) 384  
(a), (b), (c), (d), (e), and (f) of this section. When 385  
available, the state board may incorporate the performance 386  
measure under division (C) (2) (g) of this section into the 387  
component under division (C) (3) (f) of this section. When 388  
determining the overall grade for the prepared for success 389  
component prescribed by division (C) (3) (f) of this section, no 390  
individual student shall be counted in more than one performance 391  
measure. However, if a student qualifies for more than one 392  
performance measure in the component, the state board may, in 393

its method to determine a grade for the component, specify an 394  
additional weight for such a student that is not greater than or 395  
equal to 1.0. In determining the overall score under division 396  
(C) (3) (f) of this section, the state board shall ensure that the 397  
pool of students included in the performance measures aggregated 398  
under that division are all of the students included in the 399  
four- and five-year adjusted graduation cohort. 400

In the rules adopted under division (C) (3) of this 401  
section, the state board shall adopt a method for determining a 402  
grade for each component in divisions (C) (3) (a) to (f) of this 403  
section. The state board also shall establish a method to assign 404  
an overall grade of "A," "B," "C," "D," or "F" using the grades 405  
assigned for each component. The method the state board adopts 406  
for assigning an overall grade shall give equal weight to the 407  
components in divisions (C) (3) (b) and (c) of this section. 408

At least forty-five days prior to the state board's 409  
adoption of rules to prescribe the methods for calculating the 410  
overall grade for the report card, as required by this division, 411  
the department shall conduct a public presentation before the 412  
standing committees of the house of representatives and the 413  
senate that consider education legislation describing the format 414  
for the report card, weights that will be assigned to the 415  
components of the overall grade, and the method for calculating 416  
the overall grade. 417

(D) On or after July 1, 2015, the state board may develop 418  
a measure of student academic progress for high school students 419  
using only data from assessments in English language arts and 420  
mathematics. If the state board develops this measure, each 421  
school district and applicable school building shall be assigned 422  
a separate letter grade for it not sooner than the 2017-2018 423

school year. The district's or building's grade for that measure 424  
shall not be included in determining the district's or 425  
building's overall letter grade. 426

(E) The letter grades assigned to a school district or 427  
building under this section shall be as follows: 428

(1) "A" for a district or school making excellent 429  
progress; 430

(2) "B" for a district or school making above average 431  
progress; 432

(3) "C" for a district or school making average progress; 433

(4) "D" for a district or school making below average 434  
progress; 435

(5) "F" for a district or school failing to meet minimum 436  
progress. 437

(F) When reporting data on student achievement and 438  
progress, the department shall disaggregate that data according 439  
to the following categories: 440

(1) Performance of students by grade-level; 441

(2) Performance of students by race and ethnic group; 442

(3) Performance of students by gender; 443

(4) Performance of students grouped by those who have been 444  
enrolled in a district or school for three or more years; 445

(5) Performance of students grouped by those who have been 446  
enrolled in a district or school for more than one year and less 447  
than three years; 448

(6) Performance of students grouped by those who have been 449

enrolled in a district or school for one year or less; 450

(7) Performance of students grouped by those who are 451  
economically disadvantaged; 452

(8) Performance of students grouped by those who are 453  
enrolled in a conversion community school established under 454  
Chapter 3314. of the Revised Code; 455

(9) Performance of students grouped by those who are 456  
classified as limited English proficient; 457

(10) Performance of students grouped by those who have 458  
disabilities; 459

(11) Performance of students grouped by those who are 460  
classified as migrants; 461

(12) Performance of students grouped by those who are 462  
identified as gifted in superior cognitive ability and the 463  
specific academic ability fields of reading and math pursuant to 464  
Chapter 3324. of the Revised Code. In disaggregating specific 465  
academic ability fields for gifted students, the department 466  
shall use data for those students with specific academic ability 467  
in math and reading. If any other academic field is assessed, 468  
the department shall also include data for students with 469  
specific academic ability in that field as well. 470

(13) Performance of students grouped by those who perform 471  
in the lowest quintile for achievement on a statewide basis, as 472  
determined by a method prescribed by the state board. 473

The department may disaggregate data on student 474  
performance according to other categories that the department 475  
determines are appropriate. To the extent possible, the 476  
department shall disaggregate data on student performance 477

according to any combinations of two or more of the categories 478  
listed in divisions (F) (1) to (13) of this section that it deems 479  
relevant. 480

In reporting data pursuant to division (F) of this 481  
section, the department shall not include in the report cards 482  
any data statistical in nature that is statistically unreliable 483  
or that could result in the identification of individual 484  
students. For this purpose, the department shall not report 485  
student performance data for any group identified in division 486  
(F) of this section that contains less than ten students. If the 487  
department does not report student performance data for a group 488  
because it contains less than ten students, the department shall 489  
indicate on the report card that is why data was not reported. 490

