7 **“§ 1167. Evaluation of claims involving military sex-**

9 “(a) STANDARD OF PROOF.—(1) In the case of any  
10 veteran who claims that a covered mental health condition  
11 based on military sexual trauma was incurred in or aggra-  
12 vated by active military, naval, or air service, the Sec-  
13 retary shall accept as sufficient proof of service-connection  
14 a diagnosis of such mental health condition by a mental  
15 health professional together with satisfactory lay or other  
16 evidence, in accordance with subsections (b) and (c), of  
17 such trauma and an opinion by the mental health profes-  
18 sional that such covered mental health condition is related  
19 to such military sexual trauma, as specified in subsection  
20 (f), notwithstanding the fact that there is no official record  
21 of such incurrence or aggravation in such service, and, to  
22 that end, shall resolve every reasonable doubt in favor of  
23 the veteran.

24 “(2) Service-connection of such covered mental health  
25 condition may be rebutted by clear and convincing evi-  
26 dence to the contrary.

1       “(3) The reasons for granting or denying service-con-  
2 nection in each case shall be recorded in full.

3       “(b) NONMILITARY SOURCES OF EVIDENCE.—(1) In  
4 carrying out subsection (a), the Secretary shall ensure  
5 that if a claim for compensation under this chapter is re-  
6 ceived by the Secretary for a covered mental health condi-  
7 tion based on military sexual trauma, evidence from  
8 sources other than official records of the Department of  
9 Defense regarding the veteran’s service may corroborate  
10 the veteran’s account of the trauma.

11       “(2) Examples of evidence described in paragraph (1)  
12 include the following:

13               “(A) Records from law enforcement authorities,  
14 rape crisis centers, mental health counseling centers,  
15 hospitals, and physicians.

17 transmitted diseases.

18               “(C) Statements from family members, room-  
19 mates, other members of the Armed Forces or vet-

21       “(c) EVIDENCE OF BEHAVIOR CHANGES.—(1) In  
22 carrying out subsection (a), the Secretary shall ensure  
23 that evidence of a behavior change following military sex-

1       “(2) Examples of behavior changes that may be rel-  
2 evant evidence of military sexual trauma include the fol-

14 DENCE.—The Secretary may not deny a claim of a veteran

16 health condition that is based on military sexual trauma  
17 without first—

18           “(1) advising the veteran that evidence de-  
19 scribed in subsections (b) and (c) may constitute  
20 credible corroborating evidence of the military sexual  
21 trauma; and

22           “(2) allowing the veteran an opportunity to fur-  
23 nish such corroborating evidence or advise the Sec-  
24 retary of potential sources of such evidence.

1       “(e) ROLE OF LAY STATEMENTS.—In a case where  
2 evidence described in subsection (b) or (c) is unavailable,  
3 and the only evidence of the occurrence of the military  
4 sexual trauma is the veteran’s own lay statement, the Sec-  
5 retary shall accept such lay statement as credible evidence  
6 the event occurred, unless such statement is inconsistent  
7 with the places, types, and circumstances of the service  
8 of the veteran, including evidence of the veteran’s unit as-  
9 signments, military specialty, or dates and locations of  
10 service, or unless there is clear and convincing evidence  
11 to the contrary.

12       “(f) REVIEW OF EVIDENCE.—(1) In reviewing a  
13 claim for compensation described in subsection (a)(1), for  
14 any evidence identified as part of such claim that is de-  
15 scribed in subsection (b) or (c), or if subsection (e) applies,  
16 the Secretary shall submit such evidence to such medical  
17 or mental health professional as the Secretary considers  
18 appropriate, including clinical and counseling experts em-  
19 ployed by the Department, to obtain an opinion as to  
20 whether it is at least as likely as not that there is a nexus  
21 between the military sexual trauma and any diagnosed  
22 covered mental health condition.

23       “(2) In the case of any veteran who submits with the  
24 claim for a covered mental health condition a lay state-  
25 ment describing the military sexual trauma, such veteran

1 shall be provided with a medical examination and opinion  
2 as described in paragraph (1) without delay for request  
3 of records specified in subsections (b) and (c) from the  
4 veteran.

5       “(3) For any veteran described in paragraph (2), if  
6 the medical examination and opinion do not result in a  
7 diagnosis of a covered mental health condition and a posi-  
8 tive opinion that the military sexual trauma is related to  
9 such diagnosis, the Secretary shall request the records  
10 specified in subsections (b) and (c) and, if such evidence  
11 is received, paragraph (1) shall again apply and a subse-  
12 quent medical examination and opinion shall be requested.

13       “(g) POINT OF CONTACT.—The Secretary shall en-

22       “(i) RULE OF CONSTRUCTION REGARDING APPLICA-  
23 TION TO NONSEXUAL PERSONAL ASSAULT.—The Sec-  
24 retary shall not construe this section as supplanting the  
25 standard of proof or evidence required for claims for

3 in regulation.

4 “(j) DEFINITIONS.—In this section:
