the date prescribed by section 3333.048 of the Revised Code. 1652

(2) Notwithstanding the authority to adopt, amend, or 1653

of education with regard to rules for educator licenses. 1656

(F) (1) The rules adopted under this section establishing 1657  
standards requiring additional coursework for the renewal of any 1658  
educator license shall require a school district and a chartered 1659  
nonpublic school to establish local professional development 1660  
committees. In a nonpublic school, the chief administrative 1661  
officer shall establish the committees in any manner acceptable 1662  
to such officer. The committees established under this division 1663  
shall determine whether coursework that a district or chartered 1664  
nonpublic school teacher proposes to complete meets the 1665  
requirement of the rules. The department of education shall 1666  
provide technical assistance and support to committees as the 1667  
committees incorporate the professional development standards 1668  
adopted by the state board of education pursuant to section 1669  
3319.61 of the Revised Code into their review of coursework that 1670  
is appropriate for license renewal. The rules shall establish a 1671  
procedure by which a teacher may appeal the decision of a local 1672  
professional development committee. 1673

(2) In any school district in which there is no exclusive 1674  
representative established under Chapter 4117. of the Revised 1675  
Code, the professional development committees shall be 1676  
established as described in division (F) (2) of this section. 1677

Not later than the effective date of the rules adopted 1678  
under this section, the board of education of each school 1679

district shall establish the structure for one or more local 1680  
professional development committees to be operated by such 1681  
school district. The committee structure so established by a 1682  
district board shall remain in effect unless within thirty days 1683  
prior to an anniversary of the date upon which the current 1684  
committee structure was established, the board provides notice 1685  
to all affected district employees that the committee structure 1686  
is to be modified. Professional development committees may have 1687  
a district-level or building-level scope of operations, and may 1688  
be established with regard to particular grade or age levels for 1689  
which an educator license is designated. 1690

Each professional development committee shall consist of 1691  
at least three classroom teachers employed by the district, one 1692  
principal employed by the district, and one other employee of 1693  
the district appointed by the district superintendent. For 1694  
committees with a building-level scope, the teacher and 1695  
principal members shall be assigned to that building, and the 1696  
teacher members shall be elected by majority vote of the 1697  
classroom teachers assigned to that building. For committees 1698  
with a district-level scope, the teacher members shall be 1699  
elected by majority vote of the classroom teachers of the 1700  
district, and the principal member shall be elected by a 1701  
majority vote of the principals of the district, unless there 1702  
are two or fewer principals employed by the district, in which 1703  
case the one or two principals employed shall serve on the 1704  
committee. If a committee has a particular grade or age level 1705  
scope, the teacher members shall be licensed to teach such grade 1706  
or age levels, and shall be elected by majority vote of the 1707  
classroom teachers holding such a license and the principal 1708  
shall be elected by all principals serving in buildings where 1709  
any such teachers serve. The district superintendent shall 1710

appoint a replacement to fill any vacancy that occurs on a 1711  
professional development committee, except in the case of 1712  
vacancies among the elected classroom teacher members, which 1713  
shall be filled by vote of the remaining members of the 1714  
committee so selected. 1715

Terms of office on professional development committees 1716  
shall be prescribed by the district board establishing the 1717  
committees. The conduct of elections for members of professional 1718  
development committees shall be prescribed by the district board 1719  
establishing the committees. A professional development 1720  
committee may include additional members, except that the 1721  
majority of members on each such committee shall be classroom 1722  
teachers employed by the district. Any member appointed to fill 1723  
a vacancy occurring prior to the expiration date of the term for 1724  
which a predecessor was appointed shall hold office as a member 1725  
for the remainder of that term. 1726

The initial meeting of any professional development 1727  
committee, upon election and appointment of all committee 1728  
members, shall be called by a member designated by the district 1729  
superintendent. At this initial meeting, the committee shall 1730  
select a chairperson and such other officers the committee deems 1731  
necessary, and shall adopt rules for the conduct of its 1732  
meetings. Thereafter, the committee shall meet at the call of 1733  
the chairperson or upon the filing of a petition with the 1734  
district superintendent signed by a majority of the committee 1735  
members calling for the committee to meet. 1736

(3) In the case of a school district in which an exclusive 1737  
representative has been established pursuant to Chapter 4117. of 1738  
the Revised Code, professional development committees shall be 1739  
established in accordance with any collective bargaining 1740

agreement in effect in the district that includes provisions for 1741  
such committees. 1742

If the collective bargaining agreement does not specify a 1743  
different method for the selection of teacher members of the 1744  
committees, the exclusive representative of the district's 1745  
teachers shall select the teacher members. 1746

If the collective bargaining agreement does not specify a 1747  
different structure for the committees, the board of education 1748  
of the school district shall establish the structure, including 1749  
the number of committees and the number of teacher and 1750  
administrative members on each committee; the specific 1751  
administrative members to be part of each committee; whether the 1752  
scope of the committees will be district levels, building 1753  
levels, or by type of grade or age levels for which educator 1754  
licenses are designated; the lengths of terms for members; the 1755  
manner of filling vacancies on the committees; and the frequency 1756  
and time and place of meetings. However, in all cases, except as 1757  
provided in division (F)(4) of this section, there shall be a 1758  
majority of teacher members of any professional development 1759  
committee, there shall be at least five total members of any 1760  
professional development committee, and the exclusive 1761  
representative shall designate replacement members in the case 1762  
of vacancies among teacher members, unless the collective 1763  
bargaining agreement specifies a different method of selecting 1764  
such replacements. 1765

