6 **TITLE I—COMMUNITY PARKS**
7 **REVITALIZATION PROGRAM**

8 **SEC. 101. FINDINGS.**

9 The Congress finds the following:

1 (1) Currently, over 80 percent of our Nation's
2 population lives in urban areas.

3 (2) Economic competitiveness, which includes
4 the ability to create jobs, stimulate growth, attract
5 businesses, investment, tourism, and a highly skilled
6 workforce, is closely related to the availability of
7 fully functional park and recreation systems in
8 America's metropolitan areas.

9 (3) According to the American Society of Civil
10 Engineers, parks, beaches, and other recreational fa-
11 cilities contribute \$730 billion per year to the U.S.
12 economy, support nearly 6.5 million jobs, and con-
13 tribute to cleaner air and water and higher property
14 values.

15 (4) Despite spending on parks at the State and
16 local levels, the acreage of parkland per resident in
17 urban areas is declining due to rapid increases in
18 population and to parks, such as Liberty State Park
19 in New Jersey, being threatened by privatization.

20 (5) A lack of access to public parks and recre-
21 ation areas and facilities, as well as deteriorating
22 and unsafe play areas, leads to an increase in phys-
23 ical inactivity, which in turn contributes to higher
24 rates of obesity.

1 (6) According to the Centers for Disease Con-
2 trol and Prevention, over the past 25 years, rates of
3 obesity have more than tripled among adolescents
4 ages 12 to 19 and doubled among adults ages 20 to
5 74 and children ages 6 to 11.

6 (7) Obesity and related health problems put a
7 strain on our Nation’s economy, as the annual costs
8 of medical spending and lost productivity from indi-
9 viduals in the United States being obese and over-
10 weight are estimated to be \$147,000,000,000.

11 (8) A study by the Centers for Disease Control
12 found that the creation of, or enhanced access to,
13 places for physical activity, such as parks, led to a
14 25.6 percent increase in the percentage of people ex-
15 ercising on 3 or more days a week, which improves
16 the physical and mental health of our citizens.

17 (9) The guidelines of the Centers for Disease
18 Control and Prevention for COVID-19 lists visiting
19 parks close to home as a safe way to relieve stress,
20 get some fresh air, and stay active, all of which are
21 important for mental and physical health.

22 (10) There are nearly 23 million veterans in the
23 United States. Many have mental and physical dis-
24 abilities from injuries sustained during their service
25 in Iraq and Afghanistan.

1 (11) Parks and recreation agencies are pro-
2 viding vital programs for veterans, with and without
3 disabilities, and for their families, that provide phys-
4 ical, mental, and social benefits to improve their
5 overall quality of life as they transition to civilian
6 living.

7 (12) According to the Juvenile Justice Bulletin,
8 without structured, supervised activities in the after-
9 school hours, youth are at greater risk of being vic-
10 tims of crime or participating in anti-social behav-
11 iors between 2:00 p.m. and 6:00 p.m. The peak hour
12 for juvenile crime is between 3:00 p.m. and 4:00
13 p.m., the first hour after most students are dis-
14 missed from school. Urban parks decrease juvenile
15 delinquency by providing quality after-school pro-
16 grams during these critical hours.

17 (13) Parks also add to the environmental viabil-
18 ity of communities. While cities currently spend tens
19 of billions of dollars on treatment of storm water
20 runoff and air pollution, studies have shown that
21 parkland saves cities millions of dollars in storm
22 water management and air pollution expenses by
23 capturing precipitation, reducing runoff, and absorb-
24 ing air pollutants.

