## RESOLUTION

Encouraging public schools to design and teach a curriculum about the history of anti-Semitism and the Holocaust, and the vital and historic importance of the Jewish State of Israel.

Whereas, on January 1, 2020, in the Williamsburg neighborhood of Brooklyn, New York, two women punched a Jewish man in the throat and taunted him with anti-Semitic threats;

Whereas, on December 28, 2019, in Monsey, New York, a man wielding a large knife entered a Rabbi's home and stabbed five people during a Hanukkah celebration;

Whereas, on December 26, 2019, in Brooklyn, New York, a woman yelled anti-Semitic slurs at a Jewish woman and her son and physically assaulted the mother;

Whereas, on December 24, 2019, in Asheville, North Carolina, vandals painted an 8 foot swastika onto a mural on the building of Static Age Records;

Whereas, on December 24, 2019, in the Crown Heights neighborhood of Brooklyn, New York, an Orthodox man was approached by a group of individuals who punched him in the back of the head and fled;

Whereas, on December 10, 2019, in Jersey City, New Jersey, two attackers targeted a Kosher supermarket and killed three civilians and one police officer;

Whereas, on November 19, 2019, a Syracuse University professor received an anti-Semitic email with the subject line “JEW” in which she was told to “get in the oven where you belong”;

Whereas, on Saturday, April 27, 2019, a gunman named John Earnest opened fire inside the Chabad Congregation in Poway, California on the last day of Passover leaving one dead and three injured;

Whereas, on October 27, 2018, White supremacist Robert Gregory Bowers, 46, conducted a deadly shooting spree at the Tree of Life synagogue in Pittsburgh, Pennsylvania, killing 11 and wounding seven more, Bowers appears to have been motivated by anti-Semitic convictions and while in custody and receiving medical treatment, Bowers told a SWAT officer he “wanted all Jews to die”;

Whereas, on August 12, 2017, White supremacist Richard Spencer led a rally in Charlottesville, Virginia, where hundreds of his followers chanted, “Jews will not replace

us”, and this extremist demonstration turned violent when a neo-Nazi sympathizer drove a vehicle into a crowd, which resulted in the death of one peaceful demonstrator, and two Virginia State police officers died in the line of duty that day as well;

Whereas, as a result of the Boycott, Divestment and Sanctions Movement, Jewish students on college campuses across America have been exposed to rampant anti-Semitism;

Whereas learning how and why the Holocaust happened in schools would provide context for students to learn about the history of anti-Semitism;

Whereas since its creation in 1948, Israel has served as a refuge for Jews around the world to escape persecution; and

Whereas there has also been a significant amount of other anti-Israel and anti-Semitic hatred in the United States and around the world that must be strongly condemned: Now, therefore, be it