(4) Whenever an administrator's coursework plan is being 1766  
discussed or voted upon, the local professional development 1767  
committee shall, at the request of one of its administrative 1768  
members, cause a majority of the committee to consist of 1769  
administrative members by reducing the number of teacher members 1770

voting on the plan. 1771

(G) (1) The department of education, educational service 1772  
centers, county boards of developmental disabilities, college 1773  
and university departments of education, head start programs, 1774  
and the Ohio education computer network may establish local 1775  
professional development committees to determine whether the 1776  
coursework proposed by their employees who are licensed or 1777  
certificated under this section or section 3319.222 of the 1778  
Revised Code, or under the former version of either section as 1779

authority to establish them. 1784

Local professional development committees established by 1785  
county boards of developmental disabilities shall be structured 1786  
in a manner comparable to the structures prescribed for school 1787  
districts in divisions (F) (2) and (3) of this section, as shall 1788

3319.222 of the Revised Code, or under the former version of 1793  
either section as it existed prior to October 16, 2009. All 1794

professional development committees to serve educators who are 1799  
not employed in schools in this state, including pupil services 1800

professional development committees shall be structured in a 1802  
manner comparable to the structures prescribed for school 1803  
districts in divisions (F) (2) and (3) of this section. 1804

These committees may agree to review the coursework, 1805  
continuing education units, or other equivalent activities 1806  
related to classroom teaching or the area of licensure that is 1807  
proposed by an individual who satisfies both of the following 1808

(b) The individual is not currently employed as an 1813  
educator or is not currently employed by an entity that operates 1814

shall work to determine whether the proposed coursework, 1817  
continuing education units, or other equivalent activities meet 1818  
the requirements of the rules adopted by the state board under 1819  
this section. 1820

(3) Any public agency that is not specified in ~~divisions~~ 1821

deception in applying for, renewing, or securing any license or 3646  
certificate to practice or certificate to recommend issued by 3647  
the board. 3648

(B) The board, by an affirmative vote of not fewer than 3649  
six members, shall, to the extent permitted by law, limit, 3650

revoke, or suspend a license or certificate to practice or 3651  
certificate to recommend, refuse to issue a license or 3652  
certificate, refuse to renew a license or certificate, refuse to 3653  
reinstate a license or certificate, or reprimand or place on 3654  
probation the holder of a license or certificate for one or more 3655  
of the following reasons: 3656

(1) Permitting one's name or one's license or certificate 3657  
to practice to be used by a person, group, or corporation when 3658  
the individual concerned is not actually directing the treatment 3659  
given; 3660

(2) Failure to maintain minimal standards applicable to 3661  
the selection or administration of drugs, or failure to employ 3662  
acceptable scientific methods in the selection of drugs or other 3663  
modalities for treatment of disease; 3664

(3) Except as provided in section 4731.97 of the Revised 3665  
Code, selling, giving away, personally furnishing, prescribing, 3666  
or administering drugs for other than legal and legitimate 3667  
therapeutic purposes or a plea of guilty to, a judicial finding 3668  
of guilt of, or a judicial finding of eligibility for 3669  
intervention in lieu of conviction of, a violation of any 3670  
federal or state law regulating the possession, distribution, or 3671  
use of any drug; 3672

(4) Willfully betraying a professional confidence. 3673

For purposes of this division, "willfully betraying a 3674  
professional confidence" does not include providing any 3675  
information, documents, or reports under sections 307.621 to 3676  
307.629 of the Revised Code to a child fatality review board; 3677  
does not include providing any information, documents, or 3678  
reports to the director of health pursuant to guidelines 3679

established under section 3701.70 of the Revised Code; does not 3680  
include written notice to a mental health professional under 3681  
section 4731.62 of the Revised Code; and does not include the 3682  
making of a report of an employee's use of a drug of abuse, or a 3683  
report of a condition of an employee other than one involving 3684  
the use of a drug of abuse, to the employer of the employee as 3685  
described in division (B) of section 2305.33 of the Revised 3686  
Code. Nothing in this division affects the immunity from civil 3687  
liability conferred by section 2305.33 or 4731.62 of the Revised 3688  
Code upon a physician who makes a report in accordance with 3689  
section 2305.33 or notifies a mental health professional in 3690  
accordance with section 4731.62 of the Revised Code. As used in 3691  
this division, "employee," "employer," and "physician" have the 3692  
same meanings as in section 2305.33 of the Revised Code. 3693

(5) Making a false, fraudulent, deceptive, or misleading 3694  
statement in the solicitation of or advertising for patients; in 3695  
relation to the practice of medicine and surgery, osteopathic 3696  
medicine and surgery, podiatric medicine and surgery, or a 3697  
limited branch of medicine; or in securing or attempting to 3698  
secure any license or certificate to practice issued by the 3699  
board. 3700