(G) The department may include with the report cards any 491  
additional education and fiscal performance data it deems 492  
valuable. 493

(H) The department shall include on each report card a 494  
list of additional information collected by the department that 495  
is available regarding the district or building for which the 496  
report card is issued. When available, such additional 497  
information shall include student mobility data disaggregated by 498  
race and socioeconomic status, college enrollment data, and the 499  
reports prepared under section 3302.031 of the Revised Code. 500

The department shall maintain a site on the world wide 501  
web. The report card shall include the address of the site and 502  
shall specify that such additional information is available to 503  
the public at that site. The department shall also provide a 504  
copy of each item on the list to the superintendent of each 505  
school district. The district superintendent shall provide a 506  
copy of any item on the list to anyone who requests it. 507

(I) (1) (a) Except as provided in division (I) (1) (b) of this 508  
section, for any district that sponsors a conversion community 509  
school under Chapter 3314. of the Revised Code, the department 510  
shall combine data regarding the academic performance of 511  
students enrolled in the community school with comparable data 512  
from the schools of the district for the purpose of determining 513  
the performance of the district as a whole on the report card 514  
issued for the district under this section or section 3302.033 515  
of the Revised Code. 516

(b) The department shall not combine data from any 517  
conversion community school that a district sponsors if a 518  
majority of the students enrolled in the conversion community 519  
school are enrolled in a dropout prevention and recovery program 520  
that is operated by the school, as described in division (A) (4) 521  
(a) of section 3314.35 of the Revised Code. The department shall 522  
include as an addendum to the district's report card the ratings 523  
and performance measures that are required under section 524  
3314.017 of the Revised Code for any community school to which 525  
division (I) (1) (b) of this section applies. This addendum shall 526  
include, at a minimum, the data specified in divisions (C) (1) 527  
(a), (C) (2), and (C) (3) of section 3314.017 of the Revised Code. 528

(2) Any district that leases a building to a community 529  
school located in the district or that enters into an agreement 530  
with a community school located in the district whereby the 531  
district and the school endorse each other's programs may elect 532  
to have data regarding the academic performance of students 533  
enrolled in the community school combined with comparable data 534  
from the schools of the district for the purpose of determining 535  
the performance of the district as a whole on the district 536  
report card. Any district that so elects shall annually file a 537  
copy of the lease or agreement with the department. 538

(3) Any municipal school district, as defined in section 539  
3311.71 of the Revised Code, that sponsors a community school 540  
located within the district's territory, or that enters into an 541  
agreement with a community school located within the district's 542  
territory whereby the district and the community school endorse 543  
each other's programs, may exercise either or both of the 544  
following elections: 545

(a) To have data regarding the academic performance of 546  
students enrolled in that community school combined with 547  
comparable data from the schools of the district for the purpose 548  
of determining the performance of the district as a whole on the 549  
district's report card; 550

(b) To have the number of students attending that 551  
community school noted separately on the district's report card. 552

The election authorized under division (I) (3) (a) of this 553  
section is subject to approval by the governing authority of the 554  
community school. 555

Any municipal school district that exercises an election 556  
to combine or include data under division (I) (3) of this 557  
section, by the first day of October of each year, shall file 558  
with the department documentation indicating eligibility for 559  
that election, as required by the department. 560

(J) The department shall include on each report card the 561  
percentage of teachers in the district or building who are 562  
highly qualified, as defined by the No Child Left Behind Act of 563  
2001, and a comparison of that percentage with the percentages 564  
of such teachers in similar districts and buildings. 565

(K) (1) In calculating English language arts, mathematics, 566  
or science assessment passage rates used to determine school 567

district or building performance under this section, the 568  
department shall include all students taking an assessment with 569  
accommodation or to whom an alternate assessment is administered 570  
pursuant to division (C) (1) or (3) of section 3301.0711 of the 571  
Revised Code. 572

(2) In calculating performance index scores, rates of 573  
achievement on the performance indicators established by the 574  
state board under section 3302.02 of the Revised Code, and 575  
annual measurable objectives for determining adequate yearly 576  
progress for school districts and buildings under this section, 577  
the department shall do all of the following: 578

(a) Include for each district or building only those 579  
students who are included in the ADM certified for the first 580  
full school week of October and are continuously enrolled in the 581  
district or building through the time of the spring 582  
administration of any assessment prescribed by division (A) (1) 583  
or (B) (1) of section 3301.0710 or division (B) of section 584  
3301.0712 of the Revised Code that is administered to the 585  
student's grade level; 586

(b) Include cumulative totals from both the fall and 587  
spring administrations of the third grade English language arts 588  
achievement assessment; 589

