4	(7)	• <u>(5)</u> the Se	ecretary of Veterans Affairs, or the Secretary's designee;
15 16	the <del>Executive</del> I		xecutive Director of the Maryland Cannabis Administration, or lesignee; and
17	<del>(9</del>	• <u>(7)</u> the fo	llowing members, appointed by the Governor:
18 19 20	Johns Hopkins Sheppard Prate		one representative of the University System of Maryland or, the ity's Center for Psychedelic and Consciousness Research, or
21 22 23	tribe in the S substances;	(ii) <del>tate</del> <u>with</u>	one representative of a <del>federally recognized</del> Native American experience in the religious and spiritual use of psychedelic
24		<del>(iii)</del>	one individual with expertise in public health;
25		<del>(iv)</del>	i) one individual with expertise in behavioral health;
26 27	substance use	<del>(v)</del> <u>(iv</u> disorders;	one individual with expertise in the treatment of
28 29	pain;	<del>(vi)</del> ( <u>v</u>	one individual with expertise in the treatment of chronic

$\frac{1}{2}$	psychotherapy;	(vii) (vi) one individual with expertise in psychedelic-assisted
3		(viii) (vii) one individual with expertise in psychedelic research;
4 5	underserved con	(ix) (viii) one individual with expertise in access to care in mmunities;
6 7	individuals with	(x) one individual with expertise in harm reduction strategies for a substance use disorder;
8		(xi) (ix) one individual with expertise in drug policy reform;
9 10	<del>psychedelic sub</del>	(xii) one individual with expertise in the religious and spiritual use of stances;
11 12	enforcement; <del>ar</del>	$\frac{(xiii)}{(x)}$ one individual with expertise as a member of law
13 14	patient with cor	(xiv) (xi) two individuals who are patients one individual who is a nditions that can be treated with psychedelic substances;
15 16	psychedelic sub	(xii) one individual with experience with the pharmacology of natural stances; and
17 18	psychedelic sub	(xiii) one physician with experience with the appropriate use of stances and other integrative medical practices.
19 20	` '	the extent practicable, the membership of the Task Force shall reflect the ethnic, and geographic diversity of the State.
21	(e) Th	e Governor shall designate the chair of the Task Force.
22 23	(f) The staff for the Tas	e Maryland <del>Department of Health</del> <u>Cannabis Administration</u> shall provide sk Force.
24	(g) A 1	member of the Task Force:
25	(1)	may not receive compensation as a member of the Task Force; but
26 27	(2) Travel Regulati	is entitled to reimbursement for expenses under the Standard State ons, as provided in the State budget.
28	(h) Th	e Task Force shall:
29	(1)	study:

1 2	(i) existing laws, policies, and practices relating to the use of natural psychedelic substances;
3 4	(ii) the best available science and data on public benefits of responsible access to and use of natural psychedelic substances;
5 6	(iii) opportunities to maximize public benefits of responsible access to and use of natural psychedelic substances;
7 8	(iv) the best available data on potential risks of access to and use of natural psychedelic substances;
9 10	(v) opportunities to mitigate potential risks of access to and use of natural psychedelic substances; and
11 12 13 14	(vi) barriers health care practitioners and facilitators may encounter relating to natural psychedelic substances, including barriers relating to insurance, restrictions by licensing and credentialing entities, zoning, advertising, and financial services;
15 16 17	(2) make recommendations regarding any changes to State law, policy, and practices needed to create a Maryland Natural Psychedelic Substance Access Program that enables broad, equitable, and affordable access to psychedelic substances, including:
18 19	(i) permitting requirements, including requirements regarding education and safety;
20	(ii) access to treatment and regulated support; and
21	(iii) production of natural psychedelic substances;
22 23	(3) make recommendations to establish requirements for a Natural Psychedelic Permit, including:
24 25 26	(i) educational curricula to ensure the safe use of natural psychodelic substances, including curricula relating to the testing of, proper dosage of, and usage setting for such substances;
27 28	(ii) learning assessments to ensure knowledge, skills, and abilities gained by Natural Psychedelic Permit applicants before the issuance of a permit;
29 30	(iii) existing infrastructure that may be used for the delivery of educational and testing material;
31 32	(iv) existing organizations and groups willing and able to develop educational curricula and learning assessments; and

Psychedelic Permit holders may possess, use, grow, and gift without supervision;  (1) make recommendations for therapeutic and licensed support for udult use of natural psychedelic substances, allowing individuals the ability to obtain treatment involving the use of psychedelic materials under the supervision and guidance of experienced, trained, and licensed therapists and facilitators;  (5) make recommendations for establishing requirements related to the production of natural psychedelic substances, including:  (6) regulations for growing natural psychedelic substances in accordance with agricultural safety standards; and  (ii) testing and packaging requirements for products containing natural psychedelic substances with clear and accurate labeling of potency;  (6) make recommendations for the sale and taxation of natural psychedelic substances in containing natural psychedelic substances to Natural Psychedelic Psychedelic Psychedelic substances to cover the cost of a Maryland Natural Psychedelic Substance Access Program;  (ii) systems for the sale and reasonable taxation of natural psychedelic substances to cover the cost of a Maryland Natural Psychedelic substances in communities in the State and opt to participate in the online sales of natural psychedelic substances and  (iii) systems to support statewide online sales of natural psychedelic substances in communities in the State and opt to participate in the online sales and home delivery of the substances; and  (ii) options for retail stores that sell natural psychedelic substances in communities in the State and opt to participate in the online sales and home delivery of the substances; and  (iii) systems for retail stores that sell natural psychedelic substances; and offenses relating to natural psychedelic substances; and only on participate in the online sales of natural psychedelic substances; and only offenses relating to natural psychedelic substances; and		
(ii) make recommendations for the rapeutic and licensed support for adult use of natural psychodelic substances, allowing individuals the ability to obtain treatment involving the use of psychodelic materials under the supervision and guidance of experienced, trained, and licensed therapists and facilitators;  (5) make recommendations for establishing requirements related to the production of natural psychodelic substances, including:  (6) make recommendations for growing natural psychodelic substances in accordance with agricultural safety standards; and  (ii) teeting and packaging requirements for products containing natural psychodelic substances with clear and accurate labeling of potency;  (6) make recommendations for the sale and taxation of natural psychodelic substances with lear and necurate labeling of potency;  (ii) systems for the sale and reasonable taxation of natural psychodelic substances to ever the cost of a Maryland Natural Psychodelic Substance Access Program;  (iii) systems for the sale and reasonable taxation of natural psychodelic substances with home delivery; and  (iv) options for retail stores that sell natural psychodelic substances in communities in the State and opt to participate in the online sale and home delivery of the substances; and  (i) punishing with civil penaltics nonviolent infractions involving the planting, cultivating, purchasing, transporting, distributing, or possessing of or other engagement with natural psychodelic substances; and  (ii) expunging the records of Marylanders with convictions for nonviolent criminal offenses relating to natural psychodelic substances; and		
involving the use of psychedelic materials under the supervision and guidance of experienced, trained, and licensed therapists and facilitators;  (5) make recommendations for establishing requirements related to the production of natural psychedelic substances, including:  (i) regulations for growing natural psychedelic substances in accordance with agricultural safety standards; and  (ii) testing and packaging requirements for products containing natural psychedelic substances with clear and accurate labeling of potency;  ((i)) make recommendations for the sale and taxation of natural psychedelic substances in cluding:  (ii) restricting the sales of natural psychedelic substances to Natural Psychedelic Permit holders;  (iii) systems for the sale and reasonable taxation of natural psychedelic substances access Program;  (iii) systems to support statewide online sales of natural psychedelic substances in communities in the State and opt to participate in the online sales and home delivery of the substances; and  (iv) options for retail stores that sell natural psychedelic substances in communities in the State and opt to participate in the online sale and home delivery of the substances; and  (iv) options for retail stores that sell natural psychedelic substances in the substances; and  (iv) options for retail stores that sell natural psychedelic substances in the online sale and home delivery of the substances; and  (ii) punishing with civil penalties nonviolent infractions involving the planting, cultivating, purchasing, transporting, distributing, or possessing of or other engagement with natural psychedelic substances; and  (iii) expunging the records of Marylanders with convictions for nonviolent criminal offenses relating to natural psychedelic substances; and		(4) make recommendations for therapeutic and licensed support for adult
cxperienced, trained, and licensed therapisto and facilitators;  (5) make recommendations for establishing requirements related to the production of natural psychedelic substances, including:  (i) regulations for growing natural psychedelic substances in accordance with agricultural safety standards; and  (ii) testing and packaging requirements for products containing natural psychedelic substances with clear and accurate labeling of potency;  (6) make recommendations for the sale and taxation of natural psychedelic substances, including:  (ii) restricting the sales of natural psychedelic substances to Natural psychedelic substances to cover the sale and reasonable taxation of natural psychedelic substances to cover the cost of a Maryland Natural Psychedelic Substance Access Program;  (iii) systems to support statewide online sales of natural psychedelic substances in communities in the State and opt to participate in the online sale and home delivery of the substances; and  (iv) options for retail stores that sell natural psychedelic substances in communities in the State and opt to participate in the online sale and home delivery of the substances; and  (i) punishing with civil penalties nonviolent infractions involving the planting, cultivating, purchasing, transporting, distributing, or possessing of or other engagement with natural psychedelic substances;  (ii) expunging the records of Marylanders with convictions for nonviolent criminal offenses relating to natural psychedelic substances; and		
