8	SYNOPSIS:	Under existing law, corporate taxpayers are
9		allowed to deduct federal income taxes paid or
10		accrued within the year. Corporate taxpayer income
11		is taxed at a rate of six and one-half percent.
12		This bill would propose an amendment to
13		Amendment 212 of the Constitution of Alabama of
14		1901, as amended by Amendment 662 of the
15		Constitution of Alabama of 1901, now appearing as
16		Section 211.03 of the Official Recompilation of the
17		Constitution of Alabama of 1901, as amended, to
18		provide that the income tax rate for corporations
19		shall be four and three-quarters percent unless
20		reduced by the Legislature. This amendment would
21		also eliminate the federal income tax deduction for
22		corporate taxpayers.
