14 application.

15 2. The application shall be signed on behalf of the partnership by a
16 majority of the partners or by one or more partners authorized by a majority in
17 interest of the partners to sign the application on behalf of the partnership.

18 3. The application shall be accompanied by a fee payable to the secretary
19 of state of twenty-five dollars for each partner of the partnership, but the fee
20 shall not exceed one hundred dollars. All moneys from the payment of this fee
21 shall be deposited into the general revenue fund.

22 4. A person who files a document according to this section as an agent or
23 fiduciary need not exhibit evidence of the partner's authority as a prerequisite to
24 filing. Any signature on such document may be a facsimile. If the secretary of
25 state finds that the filing conforms to law, the secretary of state shall:

26 (1) Endorse on the copy the word "Filed" and the month, day and year of
27 the filing;

28 (2) File the original in the secretary of state's office; and

32 date of the filing in the office of the secretary of state of an application that, as
33 to form, meets the requirements of subsections 1 and 2 of this section and that
34 is accompanied by the fee specified in subsection 3 of this section, or at any later
35 time specified in the application.

40 7. If a person is included in the number of partners of a registered limited
41 liability partnership set forth in an application, a renewal application or a
42 certificate of amendment of an application or a renewal application, the inclusion
43 of such person shall not be admissible as evidence in any action, suit or
44 proceeding, whether civil, criminal, administrative or investigative, for the
45 purpose of determining whether such person is liable as a partner of such
46 registered limited liability partnership. The status of a partnership as a
47 registered limited liability partnership and the liability of a partner of such
48 registered limited liability partnership shall not be adversely affected if the
49 number of partners stated in an application, a renewal application or a certificate
50 of amendment of an application or a renewal application is erroneously stated

51 provided that the application, renewal application or certificate of amendment of
52 an application or a renewal application was filed in good faith.

53 8. Any person who files an application or a renewal application in the
54 office of the secretary of state pursuant to this section shall not be required to file
55 any other documents pursuant to chapter 417 which requires filing for fictitious
56 names.

57 9. An effective registration may be renewed before its expiration by filing
58 in duplicate with the secretary of state an application containing current
59 information of the kind required in an initial application, including the
60 registration number as assigned by the secretary of state. The renewal
61 application shall be accompanied by a fee of one hundred dollars on the date of
62 renewal plus, if the renewal increases the number of partners, fifty dollars for
63 each partner added, but the fee shall not exceed two hundred dollars. All moneys
64 from such fees shall be deposited into the general revenue fund. A renewal
65 application filed under this section continues an effective registration for one year
66 after the date the effective registration would otherwise expire.

67 10. A registration may be withdrawn by filing with the secretary of state
68 a written withdrawal notice signed on behalf of the partnership by a majority of
69 the partners or by one or more partners authorized by a majority of the partners
70 to sign the notice on behalf of the partnership. A withdrawal notice shall include
71 the name of the partnership, the date of registration of the partnership's last
72 application under this section, and a current street address of the partnership's
73 principal office in this state or outside the state, as applicable. A withdrawal
74 notice terminates the registration of the partnership as a limited liability
75 partnership as of the date of filing the notice in the office of the secretary of
76 state. The withdrawal notice shall be accompanied by a filing fee of twenty
77 dollars.

78 11. If a partnership that has registered pursuant to this section ceases to
79 be registered as provided in subsection 6 or 10 of this section, that fact shall not
80 affect the status of the partnership as a registered limited liability partnership
81 prior to the date the partnership ceased to be registered pursuant to this section.