(5) make recommendations for establishing requirements related to the production of natural psychedelic substances, includings  (i) regulations for growing natural psychedelic substances in accordance with agricultural safety standards; and  (ii) testing and packaging requirements for products containing natural psychedelic substances with clear and accurate labeling of potency.  (6) make recommendations for the sale and taxation of natural psychedelic substances, includings  (6) restricting the sales of natural psychedelic substances to Natural Psychedelic Permit holders;  (ii) systems for the sale and reasonable taxation of natural psychedelic substances are substances to cover the cost of a Maryland Natural Psychedelic Substance Access Program;  (iii) systems to support statewide online sales of natural psychedelic substances in communities in the State and opt to participate in the online sale and home delivery of the substances; and  (iv) options for retail stores that sell natural psychedelic substances in communities in the State and opt to participate in the online sale and home delivery of the substances; and  (i) punishing with civil penalties nonviolent infractions involving the planting, cultivating, purchasing, transporting, distributing, or possessing of or other engagement with natural psychedelic substances;  (ii) expunging the records of Marylanders with convictions for nonviolent criminal offenses relating to natural psychedelic substances; and	5	
production of natural psychedelic substances, including:  (i) regulations for growing natural psychedelic substances in accordance with agricultural safety standards; and  (ii) testing and packaging requirements for products containing natural psychedelic substances with clear and accurate labeling of potency;  (6) make recommendations for the sale and taxation of natural psychedelic substances, including:  (ii) restricting the sales of natural psychedelic substances to Natural Psychedelic Permit holders;  (iii) systems for the sale and reasonable taxation of natural psychedelic substances to cover the cost of a Maryland Natural Psychedelic Substance Access Program;  (iii) systems to support statewide online sales of natural psychedelic substances in communities in the State and opt to participate in the online sale and home delivery of the substances; and  (iv) options for retail stores that sell natural psychedelic substances in communities in the State and opt to participate in the online sale and home delivery of the substances; and  (i) punishing with civil penalties nonviolent infractions involving the planting, cultivating, purchasing, transporting, distributing, or possessing of or other engagement with natural psychedelic substances;  (ii) expunging the records of Marylanders with convictions for nonviolent criminal offenses relating to natural psychedelic substances; and	6	experienced, trained, and licensed therapists and facilitators;
production of natural psychedelic substances, including:  (i) regulations for growing natural psychedelic substances in accordance with agricultural safety standards; and  (ii) testing and packaging requirements for products containing natural psychedelic substances with clear and accurate labeling of potency;  (6) make recommendations for the sale and taxation of natural psychedelic substances, including:  (ii) restricting the sales of natural psychedelic substances to Natural Psychedelic Permit holders;  (iii) systems for the sale and reasonable taxation of natural psychedelic substances to cover the cost of a Maryland Natural Psychedelic Substance Access Program;  (iii) systems to support statewide online sales of natural psychedelic substances in communities in the State and opt to participate in the online sale and home delivery of the substances; and  (iv) options for retail stores that sell natural psychedelic substances in communities in the State and opt to participate in the online sale and home delivery of the substances; and  (i) punishing with civil penalties nonviolent infractions involving the planting, cultivating, purchasing, transporting, distributing, or possessing of or other engagement with natural psychedelic substances;  (ii) expunging the records of Marylanders with convictions for nonviolent criminal offenses relating to natural psychedelic substances; and	7	(5) make recommendations for establishing requirements related to the