As used in this division, "false, fraudulent, deceptive, 3701  
or misleading statement" means a statement that includes a 3702  
misrepresentation of fact, is likely to mislead or deceive 3703  
because of a failure to disclose material facts, is intended or 3704  
is likely to create false or unjustified expectations of 3705  
favorable results, or includes representations or implications 3706  
that in reasonable probability will cause an ordinarily prudent 3707  
person to misunderstand or be deceived. 3708

(6) A departure from, or the failure to conform to, 3709

minimal standards of care of similar practitioners under the 3710  
same or similar circumstances, whether or not actual injury to a 3711  
patient is established; 3712

(7) Representing, with the purpose of obtaining 3713  
compensation or other advantage as personal gain or for any 3714  
other person, that an incurable disease or injury, or other 3715  
incurable condition, can be permanently cured; 3716

(8) The obtaining of, or attempting to obtain, money or 3717  
anything of value by fraudulent misrepresentations in the course 3718  
of practice; 3719

(9) A plea of guilty to, a judicial finding of guilt of, 3720  
or a judicial finding of eligibility for intervention in lieu of 3721  
conviction for, a felony; 3722

(10) Commission of an act that constitutes a felony in 3723  
this state, regardless of the jurisdiction in which the act was 3724  
committed; 3725

(11) A plea of guilty to, a judicial finding of guilt of, 3726  
or a judicial finding of eligibility for intervention in lieu of 3727  
conviction for, a misdemeanor committed in the course of 3728  
practice; 3729

(12) Commission of an act in the course of practice that 3730  
constitutes a misdemeanor in this state, regardless of the 3731  
jurisdiction in which the act was committed; 3732

(13) A plea of guilty to, a judicial finding of guilt of, 3733  
or a judicial finding of eligibility for intervention in lieu of 3734  
conviction for, a misdemeanor involving moral turpitude; 3735

(14) Commission of an act involving moral turpitude that 3736  
constitutes a misdemeanor in this state, regardless of the 3737

jurisdiction in which the act was committed; 3738

(15) Violation of the conditions of limitation placed by 3739  
the board upon a license or certificate to practice; 3740

(16) Failure to pay license renewal fees specified in this 3741  
chapter; 3742

(17) Except as authorized in section 4731.31 of the 3743  
Revised Code, engaging in the division of fees for referral of 3744  
patients, or the receiving of a thing of value in return for a 3745  
specific referral of a patient to utilize a particular service 3746  
or business; 3747

(18) Subject to section 4731.226 of the Revised Code, 3748  
violation of any provision of a code of ethics of the American 3749  
medical association, the American osteopathic association, the 3750  
American podiatric medical association, or any other national 3751  
professional organizations that the board specifies by rule. The 3752  
state medical board shall obtain and keep on file current copies 3753  
of the codes of ethics of the various national professional 3754  
organizations. The individual whose license or certificate is 3755  
being suspended or revoked shall not be found to have violated 3756  
any provision of a code of ethics of an organization not 3757  
appropriate to the individual's profession. 3758

For purposes of this division, a "provision of a code of 3759  
ethics of a national professional organization" does not include 3760  
any provision that would preclude the making of a report by a 3761  
physician of an employee's use of a drug of abuse, or of a 3762  
condition of an employee other than one involving the use of a 3763  
drug of abuse, to the employer of the employee as described in 3764  
division (B) of section 2305.33 of the Revised Code. Nothing in 3765  
this division affects the immunity from civil liability 3766

conferred by that section upon a physician who makes either type 3767  
of report in accordance with division (B) of that section. As 3768  
used in this division, "employee," "employer," and "physician" 3769  
have the same meanings as in section 2305.33 of the Revised 3770  
Code. 3771

(19) Inability to practice according to acceptable and 3772  
prevailing standards of care by reason of mental illness or 3773  
physical illness, including, but not limited to, physical 3774  
deterioration that adversely affects cognitive, motor, or 3775  
perceptive skills. 3776

In enforcing this division, the board, upon a showing of a 3777  
possible violation, may compel any individual authorized to 3778  
practice by this chapter or who has submitted an application 3779  
pursuant to this chapter to submit to a mental examination, 3780  
physical examination, including an HIV test, or both a mental 3781  
and a physical examination. The expense of the examination is 3782  
the responsibility of the individual compelled to be examined. 3783  
Failure to submit to a mental or physical examination or consent 3784  
to an HIV test ordered by the board constitutes an admission of 3785  
the allegations against the individual unless the failure is due 3786  
to circumstances beyond the individual's control, and a default 3787  
and final order may be entered without the taking of testimony 3788  
or presentation of evidence. If the board finds an individual 3789  
unable to practice because of the reasons set forth in this 3790  
division, the board shall require the individual to submit to 3791  
care, counseling, or treatment by physicians approved or 3792  
designated by the board, as a condition for initial, continued, 3793  
reinstated, or renewed authority to practice. An individual 3794  
affected under this division shall be afforded an opportunity to 3795  
demonstrate to the board the ability to resume practice in 3796  
compliance with acceptable and prevailing standards under the 3797

provisions of the individual's license or certificate. For the 3798  
purpose of this division, any individual who applies for or 3799  
receives a license or certificate to practice under this chapter 3800  
accepts the privilege of practicing in this state and, by so 3801  
doing, shall be deemed to have given consent to submit to a 3802  
mental or physical examination when directed to do so in writing 3803  
by the board, and to have waived all objections to the 3804  
admissibility of testimony or examination reports that 3805  
constitute a privileged communication. 3806

