8           (a) RULEMAKING REQUIRED.—Within 1 year after  
9           the date of the enactment of this Act, the Commodity Fu-  
10          tures Trading Commission shall issue a rule that address-  
11          es—

12               (1) the nature of the connections to the United  
13               States that require a non-United States person to  
14               register as a swap dealer or a major swap partici-  
15               pant under the Commodity Exchange Act and the  
16               regulations issued under such Act;

17               (2) which of the United States swaps require-  
18               ments apply to the swap activities of non-United  
19               States persons and United States persons and their  
20               branches, agencies, subsidiaries, and affiliates out-  
21               side of the United States, and the extent to which  
22               the requirements apply; and

23               (3) the circumstances under which a United  
24               States person or non-United States person in com-  
25               pliance with the swaps regulatory requirements of a

1 foreign jurisdiction shall be exempt from United  
2 States swaps requirements.

3 (b) CONTENT OF THE RULE.—

4 (1) CRITERIA.—In the rule, the Commission  
5 shall establish criteria for determining that one or  
6 more categories of the swaps regulatory require-  
7 ments of a foreign jurisdiction are comparable to  
8 and as comprehensive as United States swaps re-  
9 quirements. The criteria shall include—

10 (A) the scope and objectives of the swaps  
11 regulatory requirements of the foreign jurisdic-  
12 tion;

13 (B) the effectiveness of the supervisory  
14 compliance program administered;

15 (C) the enforcement authority exercised by  
16 the foreign jurisdiction; and

17 (D) such other factors as the Commission,  
18 by rule, determines to be necessary or appro-  
19 priate in the public interest.

20 (2) COMPARABILITY.—In the rule, the Commis-  
21 sion shall—

22 (A) provide that any non-United States  
23 person or any transaction between 2 non-United  
24 States persons shall be exempt from United  
25 States swaps requirements if the person or

1 transaction is in compliance with the swaps reg-  
2 ulatory requirements of a foreign jurisdiction  
3 which the Commission has determined to be  
4 comparable to and as comprehensive as United  
5 States swaps requirements; and

6 (B) set forth the circumstances in which a  
7 United States person or a transaction between  
8 a United States person and a non-United  
9 States person shall be exempt from United  
10 States swaps requirements if the person or  
11 transaction is in compliance with the swaps reg-  
12 ulatory requirements of a foreign jurisdiction  
13 which the Commission has determined to be  
14 comparable to and as comprehensive as United  
15 States swaps requirements.

16 (3) OUTCOMES-BASED COMPARISON.—In devel-  
17 oping and applying the criteria, the Commission  
18 shall emphasize the results and outcomes of, rather  
19 than the design and construction of, foreign swaps  
20 regulatory requirements.

21 (4) RISK-BASED RULEMAKING.—In the rule, the  
22 Commission shall not take into account, for the pur-  
23 poses of determining the applicability of United  
24 States swaps requirements, the location of personnel  
25 that arrange, negotiate, or execute swaps.

1           (5) No part of any rulemaking under this sec-  
2           tion shall limit the Commission's antifraud or  
3           antimanipulation authority.

8           begin to assess the swaps regulatory requirements of  
9           foreign jurisdictions, in the order the Commission  
10          determines appropriate, in accordance with the cri-  
11          teria established pursuant to subsection (b)(1). Fol-  
12          lowing each assessment, the Commission shall deter-  
13          mine, by rule or by order, whether the swaps regu-  
14          latory requirements of the foreign jurisdiction are  
15          comparable to and as comprehensive as United  
16          States swaps requirements.

17          (2) SUBSTITUTED COMPLIANCE FOR  
18          UNASSESSED MAJOR MARKETS.—Beginning 18  
19          months after the date of enactment of this Act—

20                (A) the swaps regulatory requirements of  
21                each of the 8 foreign jurisdictions with the larg-  
22                est swaps markets, as calculated by notional  
23                value during the 12-month period ending with  
24                such date of enactment, except those with re-  
25                spect to which a determination has been made

1 under paragraph (1), shall be considered to be  
2 comparable to and as comprehensive as United  
3 States swaps requirements; and

4 (B) a non-United States person or a trans-  
5 action between 2 non-United States persons  
6 shall be exempt from United States swaps re-  
7 quirements if the person or transaction is in  
8 compliance with the swaps regulatory require-  
9 ments of any of such unexcepted foreign juris-  
10 dictions.

11 (3) SUSPENSION OF SUBSTITUTED COMPLI-  
12 ANCE.—If the Commission determines, by rule or by  
13 order, that—

14 (A) the swaps regulatory requirements of a  
15 foreign jurisdiction are not comparable to and  
16 as comprehensive as United States swaps re-  
17 quirements, using the categories and criteria es-  
18 tablished under subsection (b)(1);

19 (B) the foreign jurisdiction does not ex-  
20 empt from its swaps regulatory requirements  
21 United States persons who are in compliance  
22 with United States swaps requirements; or

23 (C) the foreign jurisdiction is not providing  
24 equivalent recognition of, or substituted compli-  
25 ance for, registered entities (as defined in sec-

tion 1a(41) of the Commodity Exchange Act)  
domiciled in the United States,  
the Commission may suspend, in whole or in part,  
a determination made under paragraph (1) or a consideration granted under paragraph (2).

(d) PETITION FOR REVIEW OF FOREIGN JURISDICTION PRACTICES.—A registered entity, commercial market participant (as defined in section 1a(7) of the Commodity Exchange Act), or Commission registrant (within the meaning of such Act) who petitions the Commission to make or change a determination under subsection (c)(1) or (c)(3) of this section shall be entitled to expedited consideration of the petition. A petition shall include any evidence or other supporting materials to justify why the petitioner believes the Commission should make or change the determination. Petitions under this section shall be considered by the Commission any time following the enactment of this Act. Within 180 days after receipt of a petition for a rulemaking under this section, the Commission shall take final action on the petition. Within 90 days after receipt of a petition to issue an order or change an order issued under this section, the Commission shall take final action on the petition.

(e) REPORT TO CONGRESS.—If the Commission makes a determination described in this section through

1 an order, the Commission shall articulate the basis for the  
2 determination in a written report published in the Federal  
3 Register and transmitted to the Committee on Agriculture  
4 of the House of Representatives and Committee on Agri-  
5 culture, Nutrition, and Forestry of the Senate within 15  
6 days of the determination. The determination shall not be  
7 effective until 15 days after the committees receive the re-  
8 port.
