(13) Estimated value of the tax credit based upon total	308

Within ninety days after certification of a motion picture	316

director of development services, the production company shall	319
present to the director sufficient evidence of reviewable	320
progress. If the production company fails to present sufficient	321
evidence, the director may rescind the certification. If the	322
production of a motion picture or Broadway theatrical production	323
does not begin within ninety days after the date it is certified	324
as a tax credit-eligible production, the director shall rescind	325
the certification unless the director finds that the production	326
company shows good cause for the delay, meaning that the	327
production was delayed due to unforeseeable circumstances beyond	328

the production company's control or due to action or inaction by 329
a government agency. Upon rescission, the director shall notify 330
the applicant that the certification has been rescinded. Nothing 331
in this section prohibits an applicant whose tax credit-eligible 332
production certification has been rescinded from submitting a 333
subsequent application for certification. 334

(C) (1) A production company whose motion picture or 335
broadway theatrical production has been certified as a tax 336
credit-eligible production may apply to the director of 337
development services on or after July 1, 2009, for a refundable 338
credit against the tax imposed by section 5726.02, 5733.06, 339
5747.02, or 5751.02 of the Revised Code. The director in 340
consultation with the tax commissioner shall prescribe the form 341
and manner of the application and the information or 342
documentation required to be submitted with the application. ~~The~~ 343
~~application shall state the name and address of each production~~ 344
~~contractor with which the production company contracted for~~ 345
~~services and the amount of eligible expenditures paid or~~ 346
~~incurred under the contract with respect to the production.~~ 347

The credit is determined as follows: 348

(a) If the total budgeted eligible expenditures stated in 349
the application submitted under division (B) of this section or 350
the actual eligible expenditures as finally determined under 351
division (D) of this section, whichever is least, is less than 352
or equal to three hundred thousand dollars, no credit is 353
allowed; 354

(b) If the total budgeted eligible expenditures stated in 355
the application submitted under division (B) of this section or 356
the actual eligible expenditures as finally determined under 357
division (D) of this section, whichever is least, is greater 358

than three hundred thousand dollars, the credit ~~for the~~ 359
~~production company~~ equals thirty per cent of the least of such 360
budgeted or actual eligible expenditure amounts ~~and the credit~~ 361
~~for each production contractor equals thirty per cent of the~~ 362
~~amount of eligible expenditures paid or incurred under the~~ 363
~~contract with respect to the production.~~ 364

(2) Except as provided in division (C) (4) of this section, 365
if the director of development services approves a production 366
company's application for a credit, the director shall issue a 367
tax credit certificate to the company ~~and to each of the~~ 368
~~company's production contractors identified in the application.~~ 369
The director in consultation with the tax commissioner shall 370
prescribe the form and manner of issuing certificates. The 371
director shall assign a unique identifying number to each tax 372
credit certificate and shall record the certificate in a 373
register devised and maintained by the director for that 374
purpose. The certificate shall state the amount of the eligible 375
expenditures on which the credit is based and the amount of the 376
credit. Upon the issuance of a certificate, the director shall 377
certify to the tax commissioner the name of the production 378
company ~~or contractor~~ to which the certificate was issued, the 379
amount of eligible expenditures shown on the certificate, the 380
amount of the credit, and any other information required by the 381
rules adopted to administer this section. 382

(3) The amount of eligible expenditures for which a tax 383
credit may be claimed is subject to inspection and examination 384
by the tax commissioner or employees of the commissioner under 385
section 5703.19 of the Revised Code and any other applicable 386
law. Once the eligible expenditures are finally determined under 387
section 5703.19 of the Revised Code and division (D) of this 388
section, the credit amount is not subject to adjustment unless 389

the director determines an error was committed in the 390
computation of the credit amount. 391

(4) No tax credit certificate may be issued before the 392
completion of the tax credit-eligible production. Not more than 393
forty million dollars of tax credit may be allowed per fiscal 394
year provided that, (a) for any fiscal year in which the amount 395
of tax credits allowed under this section is less than that 396
maximum annual amount, the amount not allowed for that fiscal 397
year shall be added to the maximum annual amount that may be 398
allowed for the following fiscal year, and (b) the director may 399
award all or a portion of the credit allocation for the 400
following fiscal year in advance under division (C) (6) of this 401
section. For each fiscal year beginning on or after July 1, 402
2021, the director shall reserve four million dollars of tax 403
credit exclusively for Broadway theatrical productions. 404