1 **SEC. 102. PURPOSES.**

2 The purposes of this title are—

3 (1) to authorize the Secretary of Housing and
4 Urban Development to establish a program enabling
5 communities to better leverage resources to address
6 health, economic development, and conservation con-
7 cerns through needed investments in parks, rec-
8 reational areas, facilities, and programs;

9 (2) to improve and revitalize urban areas
10 through economic development;

11 (3) to prevent and improve chronic disease out-
12 comes, including cardiovascular disease, diabetes, de-
13 pression, and obesity;

14 (4) to improve recreational areas and facilities
15 and expand recreation services in urban areas with
16 a high incidence of crime and help expand recreation
17 opportunities for at-risk youth;

18 (5) to promote collaboration between local agen-
19 cies involved in parks and recreation, law enforce-
20 ment, youth social services, and juvenile justice sys-
21 tem;

22 (6) to ensure accessibility to therapeutic recre-
23 ation services and to provide recreation opportunities
24 for injured or disabled members of the Armed
25 Forces; and

1 (7) to encourage the use of environmentally re-
2 sponsible components and sustainable landscape fea-
3 tures, and promote cost effective solutions to issues
4 such as storm water management, water conserva-
5 tion, and air quality.

6 **SEC. 103. COMMUNITY PARKS REVITALIZATION PROGRAM.**

7 (a) IN GENERAL.—The Secretary of Housing and
8 Urban Development shall carry out a community parks

10 augment park and recreation opportunities, or sup-

24 that each eligible local government that receives a
25 grant pursuant to subsection (a) shall supplement,

1 in accordance with this subsection, the amount re-
2 ceived under such grant with an amount that is not
3 less than $\frac{3}{7}$ of such grant amount; except that, in

7 such grant with amount that is not less than such
8 grant amount.

13 (2) INTERIM PRELIMINARY PROGRAMS.—The
14 Secretary shall provide, by regulation, that during
15 an initial interim period the requirement under para-

18 forts and such other federally assisted projects,
19 as appropriate;

20 (F) conversion to recreational use of street
21 space, derelict land, and other public lands not

20 erations, or programming in the delivery of
21 recreation services;

22 (B) increased access of therapeutic or
23 other recreation services to veterans and mili-
24 tary families; or

1 (C) reducing crime and juvenile delin-
2 quency; and

3 (2) provide a description of—

4 (A) implementation strategies to achieve
5 such goals; and

7 nating its recreation programs with other com-
8 munity development or service agencies.

9 **SEC. 107. MATCHING OF STATE AMOUNTS, STATE ACTION**
10 **INCENTIVE.**

11 (a) INCREASE IN GRANT AMOUNTS.—The Secretary
12 may increase Federal rehabilitation and construction, in-
13 novation, and at-risk youth recreation grants authorized
14 in section 103(a) by providing an additional match equal
15 to the total match provided by a State of up to 15 percent
16 of total project or program costs, except that in no event
17 may—

18 (1) such additional grant amount exceed 15
19 percent of the total project or program cost; or

21 additional grant amounts under this subsection ex-
22 ceed 85 percent of total project or program cost.

23 (b) STATE ACTION INCENTIVE.—The Secretary shall
24 further encourage the States to assist in assuring that
25 local recovery plans and programs are adequately imple-

1 mented by cooperating with the Department of Housing
2 and Urban Development in monitoring local park and
3 recreation recovery action programs and in assuring con-
4 sistency of such plans and programs, where appropriate,
5 with State recreation policies as set forth in statewide
6 comprehensive outdoor recreation plans.

8 (a) NO CONVERSION WITHOUT APPROVAL.—No
9 property improved or developed with assistance under a
10 grant under this title may be converted for uses other than
11 for public recreation, without the approval of the Sec-
12 retary.

13 (b) STANDARD FOR APPROVAL.—The Secretary may
14 approve such conversion only—

15 (1) if the Secretary determines the conversion
16 to be consistent with the current local park and
17 recreation recovery action program for the local gov-
18 ernment that improved or developed the property;
19 and

20 (2) subject to such conditions as the Secretary
21 determines necessary to ensure the provision of ade-
22 quate recreation properties and opportunities of rea-
23 sonably equivalent location and usefulness.

24 **SEC. 109. COORDINATION OF PROGRAM.**

25 The Secretary shall—

1 (1) coordinate the community parks revitaliza-
2 tion program for grants under this title with other