(c) Except as required by the No Child Left Behind Act of 590  
2001, exclude for each district or building any limited English 591  
proficient student who has been enrolled in United States 592  
schools for less than one full school year. 593

(L) Beginning with the 2015-2016 school year and at least 594  
once every three years thereafter, the state board of education 595  
shall review and may adjust the benchmarks for assigning letter 596

grades to the performance measures and components prescribed 597  
under divisions (C) (3) and (D) of this section. 598

**Sec. 3313.534.** (A) The board of education of each city, 599  
exempted village, and local school district shall adopt a policy 600  
of zero tolerance for violent, disruptive, or inappropriate 601  
behavior and establish strategies to address such behavior that 602  
range from prevention to intervention. A policy adopted pursuant 603  
to this section shall comply with the requirements of sections 604  
3313.668 and 3319.46 of the Revised Code. 605

(B) Each of the big eight school districts, as defined in 606  
section 3314.02 of the Revised Code, shall establish under 607  
section 3313.533 of the Revised Code at least one alternative 608  
school to meet the educational needs of students with severe 609  
discipline problems, including, but not limited to, excessive 610  
disruption in the classroom and multiple suspensions or 611  
expulsions. Any other school district that attains after that 612  
date a significantly substandard graduation rate, as defined by 613  
the department of education, shall also establish such an 614  
alternative school under that section. 615

**Sec. 3313.66.** (A) (1) Except as provided under division (B) 616  
(2) of this section, and subject to section 3313.668 of the 617  
Revised Code, the superintendent of schools of a city, exempted 618  
village, or local school district, or the principal of a public 619  
school may suspend a pupil from school for not more than ten 620  
school days. The board of education of a city, exempted village, 621  
or local school district may adopt a policy granting assistant 622  
principals and other administrators the authority to suspend a 623  
pupil from school for a period of time as specified in the 624  
policy of the board of education, not to exceed ten school days. 625  
If at the time an out-of-school suspension is imposed there are 626

fewer than ten school days remaining in the school year in which 627  
the incident that gives rise to the suspension takes place, the 628  
superintendent shall not apply any remaining part of the period 629  
of the suspension to the following school year. The 630  
superintendent may instead require the pupil to participate in a 631  
community service program or another alternative consequence for 632  
a number of hours equal to the remaining part of the period of 633  
the suspension. The pupil shall be required to begin the pupil's 634  
community service or alternative consequence during the first 635  
full week day of summer break. Each school district, in its 636  
discretion, may develop an appropriate list of alternative 637  
consequences. In the event that a pupil fails to complete 638  
community service or the assigned alternative consequence, the 639  
school district may determine the next course of action, which 640  
shall not include requiring the pupil to serve the remaining 641  
time of the out-of-school suspension at the beginning of the 642  
following school year. 643

~~Except in the case of a pupil given an in-school~~ 644  
~~suspension, no~~ No pupil shall be ~~suspended~~ issued an out-of- 645  
school suspension unless prior to the suspension the 646  
superintendent or principal does both of the following: 647

~~(1)~~ (a) Gives the pupil written notice of the intention to 648  
suspend the pupil and the reasons for the intended suspension 649  
and, if the proposed suspension is based on a violation listed 650  
in division (A) of section 3313.662 of the Revised Code and if 651  
the pupil is sixteen years of age or older, includes in the 652  
notice a statement that the superintendent may seek to 653  
permanently exclude the pupil if the pupil is convicted of or 654  
adjudicated a delinquent child for that violation; 655

~~(2)~~ (b) Provides the pupil an opportunity to appear at an 656

informal hearing before the principal, assistant principal, 657  
superintendent, or superintendent's designee and challenge the 658  
reason for the intended suspension or otherwise to explain the 659  
pupil's actions. 660

If a pupil is suspended pursuant to division (A) of this 661  
section, the school district board ~~may, in its discretion,~~ shall 662  
permit the pupil to complete any classroom assignments missed 663  
because of the suspension. 664

(2) If a pupil is issued an in-school suspension, the 665  
school district board shall permit the pupil to complete any 666  
classroom assignments missed because of the suspension. 667  
Furthermore, the superintendent or principal shall ensure the 668  
pupil is serving the suspension in a supervised learning 669  
environment. 670

(B) (1) Except as provided under division (B) (2), (3), or 671  
(4) of this section, and subject to section 3313.668 of the 672  
Revised Code, the superintendent of schools of a city, exempted 673  
village, or local school district may expel a pupil from school 674  
for a period not to exceed the greater of eighty school days or 675  
the number of school days remaining in the semester or term in 676  
which the incident that gives rise to the expulsion takes place, 677  
unless the expulsion is extended pursuant to division (F) of 678  
this section. If at the time an expulsion is imposed there are 679  
fewer than eighty school days remaining in the school year in 680  
which the incident that gives rise to the expulsion takes place, 681  
the superintendent may apply any remaining part or all of the 682  
period of the expulsion to the following school year. 683