accordance with agricultural safety standards; and  (ii) testing and packaging requirements for products containing natural psychodelic substances with clear and accurate labeling of potency;  (6) make recommendations for the sale and taxation of natural psychodelic substances, including:  (i) restricting the sales of natural psychodelic substances to Natural Psychodelic Permit holders;  (ii) systems for the sale and reasonable taxation of natural psychodelic substances to cover the cost of a Maryland Natural Psychodelic Substance Access Program;  (iii) systems to support statewide online sales of natural psychodelic substances in communities in the State and opt to participate in the online sale and home delivery of the substances; and  (iv) options for retail stores that sell natural psychodelic substances in communities in the State and opt to participate in the online sale and home delivery of the substances; and  (i) punishing with civil penalties nonviolent infractions involving the planting, cultivating, purchasing, transporting, distributing, or possessing of or other engagement with natural psychedelic substances;  (ii) expunging the records of Marylanders with convictions for nonviolent criminal offenses relating to natural psychedelic substances; and		
accordance with agricultural safety standards; and  (ii) testing and packaging requirements for products containing natural psychodelic substances with clear and accurate labeling of potency;  (6) make recommendations for the sale and taxation of natural psychodelic substances, including:  (i) restricting the sales of natural psychodelic substances to Natural Psychodelic Permit holders;  (ii) systems for the sale and reasonable taxation of natural psychodelic substances to cover the cost of a Maryland Natural Psychodelic Substance Access Program;  (iii) systems to support statewide online sales of natural psychodelic substances in communities in the State and opt to participate in the online sale and home delivery of the substances; and  (iv) options for retail stores that sell natural psychodelic substances in communities in the State and opt to participate in the online sale and home delivery of the substances; and  (i) punishing with civil penalties nonviolent infractions involving the planting, cultivating, purchasing, transporting, distributing, or possessing of or other engagement with natural psychedelic substances;  (ii) expunging the records of Marylanders with convictions for nonviolent criminal offenses relating to natural psychedelic substances; and	0	(i) more lations for more in a natural name had lie substances in
(ii) testing and packaging requirements for products containing natural psychodelic substances with clear and accurate labeling of potoney;  (6) make recommendations for the sale and taxation of natural psychodelic substances, including:  (i) restricting the sales of natural psychodelic substances to Natural Psychodelic Permit holders;  (ii) systems for the sale and reasonable taxation of natural psychodelic substances to cover the cost of a Maryland Natural Psychodelic Substance Access Program;  (iii) systems to support statewide online sales of natural psychodelic substances in communities in the State and opt to participate in the online sale and home delivery of the substances; and  (iv) options for retail stores that sell natural psychodelic substances in communities in the State and opt to participate in the online sale and home delivery of the substances; and  (i) punishing with civil penalties nonviolent infractions involving the planting, cultivating, purchasing, transporting, distributing, or possessing of or other engagement with natural psychedelic substances;  (ii) expunging the records of Marylanders with convictions for nonviolent criminal offenses relating to natural psychedelic substances; and		
13 (6) make recommendations for the sale and taxation of natural psychedelic substances, includings.  14 (i) restricting the sales of natural psychedelic substances to Natural Psychedelic Permit holders;  15 (ii) cystems for the sale and reasonable taxation of natural psychedelic substances to Natural psychedelic substances to cover the cost of a Maryland Natural Psychedelic Substance Access Program;  20 (iii) cystems to support statewide online sales of natural psychedelic substances with home delivery; and  21 (iv) options for retail stores that sell natural psychedelic substances in communities in the State and opt to participate in the online sale and home delivery of the substances; and  25 (7) (3) make recommendations to transition from criminalizing conduct involving natural psychedelic substances, including:  26 (i) punishing with civil penalties nonviolent infractions involving the planting, cultivating, purchasing, transporting, distributing, or possessing of or other engagement with natural psychedelic substances;  27 (i) expunging the records of Marylanders with convictions for nonviolent criminal offenses relating to natural psychedelic substances; and  28 (ii) releasing Marylanders incarcerated for nonviolent criminal	10	accordance with agricultural safety standards; and
13 (6) make recommendations for the sale and taxation of natural psychedelic substances, includings.  14 (i) restricting the sales of natural psychedelic substances to Natural Psychedelic Permit holders;  15 (ii) cystems for the sale and reasonable taxation of natural psychedelic substances to Natural Psychedelic substances to cover the cost of a Maryland Natural Psychedelic Substance Access Program;  20 (iii) cystems to support statewide online sales of natural psychedelic substances with home delivery; and  21 (iv) options for retail stores that sell natural psychedelic substances in communities in the State and opt to participate in the online sale and home delivery of the substances; and  25 (7) (3) make recommendations to transition from criminalizing conduct involving natural psychedelic substances, including:  26 (7) (3) make recommendations to transition from criminalizing conduct involving natural psychedelic substances, including:  27 (i) punishing with civil penalties nonviolent infractions involving the planting, cultivating, purchasing, transporting, distributing, or possessing of or other engagement with natural psychedelic substances;  30 (ii) expunging the records of Marylanders with convictions for nonviolent criminal offenses relating to natural psychedelic substances; and	11	(ii) testing and packaging requirements for products containing