(20) Except as provided in division (F)(1)(b) of section 3807  
4731.282 of the Revised Code or when civil penalties are imposed 3808  
under section 4731.225 of the Revised Code, and subject to 3809  
section 4731.226 of the Revised Code, violating or attempting to 3810  
violate, directly or indirectly, or assisting in or abetting the 3811  
violation of, or conspiring to violate, any provisions of this 3812  
chapter or any rule promulgated by the board. 3813

This division does not apply to a violation or attempted 3814  
violation of, assisting in or abetting the violation of, or a 3815  
conspiracy to violate, any provision of this chapter or any rule 3816  
adopted by the board that would preclude the making of a report 3817  
by a physician of an employee's use of a drug of abuse, or of a 3818  
condition of an employee other than one involving the use of a 3819  
drug of abuse, to the employer of the employee as described in 3820  
division (B) of section 2305.33 of the Revised Code. Nothing in 3821  
this division affects the immunity from civil liability 3822  
conferred by that section upon a physician who makes either type 3823  
of report in accordance with division (B) of that section. As 3824  
used in this division, "employee," "employer," and "physician" 3825  
have the same meanings as in section 2305.33 of the Revised 3826  
Code. 3827

(21) The violation of section 3701.79 of the Revised Code 3828  
or of any abortion rule adopted by the director of health 3829  
pursuant to section 3701.341 of the Revised Code; 3830

(22) Any of the following actions taken by an agency 3831  
responsible for authorizing, certifying, or regulating an 3832  
individual to practice a health care occupation or provide 3833  
health care services in this state or another jurisdiction, for 3834  
any reason other than the nonpayment of fees: the limitation, 3835  
revocation, or suspension of an individual's license to 3836  
practice; acceptance of an individual's license surrender; 3837  
denial of a license; refusal to renew or reinstate a license; 3838  
imposition of probation; or issuance of an order of censure or 3839  
other reprimand; 3840

(23) The violation of section 2919.12 of the Revised Code 3841  
or the performance or inducement of an abortion upon a pregnant 3842  
woman with actual knowledge that the conditions specified in 3843  
division (B) of section 2317.56 of the Revised Code have not 3844  
been satisfied or with a heedless indifference as to whether 3845  
those conditions have been satisfied, unless an affirmative 3846  
defense as specified in division (H)(2) of that section would 3847  
apply in a civil action authorized by division (H)(1) of that 3848  
section; 3849

(24) The revocation, suspension, restriction, reduction, 3850  
or termination of clinical privileges by the United States 3851  
department of defense or department of veterans affairs or the 3852  
termination or suspension of a certificate of registration to 3853  
prescribe drugs by the drug enforcement administration of the 3854  
United States department of justice; 3855

(25) Termination or suspension from participation in the 3856  
medicare or medicaid programs by the department of health and 3857

human services or other responsible agency; 3858

(26) Impairment of ability to practice according to 3859  
acceptable and prevailing standards of care because of habitual 3860  
or excessive use or abuse of drugs, alcohol, or other substances 3861  
that impair ability to practice. 3862

For the purposes of this division, any individual 3863  
authorized to practice by this chapter accepts the privilege of 3864  
practicing in this state subject to supervision by the board. By 3865  
filing an application for or holding a license or certificate to 3866  
practice under this chapter, an individual shall be deemed to 3867  
have given consent to submit to a mental or physical examination 3868  
when ordered to do so by the board in writing, and to have 3869  
waived all objections to the admissibility of testimony or 3870  
examination reports that constitute privileged communications. 3871

If it has reason to believe that any individual authorized 3872  
to practice by this chapter or any applicant for licensure or 3873  
certification to practice suffers such impairment, the board may 3874  
compel the individual to submit to a mental or physical 3875  
examination, or both. The expense of the examination is the 3876  
responsibility of the individual compelled to be examined. Any 3877  
mental or physical examination required under this division 3878  
shall be undertaken by a treatment provider or physician who is 3879  
qualified to conduct the examination and who is chosen by the 3880  
board. 3881

Failure to submit to a mental or physical examination 3882  
ordered by the board constitutes an admission of the allegations 3883  
against the individual unless the failure is due to 3884  
circumstances beyond the individual's control, and a default and 3885  
final order may be entered without the taking of testimony or 3886  
presentation of evidence. If the board determines that the 3887

individual's ability to practice is impaired, the board shall 3888  
suspend the individual's license or certificate or deny the 3889  
individual's application and shall require the individual, as a 3890  
condition for initial, continued, reinstated, or renewed 3891  
licensure or certification to practice, to submit to treatment. 3892

Before being eligible to apply for reinstatement of a 3893  
license or certificate suspended under this division, the 3894  
impaired practitioner shall demonstrate to the board the ability 3895  
to resume practice in compliance with acceptable and prevailing 3896  
standards of care under the provisions of the practitioner's 3897  
license or certificate. The demonstration shall include, but 3898  
shall not be limited to, the following: 3899

(a) Certification from a treatment provider approved under 3900  
section 4731.25 of the Revised Code that the individual has 3901  
successfully completed any required inpatient treatment; 3902

(b) Evidence of continuing full compliance with an 3903  
aftercare contract or consent agreement; 3904

(c) Two written reports indicating that the individual's 3905  
ability to practice has been assessed and that the individual 3906  
has been found capable of practicing according to acceptable and 3907  
prevailing standards of care. The reports shall be made by 3908  
individuals or providers approved by the board for making the 3909  
assessments and shall describe the basis for their 3910  
determination. 3911

The board may reinstate a license or certificate suspended 3912  
under this division after that demonstration and after the 3913  
individual has entered into a written consent agreement. 3914

When the impaired practitioner resumes practice, the board 3915  
shall require continued monitoring of the individual. The 3916

monitoring shall include, but not be limited to, compliance with 3917  
the written consent agreement entered into before reinstatement 3918  
or with conditions imposed by board order after a hearing, and, 3919  
upon termination of the consent agreement, submission to the 3920  
board for at least two years of annual written progress reports 3921  
made under penalty of perjury stating whether the individual has 3922  
maintained sobriety. 3923

(27) A second or subsequent violation of section 4731.66 3924  
or 4731.69 of the Revised Code; 3925

(28) Except as provided in division (N) of this section: 3926

(a) Waiving the payment of all or any part of a deductible 3927  
or copayment that a patient, pursuant to a health insurance or 3928  
health care policy, contract, or plan that covers the 3929  
individual's services, otherwise would be required to pay if the 3930  
waiver is used as an enticement to a patient or group of 3931  
patients to receive health care services from that individual; 3932

(b) Advertising that the individual will waive the payment 3933  
of all or any part of a deductible or copayment that a patient, 3934  
pursuant to a health insurance or health care policy, contract, 3935  
or plan that covers the individual's services, otherwise would 3936  
be required to pay. 3937

acknowledgment of the notice from, a patient when required by 3942  
section 4731.143 of the Revised Code prior to providing 3943  
nonemergency professional services, or failure to maintain that 3944  
notice in the patient's medical record; 3945

(31) Failure of a physician supervising a physician 3946  
assistant to maintain supervision in accordance with the 3947  
requirements of Chapter 4730. of the Revised Code and the rules 3948  
adopted under that chapter; 3949

(32) Failure of a physician or podiatrist to enter into a 3950  
standard care arrangement with a clinical nurse specialist, 3951  
certified nurse-midwife, or certified nurse practitioner with 3952

section 4731.27 of the Revised Code or failure to fulfill the 3954  
responsibilities of collaboration after entering into a standard 3955

the board under division (F) of this section, including failure 3961  
to comply with a subpoena or order issued by the board or 3962  
failure to answer truthfully a question presented by the board 3963  
in an investigative interview, an investigative office 3964  
conference, at a deposition, or in written interrogatories, 3965  
except that failure to cooperate with an investigation shall not 3966  
constitute grounds for discipline under this section if a court 3967  
of competent jurisdiction has issued an order that either 3968  
quashes a subpoena or permits the individual to withhold the 3969  
testimony or evidence in issue; 3970

individual's license or certificate to practice or certificate 4054  
to recommend. The telephone conference call shall be considered 4055  
a special meeting under division (F) of section 121.22 of the 4056  
Revised Code. 4057

If the board takes disciplinary action against an 4058  
individual under division (B) of this section for a second or 4059  
subsequent plea of guilty to, or judicial finding of guilt of, a 4060

violation of section 2919.123 of the Revised Code, the 4061  
disciplinary action shall consist of a suspension of the 4062  
individual's license or certificate to practice for a period of 4063  
at least one year or, if determined appropriate by the board, a 4064  
more serious sanction involving the individual's license or 4065  
certificate to practice. Any consent agreement entered into 4066  
under this division with an individual that pertains to a second 4067  
or subsequent plea of guilty to, or judicial finding of guilt 4068  
of, a violation of that section shall provide for a suspension 4069  
of the individual's license or certificate to practice for a 4070  
period of at least one year or, if determined appropriate by the 4071  
board, a more serious sanction involving the individual's 4072  
license or certificate to practice. 4073

(D) For purposes of divisions (B)(10), (12), and (14) of 4074  
this section, the commission of the act may be established by a 4075  
finding by the board, pursuant to an adjudication under Chapter 4076  
119. of the Revised Code, that the individual committed the act. 4077  
The board does not have jurisdiction under those divisions if 4078  
the trial court renders a final judgment in the individual's 4079  
favor and that judgment is based upon an adjudication on the 4080  
merits. The board has jurisdiction under those divisions if the 4081  
trial court issues an order of dismissal upon technical or 4082  
procedural grounds. 4083

(E) The sealing of conviction records by any court shall 4084  
have no effect upon a prior board order entered under this 4085  
section or upon the board's jurisdiction to take action under 4086  
this section if, based upon a plea of guilty, a judicial finding 4087  
of guilt, or a judicial finding of eligibility for intervention 4088  
in lieu of conviction, the board issued a notice of opportunity 4089  
for a hearing prior to the court's order to seal the records. 4090  
The board shall not be required to seal, destroy, redact, or 4091

otherwise modify its records to reflect the court's sealing of 4092  
conviction records. 4093