(2) (a) Unless a pupil is permanently excluded pursuant to 684  
section 3313.662 of the Revised Code, the superintendent of 685  
schools of a city, exempted village, or local school district 686

shall expel a pupil from school for a period of one year for 687  
bringing a firearm to a school operated by the board of 688  
education of the district or onto any other property owned or 689  
controlled by the board, except that the superintendent may 690  
reduce this requirement on a case-by-case basis in accordance 691  
with the policy adopted by the board under section 3313.661 of 692  
the Revised Code. 693

(b) The superintendent of schools of a city, exempted 694  
village, or local school district may expel a pupil from school 695  
for a period of one year for bringing a firearm to an 696  
interscholastic competition, an extracurricular event, or any 697  
other school program or activity that is not located in a school 698  
or on property that is owned or controlled by the district. The 699  
superintendent may reduce this disciplinary action on a case-by- 700  
case basis in accordance with the policy adopted by the board 701  
under section 3313.661 of the Revised Code. 702

(c) Any expulsion pursuant to division (B)(2) of this 703  
section shall extend, as necessary, into the school year 704  
following the school year in which the incident that gives rise 705  
to the expulsion takes place. As used in this division, 706  
"firearm" has the same meaning as provided pursuant to the "Gun- 707  
Free Schools Act," 115 Stat. 1762, 20 U.S.C. 7151. 708

(3) The board of education of a city, exempted village, or 709  
local school district may adopt a resolution authorizing the 710  
superintendent of schools to expel a pupil from school for a 711  
period not to exceed one year for bringing a knife capable of 712  
causing serious bodily injury to a school operated by the board, 713  
onto any other property owned or controlled by the board, or to 714  
an interscholastic competition, an extracurricular event, or any 715  
other program or activity sponsored by the school district or in 716

which the district is a participant, or for possessing a firearm 717  
or knife capable of serious bodily injury, at a school, on any 718  
other property owned or controlled by the board, or at an 719  
interscholastic competition, an extracurricular event, or any 720  
other school program or activity, which firearm or knife was 721  
initially brought onto school board property by another person. 722  
The resolution may authorize the superintendent to extend such 723  
an expulsion, as necessary, into the school year following the 724  
school year in which the incident that gives rise to the 725  
expulsion takes place. 726

(4) The board of education of a city, exempted village, or 727  
local school district may adopt a resolution establishing a 728  
policy under section 3313.661 of the Revised Code that 729  
authorizes the superintendent of schools to expel a pupil from 730  
school for a period not to exceed one year for committing an act 731  
that is a criminal offense when committed by an adult and that 732  
results in serious physical harm to persons as defined in 733  
division (A) (5) of section 2901.01 of the Revised Code or 734  
serious physical harm to property as defined in division (A) (6) 735  
of section 2901.01 of the Revised Code while the pupil is at 736  
school, on any other property owned or controlled by the board, 737  
or at an interscholastic competition, an extracurricular event, 738  
or any other school program or activity. Any expulsion under 739  
this division shall extend, as necessary, into the school year 740  
following the school year in which the incident that gives rise 741  
to the expulsion takes place. 742

(5) The board of education of any city, exempted village, 743  
or local school district may adopt a resolution establishing a 744  
policy under section 3313.661 of the Revised Code that 745  
authorizes the superintendent of schools to expel a pupil from 746  
school for a period not to exceed one year for making a bomb 747

threat to a school building or to any premises at which a school 748  
activity is occurring at the time of the threat. Any expulsion 749  
under this division shall extend, as necessary, into the school 750  
year following the school year in which the incident that gives 751  
rise to the expulsion takes place. 752

(6) No pupil shall be expelled under division (B) (1), (2), 753  
(3), (4), or (5) of this section unless, prior to the pupil's 754  
expulsion, the superintendent does both of the following: 755

(a) Gives the pupil and the pupil's parent, guardian, or 756  
custodian written notice of the intention to expel the pupil; 757

(b) Provides the pupil and the pupil's parent, guardian, 758  
custodian, or representative an opportunity to appear in person 759  
before the superintendent or the superintendent's designee to 760  
challenge the reasons for the intended expulsion or otherwise to 761  
explain the pupil's actions. 762

