1 **“SEC. 202. REPORT AND GUIDANCE ON UNREGULATED CUS-**
2 **TODY TRANSFERS.**

3 “(a) SENSE OF CONGRESS.—It is the sense of Con-
4 gress that:

5 “(1) Some adopted children may be at risk of
6 experiencing an unregulated custody transfer be-
7 cause the challenges associated with adoptions (in-
8 cluding the child’s mental health needs and the dif-
9 ficulties many families face in acquiring support
10 services) may lead families to seek out unregulated
11 custody transfers.

12 “(2) Some adopted children experience trauma,
13 and the disruption and placement in another home
14 by unregulated custody transfer creates additional
15 trauma and instability for children.

16 “(3) Children who experience an unregulated
17 custody transfer may be placed with families who
18 have not completed required child welfare or crimi-
19 nal background checks or clearances.

20 “(4) Social services agencies and courts are
21 often unaware of the placement of children through
22 unregulated custody transfer and therefore do not
23 conduct assessments on the child’s safety and well-
24 being in such placements.

1 “(5) Such lack of placement oversight places a
2 child at risk for future abuse and increases the
3 chance that the child may experience—

4 “(A) abuse or neglect;

5 “(B) contact with unsafe adults or youth;

6 and

7 “(C) exposure to unsafe or isolated envi-
8 ronments.

9 “(6) The caregivers with whom a child is placed
10 through unregulated custody transfer often have no
11 legal responsibility with respect to such child, plac-
12 ing the child at risk for additional unregulated cus-
13 tody transfers.

14 “(7) Such caregivers also may not have com-
15 plete records with respect to such child, including
16 the child’s birth, medical, or immigration records.

17 “(8) A child adopted through intercountry
18 adoption may be at risk of not acquiring United
19 States citizenship if an unregulated custody transfer
20 occurs before the adoptive parents complete all nec-
21 essary steps to finalize the adoption of such child.

22 “(9) Engaging in, or offering to engage in, un-
23 regulated custody transfer places children at risk of
24 harm.

25 “(b) REPORT TO CONGRESS.—

1 “(1) IN GENERAL.—Not later than 1 year after
2 the date of the enactment of this section, the Sec-
3 retary of Health and Human Services shall provide

5 House of Representatives, the Committee on Ways
6 and Means of the House of Representatives, and the

13 tics of unregulated custody transfers, including
14 the use of social media and the internet;

15 “(B) the effects of unregulated custody
16 transfer on children, including the lack of as-
17 sessment of a child’s safety and well-being by
18 social services agencies and courts due to such
19 unregulated custody transfer;

20 “(C) the prevalence of unregulated custody
21 transfers within each State and across all
22 States; and

23 “(D) recommended policies for preventing,
24 identifying, and responding to unregulated cus-

1 tody transfers, including of adopted children,
2 that include—

3 “(i) amendments to Federal and State
4 law to address unregulated custody trans-
5 fers;

6 “(ii) amendments to child protection
7 practices to address unregulated custody
8 transfers; and

9 “(iii) methods of providing the public
10 information regarding adoption and child
11 protection.

13 “(1) IN GENERAL.—Not later than 180 days
14 after the date specified in subsection (b)(1), the Sec-