(ii) eystems to support statewide online sales of natural psychedelic substances in communities in the State and opt to participate in the online sale and home delivery of the substances; and  (i) expunging the records of Marylanders with convictions for nonviolent criminal offenses relating to natural psychedelic substances; and  (ii) expunging the records of Marylanders with convictions for nonviolent criminal offenses relating to natural psychedelic substances; and		
15 (i) restricting the sales of natural psychedelic substances to Natural Psychedelic Permit holders;  17 (ii) systems for the sale and reasonable taxation of natural psychedelic substances to cover the cost of a Maryland Natural Psychedelic Substance Access Program;  20 (iii) systems to support statewide online sales of natural psychedelic substances in communities in the State and opt to participate in the online sale and home delivery of the substances; and  22 (iv) options for retail stores that sell natural psychedelic substances in communities in the State and opt to participate in the online sale and home delivery of the substances; and  25 (7) (3) make recommendations to transition from criminalizing conduct involving natural psychedelic substances, including:  27 (i) punishing with civil penalties nonviolent infractions involving the planting, cultivating, purchasing, transporting, distributing, or possessing of or other engagement with natural psychedelic substances;  30 (ii) expunging the records of Marylanders with convictions for nonviolent criminal offenses relating to natural psychedelic substances; and  32 (iii) releasing Marylanders incarcerated for nonviolent criminal	14	natural psychoache substances with clear and accurate labeling of potency,
15 (i) restricting the sales of natural psychedelic substances to Natural Psychedelic Permit holders;  17 (ii) systems for the sale and reasonable taxation of natural psychedelic substances to cover the cost of a Maryland Natural Psychedelic Substance Access Program;  20 (iii) systems to support statewide online sales of natural psychedelic substances in communities in the State and opt to participate in the online sale and home delivery of the substances; and  22 (iv) options for retail stores that sell natural psychedelic substances in communities in the State and opt to participate in the online sale and home delivery of the substances; and  25 (7) (3) make recommendations to transition from criminalizing conduct involving natural psychedelic substances, including:  27 (i) punishing with civil penalties nonviolent infractions involving the planting, cultivating, purchasing, transporting, distributing, or possessing of or other engagement with natural psychedelic substances;  30 (ii) expunging the records of Marylanders with convictions for nonviolent criminal offenses relating to natural psychedelic substances; and  32 (iii) releasing Marylanders incarcerated for nonviolent criminal	13	(6) make recommendations for the sale and taxation of natural nevelodelic
(ii) restricting the sales of natural psychedelic substances to Natural Psychedelic Permit holders;  (ii) systems for the sale and reasonable taxation of natural psychedelic substances to cover the cost of a Maryland Natural Psychedelic Substance Access Program;  (iii) systems to support statewide online sales of natural psychedelic substances with home delivery; and  (iv) eptions for retail stores that sell natural psychedelic substances in communities in the State and opt to participate in the online sale and home delivery of the substances; and  (7) (3) make recommendations to transition from criminalizing conduct involving natural psychedelic substances, including:  (i) punishing with civil penalties nonviolent infractions involving the planting, cultivating, purchasing, transporting, distributing, or possessing of or other engagement with natural psychedelic substances;  (ii) expunging the records of Marylanders with convictions for nonviolent criminal offenses relating to natural psychedelic substances; and		
16 Psychedelic Permit holders;  17 (ii) systems for the sale and reasonable taxation of natural psychedelic substances to cover the cost of a Maryland Natural Psychedelic Substance Access Program;  20 (iii) systems to support statewide online sales of natural psychedelic substances with home delivery; and  21 cubstances with home delivery; and  22 (iv) eptions for retail stores that sell natural psychedelic substances in communities in the State and opt to participate in the online sale and home delivery of the substances; and  23 (i) make recommendations to transition from criminalizing conduct involving natural psychedelic substances, including:  24 (i) punishing with civil penalties nonviolent infractions involving the planting, cultivating, purchasing, transporting, distributing, or possessing of or other engagement with natural psychedelic substances;  30 (ii) expunging the records of Marylanders with convictions for nonviolent criminal offenses relating to natural psychedelic substances; and  32 (iii) releasing Marylanders incarcerated for nonviolent criminal	14	bubblances, meraang.