The notice required in this division shall include the 763  
reasons for the intended expulsion, notification of the 764  
opportunity of the pupil and the pupil's parent, guardian, 765  
custodian, or representative to appear before the superintendent 766  
or the superintendent's designee to challenge the reasons for 767  
the intended expulsion or otherwise to explain the pupil's 768  
action, and notification of the time and place to appear. The 769  
time to appear shall not be earlier than three nor later than 770  
five school days after the notice is given, unless the 771  
superintendent grants an extension of time at the request of the 772  
pupil or the pupil's parent, guardian, custodian, or 773  
representative. If an extension is granted after giving the 774  
original notice, the superintendent shall notify the pupil and 775  
the pupil's parent, guardian, custodian, or representative of 776  
the new time and place to appear. If the proposed expulsion is 777

based on a violation listed in division (A) of section 3313.662 778  
of the Revised Code and if the pupil is sixteen years of age or 779  
older, the notice shall include a statement that the 780  
superintendent may seek to permanently exclude the pupil if the 781  
pupil is convicted of or adjudicated a delinquent child for that 782  
violation. 783

(7) A superintendent of schools of a city, exempted 784  
village, or local school district shall initiate expulsion 785  
proceedings pursuant to this section with respect to any pupil 786  
who has committed an act warranting expulsion under the 787  
district's policy regarding expulsion even if the pupil has 788  
withdrawn from school for any reason after the incident that 789  
gives rise to the hearing but prior to the hearing or decision 790  
to impose the expulsion. If, following the hearing, the pupil 791  
would have been expelled for a period of time had the pupil 792  
still been enrolled in the school, the expulsion shall be 793  
imposed for the same length of time as on a pupil who has not 794  
withdrawn from the school. 795

(C) ~~If~~ (1) Subject to division (C) (2) of this section, if 796  
a pupil's presence poses a continuing danger to persons or 797  
property or an ongoing threat of disrupting the academic process 798  
taking place either within a classroom or elsewhere on the 799  
school premises, the superintendent or a principal or assistant 800  
principal may remove a pupil from curricular activities or from 801  
the school premises, and a teacher may remove a pupil from 802  
curricular activities under the teacher's supervision, without 803  
the notice and hearing requirements of division (A) or (B) of 804  
this section. As soon as practicable after making such a 805  
removal, the teacher shall submit in writing to the principal 806  
the reasons for such removal. 807

(2) A pupil in any of grades pre-kindergarten through 808  
three may be removed pursuant to division (C) (1) of this section 809  
only for the remainder of the school day and shall be permitted 810  
to return to curricular and extracurricular activities on the 811  
school day following the day in which the student was removed. 812

(a) A school district or school that returns a student in 813  
any of grades pre-kindergarten through three to curricular and 814  
extracurricular activities on the next school day shall not be 815  
required to follow division (C) (3) of this section with regard 816  
to that student. 817

(b) A school district shall not initiate a suspension or 818  
expulsion proceeding against a student in any of grades pre- 819  
kindergarten through three who was removed from a curricular or 820  
extracurricular activity under division (C) of this section 821  
unless the student has committed an act described in division 822  
(B) (1) (a) or (b) of section 3313.668 of the Revised Code. 823

(3) If a pupil is removed under ~~this~~ division (C) (1) or 824  
(2) of this section from a curricular activity or from the 825  
school premises, written notice of the hearing and of the reason 826  
for the removal shall be given to the pupil as soon as 827  
practicable prior to the hearing, which shall be held ~~within~~ 828  
~~three school days from the time~~ on the next school day after the 829  
initial removal is ordered. The hearing shall be held in 830  
accordance with division (A) of this section unless it is 831  
probable that the pupil may be subject to expulsion, in which 832  
case a hearing in accordance with division (B) of this section 833  
shall be held, except that the hearing shall be held ~~within~~ 834  
~~three school days on the next school day after the date~~ of the 835  
initial removal. The individual who ordered, caused, or 836  
requested the removal to be made shall be present at the 837

hearing. 838

(4) If the superintendent or the principal reinstates a 839  
pupil in a curricular activity under the teacher's supervision 840  
prior to the hearing following a removal under this division, 841  
the teacher, upon request, shall be given in writing the reasons 842  
for such reinstatement. 843

(D) The superintendent or principal, within one school day 844  
after the time of a pupil's expulsion or suspension, shall 845  
notify in writing the parent, guardian, or custodian of the 846  
pupil ~~and the treasurer of the board of education of the~~ 847  
expulsion or suspension. The In the case of an expulsion, the 848  
superintendent or principal, within one school day after the 849  
time of a pupil's expulsion, also shall notify in writing the 850  
treasurer of the board of education. Each notice shall include 851  
the reasons for the expulsion or suspension, notification of the 852  
right of the pupil or the pupil's parent, guardian, or custodian 853  
to appeal the expulsion or suspension to the board of education 854  
or to its designee, to be represented in all appeal proceedings, 855  
to be granted a hearing before the board or its designee in 856  
order to be heard against the suspension or expulsion, and to 857  
request that the hearing be held in executive session, 858  
notification that the expulsion may be subject to extension 859  
pursuant to division (F) of this section if the pupil is sixteen 860  
years of age or older, and notification that the superintendent 861  
may seek the pupil's permanent exclusion if the suspension or 862  
expulsion was based on a violation listed in division (A) of 863  
section 3313.662 of the Revised Code that was committed when the 864  
child was sixteen years of age or older and if the pupil is 865  
convicted of or adjudicated a delinquent child for that 866  
violation. 867

