Sec. 5747.02. (A) For the purpose of providing revenue for
the support of schools and local government functions, to
provide relief to property taxpayers, to provide revenue for the
general revenue fund, and to meet the expenses of administering
the tax levied by this chapter, there is hereby levied on every
individual, trust, and estate residing in or earning or

estate earning or receiving lottery winnings, prizes, or awards
pursuant to Chapter 3770. of the Revised Code, on every

(1) In the case of trusts, the tax imposed by this section
shall be measured by modified Ohio taxable income under division
(D) of this section and levied in the same amount as the tax is
imposed on estates as prescribed in division (A) (2) of this
section.

72

73

74

75

76

(2) In the case of estates, the tax imposed by this 77
section shall be measured by Ohio taxable income and levied at 78
the rate of seven thousand four hundred twenty-five ten- 79
thousandths per cent for the first ten thousand five hundred 80
dollars of such income and, for income in excess of that amount, 81
at the same rates prescribed in division (A) (3) of this section 82
for individuals. 83

(3) In the case of individuals, for taxable years 84
beginning in 2017 or thereafter, the tax imposed by this section 85
on income other than taxable business income shall be measured 86
by Ohio adjusted gross income, less taxable business income and 87
less an exemption for the taxpayer, the taxpayer's spouse, and 88
each dependent as provided in section 5747.025 of the Revised 89
Code. If the balance thus obtained is equal to or less than ten 90
thousand five hundred dollars, no tax shall be imposed on that 91
balance. If the balance thus obtained is greater than ten 92
thousand five hundred dollars, the tax is hereby levied as 93
follows: 94

(4) (a) In the case of individuals, for taxable years	118
beginning in 2016 or thereafter, the tax imposed by this section	119
on taxable business income shall equal three per cent of the	120
result obtained by subtracting any amount allowed under division	121
(A) (4) (b) of this section from the individual's taxable business	122
income.	123
(b) If the exemptions allowed to an individual under	124
division (A) (3) of this section exceed the taxpayer's Ohio	125
adjusted gross income less taxable business income, the excess	126
shall be deducted from taxable business income before computing	127
the tax under division (A) (4) (a) of this section.	128
(5) Except as otherwise provided in this division, in	129
August of each year, the tax commissioner shall make a new	130
adjustment to the income amounts prescribed in divisions (A) (2)	131
and (3) of this section by multiplying the percentage increase	132
in the gross domestic product deflator computed that year under	133
section 5747.025 of the Revised Code by each of the income	134

amounts resulting from the adjustment under this division in the 135
preceding year, adding the resulting product to the 136
corresponding income amount resulting from the adjustment in the 137
preceding year, and rounding the resulting sum to the nearest 138
multiple of fifty dollars. The tax commissioner also shall 139
recompute each of the tax dollar amounts to the extent necessary 140
to reflect the new adjustment of the income amounts. To 141
recompute the tax dollar amount corresponding to the lowest tax 142
rate in division (A) (3) of this section, the commissioner shall 143
multiply the tax rate prescribed in division (A) (2) of this 144
section by the income amount specified in that division and as 145
adjusted according to this paragraph. The rates of taxation 146
shall not be adjusted. 147

The adjusted amounts apply to taxable years beginning in 148
the calendar year in which the adjustments are made and to 149
taxable years beginning in each ensuing calendar year until a 150
calendar year in which a new adjustment is made pursuant to this 151
division. The tax commissioner shall not make a new adjustment 152
in any year in which the amount resulting from the adjustment 153
would be less than the amount resulting from the adjustment in 154
the preceding year. 155

(B) If the director of budget and management makes a 156
certification to the tax commissioner under division (B) of 157
section 131.44 of the Revised Code, the amount of tax as 158
determined under divisions (A) (1) to (3) of this section shall 159
be reduced by the percentage prescribed in that certification 160
for taxable years beginning in the calendar year in which that 161
certification is made. 162

(C) The levy of this tax on income does not prevent a 163
municipal corporation, a joint economic development zone created 164

under section 715.691, or a joint economic development district 165
created under section 715.70, 715.71, or 715.72 of the Revised 166
Code from levying a tax on income. 167

(D) This division applies only to taxable years of a trust 168
beginning in 2002 or thereafter. 169

(1) The tax imposed by this section on a trust shall be 170
computed by multiplying the Ohio modified taxable income of the 171
trust by the rates prescribed by division (A) of this section. 172

(2) A resident trust may claim a credit against the tax 173
computed under division (D) of this section equal to the lesser 174
of (a) the tax paid to another state or the District of Columbia 175
on the resident trust's modified nonbusiness income, other than 176
the portion of the resident trust's nonbusiness income that is 177
qualifying investment income as defined in section 5747.012 of 178
the Revised Code, or (b) the effective tax rate, based on 179
modified Ohio taxable income, multiplied by the resident trust's 180
modified nonbusiness income other than the portion of the 181
resident trust's nonbusiness income that is qualifying 182
investment income. The credit applies before any other 183
applicable credits. 184