(5) The Except as provided in division (C) (6) of this 405
section, the director shall review and approve applications for 406
tax credits in two rounds each fiscal year. The first round of 407
credits shall be awarded not later than the last day of July of 408
the fiscal year, and the second round of credits shall be 409
awarded not later than the last day of the ensuing January. The 410
amount of credits awarded in the first round of applications 411
each fiscal year shall not exceed twenty million dollars plus 412
any credit allotment that was not awarded in the preceding 413
fiscal year and carried over under division (C) (4) of this 414
section minus any amount required to be subtracted under 415
division (C) (6) of this section. For each round, the director 416
shall rank applications on the basis of the extent of positive 417
economic impact each tax credit-eligible production is likely to 418
have in this state and the effect on developing a permanent 419
workforce in motion picture or theatrical production industries 420

in the state. For the purpose of such ranking, the director 421
shall give priority to tax-credit eligible productions that are 422
television series or miniseries due to the long-term commitment 423
typically associated with such productions. The economic impact 424
ranking shall be based on the production company's total 425
expenditures in this state directly associated with the tax 426
credit-eligible production. The effect on developing a permanent 427
workforce in the motion picture or theatrical production 428
industries shall be evaluated first by the number of new jobs 429
created and second by amount of payroll added with respect to 430
employees in this state. 431

The director shall approve productions in the order of 432
their ranking, from those with the greatest positive economic 433
impact and workforce development effect to those with the least 434
positive economic impact and workforce development effect. 435

(6) If the director determines that a tax credit-eligible 436
production has had or will have a significant positive economic 437
impact or workforce development effect on this state and that 438
expedited approval of the production company's tax credit 439
application is warranted, the director may approve the 440
application at any time following completion of the production 441
outside of the standard review, ranking, and approval process 442
prescribed by division (C) (5) of this section. 443

Credits approved under this division shall be subtracted 444
from the credit allotment that would otherwise be available for 445
the next round of applications under division (C) (4) of this 446
section. If the credits approved under this division exceed the 447
credit allotment that would otherwise be available for the next 448
round of applications, the excess shall be subtracted from the 449
credit allotment for the next ensuing round of applications, and 450

so on, until the full amount of credits approved under this 451
division are subtracted. If approving an application under this 452
division would result in exceeding the maximum amount of credits 453
that may be awarded in the fiscal year, as prescribed by 454
division (C) (4) of this section, the director may award all or a 455
portion of the credit allocation for the following year in 456
advance. Credits awarded under this division shall be claimed in 457
the taxable year or tax period in which the certificate was 458
issued regardless of whether the credit was awarded out of the 459
allotment for the next round of applications or in advance from 460
a subsequent round or fiscal year. 461

(D) A production company whose motion picture or Broadway 462
theatrical production has been certified as a tax credit- 463

prescribed by division (D) of this section. 490

(F) This state reserves the right to refuse the use of 491
this state's name in the credits of any tax credit-eligible 492

director shall require each applicant to pay an application fee 513
equal to the lesser of ten thousand dollars or one per cent of 514
the estimated value of the tax credit as stated in the 515
application. The fees collected shall be credited to the tax 516

(2) Negotiate and enter into voluntary agreements under 685
section 5709.481 of the Revised Code that impose assessments on 686

5709.481, 5709.49, and 5709.50 of the Revised Code: 689

(1) "Regional transportation improvement project" has the 690
same meaning as in section 5595.01 of the Revised Code. 691

(2) "Improvements" means the increase in the assessed 692
value of any real property that would first appear on the tax 693
list and duplicate of real and public utility property after the 694
effective date of the resolution adopted under this section were 695
it not for the exemption granted by that resolution. 696

(B) For the purposes described in division (A) of section 697
5595.06 of the Revised Code, the governing board of a regional 698
transportation improvement project that was undertaken pursuant 699
to section 5595.02 of the Revised Code before March 23, 2018, 700
may, by resolution, create a transportation financing district 701
and declare improvements to parcels within the district to be a 702
public purpose and exempt from taxation. 703

(C) A transportation financing district may include 704
territory in more than one county as long as each such county is 705
a participant in the regional transportation improvement project 706
funded by the district. A district shall not include parcels 707
used primarily for residential purposes. A district shall not 708
include any parcel that is currently exempt from taxation under 709
this section or section 5709.40, 5709.41, 5709.45, 5709.73, or 710
5709.77 of the Revised Code. The governing board may designate 711
parcels within the boundaries of a district that are not to be 712
included in the district. The governing board may designate 713
noncontiguous parcels located outside the boundaries of the 714
district that are to be included in the district. 715

The governing board may adopt more than one resolution 716
under division (B) of this section. A single such resolution may 717

create more than one transportation financing district. 718

(D) A resolution creating a transportation financing 719
district shall specify all of the following: 720

