## A BILL

To establish a Federal Task Force to Support Grandparents Raising Grandchildren.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Supporting Grand-  
5 parents Raising Grandchildren Act”.

1 **SEC. 2. FINDINGS.**

2 Congress finds the following:

3 (1) More than 80 percent of Americans over the  
4 age of 65 are grandparents and more than  
5 2,500,000 grandparents in the United States are the  
6 primary caretaker of their grandchildren. Experts  
7 report that such numbers are increasing as the  
8 opioid epidemic expands.

9 (2) Grandparents' lives are enhanced by caring  
10 for their grandchildren; the overwhelming majority  
11 of grandparents report experiencing significant bene-  
12 fits in serving as their grandchildren's primary care-  
13 givers.

14 (3) Providing full-time care to their grand-  
15 children may increase grandparents' likelihood of ex-  
16periencing physical illness and mental health prob-  
17lems and decrease their ability to save for retire-  
18ment.

19 (4) Grandparents raising grandchildren may  
20 face difficulty enrolling their grandchildren in school,  
21 medical care, and Federal assistance services.

22 (5) The Older Americans Act of 1965 (42  
23 U.S.C. 3001 et seq.) includes services that support  
24 grandfamilies, including the National Family Care-  
25 giver Support Program.

1           (6) Grandparents would benefit from better co-  
 2           ordination and information about resources available  
 3           to support them in their caregiving responsibilities.

4 **SEC. 3. FEDERAL TASK FORCE TO SUPPORT GRAND-**  
 5 **PARENTS RAISING GRANDCHILDREN.**