(3) The credits enumerated in divisions (A)(1) to (9) and 185
(A)~~(18)~~~~(20)~~ to ~~(20)~~~~(22)~~ of section 5747.98 of the Revised Code 186
do not apply to a trust subject to division (D) of this section. 187
Any credits enumerated in other divisions of section 5747.98 of 188
the Revised Code apply to a trust subject to division (D) of 189
this section. To the extent that the trust distributes income 190
for the taxable year for which a credit is available to the 191
trust, the credit shall be shared by the trust and its 192
beneficiaries. The tax commissioner and the trust shall be 193
guided by applicable regulations of the United States treasury 194

regarding the sharing of credits. 195

(E) For the purposes of this section, "trust" means any 196
trust described in Subchapter J of Chapter 1 of the Internal 197
Revenue Code, excluding trusts that are not irrevocable as 198
defined in division (I) (3) (b) of section 5747.01 of the Revised 199
Code and that have no modified Ohio taxable income for the 200
taxable year, charitable remainder trusts, qualified funeral 201
trusts and preneed funeral contract trusts established pursuant 202
to sections 4717.31 to 4717.38 of the Revised Code that are not 203
qualified funeral trusts, endowment and perpetual care trusts, 204
qualified settlement trusts and funds, designated settlement 205
trusts and funds, and trusts exempted from taxation under 206
section 501(a) of the Internal Revenue Code. 207

(F) Nothing in division (A) (3) of this section shall 208
prohibit an individual with an Ohio adjusted gross income, less 209
taxable business income and exemptions, of ten thousand five 210
hundred dollars or less from filing a return under this chapter 211
to receive a refund of taxes withheld or to claim any refundable 212
credit allowed under this chapter. 213

Sec. 5747.72. (A) As used in this section: 214

(1) "Agricultural asset" means agricultural land, 215
livestock, facilities, buildings, and machinery used for 216
agricultural production in this state. 217

(2) "Agricultural land" means land that is composed of 218
tracts, lots, or parcels totaling not less than ten acres 219
devoted to agricultural production or totaling less than ten 220
acres devoted to agricultural production if the land produces an 221
average yearly gross income of at least two thousand five 222
hundred dollars from agricultural production. 223

(3) "Agricultural production" has the same meaning as in 224
section 929.01 of the Revised Code. 225

(4) "Beginning farmer" means an individual certified by 226
the director of agriculture as a beginning farmer under section 227
901.61 of the Revised Code. 228

(5) "Owner of agricultural assets" means a person that is 229
the owner in fee of agricultural land or that has legal title to 230
any other agricultural asset. An "owner of agricultural assets" 231
does not include an equipment dealer or comparable entity 232
engaged in the business of selling agricultural assets for 233
profit. 234

(6) "Share rent agreement" means a rental agreement in 235
which the principal consideration given to the owner of 236
agricultural assets is a predetermined portion of the production 237
of the agricultural products produced from the rented 238
agricultural assets and which provides for sharing production 239
costs or risk of loss. 240

(B) A credit shall be allowed against a taxpayer's 241
aggregate liability under section 5747.02 of the Revised Code 242
for an owner of agricultural assets who sells or rents 243
agricultural assets to a beginning farmer. The rental of an 244
agricultural asset qualifies for the credit only if the asset is 245
rented at prevailing community rates, as determined by the 246
director of agriculture. 247

The amount of the credit equals one of the following 248
amounts: 249

(1) Five per cent of the sale price of the agricultural 250
asset; 251

(2) Ten per cent of the gross rental income received 252

during each of the first three years of a rental agreement; 253

(3) Fifteen per cent of the cash equivalent of the gross 254
rental income received during each of the first three years of a 255
a share rent agreement. 256

In the case of the sale of an agricultural asset, the 257
credit shall be claimed for the taxable year in which the sale 258
is consummated. In the case of the rental of an agricultural 259
asset, the credit shall be claimed for the three taxable years 260
ending during the first three years of the rental agreement or 261
share rent agreement. A taxpayer may not claim the credit for 262
more than one rental or share rent agreement involving the 263
rental of the same agricultural asset to the same beginning 264
farmer. 265

The credit shall be claimed in the order required under 266
section 5747.98 of the Revised Code. If a credit exceeds the 267
aggregate amount of tax otherwise due for a taxable year, the 268
excess may be carried forward and applied against the tax due 269
for not more than fifteen succeeding taxable years, provided 270
that the amount applied to the tax due for any taxable year 271
shall be subtracted from the amount available to carry forward 272
to succeeding years. 273

(C) A credit shall be allowed against a taxpayer's 274
aggregate liability under section 5747.02 of the Revised Code 275
for an individual who participates in a financial management 276
program approved by the director of agriculture under section 277
901.61 of the Revised Code and is certified as a beginning 278
farmer in the same taxable year. The amount of the credit shall 279
equal the cost of participating in the program during the 280
taxable year. 281

The credit shall be claimed in the order required under 282
section 5747.98 of the Revised Code. If a credit exceeds the 283
aggregate amount of tax otherwise due for the taxable year, the 284
excess may be carried forward and applied against the tax due 285
for not more than three succeeding taxable years, provided that 286
the amount applied to the tax due for any taxable year shall be 287
subtracted from the amount available to carry forward to 288
succeeding years. 289

Sec. 5747.98. (A) To provide a uniform procedure for 290
calculating a taxpayer's aggregate tax liability under section 291
5747.02 of the Revised Code, a taxpayer shall claim any credits 292
to which the taxpayer is entitled in the following order: 293

(1) Either the retirement income credit under division (B) 294
of section 5747.055 of the Revised Code or the lump sum 295
retirement income credits under divisions (C), (D), and (E) of 296