(F) (1) The board shall investigate evidence that appears 4094  
to show that a person has violated any provision of this chapter 4095  
or any rule adopted under it. Any person may report to the board 4096  
in a signed writing any information that the person may have 4097  
that appears to show a violation of any provision of this 4098  
chapter or any rule adopted under it. In the absence of bad 4099  
faith, any person who reports information of that nature or who 4100  
testifies before the board in any adjudication conducted under 4101  
Chapter 119. of the Revised Code shall not be liable in damages 4102  
in a civil action as a result of the report or testimony. Each 4103  
complaint or allegation of a violation received by the board 4104  
shall be assigned a case number and shall be recorded by the 4105  
board. 4106

(2) Investigations of alleged violations of this chapter 4107  
or any rule adopted under it shall be supervised by the 4108  
supervising member elected by the board in accordance with 4109  
section 4731.02 of the Revised Code and by the secretary as 4110  
provided in section 4731.39 of the Revised Code. The president 4111  
may designate another member of the board to supervise the 4112  
investigation in place of the supervising member. No member of 4113  
the board who supervises the investigation of a case shall 4114  
participate in further adjudication of the case. 4115

(3) In investigating a possible violation of this chapter 4116  
or any rule adopted under this chapter, or in conducting an 4117  
inspection under division (E) of section 4731.054 of the Revised 4118  
Code, the board may question witnesses, conduct interviews, 4119  
administer oaths, order the taking of depositions, inspect and 4120  
copy any books, accounts, papers, records, or documents, issue 4121

subpoenas, and compel the attendance of witnesses and production 4122  
of books, accounts, papers, records, documents, and testimony, 4123  
except that a subpoena for patient record information shall not 4124  
be issued without consultation with the attorney general's 4125  
office and approval of the secretary and supervising member of 4126  
the board. 4127

(a) Before issuance of a subpoena for patient record 4128  
information, the secretary and supervising member shall 4129  
determine whether there is probable cause to believe that the 4130  
complaint filed alleges a violation of this chapter or any rule 4131  
adopted under it and that the records sought are relevant to the 4132  
alleged violation and material to the investigation. The 4133  
subpoena may apply only to records that cover a reasonable 4134  
period of time surrounding the alleged violation. 4135

(b) On failure to comply with any subpoena issued by the 4136  
board and after reasonable notice to the person being 4137  
subpoenaed, the board may move for an order compelling the 4138  
production of persons or records pursuant to the Rules of Civil 4139  
Procedure. 4140

(c) A subpoena issued by the board may be served by a 4141  
sheriff, the sheriff's deputy, or a board employee or agent 4142  
designated by the board. Service of a subpoena issued by the 4143  
board may be made by delivering a copy of the subpoena to the 4144  
person named therein, reading it to the person, or leaving it at 4145  
the person's usual place of residence, usual place of business, 4146  
or address on file with the board. When serving a subpoena to an 4147  
applicant for or the holder of a license or certificate issued 4148  
under this chapter, service of the subpoena may be made by 4149  
certified mail, return receipt requested, and the subpoena shall 4150  
be deemed served on the date delivery is made or the date the 4151

person refuses to accept delivery. If the person being served 4152  
refuses to accept the subpoena or is not located, service may be 4153  
made to an attorney who notifies the board that the attorney is 4154  
representing the person. 4155

(d) A sheriff's deputy who serves a subpoena shall receive 4156  
the same fees as a sheriff. Each witness who appears before the 4157  
board in obedience to a subpoena shall receive the fees and 4158  
mileage provided for under section 119.094 of the Revised Code. 4159

(4) All hearings, investigations, and inspections of the 4160  
board shall be considered civil actions for the purposes of 4161  
section 2305.252 of the Revised Code. 4162

(5) A report required to be submitted to the board under 4163  
this chapter, a complaint, or information received by the board 4164  
pursuant to an investigation or pursuant to an inspection under 4165  
division (E) of section 4731.054 of the Revised Code is 4166  
confidential and not subject to discovery in any civil action. 4167

The board shall conduct all investigations or inspections 4168  
and proceedings in a manner that protects the confidentiality of 4169  
patients and persons who file complaints with the board. The 4170  
board shall not make public the names or any other identifying 4171  
information about patients or complainants unless proper consent 4172  
is given or, in the case of a patient, a waiver of the patient 4173  
privilege exists under division (B) of section 2317.02 of the 4174  
Revised Code, except that consent or a waiver of that nature is 4175  
not required if the board possesses reliable and substantial 4176  
evidence that no bona fide physician-patient relationship 4177  
exists. 4178

The board may share any information it receives pursuant 4179  
to an investigation or inspection, including patient records and 4180

patient record information, with law enforcement agencies, other 4181  
licensing boards, and other governmental agencies that are 4182  
prosecuting, adjudicating, or investigating alleged violations 4183  
of statutes or administrative rules. An agency or board that 4184  
receives the information shall comply with the same requirements 4185  
regarding confidentiality as those with which the state medical 4186  
board must comply, notwithstanding any conflicting provision of 4187  
the Revised Code or procedure of the agency or board that 4188  
applies when it is dealing with other information in its 4189  
possession. In a judicial proceeding, the information may be 4190  
admitted into evidence only in accordance with the Rules of 4191  
Evidence, but the court shall require that appropriate measures 4192  
are taken to ensure that confidentiality is maintained with 4193  
respect to any part of the information that contains names or 4194  
other identifying information about patients or complainants 4195  
whose confidentiality was protected by the state medical board 4196  
when the information was in the board's possession. Measures to 4197  
ensure confidentiality that may be taken by the court include 4198  
sealing its records or deleting specific information from its 4199  
records. 4200