In accordance with the policy adopted by the board of 868  
education under section 3313.661 of the Revised Code, the notice 869  
provided under this division shall specify the manner and date 870  
by which the pupil or the pupil's parent, guardian, or custodian 871  
shall notify the board of the pupil's, parent's, guardian's, or 872  
custodian's intent to appeal the expulsion or suspension to the 873  
board or its designee. 874

Any superintendent expelling a pupil under this section 875  
for more than twenty school days or for any period of time if 876  
the expulsion will extend into the following semester or school 877  
year shall, in the notice required under this division, provide 878  
the pupil and the pupil's parent, guardian, or custodian with 879  
information about services or programs offered by public and 880  
private agencies that work toward improving those aspects of the 881  
pupil's attitudes and behavior that contributed to the incident 882  
that gave rise to the pupil's expulsion. The information shall 883  
include the names, addresses, and phone numbers of the 884  
appropriate public and private agencies. 885

(E) A pupil or the pupil's parent, guardian, or custodian 886  
may appeal the pupil's expulsion by a superintendent or 887  
suspension by a superintendent, principal, assistant principal, 888  
or other administrator to the board of education or to its 889  
designee. If the pupil or the pupil's parent, guardian, or 890  
custodian intends to appeal the expulsion or suspension to the 891  
board or its designee, the pupil or the pupil's parent, 892  
guardian, or custodian shall notify the board in the manner and 893  
by the date specified in the notice provided under division (D) 894  
of this section. The pupil or the pupil's parent, guardian, or 895  
custodian may be represented in all appeal proceedings and shall 896  
be granted a hearing before the board or its designee in order 897  
to be heard against the suspension or expulsion. At the request 898

of the pupil or of the pupil's parent, guardian, custodian, or attorney, the board or its designee may hold the hearing in executive session but shall act upon the suspension or expulsion only at a public meeting. The board, by a majority vote of its full membership or by the action of its designee, may affirm the order of suspension or expulsion, reinstate the pupil, or otherwise reverse, vacate, or modify the order of suspension or expulsion.

The board or its designee shall make a verbatim record of hearings held under this division. The decisions of the board or its designee may be appealed under Chapter 2506. of the Revised Code.

This section shall not be construed to require notice and hearing in accordance with division (A), (B), or (C) of this section in the case of normal disciplinary procedures in which a pupil is removed from a curricular activity for a period of less than one school day and is not subject to suspension or expulsion.

(F) (1) If a pupil is expelled pursuant to division (B) of this section for committing any violation listed in division (A) of section 3313.662 of the Revised Code and the pupil was sixteen years of age or older at the time of committing the violation, if a complaint, indictment, or information is filed alleging that the pupil is a delinquent child based upon the commission of the violation or the pupil is prosecuted as an adult for the commission of the violation, and if the resultant juvenile court or criminal proceeding is pending at the time that the expulsion terminates, the superintendent of schools that expelled the pupil may file a motion with the court in which the proceeding is pending requesting an order extending

the expulsion for the lesser of an additional eighty days or the 929  
number of school days remaining in the school year. Upon the 930  
filing of the motion, the court immediately shall schedule a 931  
hearing and give written notice of the time, date, and location 932  
of the hearing to the superintendent and to the pupil and the 933  
pupil's parent, guardian, or custodian. At the hearing, the 934  
court shall determine whether there is reasonable cause to 935  
believe that the pupil committed the alleged violation that is 936  
the basis of the expulsion and, upon determining that reasonable 937  
cause to believe the pupil committed the violation does exist, 938  
shall grant the requested extension. 939

(2) If a pupil has been convicted of or adjudicated a 940  
delinquent child for a violation listed in division (A) of 941  
section 3313.662 of the Revised Code for an act that was 942  
committed when the child was sixteen years of age or older, if 943  
the pupil has been expelled pursuant to division (B) of this 944  
section for that violation, and if the board of education of the 945  
school district of the school from which the pupil was expelled 946  
has adopted a resolution seeking the pupil's permanent 947  
exclusion, the superintendent may file a motion with the court 948  
that convicted the pupil or adjudicated the pupil a delinquent 949  
child requesting an order to extend the expulsion until an 950  
adjudication order or other determination regarding permanent 951  
exclusion is issued by the superintendent of public instruction 952  
pursuant to section 3301.121 and division (D) of section 953  
3313.662 of the Revised Code. Upon the filing of the motion, the 954  
court immediately shall schedule a hearing and give written 955  
notice of the time, date, and location of the hearing to the 956  
superintendent of the school district, the pupil, and the 957  
pupil's parent, guardian, or custodian. At the hearing, the 958  
court shall determine whether there is reasonable cause to 959

believe the pupil's continued attendance in the public school 960  
system may endanger the health and safety of other pupils or 961  
school employees and, upon making that determination, shall 962  
grant the requested extension. 963