(1) A description of the territory included in the 721
district; 722

(2) The county treasurer's permanent parcel number 723
associated with each parcel included in the district; 724

(3) The percentage of improvements to be exempted from 725
taxation and the duration of the exemption, which shall not 726

for the regional transportation improvement district, described 728
under section 5595.03 of the Revised Code, is in effect; 729

the Revised Code will economically benefit owners of property 733
within the district. 734

(E) (1) Except as otherwise provided in divisions (E) (2) 735
and (3) of this section, the governing board, before adopting a 736
resolution under division (B) of this section, shall notify and 737
obtain the approval of each subdivision and taxing unit that 738
levies a property tax within the territory of the proposed 739
transportation financing district. A subdivision or taxing 740

in the form of an ordinance or resolution. The governing board 742
may negotiate an agreement with a subdivision or taxing unit 743
providing for compensation equal in value to a percentage of the 744
amount of taxes exempted or some other mutually agreeable 745
compensation. 746

(2) A subdivision or taxing unit may adopt an ordinance or resolution waiving its right to approve or receive notice of transportation financing districts proposed under this section. If a subdivision or taxing unit has adopted such an ordinance or resolution, the terms of that ordinance or resolution supersede the requirements of division (E)(1) of this section. The governing board may negotiate an agreement with a subdivision or taxing unit providing for some mutually agreeable compensation in exchange for the subdivision or taxing unit adopting such an ordinance or resolution. If a subdivision or taxing unit has adopted such an ordinance or resolution, it shall certify a copy to the governing board. If the subdivision or taxing unit rescinds such an ordinance or resolution, it shall certify notice of the rescission to the governing board.

(3) The governing board need not obtain the approval of a subdivision or taxing unit if the governing board agrees to compensate that subdivision or unit for the full amount of taxes exempted under the resolution creating the district.

(F) After complying with division (E) of this section, the governing board shall notify and obtain the approval of every real property owner whose property is included in the proposed transportation financing district.

(G)(1) Upon adopting a resolution creating a transportation financing district, the governing board shall send a copy of the resolution and documentation sufficient to prove that the requirements of divisions (E) and (F) of this section have been met to the director of development services. The director shall evaluate the resolution and documentation to determine if the governing board has fully complied with the requirements of this section. If the director approves the

resolution, the director shall send notice of approval to the 777
governing board. If the director does not approve the 778
resolution, the director shall send a notice of denial to the 779
governing board that includes the reason or reasons for the 780
denial. If the director does not make a determination within 781
ninety days after receiving a resolution under this section, the 782
director is deemed to have approved the resolution. No 783
resolution creating a transportation financing district is 784
effective without actual or constructive approval by the 785
director under this section. 786

(2) An exemption from taxation granted under this section 787
commences with the tax year specified in the resolution so long 788
as the year specified in the resolution commences after the 789
effective date of the resolution. If the resolution specifies a 790
year commencing before the effective date of the resolution or 791
specifies no year whatsoever, the exemption commences with the 792
tax year in which an exempted improvement first appears on the 793
tax list and that commences after the effective date of the 794
resolution. 795

(3) Except as otherwise provided in this division, the 796
exemption ends on the date specified in the resolution as the 797
date the improvement ceases to be a public purpose or the 798
regional transportation improvement project funded by the 799
service payments dissolves under section 5595.13 of the Revised 800
Code, whichever occurs first. Exemptions shall be claimed and 801
allowed in the same manner as in the case of other real property 802
exemptions. If an exemption status changes during a year, the 803
procedure for the apportionment of the taxes for that year is 804
the same as in the case of other changes in tax exemption status 805
during the year. 806

(H) The resolution creating a transportation financing district may be amended at any time by majority vote of the governing board and with the approval of the director of development services obtained in the same manner as approval of the original resolution.

Sec. 5709.481. (A) The governing board of a regional transportation improvement project may negotiate and enter into a voluntary agreement with the owner or owners of any parcel located in a transportation financing district created by the board whereby the owner or owners agree to subject the parcel to an assessment levied by the governing board and the governing board agrees to use the proceeds of that assessment for the purposes of the project as described in the resolution creating the district.

(B) The agreement shall specify the amount and duration of the assessment. The assessment may not be collected after the dissolution of the associated regional transportation improvement project under section 5595.13 of the Revised Code.

(C) The governing board shall annually compute the amount of each assessment imposed by an agreement under this section and certify the amount to the owner or owners of the parcel and to the county auditor of the county in which the parcel is located. The county auditor shall enter the assessment on the tax list of real property opposite against which it is charged, and certify the assessment to the county treasurer. The assessment shall be charged and collected in the same manner as real property taxes and shall be treated in the same manner as real property taxes for all purposes of the lien described in section 323.11 of the Revised Code, including the priority and enforcement of the lien. Money collected from the assessment

shall be paid immediately to the governing board. The county 837
treasurer shall maintain a record of all payments of assessments 838
under this section. 839

(D) The governing board may negotiate and enter into as 840
many agreements under this section as are necessary or useful in 841
serving the principal purposes and goals described in the 842
resolution creating the district. One agreement may impose an 843
assessment on more than one parcel only if the owner or owners 844
of all such parcels have approved the agreement. 845

(E) An agreement may be amended for the purposes of 846
subjecting additional parcels to the assessment by resolution 847
adopted by the governing board and approved by the owner or 848
owners of the additional parcels. An agreement may be rescinded 849
or may be amended for any purpose other than subjecting 850
additional parcels to the assessment by resolution adopted by 851
the governing board and approved by the owner or owners of every 852
parcel that is subject to the assessment imposed under the 853
agreement. 854

(F) An agreement under this section is hereby deemed to be 855
a covenant running with each parcel of land that is subject to 856
the agreement. The covenant is fully binding on behalf of and 857
enforceable by the governing board against any person who 858
subsequently acquires an interest in the land and all of that 859
person's successors and assigns. No purchase agreement for real 860
estate or any interest in real estate that is subject to such an 861
agreement shall be enforceable by the seller or binding upon the 862
purchaser unless the purchase agreement specifically refers to 863
the agreement. If a conveyance of such real estate or interest 864
in such real estate is made pursuant to a purchase agreement 865
that does not make such a reference, the agreement shall 866

continue to be a covenant running with the land fully binding on 867
behalf of and enforceable by the governing board against the 868
person accepting the conveyance pursuant to the purchase 869
agreement. 870

Sec. 5709.50. (A) The governing board of a regional 871
transportation improvement project that grants a tax exemption 872
under section 5709.48 of the Revised Code or enters into one or 873
more voluntary agreements imposing assessments under section 874
5709.481 of the Revised Code shall establish a regional 875
transportation improvement project fund into which shall be 876
deposited service payments in lieu of taxes distributed under 877
section 5709.49 of the Revised Code and assessments collected 878
pursuant to such agreements. Money in the regional 879
transportation improvement project fund shall be used by the 880
governing board for the purposes described in the resolution 881
creating the transportation financing district. Money in the 882
regional transportation improvement project fund shall be 883
administered by the governing board in accordance with the 884
requirements of section 5595.08 of the Revised Code and may be 885
invested as provided in section 5595.09 of the Revised Code. 886

(B) The regional transportation improvement project fund 887
is dissolved by operation of law upon the dissolution of the 888
associated regional transportation improvement project under 889
section 5595.13 of the Revised Code. Any incidental surplus 890
remaining in the fund, to the extent unencumbered, shall be 891
divided and distributed by the county treasurer of the most 892
populous county in which the district is located ~~to~~ as follows: 893

(1) To the general funds of the subdivisions and taxing 894
units in which the district is located, an amount equal to the 895
surplus revenue multiplied by a fraction, the numerator of which 896

is the amount of service payment revenue deposited to the fund 897
after the most recent collection of property taxes and payments 898
in lieu of taxes, and the denominator of which is the total 899
amount deposited to the fund after the most recent collection of 900
property taxes and payments in lieu of taxes. The surplus 901
~~revenue~~ This amount shall be divided proportionally based on the 902
property tax levy revenue foregone by each such subdivision and 903
taxing unit due to the exemption of improvements to property 904
within the district at the most recent collection of service 905
payments in lieu of taxes. The division of revenue shall account 906
for amounts returned to subdivisions and taxing units through 907
compensation agreements entered into under division (E) of 908
section 5709.48 of the Revised Code. The amount distributed to 909
each subdivision or taxing unit shall be apportioned among its 910
funds as if that amount had been levied and collected as taxes 911
and distributed in the most recent settlement of taxes. 912

(2) To the owners of parcels subject to a special 913
assessment under section 5709.481 of the Revised Code, all 914
remaining surplus revenue. This amount shall be divided 915
proportionally based on the amount of the assessment levied 916
against each such parcel at the most recent collection of such 917
assessments. Owners of parcels that are delinquent in paying an 918
assessment imposed by an agreement under section 5709.481 of the 919
Revised Code may not receive surplus revenue under this 920
division. The share of surplus revenue that such owner or owners 921
would have otherwise received shall be divided proportionally 922
among the owners of nondelinquent parcels. 923

Section 2. That existing sections 122.85, 125.112, 924
5595.04, 5709.48, and 5709.50 of the Revised Code are hereby 925
repealed. 926