82 12. A document filed under this section may be amended or corrected by
83 filing with the secretary of state articles of amendment, signed by a majority of
84 the partners or by one or more partners authorized by a majority of the
85 partners. The articles of amendment shall contain:

86 (1) The name of the partnership;

- 87 (2) The identity of the document being amended;

90 The articles of amendment shall be accompanied by a filing fee of twenty dollars
91 plus, if the amendment increases the number of partners, fifty dollars for each
92 partner added, but the fee shall not exceed two hundred dollars; provided that no
93 amendment of an application or a renewal application is required as a result of
94 a change after the application or renewal application is filed in the number of
95 partners of the registered limited liability partnership or in the business in which
96 the registered limited liability partnership engages. All moneys from such fees
97 shall be deposited into the general revenue fund. The status of a partnership as
98 a registered limited liability partnership shall not be affected by changes after
99 the filing of an application or a renewal application in the information stated in
100 the application or renewal application.

101 13. No later than ninety days after the happening of any of the following
102 events, an amendment to an application or a renewal application reflecting the
103 occurrence of the event or events shall be executed and filed by a majority in
104 interest of the partners or by one or more partners authorized by a majority of
105 the partners to execute an amendment to the application or renewal application:

- 106 (1) A change in the name of the registered limited liability partnership;
107 (2) Except as provided in subsections 2 and 3 of section 358.470, a change
108 in the address of the registered office or a change in the name or address of the
109 registered agent of the registered limited liability partnership.

110 14. Unless otherwise provided in this chapter or in the certificate of
111 amendment of an application or a renewal application, a certificate of amendment
112 of an application or a renewal application or a withdrawal notice of an application
113 or a renewal application shall be effective at the time of its filing with the
114 secretary of state.

115 15. The secretary of state may provide forms for the application specified
116 in subsection 1 of this section, the renewal application specified in subsection 9
117 of this section, the withdrawal notice specified in subsection 10 of this section,
118 and the amendment or correction specified in subsection 12 of this section.

119 16. The secretary of state may remove from its active records the
120 registration of a partnership whose registration has been withdrawn, revoked or
121 has expired.

122 17. The secretary of state may revoke the filing of a document filed under

123 this section if the secretary of state determines that the filing fee for the
124 document was paid by an instrument that was dishonored when presented by the
125 state for payment. The secretary of state shall return the document and give
126 notice of revocation to the filing party by regular mail. Failure to give or receive
127 notice does not invalidate the revocation. A revocation of a filing does not affect
128 an earlier filing.

129 18. If any person signs a document required or permitted to be filed
130 pursuant to sections 358.440 to 358.500 which the person knows is false in any
131 material respect with the intent that the document be delivered on behalf of a
132 partnership to the secretary of state for filing, such person shall be guilty of a
133 class A misdemeanor. Unintentional errors in the information set forth in an
134 application filed pursuant to subsection 1 of this section, or changes in the
135 information after the filing of the application, shall not affect the status of a
136 partnership as a registered limited liability partnership.

137 19. Before transacting business in this state, a foreign registered limited
138 liability partnership shall:

139 (1) Comply with any statutory or administrative registration or filing
140 requirements governing the specific type of business in which the partnership is
141 engaged; and

142 (2) Register as a limited liability partnership as provided in this section
143 by filing an application which shall, in addition to the other matters required to
144 be set forth in such application, include a statement:

145 (a) That the secretary is irrevocably appointed the agent of the foreign
146 limited liability partnership for service of process if the limited liability
147 partnership fails to maintain a registered agent in this state or if the agent
148 cannot be found or served with the exercise of reasonable diligence; and

149 (b) Of the address of the office required to be maintained in the
150 jurisdiction of its organization by the laws of that jurisdiction or, if not so
151 required, of the principal office of the foreign limited liability partnership.

152 20. A partnership that registers as a limited liability partnership shall
153 not be deemed to have dissolved as a result thereof and is for all purposes the
154 same partnership that existed before the registration and continues to be a
155 partnership under the laws of this state. If a registered limited liability
156 partnership dissolves, a partnership which is a successor to such registered
157 limited liability partnership and which intends to be a registered limited liability
158 partnership shall not be required to file a new registration and shall be deemed

159 to have filed any documents required or permitted under this chapter which were
160 filed by the predecessor partnership.

161 21. Fees mandated in subsection 3 of this section shall be waived if a
162 general partner of the partnership is:
