7 WHEREAS, one such example of President Trump's commitment to the well-being
8 of American people is President Trump's signing of two executive orders, two

13 WHEREAS, President Trump also succeeded in bringing troops home from

16 WHEREAS, President Trump used his influence as President to speak out against

20 outside of the country had no place in a bill designed to ease the suffering of American
21 citizens in the midst of a global pandemic, requesting that excessive foreign aid be
22 reduced in every budget proposal, and reducing foreign aid overall and keeping that
23 money in the United States, such as reducing foreign aid to China by \$32 million in 2020;
24 and

25 WHEREAS, President Trump moved the United States embassy from Tel Aviv to
26 Jerusalem and has brokered peace deals normalizing the relations of several regional
27 countries with Israel, raising the number of countries in the Middle East which recognize

1 Israel from two to six; and

2 WHEREAS, in order to avoid American money, manpower, and resources being
3 sent to support organizations whose interests are not always aligned with those of the

6 in 2018, and the World Health Organization in 2020, as well as from the United Nations
7 Arms Trade Treaty; and

8 WHEREAS, all of President Trump's above-mentioned actions have had a positive
