20 LC 44 1516S

The Senate Committee on Natural Resources and the Environment offered the following substitute to HB 93:

A BILL TO BE ENTITLED AN ACT

- 1 To amend Article 2 of Chapter 5 of Title 12 of the Official Code of Georgia Annotated,
- 2 relating to control of water pollution and surface-water use, so as to provide notice to local
- 3 governing authorities prior to the dewatering of coal combustion residual surface
- 4 impoundments; to provide for minimum notice requirements to the public of such
- 5 dewatering; to provide for definitions; to provide for related matters; to provide an effective
- 6 date; to repeal conflicting laws; and for other purposes.

7 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

8 SECTION 1.

- 9 Article 2 of Chapter 5 of Title 12 of the Official Code of Georgia Annotated, relating to
- 10 control of water pollution and surface-water use, is amended by revising Code
- 11 Section 12-5-22, relating to definitions, as follows:
- 12 "12-5-22.
- 13 As used in this article, the term:
- (1) 'CCR' or 'coal combustion residuals' means fly ash, bottom ash, boiler slag, and flue
- 15 gas desulfurization materials generated from burning coal for the purpose of generating
- 16 <u>electricity by electric utilities and independent power producers.</u>
- 17 (2) 'CCR website' means the publicly accessible website required by 40 C.F.R. Section
- 18 <u>257.107 that each owner or operator of a CCR surface impoundment must maintain.</u>
- 19 (3) 'CCR surface impoundment' or 'coal ash pond' means a natural topographic
- 20 depression, manmade excavation, or diked area which is designed to hold an
- 21 <u>accumulation of CCR and liquids and which treats, stores, or disposes of CCR.</u>
- 22 (4) 'Dewatering' means removing water from a CCR surface impoundment for discharge
- 23 <u>into state waters as part of the CCR surface impoundment closure process.</u>
- 24 (5) 'Director' means the director of the Environmental Protection Division of the
- 25 Department of Natural Resources.

20 LC 44 1516S

26 (2)(6) 'Division' means the Environmental Protection Division of the Department of

- Natural Resources.
- 28 (3)(7) 'Effluent limitation' means any restriction or prohibition established under this
- article on quantities, rates, or concentrations, or a combination thereof, of chemical,
- 30 physical, biological, or other constituents which are discharged from point sources into
- 31 the water waters of the state, including, but not limited to, schedules of compliance.
- 32 (4)(8) 'Industrial wastes' means any liquid, solid, or gaseous substance, or combination
- 33 thereof, resulting from a process of industry, manufacture, or business or from the
- development of any natural resources.
- 35 (5)(9) 'Nonpoint source' means any source which discharges pollutants into the waters
- of the state other than a point source.
- 37 (6)(10) 'Other wastes' means liquid, gaseous, or solid substances, except industrial wastes
- and sewage, which may cause or tend to cause pollution of any waters of the state.
- 39 (7)(11) 'Person' means any individual, corporation, partnership, or other unincorporated
- 40 association. This term may extend and be applied to bodies politic and corporate.
- 41 (8)(12) 'Point source' means any discernible, confined, or discrete conveyance, including,
- but not limited to, any pipe, ditch, channel, tunnel, conduit, well, discrete fissure,
- 43 container, rolling stock, concentrated animal feeding operation, or vessel or other floating
- craft, from which pollutants are or may be discharged.
- 45 (9)(13) 'Pollutant' means dredged spoil, solid waste, incinerator residue, sewage,
- 46 garbage, sewage sludge, munitions, chemical wastes, biological materials, radioactive
- 47 materials, heat, wrecked or discarded equipment, rock, sand, cellar dirt, industrial wastes,
- 48 municipal waste, and agricultural waste discharged into the waters of the state. It does
- not mean (A) sewage from vessels or (B) water, gas, or other material which is injected
- into a well to facilitate production of oil or gas, or water derived in association with oil
- or gas production and disposed of in a well, if the well, used either to facilitate production
- or for disposal purposes, is approved by the appropriate authorities of this state, and if
- such authorities determine that such injection or disposal will not result in degradation
- of ground-water or surface-water resources.
- 55 (10)(14) 'Pollution' means the manmade or man-induced alteration of the chemical,
- 56 physical, biological, and radiological integrity of water.
- 57 (11)(15) 'Sewage' means the water carried waste products or discharges from human
- beings or from the rendering of animal products, or chemicals or other wastes from
- residences, public or private buildings, or industrial establishments, together with such
- ground, surface, or storm water as may be present.
- 61 (12)(16) 'Sewage system' means sewage treatment works, pipelines or conduits, pumping
- stations, and force mains, and all other constructions, devices, and appliances appurtenant

20 LC 44 1516S

thereto, used for conducting sewage or industrial wastes or other wastes to the point of

- 64 ultimate disposal.
- 65 (13)(17) 'Waters' or 'waters of the state' means any and all rivers, streams, creeks,
- branches, lakes, reservoirs, ponds, drainage systems, springs, wells, and all other bodies
- of surface or subsurface water, natural or artificial, lying within or forming a part of the
- boundaries of the state which are not entirely confined and retained completely upon the
- 69 property of a single individual, partnership, or corporation."

70 SECTION 2.

- 71 Said article is further amended by adding a new Code section to read as follows:
- 72 "12-5-30.5.
- 73 (a) No later than three business days prior to commencing the dewatering of a CCR
- 74 surface impoundment, the owner or operator of the CCR surface impoundment shall
- 75 provide written notice that dewatering has begun to the director and the local governing
- authority of any city and county in which the CCR surface impoundment is located.
- 77 Within two business days of receiving such written notice, the director shall post a public
- 78 <u>notice on the division's publicly accessible internet site stating that dewatering at the CCR</u>
- 79 surface impoundment has begun and shall describe the location thereof.
- 80 (b) No later than three business days prior to commencing the dewatering of a CCR
- 81 <u>surface impoundment, the owner or operator of the CCR surface impoundment shall post</u>
- 82 on its CCR website a public notice stating that dewatering has begun at the CCR surface
- 83 impoundment and shall describe the location thereof."

SECTION 3.

- 85 This Act shall become effective upon its approval by the Governor or upon its becoming law
- 86 without such approval.

SECTION 4.

88 All laws and parts of laws in conflict with this Act are repealed.