(6) On a quarterly basis, the board shall prepare a report 4201  
that documents the disposition of all cases during the preceding 4202  
three months. The report shall contain the following information 4203  
for each case with which the board has completed its activities: 4204

(a) The case number assigned to the complaint or alleged 4205  
violation; 4206

(b) The type of license or certificate to practice, if 4207  
any, held by the individual against whom the complaint is 4208  
directed; 4209

(c) A description of the allegations contained in the 4210

complaint; 4211

(d) The disposition of the case. 4212

The report shall state how many cases are still pending 4213  
and shall be prepared in a manner that protects the identity of 4214  
each person involved in each case. The report shall be a public 4215  
record under section 149.43 of the Revised Code. 4216

(G) If the secretary and supervising member determine both 4217  
of the following, they may recommend that the board suspend an 4218  
individual's license or certificate to practice or certificate 4219  
to recommend without a prior hearing: 4220

(1) That there is clear and convincing evidence that an 4221  
individual has violated division (B) of this section; 4222

(2) That the individual's continued practice presents a 4223  
danger of immediate and serious harm to the public. 4224

Written allegations shall be prepared for consideration by 4225  
the board. The board, upon review of those allegations and by an 4226  
affirmative vote of not fewer than six of its members, excluding 4227  
the secretary and supervising member, may suspend a license or 4228  
certificate without a prior hearing. A telephone conference call 4229  
may be utilized for reviewing the allegations and taking the 4230  
vote on the summary suspension. 4231

The board shall issue a written order of suspension by 4232  
certified mail or in person in accordance with section 119.07 of 4233  
the Revised Code. The order shall not be subject to suspension 4234  
by the court during pendency of any appeal filed under section 4235  
119.12 of the Revised Code. If the individual subject to the 4236  
summary suspension requests an adjudicatory hearing by the 4237  
board, the date set for the hearing shall be within fifteen 4238  
days, but not earlier than seven days, after the individual 4239

requests the hearing, unless otherwise agreed to by both the 4240  
board and the individual. 4241

Any summary suspension imposed under this division shall 4242  
remain in effect, unless reversed on appeal, until a final 4243  
adjudicative order issued by the board pursuant to this section 4244  
and Chapter 119. of the Revised Code becomes effective. The 4245  
board shall issue its final adjudicative order within seventy- 4246  
five days after completion of its hearing. A failure to issue 4247  
the order within seventy-five days shall result in dissolution 4248  
of the summary suspension order but shall not invalidate any 4249  
subsequent, final adjudicative order. 4250

(H) If the board takes action under division (B) (9), (11), 4251  
or (13) of this section and the judicial finding of guilt, 4252  
guilty plea, or judicial finding of eligibility for intervention 4253  
in lieu of conviction is overturned on appeal, upon exhaustion 4254  
of the criminal appeal, a petition for reconsideration of the 4255  
order may be filed with the board along with appropriate court 4256  
documents. Upon receipt of a petition of that nature and 4257  
supporting court documents, the board shall reinstate the 4258  
individual's license or certificate to practice. The board may 4259  
then hold an adjudication under Chapter 119. of the Revised Code 4260  
to determine whether the individual committed the act in 4261  
question. Notice of an opportunity for a hearing shall be given 4262  
in accordance with Chapter 119. of the Revised Code. If the 4263  
board finds, pursuant to an adjudication held under this 4264  
division, that the individual committed the act or if no hearing 4265  
is requested, the board may order any of the sanctions 4266  
identified under division (B) of this section. 4267

(I) The license or certificate to practice issued to an 4268  
individual under this chapter and the individual's practice in 4269

this state are automatically suspended as of the date of the 4270  
individual's second or subsequent plea of guilty to, or judicial 4271  
finding of guilt of, a violation of section 2919.123 of the 4272  
Revised Code. In addition, the license or certificate to 4273  
practice or certificate to recommend issued to an individual 4274  
under this chapter and the individual's practice in this state 4275  
are automatically suspended as of the date the individual pleads 4276  
guilty to, is found by a judge or jury to be guilty of, or is 4277  
subject to a judicial finding of eligibility for intervention in 4278  
lieu of conviction in this state or treatment or intervention in 4279  
lieu of conviction in another jurisdiction for any of the 4280  
following criminal offenses in this state or a substantially 4281  
equivalent criminal offense in another jurisdiction: aggravated 4282  
murder, murder, voluntary manslaughter, felonious assault, 4283  
kidnapping, rape, sexual battery, gross sexual imposition, 4284  
aggravated arson, aggravated robbery, or aggravated burglary. 4285  
Continued practice after suspension shall be considered 4286  
practicing without a license or certificate. 4287

The board shall notify the individual subject to the 4288  
suspension by certified mail or in person in accordance with 4289  
section 119.07 of the Revised Code. If an individual whose 4290  
license or certificate is automatically suspended under this 4291  
division fails to make a timely request for an adjudication 4292  
under Chapter 119. of the Revised Code, the board shall do 4293  
whichever of the following is applicable: 4294