16 Psychedelic Permit holders;  17 (ii) systems for the sale and reasonable taxation of natural psychedelic substances to cover the cost of a Maryland Natural Psychedelic Substance Access Program;  20 (iii) systems to support statewide online sales of natural psychedelic substances with home delivery; and  21 cubstances with home delivery; and  22 (iv) eptions for retail stores that sell natural psychedelic substances in communities in the State and opt to participate in the online sale and home delivery of the substances; and  23 (i) make recommendations to transition from criminalizing conduct involving natural psychedelic substances, including:  24 (i) punishing with civil penalties nonviolent infractions involving the planting, cultivating, purchasing, transporting, distributing, or possessing of or other engagement with natural psychedelic substances;  30 (ii) expunging the records of Marylanders with convictions for nonviolent criminal offenses relating to natural psychedelic substances; and  32 (iii) releasing Marylanders incarcerated for nonviolent criminal	15	(i) restricting the sales of natural psychedelic substances to Natural
(ii) systems for the sale and reasonable taxation of natural psychedelic substances to cover the cost of a Maryland Natural Psychedelic Substance Access Program;  (iii) systems to support statewide online sales of natural psychedelic substances of substances with home delivery; and  (iv) options for retail stores that sell natural psychedelic substances in communities in the State and opt to participate in the online sale and home delivery of the substances; and  (7) (3) make recommendations to transition from criminalizing conduct involving natural psychedelic substances, including:  (i) punishing with civil penalties nonviolent infractions involving the planting, cultivating, purchasing, transporting, distributing, or possessing of or other engagement with natural psychedelic substances;  (ii) expunging the records of Marylanders with convictions for nonviolent criminal offenses relating to natural psychedelic substances; and		
psychedelic substances to cover the cost of a Maryland Natural Psychedelic Substance Access Program;  (iii) systems to support statewide online sales of natural psychedelic substances with home delivery; and  (iv) options for retail stores that sell natural psychedelic substances in communities in the State and opt to participate in the online sale and home delivery of the substances; and  (i) punishing with civil penalties nonviolent infractions involving the planting, cultivating, purchasing, transporting, distributing, or possessing of or other engagement with natural psychedelic substances;  (ii) expunging the records of Marylanders with convictions for nonviolent criminal offenses relating to natural psychedelic substances; and		- ~J 01-0 401-0 - 0-1-1-0 102-0-0-0,
psychedelic substances to cover the cost of a Maryland Natural Psychedelic Substance Access Program;  (iii) systems to support statewide online sales of natural psychedelic substances with home delivery; and  (iv) options for retail stores that sell natural psychedelic substances in communities in the State and opt to participate in the online sale and home delivery of the substances; and  (i) punishing with civil penalties nonviolent infractions involving the planting, cultivating, purchasing, transporting, distributing, or possessing of or other engagement with natural psychedelic substances;  (ii) expunging the records of Marylanders with convictions for nonviolent criminal offenses relating to natural psychedelic substances; and	17	(ii) systems for the sale and reasonable taxation of natural
Access Program;  (iii) systems to support statewide online sales of natural psychodelic substances with home delivery; and  (iv) options for retail stores that sell natural psychodelic substances in communities in the State and opt to participate in the online sale and home delivery of the substances; and  (7) (3) make recommendations to transition from criminalizing conduct involving natural psychodelic substances, including:  (i) punishing with civil penalties nonviolent infractions involving the planting, cultivating, purchasing, transporting, distributing, or possessing of or other engagement with natural psychodelic substances;  (ii) expunging the records of Marylanders with convictions for nonviolent criminal offenses relating to natural psychodelic substances; and		
