5 of the state legislature and constitutional officers (first consideration).

Analysis by the Legislative Reference Bureau

This constitutional amendment, proposed to the 2019 legislature on first consideration, limits members of the legislature to 12 years of service in the same office and limits the governor, lieutenant governor, secretary of state, state treasurer, attorney general, and state superintendent of public instruction to eight years of service in the same office. Time served in an initial partial term in the same office and time served in a different office are not counted as part of the 12-year and eight-year limits. Additionally, any time served prior to the first terms to which the constitutional amendment applies is not counted as part of the 12-year and eight-year limits.

A constitutional amendment requires adoption by two successive legislatures, and ratification by the people, before it can become effective.