(1) If the automatic suspension under this division is for 4295  
a second or subsequent plea of guilty to, or judicial finding of 4296  
guilt of, a violation of section 2919.123 of the Revised Code, 4297  
the board shall enter an order suspending the individual's 4298  
license or certificate to practice for a period of at least one 4299  
year or, if determined appropriate by the board, imposing a more 4300

serious sanction involving the individual's license or 4301  
certificate to practice. 4302

(2) In all circumstances in which division (I)(1) of this 4303  
section does not apply, enter a final order permanently revoking 4304  
the individual's license or certificate to practice. 4305

(J) If the board is required by Chapter 119. of the 4306  
Revised Code to give notice of an opportunity for a hearing and 4307  
if the individual subject to the notice does not timely request 4308  
a hearing in accordance with section 119.07 of the Revised Code, 4309  
the board is not required to hold a hearing, but may adopt, by 4310  
an affirmative vote of not fewer than six of its members, a 4311  
final order that contains the board's findings. In that final 4312  
order, the board may order any of the sanctions identified under 4313  
division (A) or (B) of this section. 4314

(K) Any action taken by the board under division (B) of 4315  
this section resulting in a suspension from practice shall be 4316  
accompanied by a written statement of the conditions under which 4317  
the individual's license or certificate to practice may be 4318  
reinstated. The board shall adopt rules governing conditions to 4319  
be imposed for reinstatement. Reinstatement of a license or 4320  
certificate suspended pursuant to division (B) of this section 4321  
requires an affirmative vote of not fewer than six members of 4322  
the board. 4323

(L) When the board refuses to grant or issue a license or 4324  
certificate to practice to an applicant, revokes an individual's 4325  
license or certificate to practice, refuses to renew an 4326  
individual's license or certificate to practice, or refuses to 4327  
reinstate an individual's license or certificate to practice, 4328  
the board may specify that its action is permanent. An 4329  
individual subject to a permanent action taken by the board is 4330

forever thereafter ineligible to hold a license or certificate 4331  
to practice and the board shall not accept an application for 4332  
reinstatement of the license or certificate or for issuance of a 4333  
new license or certificate. 4334

(M) Notwithstanding any other provision of the Revised 4335  
Code, all of the following apply: 4336

(1) The surrender of a license or certificate issued under 4337  
this chapter shall not be effective unless or until accepted by 4338  
the board. A telephone conference call may be utilized for 4339  
acceptance of the surrender of an individual's license or 4340  
certificate to practice. The telephone conference call shall be 4341  
considered a special meeting under division (F) of section 4342  
121.22 of the Revised Code. Reinstatement of a license or 4343  
certificate surrendered to the board requires an affirmative 4344  
vote of not fewer than six members of the board. 4345

(2) An application for a license or certificate made under 4346  
the provisions of this chapter may not be withdrawn without 4347  
approval of the board. 4348

(3) Failure by an individual to renew a license or 4349  
certificate to practice in accordance with this chapter or a 4350  
certificate to recommend in accordance with rules adopted under 4351  
section 4731.301 of the Revised Code shall not remove or limit 4352  
the board's jurisdiction to take any disciplinary action under 4353  
this section against the individual. 4354

(4) At the request of the board, a license or certificate 4355  
holder shall immediately surrender to the board a license or 4356  
certificate that the board has suspended, revoked, or 4357  
permanently revoked. 4358

(N) Sanctions shall not be imposed under division (B) (28) 4359

of this section against any person who waives deductibles and 4360  
copayments as follows: 4361

(1) In compliance with the health benefit plan that 4362  
expressly allows such a practice. Waiver of the deductibles or 4363  
copayments shall be made only with the full knowledge and 4364  
consent of the plan purchaser, payer, and third-party 4365  
administrator. Documentation of the consent shall be made 4366  
available to the board upon request. 4367

(2) For professional services rendered to any other person 4368  
authorized to practice pursuant to this chapter, to the extent 4369  
allowed by this chapter and rules adopted by the board. 4370

(0) Under the board's investigative duties described in 4371  
this section and subject to division (F) of this section, the 4372  
board shall develop and implement a quality intervention program 4373  
designed to improve through remedial education the clinical and 4374  
communication skills of individuals authorized under this 4375  
chapter to practice medicine and surgery, osteopathic medicine 4376  
and surgery, and podiatric medicine and surgery. In developing 4377  
and implementing the quality intervention program, the board may 4378  
do all of the following: 4379

(1) Offer in appropriate cases as determined by the board 4380  
an educational and assessment program pursuant to an 4381  
investigation the board conducts under this section; 4382

(2) Select providers of educational and assessment 4383  
services, including a quality intervention program panel of case 4384  
reviewers; 4385

(3) Make referrals to educational and assessment service 4386  
providers and approve individual educational programs 4387  
recommended by those providers. The board shall monitor the 4388

progress of each individual undertaking a recommended individual 4389  
educational program. 4390

(4) Determine what constitutes successful completion of an 4391  
individual educational program and require further monitoring of 4392  
the individual who completed the program or other action that 4393  
the board determines to be appropriate; 4394

(5) Adopt rules in accordance with Chapter 119. of the 4395  
Revised Code to further implement the quality intervention 4396  
program. 4397

An individual who participates in an individual 4398  
educational program pursuant to this division shall pay the 4399  
financial obligations arising from that educational program. 4400