(iii) systems to support statewide online sales of natural psychedelic substances with home delivery; and  (iv) options for retail stores that sell natural psychedelic substances in communities in the State and opt to participate in the online sale and home delivery of the substances; and  (7) (3) make recommendations to transition from criminalizing conduct involving natural psychedelic substances, including:  (i) punishing with civil penalties nonviolent infractions involving the planting, cultivating, purchasing, transporting, distributing, or possessing of or other engagement with natural psychedelic substances;  (ii) expunging the records of Marylanders with convictions for nonviolent criminal offenses relating to natural psychedelic substances; and		Access Program;
21 substances with home delivery; and  22 (iv) options for retail stores that sell natural psychedelic substances 23 in communities in the State and opt to participate in the online sale and home delivery of 24 the substances; and  25 (7) (3) make recommendations to transition from criminalizing conduct 26 involving natural psychedelic substances, including:  27 (i) punishing with civil penalties nonviolent infractions involving 28 the planting, cultivating, purchasing, transporting, distributing, or possessing of or other 29 engagement with natural psychedelic substances;  30 (ii) expunging the records of Marylanders with convictions for 31 nonviolent criminal offenses relating to natural psychedelic substances; and  32 (iii) releasing Marylanders incarcerated for nonviolent criminal		
(iv) options for retail stores that sell natural psychedelic substances in communities in the State and opt to participate in the online sale and home delivery of the substances; and  (7) (3) make recommendations to transition from criminalizing conduct involving natural psychedelic substances, including:  (i) punishing with civil penalties nonviolent infractions involving the planting, cultivating, purchasing, transporting, distributing, or possessing of or other engagement with natural psychedelic substances;  (ii) expunging the records of Marylanders with convictions for nonviolent criminal offenses relating to natural psychedelic substances; and	20	(iii) systems to support statewide online sales of natural psychedelic
in communities in the State and opt to participate in the online sale and home delivery of the substances; and  (7) (3) make recommendations to transition from criminalizing conduct involving natural psychedelic substances, including:  (i) punishing with civil penalties nonviolent infractions involving the planting, cultivating, purchasing, transporting, distributing, or possessing of or other engagement with natural psychedelic substances;  (ii) expunging the records of Marylanders with convictions for nonviolent criminal offenses relating to natural psychedelic substances; and	21	substances with home delivery; and
in communities in the State and opt to participate in the online sale and home delivery of the substances; and  (7) (3) make recommendations to transition from criminalizing conduct involving natural psychedelic substances, including:  (i) punishing with civil penalties nonviolent infractions involving the planting, cultivating, purchasing, transporting, distributing, or possessing of or other engagement with natural psychedelic substances;  (ii) expunging the records of Marylanders with convictions for nonviolent criminal offenses relating to natural psychedelic substances; and	00	
the substances; and  (7) (3) make recommendations to transition from criminalizing conduct involving natural psychedelic substances, including:  (i) punishing with civil penalties nonviolent infractions involving the planting, cultivating, purchasing, transporting, distributing, or possessing of or other engagement with natural psychedelic substances;  (ii) expunging the records of Marylanders with convictions for nonviolent criminal offenses relating to natural psychedelic substances; and		
25 (7) (3) make recommendations to transition from criminalizing conduct involving natural psychedelic substances, including:  27 (i) punishing with civil penalties nonviolent infractions involving the planting, cultivating, purchasing, transporting, distributing, or possessing of or other engagement with natural psychedelic substances;  30 (ii) expunging the records of Marylanders with convictions for nonviolent criminal offenses relating to natural psychedelic substances; and  32 (iii) releasing Marylanders incarcerated for nonviolent criminal		
involving natural psychedelic substances, including:  (i) punishing with civil penalties nonviolent infractions involving the planting, cultivating, purchasing, transporting, distributing, or possessing of or other engagement with natural psychedelic substances;  (ii) expunging the records of Marylanders with convictions for nonviolent criminal offenses relating to natural psychedelic substances; and  (iii) releasing Marylanders incarcerated for nonviolent criminal	24	the substances; and