(G) The failure of the superintendent or the board of 964  
education to provide the information regarding the possibility 965  
of permanent exclusion in the notice required by divisions (A), 966  
(B), and (D) of this section is not jurisdictional, and the 967  
failure shall not affect the validity of any suspension or 968  
expulsion procedure that is conducted in accordance with this 969  
section or the validity of a permanent exclusion procedure that 970  
is conducted in accordance with sections 3301.121 and 3313.662 971  
of the Revised Code. 972

(H) With regard to suspensions and expulsions pursuant to 973  
divisions (A) and (B) of this section by the board of education 974  
of any city, exempted village, or local school district, this 975  
section shall apply to any student, whether or not the student 976  
is enrolled in the district, attending or otherwise 977  
participating in any curricular program provided in a school 978  
operated by the board or provided on any other property owned or 979  
controlled by the board. 980

(I) Whenever a student is expelled under this section, the 981  
expulsion shall result in removal of the student from the 982  
student's regular school setting. However, during the period of 983  
the expulsion, the board of education of the school district 984  
that expelled the student or any board of education admitting 985  
the student during that expulsion period may provide educational 986  
services to the student in an alternative setting. 987

(J) (1) Notwithstanding sections 3109.51 to 3109.80, 988  
3313.64, and 3313.65 of the Revised Code, any school district, 989

after offering an opportunity for a hearing, may temporarily 990  
deny admittance to any pupil if one of the following applies: 991

(a) The pupil has been suspended from the schools of 992  
another district under division (A) of this section and the 993  
period of suspension, as established under that division, has 994  
not expired; 995

(b) The pupil has been expelled from the schools of 996  
another district under division (B) of this section and the 997  
period of the expulsion, as established under that division or 998  
as extended under division (F) of this section, has not expired. 999

If a pupil is temporarily denied admission under this 1000  
division, the pupil shall be admitted to school in accordance 1001  
with sections 3109.51 to 3109.80, 3313.64, or 3313.65 of the 1002  
Revised Code no later than upon expiration of the suspension or 1003  
expulsion period, as applicable. 1004

(2) Notwithstanding sections 3109.51 to 3109.80, 3313.64, 1005  
and 3313.65 of the Revised Code, any school district, after 1006  
offering an opportunity for a hearing, may temporarily deny 1007  
admittance to any pupil if the pupil has been expelled or 1008  
otherwise removed for disciplinary purposes from a public school 1009  
in another state and the period of expulsion or removal has not 1010  
expired. If a pupil is temporarily denied admission under this 1011  
division, the pupil shall be admitted to school in accordance 1012  
with sections 3109.51 to 3109.80, 3313.64, or 3313.65 of the 1013  
Revised Code no later than the earlier of the following: 1014

(a) Upon expiration of the expulsion or removal period 1015  
imposed by the out-of-state school; 1016

(b) Upon expiration of a period established by the 1017  
district, beginning with the date of expulsion or removal from 1018

the out-of-state school, that is no greater than the period of 1019  
expulsion that the pupil would have received under the policy 1020  
adopted by the district under section 3313.661 of the Revised 1021  
Code had the offense that gave rise to the expulsion or removal 1022  
by the out-of-state school been committed while the pupil was 1023  
enrolled in the district. 1024

(K) As used in this section: 1025

(1) "Permanently exclude" and "permanent exclusion" have 1026  
the same meanings as in section 3313.662 of the Revised Code. 1027

(2) "In-school suspension" means the pupil will serve all 1028  
of the suspension in a supervised learning environment within a 1029  
school setting. 1030

