1 **TITLE I—ORGANIZATION AND**
2 **OPERATIONS OF THE DE-**
3 **PARTMENT OF STATE**

4 **SEC. 101. SENSE OF CONGRESS ON IMPORTANCE OF DE-**
5 **PARTMENT OF STATE’S WORK.**

6 It is the sense of Congress that—

7 (1) United States global engagement is key to
8 a stable and prosperous world;

9 (2) United States leadership is indispensable in
10 light of the many complex and interconnected
11 threats facing the United States and the world;

12 (3) diplomacy and development are critical tools
13 of national power and full deployment of these tools
14 is vital to United States national security;

15 (4) challenges such as the global refugee and
16 migration crises, terrorism, historic famine and food
17 insecurity, and fragile or repressive societies cannot
18 be addressed without sustained and robust United
19 States diplomatic and development leadership;

20 (5) the United States Government must use all
21 of the instruments of national security and foreign
22 policy at our disposal to protect United States citi-
23 zens, promote United States interests and values,
24 and support global stability and prosperity;

1 (6) United States security and prosperity de-
2 pend on having partners and allies who share our in-
3 terests and values, and these partnerships are nur-
4 tured and our shared interests and values are pro-
5 moted through United States diplomatic engage-
6 ment, security cooperation, economic statecraft, and
7 assistance that helps further economic development,
8 good governance, including the rule of law and
9 democratic institutions, and the development of
10 shared responses to natural and humanitarian disas-
11 ters;

12 (7) as the United States Government agencies
13 primarily charged with conducting diplomacy and
14 development, the Department and the United States
15 Agency for International Development (USAID) re-
16 quire sustained and robust funding to carry out this
17 important work, which is essential to our ability to
18 project United States leadership and values and to
19 advance the United States interests around the
20 world;

21 (8) the work of the Department and USAID
22 makes the United States and the world safer and
23 more prosperous by alleviating global poverty and
24 hunger, fighting HIV/AIDS and other infectious dis-
25 eases, strengthening alliances, expanding educational

1 opportunities for women and girls, promoting good
2 governance and democracy, supporting anti-corruption
3 efforts, driving economic development and
4 trade, preventing armed conflicts and humanitarian
5 crises, and creating American jobs and export opportunities;
6

7 (9) the Department and USAID are vital national
8 security agencies, whose work is critical to the
9 projection of American power and leadership world-
10 wide, and without which Americans would be less
11 safe, our economic power would be diminished, and
12 global stability and prosperity would suffer;

13 (10) investing in diplomacy and development
14 before conflicts break out saves American lives while
15 also being cost-effective; and

16 (11) the contributions of personnel working at
17 the Department and USAID are extraordinarily valuable
18 and allow us to maintain United States leadership
19 around the world.

12 1413 of the Foreign Affairs Reform and Restructuring

24 United States, identify key threats and opportuni-

1 ties, or offer the rationale for making hard choices
2 with regard to limited resources; and

3 (2) additional requirements to the Joint Stra-

7 in classified form.

10 ties to execute the efforts described in paragraph
11 (4);

12 (6) outline the organizational roles and missions
13 of the elements of the diplomatic and development

17 the national security strategy of the United States;

18 (7) include an assessment of each bureau head-
19 ed by an Assistant Secretary of State or an Assist-

21 and anticipated contribution to the overall strategic
