# RESOLUTION

Expressing the sense of the House of Representatives that upon adoption by the House, the Speaker of the House is required to transmit without delay articles of impeachment to the Senate and must do so immediately.

Whereas the Constitution grants the “sole Power of Impeachment” to the House of Representatives as a body, not to the Speaker or any individual Representative;

Whereas, on December 18, 2019, in a purely partisan vote, a majority of the House of Representatives voted to adopt 2 articles of impeachment against Donald John Trump, President of the United States;

Whereas shortly after the House of Representatives voted to adopt the 2 articles of impeachment, Speaker of the House Nancy Pelosi unilaterally decided to withhold transmitting the articles pending information on the Senate’s trial procedures while stating “right now the president is impeached”;

Whereas the House of Representatives completes its constitutionally mandated impeachment functions upon adopting an article of impeachment;

Whereas the Constitution grants the Senate the “sole Power to try all Impeachments”; and

Whereas the Constitution provides, and the Supreme Court has affirmed, that the Senate has wide discretion to determine the procedures for conducting an impeachment trial: Now, therefore, be it

1       *Resolved*, That the House of Representatives—

2               (1) finds that—

3                       (A) the Constitution obligates the House of  
4               Representatives to transmit without delay arti-  
5               cles of impeachment to the Senate upon adop-  
6               tion by the House; and

7                       (B) the Speaker of the House of Rep-  
8               resentatives refusal to transmit articles of im-  
9               peachment to the Senate is an abuse of power;

1           (2) strongly disapproves of the Speaker of the  
2           House of Representatives unilateral and unwar-  
3           ranted decision to refuse to transmit the 2 articles  
4           of impeachment adopted on December 18, 2019, by  
5           a majority of the House in an attempt to improperly  
6           control impeachment trial procedures in the Senate;  
7           and

8           (3) demands the Speaker immediately transmit  
9           the articles of impeachment to the Senate to allow  
10          it to exercise its “sole Power to try all Impeach-  
11          ments.”.