**Sec. 3313.661.** (A) The Subject to the limitations set 1031  
forth in section 3313.668 of the Revised Code, the board of 1032  
education of each city, exempted village, and local school 1033  
district shall adopt a policy regarding suspension, expulsion, 1034  
removal, and permanent exclusion that specifies the types of 1035  
misconduct for which a pupil may be suspended, expelled, or 1036  
removed. The types of misconduct may include misconduct by a 1037  
pupil that occurs off of property owned or controlled by the 1038  
district but that is connected to activities or incidents that 1039  
have occurred on property owned or controlled by that district 1040  
and misconduct by a pupil that, regardless of where it occurs, 1041  
is directed at a district official or employee, or the property 1042  
of such official or employee. The policy shall specify the 1043  
reasons for which the superintendent of the district may reduce 1044  
the expulsion requirement in division (B)(2) of section 3313.66 1045  
of the Revised Code. If a board of education adopts a resolution 1046  
pursuant to division (B)(3) of section 3313.66 of the Revised 1047  
Code, the policy shall define the term "knife capable of causing" 1048

serious bodily injury" or "firearm," as applicable, for purposes 1049  
of expulsion under that resolution and shall specify any reasons 1050  
for which the superintendent of the district may reduce any 1051  
required expulsion period on a case-by-case basis. If a board of 1052  
education adopts a resolution pursuant to division (B) (4) or (5) 1053  
of section 3313.66 of the Revised Code, the policy shall specify 1054  
any reasons for which the superintendent of the district may 1055  
reduce any required expulsion period on a case-by-case basis. 1056  
The policy also shall set forth the acts listed in section 1057  
3313.662 of the Revised Code for which a pupil may be 1058  
permanently excluded. 1059

The policy adopted under this division shall specify the 1060  
date and manner by which a pupil or a pupil's parent, guardian, 1061  
or custodian may notify the board of the pupil's, parent's, 1062  
guardian's, or custodian's intent to appeal an expulsion or 1063  
suspension to the board or its designee pursuant to division (E) 1064  
of section 3313.66 of the Revised Code. In the case of any 1065  
expulsion, the policy shall not specify a date that is less than 1066  
fourteen days after the date of the notice provided to the pupil 1067  
or the pupil's parent, guardian, or custodian under division (D) 1068  
of that section. 1069

A copy of the policy shall be posted in a central location 1070  
in the school and made available to pupils upon request. No 1071  
pupil shall be suspended, expelled, or removed except in 1072  
accordance with the policy adopted by the board of education of 1073  
the school district in which the pupil attends school, and no 1074  
pupil shall be permanently excluded except in accordance with 1075  
sections 3301.121 and 3313.662 of the Revised Code. 1076

(B) A board of education may establish a program and adopt 1077  
guidelines under which a superintendent may require a pupil to 1078

perform community service in conjunction with a suspension or 1079  
expulsion imposed under section 3313.66 of the Revised Code or 1080  
in place of a suspension or expulsion imposed under section 1081  
3313.66 of the Revised Code except for an expulsion imposed 1082  
pursuant to division (B)(2) of that section. If a board adopts 1083  
guidelines under this division, they shall permit, except with 1084  
regard to an expulsion pursuant to division (B)(2) of section 1085  
3313.66 of the Revised Code, a superintendent to impose a 1086  
community service requirement beyond the end of the school year 1087  
in lieu of applying an expulsion into the following school year. 1088  
Any guidelines adopted shall be included in the policy adopted 1089  
under this section. 1090

(C) The written policy of each board of education that is 1091  
adopted pursuant to section 3313.20 of the Revised Code shall be 1092  
posted in a central location in each school that is subject to 1093  
the policy and shall be made available to pupils upon request. 1094

(D) ~~Any Except as described in division (B) of section~~ 1095  
~~3313.668 of the Revised Code, any policy, program, or guideline~~ 1096

whether or not the student is enrolled in the district, 1100  
attending or otherwise participating in any curricular program 1101  
provided in a school operated by the board or provided on any 1102  
other property owned or controlled by the board. 1103

"permanent exclusion" have the same meanings as in section 1105  
3313.662 of the Revised Code. 1106

**Sec. 3313.668.** (A) On and after July 1, 2017, no school 1107  
district or school shall suspend, expel, or remove a student 1108

the basis of the student's absences from school without 1110  
legitimate excuse. 1111

(B)(1) Except as described in division (B) of this 1112  
section, no school district or school shall issue an out-of- 1113

(2) Whenever possible, the principal shall consult with a 1130  
mental health professional under contract with the district or 1131  
school prior to suspending or expelling a student in any of 1132

to suspension or expulsion indicate a need for additional mental 1134  
health services, the student's principal or the district's 1135  
mental health professional shall, in any manner that does not 1136  
result in a financial burden to the school district or school, 1137  
assist the student's parent or guardian with locating providers 1138

or obtaining those services, including referral to an 1139  
independent mental health professional. Nothing in this division 1140  
shall be construed to limit the responsibilities of a school 1141  
district or school with respect to the provision of special 1142  
education and related services under Chapter 3323. of the 1143  
Revised Code. 1144

pre-kindergarten through three, provided that the in-school 1153  
suspension is served in a supervised learning environment in 1154  
accordance with divisions (A) (2) and (K) (2) of section 3313.66 1155

of this section by fifty per cent, using the numbers reported 1599
